**PART II - GRANTS TO LAW ENFORCEMENT AGENCIES**

**NEW SECTION. Sec. 9.** The legislature finds that, as of July 24, 2015, there were approximately six thousand sexual assault kits in the possession of Washington's law enforcement agencies, which have not been submitted for forensic examination. The legislature finds all of these kits should undergo forensic testing and receive a follow up reinvestigation of the underlying case once forensic testing is complete. To ensure the follow up reinvestigation, the legislature intends to utilize state, federal, and private resources to fund regional task forces composed of local law enforcement agencies partnered with victims' advocates. The legislature intends to fund the regional task forces with a five-year grant program through the Washington association of sheriffs and police chiefs. The grant moneys are intended for reinvestigation of all cases where a sexual assault kit was in the possession of a Washington law enforcement agency but not submitted for forensic testing as of July 24, 2015.

**NEW SECTION. Sec. 10.** A new section is added to chapter 36.28A RCW to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

"Association" means the Washington association of sheriffs and police chiefs.
NEW SECTION. Sec. 11. A new section is added to chapter 36.28A RCW to read as follows:

(1) When funded, the association shall establish and administer a grant program for law enforcement agencies and regional task forces composed of local law enforcement agencies for the purpose of reinvestigating all cases where a sexual assault kit was in the possession of a law enforcement agency but not submitted for forensic testing as of July 24, 2015.

(2) Grant recipients must:
   (a) Conduct investigations or reinvestigations of cases where a sexual assault kit was in the possession of a law enforcement agency but not submitted for forensic testing as of July 24, 2015;
   (b) Employ and use a victims' advocate within the investigative unit responsible for investigations funded by the grant;
   (c) Develop and use protocols for the notification of victims regarding results of forensic testing of sexual assault kits; and
   (d) Submit data and information necessary for the association to comply with subsection (4) of this section.

(3) Grant awards may not be used to supplant preexisting funding for investigations of sexual assaults.

(4) The association must submit a report on the grant program established under this section to the sexual assault forensic examination best practices task force, the appropriate committees of the legislature, and the governor by November 1, 2017, and by November 1st of each subsequent year. The report must include the following:

PART III - ACCEPTING DONATIONS FOR PROTECTING VICTIMS

NEW SECTION. Sec. 12. A new section is added to chapter 43.31 RCW to read as follows:

(1) The Washington sexual assault kit program is created within the department for the purpose of accepting private funds for testing sexual assault kits and conducting related investigations where a sexual assault kit was in the possession of a law enforcement agency but not submitted for forensic testing as of July 24, 2015. The director may accept gifts, grants, donations, or moneys from any source for deposit in the Washington sexual assault kit account created under subsection (2) of this section.

(2) The Washington sexual assault kit account is created in the state treasury. Funds deposited in the Washington sexual assault kit account may be used for the Washington sexual assault kit testing program established under this section. The Washington sexual assault kit account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(3) Funds deposited in the Washington sexual assault kit account must be transferred and used exclusively for the following:

(a) Forty-five percent of the funds for the Washington state patrol bureau of forensic laboratory services for the purpose of testing sexual assault kits in the possession of a law enforcement agency but not submitted for forensic testing as of July 24, 2015;

(b) Forty percent of the funds for the Washington association of sheriffs and police chiefs for the purpose of funding the grant program established under section 11 of this act; and

(c) Fifteen percent of the funds for the office of crime victims' advocacy in the department for the purpose of funding grants for sexual assault nurse examiner services and training.

PART IV - SEXUALLY ORIENTED BUSINESS FEE

NEW SECTION. Sec. 13. The legislature finds the state has a substantial interest in protecting and preserving the quality of life for its communities against the adverse secondary effects of live adult entertainment. The legislature recognizes local governments have an important role in regulating businesses engaged in live adult entertainment, including reasonable location and licensing restrictions, for the purpose of minimizing adverse secondary
effects. However, the adoption of a statewide fee can provide further assistance to the victims of crimes directly and indirectly resulting from these businesses.

The legislature finds that in Washington state, sexually oriented businesses featuring live adult entertainment earn more than twenty-five million dollars per year in revenue. Of the millions of female victims of human trafficking, seventy percent are trafficked into the commercial sex industry, including being recruited to work as hostesses, waitresses, or exotic dancers in sexually oriented businesses featuring adult entertainment. Exotic dancers are more likely to be victims of sexual violence, including sexual assault and rape. The office of crime victims' advocacy plays a critical role in providing support to victims of both human trafficking and sexual assault.

The legislature hereby establishes the sexually oriented business fee to fund policies and programming for investigating sex crimes and supporting trafficking and sex crime victims in Washington. The sexually oriented business fee does not regulate or prohibit any kind of speech. The legislature's interest in preventing harmful secondary effects is not related to the suppression of expression in nude dancing. Citizens are still free to engage in such forms of expression to the extent it complies with other legally established time, place, and manner restrictions. Instead, the sexually oriented business fee offsets the impacts of crime and the other deleterious effects caused by the presence of sexually oriented businesses in Washington.

NEW SECTION. Sec. 14. (1) There is levied and collected a fee upon the admission to a sexually oriented live adult entertainment establishment, in an amount equal to four dollars. The fee imposed under this section must be paid by the patron to the operator of the establishment. Each operator must collect from the patron the full amount of the fee in respect to each admission and without respect to any cover charges that the operator may charge. The fee collected from the patron by the operator must be paid to the department of revenue in accordance with RCW 82.32.045.

