12 prescribing penalties; providing an effective date; and declaring an  
13 emergency.

14 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

15            NEW SECTION.    **Sec. 1.**    This act may be known and cited as the  
16 cannabis patient protection act.

17            NEW SECTION.    **Sec. 2.**    The legislature finds that since voters  
18 approved Initiative Measure No. 692 in 1998, it has been the public  
19 policy of the state to permit the medical use of marijuana. Between  
20 1998 and the present day, there have been multiple legislative

1 attempts to clarify what is meant by the medical use of marijuana and  
2 to ensure qualifying patients have a safe, consistent, and adequate  
3 source of marijuana for their medical needs.

4 The legislature further finds that qualifying patients are people  
5 with serious medical conditions and have been responsible for finding  
6 their own source of marijuana for their own personal medical use.  
7 Either by growing it themselves, designating someone to grow for  
8 them, or participating in collective gardens, patients have developed  
9 methods of access in spite of continued federal opposition to the  
10 medical use of marijuana. In a time when access itself was an issue  
11 and no safe, consistent source of marijuana was available, this  
12 unregulated system was permitted by the state to ensure some, albeit  
13 limited, access to marijuana for medical use. Also permitted were  
14 personal possession limits of fifteen plants and twenty-four ounces  
15 of useable marijuana, which was deemed to be the amount of marijuana  
16 needed for a sixty-day supply. In a time when supply was not  
17 consistent, this amount of marijuana was necessary to ensure patients  
18 would be able to address their immediate medical needs.

19 The legislature further finds that while possession amounts are  
20 provided in statute, these do not amount to protection from arrest  
21 and prosecution for patients. In fact, patients in compliance with  
22 state law are not provided arrest protection. They may be arrested  
23 and their only remedy is to assert an affirmative defense at trial  
24 that they are in compliance with the law and have a medical need. Too  
25 many patients using marijuana for medical purposes today do not know  
26 this; many falsely believe they cannot be arrested so long as their  
27 health care provider has authorized them for the medical use of  
28 marijuana.

29 The legislature further finds that in 2012 voters passed  
30 Initiative Measure No. 502 which permitted the recreational use of  
31 marijuana. For the first time in our nation's history, marijuana  
32 would be regulated, taxed, and sold for recreational  
33 consumption. Initiative Measure No. 502 provides for strict  
34 regulation on the production, processing, and distribution of  
35 marijuana. Under Initiative Measure No. 502, marijuana is trackable  
36 from seed to sale and may only be sold or grown under license.  
37 Marijuana must be tested for impurities and purchasers of marijuana  
38 must be informed of the THC level in the marijuana. Since its  
39 passage, two hundred fifty producer/processor licenses and sixty-  
40 three retail licenses have been issued, covering the majority of the

1 state. With the current product canopy exceeding 2.9 million square  
2 feet, and retailers in place, the state now has a system of safe,  
3 consistent, and adequate access to marijuana; the marketplace is not  
4 the same marketplace envisioned by the voters in 1998. While medical  
5 needs remain, the state is in the untenable position of having a  
6 recreational product that is tested and subject to production  
7 standards that ensure safe access for recreational users. No such  
8 standards exist for medical users and, consequently, the very people  
9 originally meant to be helped through the medical use of marijuana do  
10 not know if their product has been tested for molds, do not know  
11 where their marijuana has been grown, have no certainty in the level  
12 of THC or CBD in their products, and have no assurances that their  
13 products have been handled through quality assurance measures. It is  
14 not the public policy of the state to allow qualifying patients to  
15 only have access to products that may be endangering their health.

16 The legislature, therefore, intends to adopt a comprehensive act  
17 that uses the regulations in place for the recreational market to  
18 provide regulation for the medical use of marijuana. It intends to  
19 ensure that patients retain their ability to grow their own marijuana  
20 for their own medical use and it intends to ensure that patients have  
21 the ability to possess more marijuana-infused products, useable  
22 marijuana, and marijuana concentrates than what is available to a  
23 nonmedical user. It further intends that medical specific regulations  
24 be adopted as needed and under consultation of the departments of  
25 health and agriculture so that safe handling practices will be  
26 adopted and so that testing standards for medical products meet or  
27 exceed those standards in use in the recreational market.

28 **Sec. 3.** RCW 66.08.012 and 2012 c 117 s 265 are each amended to  
29 read as follows:

30 There shall be a board, known as the "Washington state liquor  
31 (~~control~~) and cannabis board," consisting of three members, to be  
32 appointed by the governor, with the consent of the senate, who shall

33 accordance with the provisions of this chapter (~~(3, Laws of 2013)~~)  
34 and the rules adopted to implement and enforce it, by a validly  
35 licensed marijuana retailer, shall not be a criminal or civil offense  
36 under Washington state law. Every marijuana retailer's license shall  
37 be issued in the name of the applicant, shall specify the location of  
38 the retail outlet the licensee intends to operate, which must be  
39 within the state of Washington, and the holder thereof shall not  
40 allow any other person to use the license. The application fee for a

1 marijuana retailer's license shall be two hundred fifty dollars. The  
2 annual fee for issuance and renewal of a marijuana retailer's license  
3 shall be one thousand dollars. A separate license shall be required  
4 for each location at which a marijuana retailer intends to sell  
5 marijuana concentrates, useable marijuana, and marijuana-infused  
6 products.

7 **Sec. 6.** RCW 69.50.331 and 2013 c 3 s 6 are each amended to read  
8 as follows:

9 (1) For the purpose of considering any application for a license  
10 to produce, process, or sell marijuana, or for the renewal of a  
11 license to produce, process, or sell marijuana, the state liquor  
12 ~~((control))~~ and cannabis board must conduct a comprehensive, fair,  
13 and impartial evaluation of the applications timely received.

14 (a) The state liquor and cannabis board must develop a  
15 competitive, merit-based application process that includes, at a  
16 minimum, the opportunity for an applicant to demonstrate experience  
17 and qualifications in the marijuana industry. Operating a collective  
18 garden before the effective date of this section and having a  
19 business license and a history of paying sales tax to the department  
20 of revenue may be factors used to establish the experience and  
21 qualifications of the applicant.

22 (b) The state liquor and cannabis board may cause an inspection  
23 of the premises to be made, and may inquire into all matters in  
24 connection with the construction and operation of the premises. For  
25 the purpose of reviewing any application for a license and for  
26 considering the denial, suspension, revocation, or renewal or denial  
27 thereof, of any license, the state liquor ~~((control))~~ and cannabis  
28 board may consider any prior criminal conduct of the applicant  
29 including an administrative violation history record with the state  
30 liquor ~~((control))~~ and cannabis board and a criminal history record  
31 information check. The state liquor ~~((control))~~ and cannabis board  
32 may submit the criminal history record information check to the  
33 Washington state patrol and to the identification division of the  
34 federal bureau of investigation in order that these agencies may  
35 search their records for prior arrests and convictions of the  
36 individual or individuals who filled out the forms. The state liquor  
37 ~~((control))~~ and cannabis board shall require fingerprinting of any  
38 applicant whose criminal history record information check is  
39 submitted to the federal bureau of investigation. The provisions of

1 RCW 9.95.240 and of chapter 9.96A RCW shall not apply to these cases.  
2 Subject to the provisions of this section, the state liquor  
3 (~~control~~) and cannabis board may, in its discretion, grant or deny  
4 the renewal or license applied for. Denial may be based on, without  
5 limitation, the existence of chronic illegal activity documented in  
6 objections submitted pursuant to subsections (7)(c) and (9) of this  
7 section. Authority to approve an uncontested or unopposed license may  
8 be granted by the state liquor (~~control~~) and cannabis board to any  
9 staff member the board designates in writing. Conditions for granting  
10 this authority shall be adopted by rule.

11 (c) No license of any kind may be issued to:

12 (~~(a)~~) (i) A person under the age of twenty-one years;

13 (~~(b)~~) (ii) A person doing business as a sole proprietor who has  
14 not lawfully resided in the state for at least three months prior to  
15 applying to receive a license;

16 (~~(c)~~) (iii) A partnership, employee cooperative, association,  
17 nonprofit corporation, or corporation unless formed under the laws of  
18 this state, and unless all of the members thereof are qualified to  
19 obtain a license as provided in this section; or

20 (~~(d)~~) (iv) A person whose place of business is conducted by a  
21 manager or agent, unless the manager or agent possesses the same  
22 qualifications required of the licensee.

