1 AN ACT Relating to allowing the use of lodging taxes for 2 financing workforce housing; and amending RCW 67.28.150, 67.28.160, 3 and 67.28.180.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 Sec. 1. RCW 67.28.150 and 1997 c 452 s 9 are each amended to 6 read as follows:

7 To carry out the purposes of this chapter including, but not limited to, financing loans or grants to nonprofit organizations or 8 public housing authorities for affordable workforce housing within 9 10 <u>one-half mile of a transit station</u>, any municipality ((shall have)) 11 has the power to issue general obligation bonds within the limitations now or hereafter prescribed by the laws of this state. 12 13 Such general obligation bonds ((shall)) must be authorized, executed, 14 issued, and made payable as other general obligation bonds of such municipality((: PROVIDED, That)). However, the governing body of such 15 16 municipality may provide that such bonds mature in not to exceed 17 forty years from the date of their issue, may provide that such bonds 18 also be made payable from any special taxes provided for in this chapter and may pledge such special taxes to the repayment of the 19 20 bonds, and may provide that such bonds also be made payable from any

1 otherwise unpledged revenue, which may be derived from the ownership 2 or operation of any properties.

3 **Sec. 2.** RCW 67.28.160 and 1997 c 452 s 10 are each amended to 4 read as follows:

5 (1) To carry out the purposes of this chapter including, but not limited to, financing loans or grants to nonprofit organizations or б public housing authorities for affordable workforce housing within 7 one-half mile of a transit station, the legislative body of any 8 9 municipality ((shall have)) has the power to issue revenue bonds 10 without submitting the matter to the voters of the municipality((+ 11 PROVIDED, That)) and may pledge the special taxes provided for in this chapter to the repayment of such revenue bonds. However, the 12 13 legislative body ((shall)) must create a special fund or funds for the sole purpose of paying the principal of and interest on the bonds 14 15 of each such issue, into which fund or funds the legislative body may 16 obligate the municipality to pay all or part of amounts collected 17 from the special taxes provided for in this chapter, and/or to pay such amounts of the gross revenue of all or any part of the 18 19 facilities constructed, acquired, improved, added to, repaired, or 20 replaced pursuant to this chapter, as the legislative body ((shall)) determines((+ PROVIDED, FURTHER, That)). The principal of and 21 interest on such bonds ((shall be)) is payable only out of such 22 23 special fund or funds, and the owners of such bonds ((shall)) must 24 have a lien and charge against the gross revenue pledged to such 25 fund.

26 ((Such)) (a) The revenue bonds and the interest thereon issued 27 against ((such)) the fund or funds ((shall)) constitutes a claim of 28 the owners thereof only as against such fund or funds and the revenue 29 pledged therefor, and ((shall)) does not constitute a general 30 indebtedness of the municipality.

31 (b) Each ((such)) revenue bond ((shall)) must state upon its face 32 that it is payable from such special fund or funds, and all revenue 33 bonds issued under this chapter ((shall be)) are negotiable 34 securities within the provisions of the law of this state. ((Such)) 35 The revenue bonds may be registered either as to principal only or as 36 to principal and interest as provided in RCW 39.46.030, or may be 37 bearer bonds((; shall be)). The revenue bonds must be:

38 <u>(i) In such denominations as the legislative body ((shall)) deems</u> 39 proper; ((shall be))

1 (ii) Payable at such time or times and at such places, as ((shall 2 be)) determined by the legislative body; ((shall be))

3 <u>(iii) Executed in such manner and bear interest at such rate or</u> 4 rates, as ((shall be)) determined by the legislative body((.

5 Such revenue bonds shall be)); and

6 (iv) Sold in such manner as the legislative body ((shall)) deems
7 to be for the best interests of the municipality, either at public or
8 private sale.

(c) The legislative body may at the time of the issuance of 9 ((such)) the revenue bonds make ((such)) covenants with the owners of 10 11 ((said)) such bonds as it may deem necessary to secure and guaranty 12 the payment of the principal thereof and the interest thereon, including but not being limited to covenants to set aside adequate 13 14 reserves to secure or guaranty the payment of such principal and interest, to pledge and apply thereto part or all of any lawfully 15 16 authorized special taxes provided for in this chapter, to maintain 17 rates, charges, or rentals sufficient with other available moneys to 18 pay such principal and interest and to maintain adequate coverage 19 over debt service, to appoint a trustee or trustees for the bond owners, to safeguard the expenditure of the proceeds of sale of such 20 21 bonds and to fix the powers and duties of such trustee or trustees and to make such other covenants as the legislative body may deem 22 necessary to accomplish the most advantageous sale of such bonds. For 23 24 revenue bonds issued for the purpose of funding affordable workforce 25 housing projects within one-half mile of a transit station, where 26 such revenue bonds are reasonably expected to be awarded to projects that can expend the funds within three years after bond issuance, the 27 legislative body must require that the aggregate debt service on all 28 29 such outstanding revenue bonds be limited to no more than fifty percent of the revenue collected under RCW 67.28.180(3)(d)(ii), and 30 31 that at least ten percent of the aggregate proceeds of all such 32 outstanding revenue bonds be committed to finance one or more projects by an authority under chapter 43.167 RCW to promote 33 sustainable workplace opportunities near a community impacted by the 34 construction or operation of tourism-related facilities. 35 The 36 legislative body may also provide that revenue bonds payable out of the same source may later be issued on a parity with revenue bonds 37 being issued and sold. 38

39 <u>(d)</u> The legislative body may include in the principal amount of 40 any such revenue bond issue an amount for engineering, architectural,

planning, financial, legal, and other services and charges incident 1 to the acquisition or construction of public stadium facilities, 2 convention center facilities, performing arts center facilities, 3 and/or visual arts center facilities, an amount to establish 4 necessary reserves, an amount for working capital, and an amount 5 6 necessary for interest during the period of construction of any 7 facilities to be financed from the proceeds of such issue plus six months. The legislative body may, if it deems it in the best interest 8 of the municipality, provide in any contract for the construction or 9 acquisition of any facilities or additions or improvements thereto or 10 11 replacements or extensions thereof that payment therefor ((shall)) 12 may be made only in such revenue bonds.

13 (e) If the municipality ((shall)) fails to carry out or perform 14 any of its obligations or covenants made in the authorization, 15 issuance, and sale of such bonds, the owner of any such bond may 16 bring action against the municipality and compel the performance of 17 any or all of such covenants.

18 (2) Notwithstanding subsection (1) of this section, such bonds19 may be issued and sold in accordance with chapter 39.46 RCW.
