1 AN ACT Relating to establishing the Washington promise program,
2 which provides for universal and affordable access to community and
3 technical colleges; amending RCW 43.88C.010; adding a new chapter to
4 Title 28B RCW; and providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The Washington promise program is
7 established to help make the first two years of college affordable
8 and accessible to all citizens of the state of Washington by offering
9 a tuition waiver for eligible students enrolled in associate degree
10 or certificate programs offered by Washington's community and
11 technical colleges. The purpose of the program is to encourage more
12 Washington residents who have not yet earned a bachelor's degree or
13 higher degree to enroll in and successfully complete an associate's
14 degree or certificate that will lead to opportunities for further
15 education and jobs. By making a higher education credential more
16 affordable and accessible, Washington will make more progress towards
17 attaining the Washington student achievement council roadmap goal of
18 having at least seventy percent of Washington adults having a
19 postsecondary credential by 2023.

6 information about services available on campus. The plan must address
7 how the board will ensure that students receiving a Washington