23 (2)(a) The state liquor (~~control~~) and cannabis board may, in  
24 its discretion, subject to the provisions of RCW 69.50.334, suspend  
25 or cancel any license; and all protections of the licensee from  
26 criminal or civil sanctions under state law for producing,  
27 processing, or selling marijuana, useable marijuana, or marijuana-  
28 infused products thereunder shall be suspended or terminated, as the  
29 case may be.

30 (b) The state liquor (~~control~~) and cannabis board shall  
31 immediately suspend the license of a person who has been certified  
32 pursuant to RCW 74.20A.320 by the department of social and health  
33 services as a person who is not in compliance with a support order.  
34 If the person has continued to meet all other requirements for  
35 reinstatement during the suspension, reissuance of the license shall  
36 be automatic upon the state liquor (~~control~~) and cannabis board's  
37 receipt of a release issued by the department of social and health  
38 services stating that the licensee is in compliance with the order.

39 (c) The state liquor (~~control~~) and cannabis board may request  
40 the appointment of administrative law judges under chapter 34.12 RCW

1 who shall have power to administer oaths, issue subpoenas for the  
2 attendance of witnesses and the production of papers, books,  
3 accounts, documents, and testimony, examine witnesses, and to receive  
4 testimony in any inquiry, investigation, hearing, or proceeding in  
5 any part of the state, under rules and regulations the state liquor  
6 (~~control~~) and cannabis board may adopt.

7 (d) Witnesses shall be allowed fees and mileage each way to and  
8 from any inquiry, investigation, hearing, or proceeding at the rate  
9 authorized by RCW 34.05.446. Fees need not be paid in advance of  
10 appearance of witnesses to testify or to produce books, records, or  
11 other legal evidence.

12 (e) In case of disobedience of any person to comply with the  
13 order of the state liquor (~~control~~) and cannabis board or a  
14 subpoena issued by the state liquor (~~control~~) and cannabis board,  
15 or any of its members, or administrative law judges, or on the  
16 refusal of a witness to testify to any matter regarding which he or  
17 she may be lawfully interrogated, the judge of the superior court of  
18 the county in which the person resides, on application of any member  
19 of the board or administrative law judge, shall compel obedience by  
20 contempt proceedings, as in the case of disobedience of the  
21 requirements of a subpoena issued from said court or a refusal to  
22 testify therein.

23 (3) Upon receipt of notice of the suspension or cancellation of a  
24 license, the licensee shall forthwith deliver up the license to the  
25 state liquor (~~control~~) and cannabis board. Where the license has  
26 been suspended only, the state liquor (~~control~~) and cannabis board  
27 shall return the license to the licensee at the expiration or  
28 termination of the period of suspension. The state liquor (~~control~~)  
29 and cannabis board shall notify all other licensees in the county  
30 where the subject licensee has its premises of the suspension or  
31 cancellation of the license; and no other licensee or employee of  
32 another licensee may allow or cause any marijuana, useable marijuana,  
33 or marijuana-infused products to be delivered to or for any person at  
34 the premises of the subject licensee.

35 (4) Every license issued under chapter 3, Laws of 2013 shall be  
36 subject to all conditions and restrictions imposed by chapter 3, Laws  
37 of 2013 or by rules adopted by the state liquor (~~control~~) and  
38 cannabis board to implement and enforce chapter 3, Laws of 2013. All  
39 conditions and restrictions imposed by the state liquor (~~control~~)  
40 and cannabis board in the issuance of an individual license shall be

1 listed on the face of the individual license along with the trade  
2 name, address, and expiration date.

3 (5) Every licensee shall post and keep posted its license, or  
4 licenses, in a conspicuous place on the premises.

5 (6) No licensee shall employ any person under the age of twenty-  
6 one years.

7 (7)(a) Before the state liquor (~~((control))~~) and cannabis board  
8 issues a new or renewed license to an applicant it shall give notice  
9 of the application to the chief executive officer of the incorporated  
10 city or town, if the application is for a license within an  
11 incorporated city or town, or to the county legislative authority, if  
12 the application is for a license outside the boundaries of  
13 incorporated cities or towns.

14 (b) The incorporated city or town through the official or  
15 employee selected by it, or the county legislative authority or the  
16 official or employee selected by it, shall have the right to file  
17 with the state liquor (~~((control))~~) and cannabis board within twenty  
18 days after the date of transmittal of the notice for applications, or  
19 at least thirty days prior to the expiration date for renewals,  
20 written objections against the applicant or against the premises for  
21 which the new or renewed license is asked. The state liquor  
22 (~~((control))~~) and cannabis board may extend the time period for  
23 submitting written objections.

24 (c) The written objections shall include a statement of all facts  
25 upon which the objections are based, and in case written objections  
26 are filed, the city or town or county legislative authority may  
27 request, and the state liquor (~~((control))~~) and cannabis board may in  
28 its discretion hold, a hearing subject to the applicable provisions  
29 of Title 34 RCW. If the state liquor (~~((control))~~) and cannabis board  
30 makes an initial decision to deny a license or renewal based on the  
31 written objections of an incorporated city or town or county  
32 legislative authority, the applicant may request a hearing subject to  
33 the applicable provisions of Title 34 RCW. If a hearing is held at  
34 the request of the applicant, state liquor (~~((control))~~) and cannabis  
35 board representatives shall present and defend the state liquor  
36 (~~((control))~~) and cannabis board's initial decision to deny a license  
37 or renewal.

38 (d) Upon the granting of a license under this title the state  
39 liquor (~~((control))~~) and cannabis board shall send written notification  
40 to the chief executive officer of the incorporated city or town in

1 which the license is granted, or to the county legislative authority  
2 if the license is granted outside the boundaries of incorporated  
3 cities or towns.

4 (8) The state liquor (~~((control))~~) and cannabis board shall not  
5 issue a license for any premises within one thousand feet of the  
6 perimeter of the grounds of any elementary or secondary school,  
7 playground, recreation center or facility, child care center, public  
8 park, public transit center, or library, or any game arcade admission  
9 to which is not restricted to persons aged twenty-one years or older.

10 (9) In determining whether to grant or deny a license or renewal  
11 of any license, the state liquor (~~((control))~~) and cannabis board shall  
12 give substantial weight to objections from an incorporated city or  
13 town or county legislative authority based upon chronic illegal  
14 activity associated with the applicant's operations of the premises  
15 proposed to be licensed or the applicant's operation of any other  
16 licensed premises, or the conduct of the applicant's patrons inside  
17 or outside the licensed premises. "Chronic illegal activity" means  
18 (a) a pervasive pattern of activity that threatens the public health,  
19 safety, and welfare of the city, town, or county including, but not  
20 limited to, open container violations, assaults, disturbances,  
21 disorderly conduct, or other criminal law violations, or as  
22 documented in crime statistics, police reports, emergency medical  
23 response data, calls for service, field data, or similar records of a  
24 law enforcement agency for the city, town, county, or any other  
25 municipal corporation or any state agency; or (b) an unreasonably  
26 high number of citations for violations of RCW 46.61.502 associated  
27 with the applicant's or licensee's operation of any licensed premises  
28 as indicated by the reported statements given to law enforcement upon  
29 arrest.

30 **Sec. 7.** RCW 69.50.342 and 2013 c 3 s 9 are each amended to read  
31 as follows:

32 (1) For the purpose of carrying into effect the provisions of  
33 chapter 3, Laws of 2013 according to their true intent or of  
34 supplying any deficiency therein, the state liquor (~~((control))~~) and  
35 cannabis board may adopt rules not inconsistent with the spirit of  
36 chapter 3, Laws of 2013 as are deemed necessary or advisable. Without  
37 limiting the generality of the preceding sentence, the state liquor  
38 (~~((control))~~) and cannabis board is empowered to adopt rules regarding  
39 the following:

28 (2) Rules adopted on retail outlets holding medical marijuana  
29 endorsements must be adopted in coordination and consultation with  
30 the department.

