SECOND SUBSTITUTE SENATE BILL 5851

AS AMENDED BY THE HOUSE

Passed Legislature - 2015 Regular Session

State of Washington 64th Legislature 2015 Regular Session

By Senate Ways & Means (originally sponsored by Senators Frockt, Kohl-Welles, Miloscia, Lias, Mullet, Pedersen, Nelson, and McAuliffe)

READ FIRST TIME 02/27/15.

1 AN ACT Relating to recommendations of the college bound
2 scholarship program work group; amending RCW 28B.77.100 and
3 28B.118.040; reenacting and amending RCW 28B.118.010; adding new
4 sections to chapter 28B.118 RCW; creating a new section; providing an
5 expiration date; and declaring an emergency.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** The legislature finds that the college
8 bound scholarship program has demonstrated that an early promise of
9 financial aid results in increased high school graduation rates for
10 low-income students. The promise of state financial aid to students
11 from low-income families who work to graduate with sufficient grades
12 and no felony convictions provides them with a path toward greater
13 educational attainment and upward mobility. The scholarship program
14 has the potential to move Washington toward its long-term goal of a
15 better trained and educated workforce. Among the first two cohorts,
16 college bound enrollees were fifteen percent and nineteen percent
17 more likely to graduate from high school in 2012 and 2013 compared to
18 low-income peers who were not part of the program.

19 The legislature also finds that a comprehensive review of the
20 college bound scholarship program in 2014 resulted in unanimous

1 recommendations to improve and enhance certain components of the
2 program, including data collection, outreach, and program outcomes.

3 **Sec. 2.** RCW 28B.77.100 and 2012 c 229 s 302 are each amended to
4 read as follows:

5 (1)(a) In consultation with the education data center,
6 institutions of higher education, and state education agencies, the
7 council shall identify the data needed to carry out its
8 responsibilities for policy analysis and public information. The
9 primary goals of the council's data collection and research are to
10 describe how students and other beneficiaries of higher education are
11 being served; to compare and contrast the state of Washington's
12 higher education system with the rest of the nation; and to assist
13 state policymakers and institutions in making policy decisions.

14 (b) For the council, assistance to state policymakers and
15 institutions of higher education in making policy decisions includes
16 but is not limited to annual reporting of a national comparison of
17 tuition and fees.

18 (2) One of the goals of the education data center's data
19 collection and research for higher education is to support higher
20 education accountability. For the education data center, assistance
21 to state policymakers and institutions of higher education in making
22 policy decisions includes but is not limited to regular completion
23 of:

24 (a) Educational cost study reports as provided in RCW 43.41.415
25 and information on state support received by students as provided in
26 RCW 43.41.410; and

27 (b) Per-student funding at similar public institutions of higher
28 education in the global challenge states.

29 (3) The education data center shall be considered an authorized
30 representative of the council and the office under applicable federal
31 and state statutes for purposes of accessing and compiling student
32 record data for research purposes.

33 **Sec. 3.** RCW 28B.118.010 and 2012 c 229 s 402 and 2012 c 163 s 8
34 are each reenacted and amended to read as follows:

35 The office of student financial assistance shall design the
36 Washington college bound scholarship program in accordance with this
37 section and in alignment with the state need grant program in chapter
38 28B.92 RCW unless otherwise provided in this section.

1 (1) "Eligible students" are those students who:

2 (a) Qualify for free or reduced-price lunches. If a student
3 qualifies in the seventh grade, the student remains eligible even if
4 the student does not receive free or reduced-price lunches
5 thereafter; or

6 (b) Are dependent pursuant to chapter 13.34 RCW and:

7 (i) In grade seven through twelve; or

8 (ii) Are between the ages of eighteen and twenty-one and have not
9 graduated from high school.

10 (2) Eligible students shall be notified of their eligibility for
11 the Washington college bound scholarship program beginning in their
12 seventh grade year. Students shall also be notified of the
13 requirements for award of the scholarship.

14 (3)(a) To be eligible for a Washington college bound scholarship,
15 a student eligible under subsection (1)(a) of this section must sign
16 a pledge during seventh or eighth grade that includes a commitment to
17 graduate from high school with at least a C average and with no
18 felony convictions. The pledge must be witnessed by a parent or
19 guardian and forwarded to the office of student financial assistance
20 by mail or electronically, as indicated on the pledge form.