(2) All other applicable provisions of chapter 82.32 RCW have full force and application with respect to the fee imposed under this section. The department of revenue must administer this section.
(3) Receipts from the fee imposed in this section must be deposited into the sexually oriented business fee account established in section 16 of this act.

(4) For the purposes of this section, the following definitions apply:

(a) "Adult entertainment" means:
   (i) Any live exhibition, performance, or dance of any type conducted by an individual who is unclothed or in such costume, attire, or clothing as to expose any portion of the female breast below the top of the areola or any portion of the pubic region, anus, buttocks, vulva, or genitals;
   (ii) Any performance of the following acts or of acts which simulate, or use artificial devices or inanimate objects which depict:
        (A) Sexual intercourse, masturbation, sodomy, bestiality, oral copulation, flagellation, or any sexual acts that are prohibited by law;
        (B) The touching, caressing, or fondling of the breast, buttocks, anus, or genitals; or
        (C) The displaying of the pubic hair, anus, vulva, or genitals.

(b) "Cover charge" means a charge, regardless of its label, to enter a sexually oriented live adult entertainment establishment or added to the patron's bill by an operator of an establishment or otherwise collected after entrance to the establishment, and the patron is provided the opportunity to enter and view adult entertainment in exchange for payment of the charge.

(c) "Operator" means any person who operates, conducts, or maintains a sexually oriented adult entertainment establishment.

(d) "Patron" means any individual who is admitted to a sexually oriented live adult entertainment establishment.

(e) "Person" means any individual, partnership, corporation, trust, incorporated or unincorporated association, marital community, joint venture, governmental entity, or other entity or group of persons, however organized.

(f) "Sexually oriented live adult entertainment establishment" means an adult cabaret, erotic dance venue, strip club, or any other commercial premises where live adult entertainment is provided during at least thirty days within a calendar year or a proportional number of days if the establishment was not open for a full calendar year.
NEW SECTION. Sec. 15. (1) The fees required to be collected by
the operator under section 14 of this act, are deemed to be held in
trust by the operator until paid to the department of revenue, and
any operator who appropriates or converts the fees collected to his
or her own use or to any use other than the payment of the fees to
the extent that the money required to be collected is not available
for payment on the due date as prescribed in this chapter is guilty
of a gross misdemeanor.

(2) If any operator fails to collect the fees imposed under
section 14 of this act or having collected the fees, fails to pay the
collected fees to the department of revenue in the manner prescribed
in section 14 of this act, whether such failure is the result of his
or her own acts or the result of acts or conditions beyond the
operator's control, the operator is nevertheless, personally liable
to the state for the amount of the fees.

(3) The amount of the fees, until paid by the patron to the
operator or to the department of revenue, constitutes a debt from the
patron to the operator. Any operator who fails or refuses to collect
the fees as required with intent to violate the provisions of this
chapter or to gain some advantage or benefit, either direct or
indirect, and any patron who refuses to pay any fees due under this
chapter is guilty of a misdemeanor.

NEW SECTION. Sec. 16. (1) The Washington sexually oriented
business fee account is created in the state treasury. The office of
crime victims advocacy within the department of commerce is
authorized as an administrator of the account. Receipts from the fee
imposed in section 14 of this act must be deposited into the account
created in this section. The Washington sexually oriented business
fee account is subject to allotment procedures under chapter 43.88
RCW, but an appropriation is not required for expenditures.

(2) Funds deposited in the Washington sexually oriented business
fee account must be transferred and used exclusively for the
following purposes:

(a) Prior to July 1, 2021:

   (i) Beginning on June 30, 2017, and each year thereafter, fifty
   percent of the funds must be transferred to the Washington state
   patrol for use by the Washington state patrol bureau of forensic
   laboratory services for the purpose of testing sexual assault kits in
the possession of a law enforcement agency but not submitted for forensic testing as of July 24, 2015;

(ii) Twenty-five percent of the funds must be used by the office of crime victims advocacy within the department of commerce for the purposes of providing services or support to victims of sexual abuse; and

(iii) Twenty-five percent of the funds must be used by the office of crime victims advocacy in the department of commerce for the purposes of providing services and support, including educational and vocational training opportunities, to victims of human trafficking.

(b) Beginning on July 1, 2021:

(i) Thirty percent of the funds must be transferred on June 30, 2022, and each year thereafter, to the Washington state patrol bureau of forensic laboratory services for the purpose of testing sexual assault kits;

(ii) Thirty-five percent of the funds must be used by the office of crime victims advocacy in the department of commerce for the purposes of providing services or support to victims of sexual abuse; and

(iii) Thirty-five percent of the funds must be used by the office of crime victims advocacy in the department of commerce for the purposes of providing services and support, including educational and vocational training opportunities, to victims of human trafficking.

Sec. 17. RCW 82.32.145 and 2015 c 188 s 121 are each amended to read as follows:

(1) Whenever the department has issued a warrant under RCW 82.32.210 for the collection of unpaid trust fund taxes from a limited liability business entity and that business entity has been terminated, dissolved, or abandoned, or is insolvent, the department may pursue collection of the entity's unpaid trust fund taxes, including penalties and interest on those taxes, against any or all of the responsible individuals. For purposes of this subsection, "insolvent" means the condition that results when the sum of the entity's debts exceeds the fair market value of its assets.