31 **Sec. 8.** RCW 69.50.345 and 2013 c 3 s 10 are each amended to read  
32 as follows:

33 The state liquor ~~((control))~~ and cannabis board, subject to the  
34 provisions of this chapter ~~((3, Laws of 2013))~~, must adopt rules ~~((by~~  
35 ~~December 1, 2013,))~~ that establish the procedures and criteria  
36 necessary to implement the following:

37 (1) Licensing of marijuana producers, marijuana processors, and  
38 marijuana retailers, including prescribing forms and establishing  
39 application, reinstatement, and renewal fees.

1 (a) Application forms for marijuana producers must request the  
2 applicant to state whether the applicant intends to produce marijuana  
3 for sale by marijuana retailers holding medical marijuana  
4 endorsements and the amount of or percentage of canopy the applicant  
5 intends to commit to growing plants determined by the department  
6 under section 10 of this act to be of a THC concentration, CBD  
7 concentration, or THC to CBD ratio appropriate for marijuana  
8 concentrates, useable marijuana, or marijuana-infused products sold  
9 to qualifying patients.

10 (b) The state liquor and cannabis board must reconsider limits on  
11 the amount of square feet permitted to be in production on the  
12 effective date of this section and increase the percentage of  
13 production space for those marijuana producers who intend to grow  
14 plants for marijuana retailers holding medical marijuana endorsements  
15 if the marijuana producer designates the increased production space  
16 to plants determined by the department under section 10 of this act  
17 to be of a THC concentration, CBD concentration, or THC to CBD ratio  
18 appropriate for marijuana concentrates, useable marijuana, or  
19 marijuana-infused products to be sold to qualifying patients. If  
20 current marijuana producers do not use all the increased production  
21 space, the state liquor and cannabis board may reopen the license  
22 period for new marijuana producer license applicants but only to  
23 those marijuana producers who agree to grow plants for marijuana  
24 retailers holding medical marijuana endorsements. Priority in  
25 licensing must be given to marijuana producer license applicants who  
26 have an application pending on the effective date of this section but  
27 who are not yet licensed and then to new marijuana producer license  
28 applicants;

29 (2) Determining, in consultation with the office of financial  
30 management, the maximum number of retail outlets that may be licensed  
31 in each county, taking into consideration:

32 (a) Population distribution;

33 (b) Security and safety issues; (~~and~~)

34 (c) The provision of adequate access to licensed sources of  
35 marijuana concentrates, useable marijuana, and marijuana-infused  
36 products to discourage purchases from the illegal market; and

37 (d) The number of retail outlets holding medical marijuana  
38 endorsements necessary to meet the medical needs of qualifying  
39 patients. The state liquor and cannabis board must reconsider the  
40 maximum number of retail outlets it established before the effective

1 date of this section and allow for a new license application period  
2 and a greater number of retail outlets to be permitted in order to  
3 accommodate the medical needs of qualifying patients and designated  
4 providers;

5 (3) Determining the maximum quantity of marijuana a marijuana  
6 producer may have on the premises of a licensed location at any time  
7 without violating Washington state law;

8 (4) Determining the maximum quantities of marijuana, marijuana  
9 concentrates, useable marijuana, and marijuana-infused products a  
10 marijuana processor may have on the premises of a licensed location  
11 at any time without violating Washington state law;

12 (5) Determining the maximum quantities of marijuana concentrates,  
13 useable marijuana, and marijuana-infused products a marijuana  
14 retailer may have on the premises of a retail outlet at any time  
15 without violating Washington state law;

16 (6) In making the determinations required by (~~subsections (3)~~  
17 ~~through (5) of~~) this section, the state liquor (~~control~~) and  
18 cannabis board shall take into consideration:

19 (a) Security and safety issues;

20 (b) The provision of adequate access to licensed sources of  
21 marijuana, marijuana concentrates, useable marijuana, and marijuana-  
22 infused products to discourage purchases from the illegal market; and

23 (c) Economies of scale, and their impact on licensees' ability to  
24 both comply with regulatory requirements and undercut illegal market  
25 prices;

26 (7) Determining the nature, form, and capacity of all containers  
27 to be used by licensees to contain marijuana, marijuana concentrates,  
28 useable marijuana, and marijuana-infused products, and their labeling  
29 requirements, to include but not be limited to:

30 (a) The business or trade name and Washington state unified  
31 business identifier number of the licensees that grew, processed, and  
32 sold the marijuana, marijuana concentrates, useable marijuana, or  
33 marijuana-infused product;

34 (b) Lot numbers of the marijuana, marijuana concentrates, useable  
35 marijuana, or marijuana-infused product;

36 (c) THC concentration and CBD concentration of the marijuana,  
37 marijuana concentrates, useable marijuana, or marijuana-infused  
38 product;

39 (d) Medically and scientifically accurate information about the  
40 health and safety risks posed by marijuana use; and

1 (e) Language required by RCW 69.04.480;

2 (8) In consultation with the department of agriculture and the  
3 department, establishing classes of marijuana, marijuana  
4 concentrates, useable marijuana, and marijuana-infused products  
5 according to grade, condition, cannabinoid profile, THC  
6 concentration, CBD concentration, or other qualitative measurements  
7 deemed appropriate by the state liquor (~~control~~) and cannabis  
8 board;

9 (9) Establishing reasonable time, place, and manner restrictions  
10 and requirements regarding advertising of marijuana, marijuana  
11 concentrates, useable marijuana, and marijuana-infused products that  
12 are not inconsistent with the provisions of this chapter (~~(3, Laws of~~  
13 ~~2013)~~), taking into consideration:

14 (a) Federal laws relating to marijuana that are applicable within  
15 Washington state;

16 (b) Minimizing exposure of people under twenty-one years of age  
17 to the advertising; (~~and~~)

18 (c) The inclusion of medically and scientifically accurate  
19 information about the health and safety risks posed by marijuana use  
20 in the advertising; and

21 (d) Ensuring that retail outlets with medical marijuana  
22 endorsements may advertise themselves as medical retail outlets;

23 (10) Specifying and regulating the time and periods when, and the  
24 manner, methods, and means by which, licensees shall transport and  
25 deliver marijuana, marijuana concentrates, useable marijuana, and  
26 marijuana-infused products within the state;

27 (11) In consultation with the department and the department of  
28 agriculture, establishing accreditation requirements for testing  
29 laboratories used by licensees to demonstrate compliance with  
30 standards adopted by the state liquor (~~control~~) and cannabis board,  
31 and prescribing methods of producing, processing, and packaging  
32 marijuana, marijuana concentrates, useable marijuana, and marijuana-  
33 infused products; conditions of sanitation; and standards of  
34 ingredients, quality, and identity of marijuana, marijuana  
35 concentrates, useable marijuana, and marijuana-infused products  
36 produced, processed, packaged, or sold by licensees;

37 (12) Specifying procedures for identifying, seizing,  
38 confiscating, destroying, and donating to law enforcement for  
39 training purposes all marijuana, marijuana concentrates, useable  
40 marijuana, and marijuana-infused products produced, processed,

1 packaged, labeled, or offered for sale in this state that do not  
2 conform in all respects to the standards prescribed by this chapter  
3 (~~(3, Laws of 2013)~~) or the rules of the state liquor (~~(control)~~) and  
4 cannabis board.

5 **Sec. 9.** RCW 69.50.354 and 2014 c 192 s 3 are each amended to  
6 read as follows:

7 There may be licensed, in no greater number in each of the  
8 counties of the state than as the state liquor (~~(control)~~) and  
9 cannabis board shall deem advisable, retail outlets established for  
10 the purpose of making marijuana concentrates, useable marijuana, and  
11 marijuana-infused products available for sale to adults aged twenty-  
12 one and over. Retail sale of marijuana concentrates, useable  
13 marijuana, and marijuana-infused products in accordance with the  
14 provisions of this chapter (~~(3, Laws of 2013)~~) and the rules adopted  
15 to implement and enforce it, by a validly licensed marijuana retailer  
16 or retail outlet employee, shall not be a criminal or civil offense  
17 under Washington state law.