21 (b) A student eligible under subsection (1)(b) of this section
22 shall be automatically enrolled, with no action necessary by the
23 student or the student's family, and the enrollment form must be
24 forwarded by the department of social and health services to the
25 higher education coordinating board or its successor by mail or
26 electronically, as indicated on the form.

27 (4)(a) Scholarships shall be awarded to eligible students
28 graduating from public high schools, approved private high schools
29 under chapter 28A.195 RCW, or who received home-based instruction
30 under chapter 28A.200 RCW.

31 (b)(i) To receive the Washington college bound scholarship, a
32 student must graduate with at least a "C" average from a public high
33 school or an approved private high school under chapter 28A.195 RCW
34 in Washington or have received home-based instruction under chapter
35 28A.200 RCW, must have no felony convictions, and must be a resident
36 student as defined in RCW 28B.15.012(2) (a) through (d).

37 (ii) For a student who does not meet the "C" average requirement,
38 and who completes fewer than two quarters in the running start
39 program, under chapter 28A.600 RCW, the student's first quarter of
40 running start course grades must be excluded from the student's

1 overall grade point average for purposes of determining their
2 eligibility to receive the scholarship.

3 (5) A student's family income will be assessed upon graduation
4 before awarding the scholarship.

5 (6) If at graduation from high school the student's family income
6 does not exceed sixty-five percent of the state median family income,
7 scholarship award amounts shall be as provided in this section.

8 (a) For students attending two or four-year institutions of
9 higher education as defined in RCW 28B.10.016, the value of the award
10 shall be (i) the difference between the student's tuition and
11 required fees, less the value of any state-funded grant, scholarship,
12 or waiver assistance the student receives; (ii) plus five hundred
13 dollars for books and materials.

14 (b) For students attending private four-year institutions of
15 higher education in Washington, the award amount shall be the
16 representative average of awards granted to students in public
17 research universities in Washington.

18 (c) For students attending private vocational schools in
19 Washington, the award amount shall be the representative average of
20 awards granted to students in public community and technical colleges
21 in Washington.

22 (7) Recipients may receive no more than four full-time years'
23 worth of scholarship awards.

24 (8) Institutions of higher education shall award the student all
25 need-based and merit-based financial aid for which the student would
26 otherwise qualify. The Washington college bound scholarship is
27 intended to replace unmet need, loans, and, at the student's option,
28 work-study award before any other grants or scholarships are reduced.

29 (9) The first scholarships shall be awarded to students
30 graduating in 2012.

31 (10) The state of Washington retains legal ownership of tuition
32 units awarded as scholarships under this chapter until the tuition
33 units are redeemed. These tuition units shall remain separately held
34 from any tuition units owned under chapter 28B.95 RCW by a Washington
35 college bound scholarship recipient.

36 (11) The scholarship award must be used within five years of
37 receipt. Any unused scholarship tuition units revert to the
38 Washington college bound scholarship account.

39 (12) Should the recipient terminate his or her enrollment for any
40 reason during the academic year, the unused portion of the

1 scholarship tuition units shall revert to the Washington college
2 bound scholarship account.

3 **Sec. 4.** RCW 28B.118.040 and 2011 1st sp.s. c 11 s 228 are each
4 amended to read as follows:

7 public instruction, implement and administer the Washington college
8 bound scholarship program;

18 superintendent of public instruction, distribute to tenth grade
19 college bound scholarship students and their families: (a)

21 income may not exceed sixty-five percent of the state median family
22 income at graduation from high school; (b) the current year's value
23 for sixty-five percent of the state median family income; and (c) a
24 statement that a student should consult their school counselor if
25 their family makes, or is projected to make, more than this value
26 before the student graduates;

27 (5) Develop comprehensive social media outreach with grade-level

39 educational trust fund;

6 units purchased under the advanced college tuition payment program in
7 chapter 28B.95 RCW or through direct payments from the state
8 educational trust fund, to institutions of higher education on behalf
9 of scholarship recipients identified by the office, as long as
10 recipients maintain satisfactory academic progress.
