NEW SECTION. Sec. 1. A new section is added to chapter 18.108 RCW to read as follows:

In order to recognize prior education that is applicable to licensure as a massage therapist or massage practitioner while protecting the public, the board shall adopt rules to allow massage programs that are approved by the board to establish transfer programs that accept an individual's credits or clock hours from schools that have not been approved by the board. "Prior education" must be defined to include but not be limited to, credits or clock hours from schools, colleges, and universities that are:

(1) Accredited by a national or regional accreditation organization;
(2) Approved by a state authority with responsibility for oversight of vocational programs; or
(3) Approved by a state agency that regulates massage programs and is a member of the federation of state massage therapy boards.
Sec. 2. RCW 18.108.025 and 2012 c 137 s 4 are each amended to read as follows:

(1) In addition to any other authority provided by law, the board of massage may:

(a) Adopt rules in accordance with chapter 34.05 RCW necessary to implement massage practitioner licensure under this chapter, subject to the approval of the secretary;

(b) Define, evaluate, approve, and designate those massage schools, massage programs, transfer programs, and massage apprenticeship programs including all current and proposed curriculum, faculty, and health, sanitation, and facility standards from which graduation will be accepted as proof of an applicant's eligibility to take the massage licensing examination;

(c) Review approved massage schools and programs periodically;

(d) Prepare, grade, administer, and supervise the grading and administration of, examinations for applicants for massage licensure;

(e) Establish and administer requirements for continuing education, which shall be a prerequisite to renewing a massage practitioner license under this chapter; and

(f) Determine which states have educational and licensing requirements for massage practitioners equivalent to those of this state.

(2) The board shall establish by rule the standards and procedures for approving courses of study in massage therapy and may contract with individuals or organizations having expertise in the profession or in education to assist in evaluating courses of study. The standards and procedures set shall apply equally to schools and training within the United States of America and those in foreign jurisdictions.

Sec. 3. RCW 18.108.070 and 2012 c 137 s 10 are each amended to read as follows:

(b) Successful completion of an examination administered or approved by the board; and
(c) Be eighteen years of age or older.

(2) Beginning July 1, 2013, the secretary shall issue a reflexologist certification to an applicant who completes an application form that identifies the name and address of the applicant and the certification request, and demonstrates to the secretary's satisfaction that the following requirements have been met:

applicant possesses the minimum skill and knowledge necessary to
practice competently.

(3) All records of a massage practitioner candidate's performance
shall be preserved for a period of not less than one year after the