18 NEW SECTION. **Sec. 10.** A new section is added to chapter 69.50  
19 RCW to read as follows:

20 (1) A medical marijuana endorsement to a marijuana retail license  
21 is hereby established to permit a marijuana retailer to sell  
22 marijuana for medical use to qualifying patients and designated  
23 providers.

24 (2) An applicant may apply for a medical marijuana endorsement  
25 concurrently with an application for a marijuana retail license.

26 (3) To be issued an endorsement, a marijuana retailer must:

27 (a) Not authorize the medical use of marijuana for qualifying  
28 patients at the retail outlet or permit health care professionals to  
29 authorize the medical use of marijuana for qualifying patients at the  
30 retail outlet;

31 (b) Carry marijuana concentrates and marijuana-infused products

25 RCW to read as follows:

26 Nothing in this chapter permits anyone other than a validly

28 marijuana or to produce or process any form of marijuana concentrates  
29 or marijuana-infused products that include marijuana concentrates not  
30 purchased from a validly licensed marijuana retailer as an  
31 ingredient. The extraction or separation of resin from marijuana, the  
32 processing of marijuana concentrates, and the processing of  
33 marijuana-infused products that include marijuana concentrates not  
34 purchased from a validly licensed marijuana retailer as an ingredient  
35 by any person other than a validly licensed marijuana processor each

1       **Sec. 16.** RCW 69.51A.005 and 2011 c 181 s 102 are each amended to  
2 read as follows:

3       (1) The legislature finds that:

4       (a) There is medical evidence that some patients with terminal or  
5 debilitating medical conditions may, under their health care  
6 professional's care, benefit from the medical use of ((~~cannabis~~))  
7 marijuana. Some of the conditions for which ((~~cannabis~~)) marijuana  
8 appears to be beneficial include, but are not limited to:

9       (i) Nausea, vomiting, and cachexia associated with cancer, HIV-  
10 positive status, AIDS, hepatitis C, anorexia, and their treatments;

11       (ii) Severe muscle spasms associated with multiple sclerosis,  
12 epilepsy, and other seizure and spasticity disorders;

13       (iii) Acute or chronic glaucoma;

14       (iv) Crohn's disease; and

15       (v) Some forms of intractable pain.

16       (b) Humanitarian compassion necessitates that the decision to use  
17 ((~~cannabis~~)) marijuana by patients with terminal or debilitating  
18 medical conditions is a personal, individual decision, based upon  
19 their health care professional's professional medical judgment and  
20 discretion.

21       (2) Therefore, the legislature intends that, so long as such  
22 activities are in strict compliance with this chapter:

23       (a) Qualifying patients with terminal or debilitating medical  
24 conditions who, in the judgment of their health care professionals,  
25 may benefit from the medical use of ((~~cannabis~~)) marijuana, shall not  
26 be arrested, prosecuted, or subject to other criminal sanctions or  
27 civil consequences under state law based solely on their medical use  
28 of ((~~cannabis~~)) marijuana, notwithstanding any other provision of  
29 law;

30       (b) Persons who act as designated providers to such patients  
31 shall also not be arrested, prosecuted, or subject to other criminal  
32 sanctions or civil consequences under state law, notwithstanding any  
33 other provision of law, based solely on their assisting with the  
34 medical use of ((~~cannabis~~)) marijuana; and

35       (c) Health care professionals shall also not be arrested,  
36 prosecuted, or subject to other criminal sanctions or civil  
37 consequences under state law for the proper authorization of medical  
38 use of ((~~cannabis~~)) marijuana by qualifying patients for whom, in the  
39 health care professional's professional judgment, the medical use of  
40 ((~~cannabis~~)) marijuana may prove beneficial.

1 (3) Nothing in this chapter establishes the medical necessity or  
2 medical appropriateness of ~~((cannabis))~~ marijuana for treating  
3 terminal or debilitating medical conditions as defined in RCW  
4 69.51A.010.

5 (4) Nothing in this chapter diminishes the authority of  
6 correctional agencies and departments, including local governments or  
7 jails, to establish a procedure for determining when the use of  
8 ~~((cannabis))~~ marijuana would impact community safety or the effective  
9 supervision of those on active supervision for a criminal conviction,  
10 nor does it create the right to any accommodation of any medical use  
11 of ~~((cannabis))~~ marijuana in any correctional facility or jail.

5       NEW SECTION. Sec. 19. A new section is added to chapter 69.51A  
6 RCW to read as follows:

7       (1) As part of adding a qualifying patient or designated provider  
8 to the medical marijuana authorization database, the health care  
9 professional may include recommendations on the amount of marijuana  
10 that is likely needed by the qualifying patient for his or her  
11 medical needs and in accordance with subsection (2) of this section.  
12 If no recommendations are included when the qualifying patient or  
13 designated provider is added to the database, the qualifying patient  
14 or designated provider may purchase at a retail outlet holding a  
15 medical marijuana endorsement a combination of the following: Forty-  
16 eight ounces of marijuana-infused product in solid form; three ounces  
17 of useable marijuana; two hundred sixteen ounces of marijuana-infused  
18 product in liquid form; or twenty-one grams of marijuana  
19 concentrates. The qualifying patient or designated provider may also  
20 grow, in his or her domicile, up to six plants for the personal  
21 medical use of the qualifying patient and possess up to eight ounces  
22 of useable marijuana produced from his or her plants.

23       (2) If a health care professional determines that the medical  
24 needs of a qualifying patient exceed the amounts provided for in  
25 subsection (1) of this section, the health care professional may  
26 recommend the patient be allowed to grow, in his or her domicile, up  
27 to fifteen plants for the personal medical use of the patient. A  
28 patient so authorized may possess up to sixteen ounces of useable  
29 marijuana in his or her domicile. The number of plants must be  
30 entered into the medical marijuana authorization database by the  
31 authorizing health care professional.

32       NEW SECTION. Sec. 20. A new section is added to chapter 69.51A  
33 RCW to read as follows:

34       (1) Health care professionals may authorize the medical use of  
35 marijuana for qualifying patients who are under the age of eighteen  
36 if:

37       (a) The minor's parent or guardian participates in the minor's  
38 treatment and agrees to the medical use of marijuana by the minor;

1 (b) The parent or guardian acts as the designated provider for  
2 the minor and has sole control over the minor's marijuana. However,  
3 the minor may possess up to the amount of marijuana that is necessary  
4 for his or her next dose; and

5 (c) The minor may not grow plants or purchase marijuana-infused  
6 products, useable marijuana, or marijuana concentrates from a  
7 marijuana retailer with a medical marijuana endorsement.

8 (2) A health care professional who authorizes the medical use of  
9 marijuana by a minor must do so as part of the course of treatment of  
10 the minor's terminal or debilitating medical condition. If  
11 authorizing a minor for the medical use of marijuana, the health care  
12 professional must:

13 (a) Consult with other health care providers involved in the  
14 minor's treatment, as medically indicated, before authorization or  
15 reauthorization of the medical use of marijuana;

16 (b) Reexamine the minor at least once every six months or more  
17 frequently as medically indicated. The reexamination must:

18 (i) Determine that the minor continues to have a terminal or  
19 debilitating medical condition and that the condition benefits from  
20 the medical use of marijuana; and

21 (ii) Include a follow-up discussion with the minor's parent or  
22 guardian to ensure the parent or guardian continues to participate in  
23 the treatment of the minor;

24 (c) Enter both the minor and the minor's parent or guardian who  
25 is acting as the designated provider in the medical marijuana  
26 authorization database.

27 NEW SECTION. **Sec. 21.** A new section is added to chapter 69.51A  
28 RCW to read as follows:

29 (1) The department must contract with an entity to create,  
30 administer, and maintain a secure and confidential medical marijuana  
31 authorization database that, beginning July 1, 2016, allows:

32 (a) A health care professional to add a qualifying patient or  
33 designated provider and include the amount of marijuana concentrates,  
34 useable marijuana, marijuana-infused products, or plants for which  
35 the qualifying patient is authorized under section 19 of this act;

36 (b) Persons authorized to prescribe or dispense controlled  
37 substances to access health care information on their patients for  
38 the purpose of providing medical or pharmaceutical care for their  
39 patients;

1 (c) A qualifying patient or designated provider to request and  
2 receive his or her own health care information or information on any  
3 person or entity that has queried their name or information;

4 (d) Appropriate local, state, tribal, and federal law enforcement  
5 or prosecutorial officials who are engaged in a bona fide specific  
6 investigation of suspected marijuana-related activity that may be  
7 illegal under Washington state law to confirm the validity of the  
8 authorization card of a qualifying patient or designated provider;

9 (e) A marijuana retailer holding a medical marijuana endorsement  
10 to confirm the validity of the authorization card of a qualifying  
11 patient or designated provider;

12 (f) The department of revenue to verify tax exemptions under  
13 chapters 82.08 and 82.12 RCW;

14 (g) The department and the health care professional's  
15 disciplining authorities to monitor authorizations and ensure  
16 compliance with this chapter and chapter 18.130 RCW by their  
17 licensees; and

18 (h) Authorizations to expire six months or one year after entry  
19 into the medical marijuana authorization database, depending on  
20 whether the authorization is for a minor or an adult.

21 (2) A qualifying patient and his or her designated provider, if  
22 any, must be placed in the medical marijuana authorization database  
23 by the qualifying patient's health care professional. After a  
24 qualifying patient or designated provider is placed in the medical  
25 marijuana authorization database, he or she must be provided with an  
26 authorization card that contains identifiers required in subsection  
27 (3) of this section.

28 (3) The authorization card requirements must be developed by the  
29 department in rule and include:

30 (a) A randomly generated and unique identifying number;

31 (b) For designated providers, the unique identifying number of  
32 the qualifying patient whom the provider is assisting;

33 (c) A photograph of the qualifying patient's or designated  
34 provider's face taken by the authorizing health care professional in  
35 accordance with rules adopted by the department;

36 (d) The amount of marijuana concentrates, useable marijuana,  
37 marijuana-infused products, or plants for which the qualifying  
38 patient is authorized under section 19 of this act;

39 (e) The effective date and expiration date of the authorization  
40 card;

1 (f) The name of the health care professional who authorized the  
2 qualifying patient or designated provider; and

3 (g) For the authorization card, additional security features as  
4 necessary to ensure its validity.

5 (4) For qualifying patients who are eighteen years of age or  
6 older and their designated providers, authorization cards are valid  
7 for one year from the date the health care professional enters the  
8 qualifying patient or designated provider in the medical marijuana  
9 authorization database. For qualifying patients who are under the age  
10 of eighteen and their designated providers, authorization cards are  
11 valid for six months from the date the health care professional  
12 enters the qualifying patient or designated provider in the medical  
13 marijuana authorization database. Qualifying patients may not be  
14 reentered into the medical marijuana authorization database until  
15 they have been reexamined by a health care professional and  
16 determined to meet the definition of qualifying patient. After  
17 reexamination, the health care professional must reenter the  
18 qualifying patient or designated provider into the medical marijuana  
19 authorization database and a new authorization card will then be  
20 issued in accordance with department rules.

21 (5) If an authorization card is lost or stolen, the health care  
22 professional, in conjunction with the database administrator, may  
23 issue a new card that will be valid for six months to one year if the  
24 patient is reexamined and determined to meet the definition of  
25 qualifying patient and depending on whether the patient is under the  
26 age of eighteen or eighteen years of age or older as provided in  
27 subsection (4) of this section. If a reexamination is not performed,  
28 the expiration date of the replacement authorization card must be the  
29 same as the lost or stolen authorization card.

30 (6) The database administrator must remove qualifying patients  
31 and designated providers from the medical marijuana authorization  
32 database upon expiration of the authorization card. Qualifying  
33 patients and designated providers may request to remove themselves  
34 from the medical marijuana authorization database before expiration  
35 of an authorization card and health care professionals may request to  
36 remove qualifying patients and designated providers from the medical  
37 marijuana authorization database if the patient or provider no longer  
38 qualifies for the medical use of marijuana. The database  
39 administrator must retain database records for at least five calendar

1 years to permit the state liquor and cannabis board and the  
2 department of revenue to verify eligibility for tax exemptions.

3 (7) During development of the medical marijuana authorization  
4 database, the database administrator must consult with the  
5 department, stakeholders, and persons with relevant expertise to  
6 include, but not be limited to, qualifying patients, designated  
7 providers, health care professionals, state and local law enforcement  
8 agencies, and the University of Washington computer science and  
9 engineering security and privacy research lab or a certified cyber  
10 security firm, vendor, or service.

11 (8) The medical marijuana authorization database must meet the  
12 following requirements:

13 (a) Any personally identifiable information included in the  
14 database must be nonreversible, pursuant to definitions and standards  
15 set forth by the national institute of standards and technology;

16 (b) Any personally identifiable information included in the  
17 database must not be susceptible to linkage by use of data external  
18 to the database;

19 (c) The database must incorporate current best differential  
20 privacy practices, allowing for maximum accuracy of database queries  
21 while minimizing the chances of identifying the personally  
22 identifiable information included therein; and

23 (d) The database must be upgradable and updated in a timely  
24 fashion to keep current with state of the art privacy and security  
25 standards and practices.

26 (9)(a) Personally identifiable information of qualifying patients  
27 and designated providers included in the medical marijuana  
28 authorization database is confidential and exempt from public  
29 disclosure, inspection, or copying under chapter 42.56 RCW.

30 (b) Information contained in the medical marijuana authorization  
31 database may be released in aggregate form, with all personally  
32 identifying information redacted, for the purpose of statistical  
33 analysis and oversight of agency performance and actions.

34 (c) Information contained in the medical marijuana authorization  
35 database shall not be shared with the federal government or its  
36 agents unless the particular patient or designated provider is  
37 convicted in state court for violating this chapter or chapter 69.50  
38 RCW.

1 (10) The department must, in coordination with the database  
2 administrator, establish a fee that is adequate to cover the costs of  
3 administrating the medical marijuana authorization database.

4 (11) If the database administrator fails to comply with this  
5 section, the department may cancel any contracts with the database  
6 administrator and contract with another database administrator to  
7 continue administration of the database. A database administrator who  
8 fails to comply with this section is subject to a fine of up to five  
9 thousand dollars in addition to any penalties established in the  
10 contract. Fines collected under this section must be deposited into  
11 the dedicated marijuana fund created under RCW 69.50.530.

12 (12) The department may adopt rules to implement this section.

13 NEW SECTION. **Sec. 22.** A new section is added to chapter 42.56  
14 RCW to read as follows:

15 Records in the medical marijuana authorization database  
16 established in section 21 of this act containing names and other  
17 personally identifiable information of qualifying patients and  
18 designated providers are exempt from disclosure under this chapter.

19 NEW SECTION. **Sec. 23.** A new section is added to chapter 69.51A  
20 RCW to read as follows:

21 (1) It is unlawful for a person to knowingly or intentionally:

22 (a) Access the medical marijuana authorization database for any  
23 reason not authorized under section 21 of this act;

24 (b) Disclose any information received from the medical marijuana  
25 authorization database in violation of section 21 of this act  
26 including, but not limited to, qualifying patient or designated  
27 provider names, addresses, or amount of marijuana for which they are  
28 authorized;

29 (c) Produce an authorization card or to tamper with an  
30 authorization card for the purpose of having it accepted by a  
31 marijuana retailer holding a medical marijuana endorsement in order  
32 to purchase marijuana as a qualifying patient or designated provider  
33 or to grow marijuana plants in accordance with this chapter;

34 (d) If a person is a designated provider to a qualifying patient,  
35 sell, donate, or supply marijuana produced or obtained for the  
36 qualifying patient to another person, or use the marijuana produced  
37 or obtained for the qualifying patient for the designated provider's  
38 own personal use or benefit; or

1 (e) If the person is a qualifying patient, sell, donate, or  
2 otherwise supply marijuana produced or obtained by the qualifying  
3 patient to another person.

4 (2) A person who violates this section is guilty of a class C  
5 felony and upon conviction may be imprisoned for not more than two  
6 years, fined not more than two thousand dollars, or both.

33 NEW SECTION. Sec. 25. A new section is added to chapter 69.51A  
34 RCW to read as follows:

35 (1) Qualifying patients or designated providers may form a  
36 cooperative and share responsibility for acquiring and supplying the  
37 resources needed to produce and process marijuana only for the  
38 medical use of members of the cooperative. No more than four  
39 qualifying patients or designated providers may become members of a

1 cooperative under this section and all members must hold valid  
2 authorization cards.

3 (2) Cooperatives may not be located within fifteen miles of a  
4 marijuana retailer. People who wish to form a cooperative must  
5 register the location with the state liquor and cannabis board and  
6 this is the only location where cooperative members may grow or  
7 process marijuana. This registration must include the names of all  
8 participating members and copies of each participant's authorization  
9 card. Only qualifying patients or designated providers registered  
10 with the state liquor and cannabis board in association with the  
11 location may participate in growing or receive useable marijuana or  
12 marijuana-infused products grown at that location. The state liquor  
13 and cannabis board must deny the registration of any cooperative if  
14 the location is within fifteen miles of a marijuana retailer.

15 (3) If a qualifying patient or designated provider no longer  
16 participates in growing at the location, he or she must notify the  
17 state liquor and cannabis board within fifteen days of the date the  
18 qualifying patient or designated provider ceases participation. The  
19 state liquor and cannabis board must remove his or her name from  
20 connection to the cooperative. Additional qualifying patients or  
21 designated providers may not join the cooperative until sixty days  
22 have passed since the date on which the last qualifying patient or  
23 designated provider notifies the state liquor and cannabis board that  
24 he or she no longer participates in that cooperative.

25 (4) Qualifying patients or designated providers who participate  
26 in a cooperative under this section:

27 (a) May grow up to the total amount of plants for which each  
28 participating member is authorized on their authorization cards, up  
29 to a maximum of sixty plants. At the location, the qualifying  
30 patients or designated providers may possess the amount of useable  
31 marijuana that can be produced with the number of plants permitted  
32 under this subsection, but no more than seventy-two ounces;

33 (b) May only participate in one cooperative;

34 (c) May only grow plants in the cooperative and if he or she  
35 grows plants in the cooperative may not grow plants elsewhere;

36 (d) Must provide assistance in growing plants. A monetary  
37 contribution or donation is not to be considered assistance under  
38 this section. Participants must provide nonmonetary resources and  
39 labor in order to participate; and

1 (e) May not sell, donate, or otherwise provide marijuana,  
2 marijuana concentrates, useable marijuana, or marijuana-infused  
3 products to a person who is not participating under this section.

4 (5) The location of the cooperative must be the domicile of one  
5 of the participants. Only one cooperative may be located per property  
6 tax parcel. A copy of each participant's authorization card must be  
7 kept at the location at all times.

8 (6) The state liquor and cannabis board may adopt rules to  
9 implement this section including:

10 (a) Any security requirements necessary to ensure the safety of  
11 the cooperative and to reduce the risk of diversion from the  
12 cooperative;

13 (b) A seed to sale traceability model that is similar to the seed  
14 to sale traceability model used by licensees that will allow the  
15 state liquor and cannabis board to track all marijuana grown in a  
16 cooperative.

17 (7) The state liquor and cannabis board or law enforcement may  
18 inspect a cooperative registered under this section to ensure members  
19 are in compliance with this section. The state liquor and cannabis  
20 board must adopt rules on reasonable inspection hours and reasons for  
21 inspections.

22 NEW SECTION. **Sec. 26.** A new section is added to chapter 69.51A  
23 RCW to read as follows:

24 (1) Notwithstanding any other provision of this chapter and even  
25 if multiple qualifying patients or designated providers reside in the  
26 same housing unit, no more than fifteen plants may be grown or  
27 located in any one housing unit other than a cooperative established  
28 pursuant to section 25 of this act.

29 (2) Neither the production nor processing of marijuana or  
30 marijuana-infused products pursuant to this section nor the storage  
31 or growing of plants may occur if any portion of such activity can be  
32 readily seen by normal unaided vision or readily smelled from a  
33 public place or the private property of another housing unit.

34 (3) Cities, towns, counties, and other municipalities may create  
35 and enforce civil penalties, including abatement procedures, for the  
36 growing or processing of marijuana and for keeping marijuana plants  
37 beyond or otherwise not in compliance with this section.

1        NEW SECTION.    **Sec. 27.**    A new section is added to chapter 69.51A  
2    RCW to read as follows:

3        (1) Until the state liquor and cannabis board adopts rules under  
4    subsection (2) of this section, qualifying patients or designated  
5    providers may not extract or separate the resin from marijuana or  
6    produce or process any form of marijuana concentrates or  
7    marijuana-infused products that include marijuana concentrates not  
8    purchased from a validly licensed marijuana retailer as an  
9    ingredient.

10       (2) The state liquor and cannabis board must adopt rules  
11    permitting qualifying patients and designated providers to extract or  
12    separate the resin from marijuana using noncombustible methods. The  
13    rules must provide the noncombustible methods permitted and any  
14    restrictions on this practice.

15       **Sec. 28.**    RCW 69.51A.045 and 2011 c 181 s 405 are each amended to  
16    read as follows:

18    ((cannabis)) plants, marijuana concentrates, useable ((cannabis))  
19    marijuana, or ((cannabis)) marijuana-infused products exceeding the  
20    limits set forth in ((RCW 69.51A.040(1))) this chapter but otherwise  
21    in compliance with all other terms and conditions of this chapter may  
22    establish an affirmative defense to charges of violations of state  
23    law relating to ((cannabis)) marijuana through proof at trial, by a  
24    preponderance of the evidence, that the qualifying patient's  
25    necessary medical use exceeds the amounts set forth in RCW  
26    69.51A.040((1)).

27        (2) An investigating ((peace)) law enforcement officer may seize  
28    ((cannabis)) plants, marijuana concentrates, useable ((cannabis))  
29    marijuana, or ((cannabis)) marijuana-infused products exceeding the  
30    amounts set forth in ((RCW 69.51A.040(1): PROVIDED, That)) this  
31    chapter. In the case of ((cannabis)) plants, the qualifying patient  
32    or designated provider shall be allowed to select the plants that  
33    will remain at the location. The officer and his or her law  
34    enforcement agency may not be held civilly liable for failure to  
35    seize ((cannabis)) marijuana in this circumstance.

36       **Sec. 29.**    RCW 69.51A.055 and 2011 c 181 s 1105 are each amended  
37    to read as follows:

1 (1)(a) The arrest and prosecution protections established in RCW  
2 69.51A.040 may not be asserted in a supervision revocation or  
3 violation hearing by a person who is supervised by a corrections

1 petitions, the Washington state medical quality assurance commission  
2 in consultation with the board of osteopathic medicine and surgery  
3 shall include public notice of, and an opportunity to comment in a  
4 public hearing upon, such petitions. The Washington state medical

12 **Sec. 32.** RCW 69.51A.085 and 2011 c 181 s 403 are each amended to  
13 read as follows:

18 (a) No more than ten qualifying patients may participate in a  
19 single collective garden at any time;

20 (b) No person under the age of twenty-one may participate in a  
21 collective garden or receive marijuana that was produced, processed,  
22 transported, or delivered through a collective garden. A designated  
23 provider for a person who is under the age of twenty-one may  
24 participate in a collective garden on behalf of the person under the  
25 age of twenty-one;

26 (c) A collective garden may contain no more than fifteen plants  
27 per patient up to a total of forty-five plants;

36 ~~((e))~~ (f) No useable ~~((cannabis))~~ marijuana from the collective  
37 garden is delivered to anyone other than one of the qualifying  
38 patients participating in the collective garden.

1 (2) For purposes of this section, the creation of a "collective  
2 garden" means qualifying patients sharing responsibility for  
3 acquiring and supplying the resources required to produce and process  
4 cannabis for medical use such as, for example, a location for a  
5 collective garden; equipment, supplies, and labor necessary to plant,  
6 grow, and harvest (~~(cannabis; cannabis))~~ marijuana plants, seeds, and  
7 cuttings; and equipment, supplies, and labor necessary for proper  
8 construction, plumbing, wiring, and ventilation of a garden of  
9 (~~(cannabis))~~ marijuana plants.

10 (3) A person who knowingly violates a provision of subsection (1)  
11 of this section is not entitled to the protections of this chapter.

12 NEW SECTION. **Sec. 33.** A new section is added to chapter 69.50  
13 RCW to read as follows:

14 (1) The state liquor and cannabis board may conduct controlled  
15 purchase programs to determine whether:

16 (a) A marijuana retailer is unlawfully selling marijuana to  
17 persons under the age of twenty-one;

18 (b) A marijuana retailer holding a medical marijuana endorsement  
19 is selling to persons under the age of eighteen or selling to persons  
20 between the ages of eighteen and twenty-one who do not hold valid  
21 authorization cards;

22 (c) Until July 1, 2016, collective gardens under RCW 69.51A.085  
23 are providing marijuana to persons under the age of twenty-one; or

24 (d) A cooperative organized under section 25 of this act is  
25 permitting a person under the age of twenty-one to participate.

26 (2) Every person under the age of twenty-one years who purchases  
27 or attempts to purchase marijuana is guilty of a violation of this  
28 chapter or chapter 69.51A RCW. This section does not apply to:

29 (a) Persons between the ages of eighteen and twenty-one who hold  
30 valid authorization cards and purchase marijuana at a marijuana  
31 retail outlet holding a medical marijuana endorsement;

32 (b) Persons between the ages of eighteen and twenty-one years who  
33 are participating in a controlled purchase program authorized by the  
34 state liquor and cannabis board under rules adopted by the board.  
35 Violations occurring under a private, controlled purchase program  
36 authorized by the state liquor and cannabis board may not be used for  
37 criminal or administrative prosecution.

38 (3) A marijuana retailer who conducts an in-house controlled  
39 purchase program authorized under this section shall provide his or

1 her employees a written description of the employer's in-house  
2 controlled purchase program. The written description must include  
3 notice of actions an employer may take as a consequence of an  
4 employee's failure to comply with company policies regarding the sale  
5 of marijuana during an in-house controlled purchase program.

6 (4) An in-house controlled purchase program authorized under this  
7 section shall be for the purposes of employee training and employer  
8 self-compliance checks. A marijuana retailer may not terminate an  
9 employee solely for a first-time failure to comply with company  
10 policies regarding the sale of marijuana during an in-house  
11 controlled purchase program authorized under this section.

12 (5) Every person between the ages of eighteen and twenty-one who  
13 is convicted of a violation of this section is guilty of a  
14 misdemeanor punishable as provided by RCW 9A.20.021, except that a  
15 minimum fine of two hundred fifty dollars shall be imposed and any  
16 sentence requiring community restitution shall require not fewer than  
17 twenty-five hours of community restitution.

18 **Sec. 34.** RCW 69.51A.100 and 2011 c 181 s 404 are each amended to  
19 read as follows:

20 (1) A qualifying patient may revoke his or her designation of a  
21 specific designated provider and designate a different designated  
22 provider at any time. A revocation of designation must be in writing,  
23 signed and dated, and provided to the medical marijuana authorization  
24 database administrator and designated provider. The protections of  
25 this chapter cease to apply to a person who has served as a  
26 designated provider to a qualifying patient seventy-two hours after  
27 receipt of that patient's revocation of his or her designation.

28 (2) A person may stop serving as a designated provider to a given  
29 qualifying patient at any time by revoking that designation in  
30 writing, signed and dated, and provided to the medical marijuana  
31 authorization database administrator and the qualifying patient.  
32 However, that person may not begin serving as a designated provider  
33 to a different qualifying patient until fifteen days have elapsed  
34 from the date the last qualifying patient designated him or her to  
35 serve as a provider.

36 (3) The department may adopt rules to implement this section,  
37 including a procedure to remove the name of the designated provider  
38 from the medical marijuana authorization database upon receipt of a  
39 revocation under this section.

1        NEW SECTION.    **Sec. 35.**    A new section is added to chapter 69.51A  
2    RCW to read as follows:

3        Neither this chapter nor chapter 69.50 RCW prohibits a health  
4    care professional from selling or donating topical, noningestable  
5    products that have a THC concentration of less than .3 percent to  
6    qualifying patients.

38    infused products, and marijuana concentrates, including strategies to  
39    reduce access by minors;

1 (f) Demonstrated knowledge of this chapter and the rules adopted  
2 to implement it; and

3 (g) Other subjects deemed necessary and appropriate by the  
4 secretary to ensure medical marijuana consultant certificate holders  
5 are able to provide evidence-based and medically accurate advice on  
6 the medical use of marijuana.

7 (3) Medical marijuana consultant certificates are subject to  
8 annual renewals and continuing education requirements established by  
9 the secretary.

10 (4) The secretary shall have the power to refuse, suspend, or  
11 revoke the certificate of any medical marijuana consultant upon proof  
12 that:

13 (a) The certificate was procured through fraud,  
14 misrepresentation, or deceit;

15 (b) The certificate holder has committed acts in violation of  
16 subsection (6) of this section; or

17 (c) The certificate holder has violated or has permitted any  
18 employee or volunteer to violate any of the laws of this state  
19 relating to drugs or controlled substances or has been convicted of a  
20 felony.

21 In any case of the refusal, suspension, or revocation of a  
22 certificate by the secretary under the provisions of this chapter,  
23 appeal may be taken in accordance with chapter 34.05 RCW, the  
24 administrative procedure act.

25 (5) A medical marijuana consultant may provide the following  
26 services when acting as an owner, employee, or volunteer of a retail  
27 outlet licensed under RCW 69.50.354 and holding a medical marijuana

40 consultant to:

1 (a) Offer or undertake to diagnose or cure any human disease,  
2 ailment, injury, infirmity, deformity, pain, or other condition,  
3 physical or mental, real or imaginary, by use of marijuana or any  
4 other means or instrumentality; or

5 (b) Recommend or suggest modification or elimination of any  
6 course of treatment that does not involve the medical use of  
7 marijuana.

8 (7) Nothing in this section requires an owner, employee, or  
9 volunteer of a retail outlet licensed under RCW 69.50.354 and holding  
10 a medical marijuana endorsement under section 10 of this act to

15 performing services within their authorized scope of practice.

16 NEW SECTION. **Sec. 37.** A new section is added to chapter 82.08  
17 RCW to read as follows:

18 (1) The tax levied by RCW 82.08.020 shall not apply to:

19 (a) Beginning July 1, 2016, sales of marijuana concentrates,  
20 useable marijuana, or marijuana-infused products identified by the  
21 department of health under section 10 of this act to be beneficial  
22 for medical use by marijuana retailers holding medical marijuana  
23 endorsements to qualifying patients or designated providers who hold  
24 authorization cards;

25 (b) Beginning July 1, 2016, sales of products containing THC with  
26 a THC concentration of 0.3 percent or less to qualifying patients or  
27 designated providers who hold authorization cards by marijuana  
28 retailers holding medical marijuana endorsements;

29 (c) Beginning July 1, 2016, sales of marijuana concentrates,  
30 useable marijuana, or marijuana-infused products identified by the  
31 department of health under section 10 of this act to have a low THC,  
32 high CBD ratio and to be beneficial for medical use by marijuana  
33 retailers, regardless of whether the buyer is a qualifying patient or  
34 designated provider;

35 (d) Beginning July 1, 2016, sales of products containing THC with  
36 a THC concentration of 0.3 percent or less by health care  
37 professionals under section 35 of this act; or

38 (e) From the effective date of this section until July 1, 2016,  
39 sales of marijuana, marijuana concentrates, useable marijuana,

1 marijuana-infused products, or products containing THC with a THC  
2 concentration of 0.3 percent or less, by collective gardens under RCW  
3 69.51A.085 to qualifying patients or designated providers if such  
4 sales are in compliance with chapter 69.51A RCW.

5 (2) Each seller making exempt sales under subsection (1) of this  
6 section must maintain information establishing the purchaser's  
7 eligibility for the exemption in the form and manner required by the  
8 department.

9 (3) For the purposes of this section:

10 (a) The terms "THC concentration," "marijuana," "marijuana  
11 concentrates," "useable marijuana," "marijuana retailer," and  
12 "marijuana-infused products" have the meaning provided in RCW  
13 69.50.101 and the terms "qualifying patients," "designated  
14 providers," and "authorization card" have the meaning provided in RCW  
15 69.51A.010; and

16 (b) "Products containing THC with a THC concentration of 0.3  
17 percent or less" means all products containing THC with a THC  
18 concentration not exceeding 0.3 percent and that, when used as  
19 intended, are inhalable, ingestible, or absorbable.

20 NEW SECTION. **Sec. 38.** A new section is added to chapter 82.12  
21 RCW to read as follows:

22 (1) From the effective date of this section until July 1, 2016,  
23 the provisions of this chapter shall not apply to the use of  
24 marijuana, marijuana concentrates, useable marijuana, marijuana-  
25 infused products, or products containing THC with a THC concentration  
26 of 0.3 percent or less, by a collective garden under RCW 69.51A.085  
27 and the qualifying patients or designated providers participating in  
28 the collective garden if such use is in compliance with chapter  
29 69.51A RCW.

30 (2) Beginning July 1, 2016, the provisions of this chapter shall  
31 not apply to:

32 (a) The use of marijuana concentrates, useable marijuana, or  
33 marijuana-infused products, identified by the department of health  
34 under section 10 of this act to be beneficial for medical use of  
35 marijuana, by qualifying patients or designated providers who hold  
36 authorization cards and have purchased such products from a marijuana  
37 retailer holding a medical marijuana endorsement.

38 (b) The use of products containing THC with a THC concentration  
39 of 0.3 percent or less by qualifying patients or designated providers

1 who hold authorization cards and have purchased such products from a  
2 marijuana retailer holding a medical marijuana endorsement.

3 (c)(i) Marijuana retailers holding a medical marijuana  
4 endorsement with respect to:

5 (A) Marijuana concentrates, useable marijuana, or marijuana-  
6 infused products; or

7 (B) Products containing THC with a THC concentration of 0.3  
8 percent or less;

9 (ii) The exemption in this subsection (2)(c) applies only if such  
10 products are provided at no charge to a qualifying patient or  
11 designated provider who holds an authorization card. Each such  
12 retailer providing such products at no charge must maintain  
13 information establishing eligibility for this exemption in the form  
14 and manner required by the department.

15 (d) The use of marijuana concentrates, useable marijuana, or  
16 marijuana-infused products, identified by the department of health  
17 under section 10 of this act to have a low THC, high CBD ratio and to  
18 be beneficial for medical use, purchased from marijuana retailers.

19 (e) Health care professionals with respect to the use of products  
20 containing THC with a THC concentration of 0.3 percent or less  
21 donated by the health care professionals under section 35 of this  
22 act. Each health care professional providing such products at no  
23 charge must maintain information establishing eligibility for this  
24 exemption in the form and manner required by the department.

25 (f) The use of products containing THC with a THC concentration  
26 of 0.3 percent or less by qualifying patients when purchased from or  
27 provided at no charge by a health care professional under section 35  
28 of this act.

29 (g) The use of marijuana, marijuana concentrates, useable  
30 marijuana, marijuana-infused products, or products containing THC  
31 with a THC concentration of 0.3 percent or less, by a cooperative and  
32 its members, when produced by the cooperative.

33 (3) For the purposes of this section:

34 (a) The terms "THC concentration," "marijuana," "marijuana  
35 concentrates," "useable marijuana," "marijuana retailer," and  
36 "marijuana-infused products" have the meaning provided in RCW  
37 69.50.101 and the terms "qualifying patients," "designated  
38 providers," and "authorization card" have the meaning provided in RCW  
39 69.51A.010;

1 (b) "Cooperative" means a cooperative authorized by and operating  
2 in compliance with section 25 of this act and any rules adopted by  
3 the state liquor and cannabis board under section 25 of this act; and

4 (c) "Products containing THC with a THC concentration of 0.3  
5 percent or less" has the same meaning as in section 37 of this act.

6 NEW SECTION. **Sec. 39.** A new section is added to chapter 82.04  
7 RCW to read as follows:

8 (1) This chapter does not apply to any cooperative in respect to  
9 growing marijuana, or manufacturing marijuana concentrates, useable  
10 marijuana, or marijuana-infused products, as those terms are defined  
11 in RCW 69.50.101.

12 (2) For purposes of this section, "cooperative" has the same  
13 meaning provided in section 38 of this act.

14 NEW SECTION. **Sec. 40.** (1) The legislature finds marijuana use  
15 for qualifying patients is a valid and necessary option health care  
16 professionals may recommend for their patients. The legislature  
17 further finds that although there is a distinction between  
18 recreational and medical use of marijuana, the changing environment  
19 for recreational marijuana use in Washington will also affect  
20 qualifying patients. The legislature further finds that while  
21 recognizing the difference between recreational and medical use of  
22 marijuana, it is imperative to develop a single, comprehensive  
23 regulatory scheme for marijuana use in the state. Acknowledging that  
24 the implementation of this act may result in changes to how  
25 qualifying patients access marijuana for their medical use, the  
26 legislature intends to ease the transition towards a regulated market  
27 and provide a statutory means for a safe, consistent, and secure  
28 source of marijuana for qualifying patients. Therefore, the  
29 legislature intends to provide qualifying patients a retail sales and  
30 use tax exemption on purchases of marijuana for medical use when  
31 authorized by a health care professional and when purchased at a  
32 marijuana retailer with a medical marijuana endorsement. Because  
33 marijuana is neither a prescription medicine nor an over-the-counter  
34 medication, this policy should in no way be construed as precedence  
35 for changes in the treatment of prescription medications or over-the-  
36 counter medications.

37 (2)(a) This section is the tax preference performance statement  
38 for the retail sales and use tax exemptions for marijuana

1 concentrates, useable marijuana, and marijuana-infused products  
2 purchased by qualifying patients provided in sections 37 and 38 of  
3 this act. The performance statement is only intended to be used for  
4 subsequent evaluation of the tax preference. It is not intended to  
5 create a private right of action by any party or be used to determine  
6 eligibility for preferential tax treatment.

7 (b) The legislature categorizes the tax preference as one  
8 intended to accomplish the general purposes indicated in RCW  
9 82.32.808(2)(e).

10 (c) It is the legislature's specific public policy objective to  
11 provide qualifying patients a retail sales and use tax exemption on  
12 purchases of marijuana concentrates, useable marijuana, and  
13 marijuana-infused products for medical use when qualifying patients  
14 hold a valid authorization card. It is also the legislature's  
15 specific public policy objective to provide a retail sales and use  
16 tax exemption for all people who purchase low THC, high CBD products.  
17 These products are more likely to be beneficial to those who use  
18 marijuana for medical use and are not likely to appeal to nonmedical  
19 users.

20 (d) To measure the effectiveness of the exemption provided in  
21 sections 37 and 38 of this act in achieving the specific public  
22 policy objectives described in (c) of this subsection, the joint  
23 legislative audit and review committee must evaluate the actual  
24 fiscal impact of the sales and use tax exemption compared to the  
25 estimated impact in the fiscal note for this act.

26 (3) For the purposes of this section, the terms "authorization  
27 card," "marijuana retailer," "qualifying patient," "low THC, high  
28 CBD," and "health care professional" have the meaning provided in RCW  
29 69.51A.010 and the terms "marijuana concentrates," "useable  
30 marijuana," "marijuana retailer," and "marijuana-infused products"  
31 have the meaning provided in RCW 69.50.101.

32 NEW SECTION. **Sec. 41.** (1) The department of health must develop  
33 recommendations on establishing medical marijuana specialty clinics  
34 that would allow for the authorization and dispensing of marijuana to  
35 patients of health care professionals who work on-site of the clinic
