JAY INSLEE
Governor of the State of Washington

Secretary of State
State of Washington
AN ACT Relating to service credit for pension purposes for certain emergency medical services employees; adding a new section to chapter 41.40 RCW; and creating a new section.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

*NEW SECTION.* Sec. 1. (1) Local governments formed intergovernmental consortiums, also known as provider groups, to provide emergency medical services over their shared geographic area. Funds collected through an emergency services levy under RCW 84.52.069 were used to fund the consortium. Employees funded by the consortium provided services to the citizens of all the consortium members.

(2) The attorney general has ruled that where such a consortium is formed pursuant to an interlocal agreement, the consortium members retain their legal responsibilities as employers under the law enforcement officers' and firefighters' retirement system and public employees' retirement system. That is, the employees providing services to the consortium are entitled to retirement system membership if they otherwise meet membership eligibility requirements (AGO 2007 No. 6).

(3) This act is intended to provide those public employees with an opportunity to establish service credit in the public employees'
NEW SECTION. Sec. 2. A new section is added to chapter 41.40 RCW under the subchapter heading "provisions applicable to plan 1, plan 2, and plan 3" to read as follows:

(1) An employee providing emergency medical services for a consortium of local governments, where some of those local governments qualified as public employees' retirement system employers at the time the service was rendered, may make an election to establish credit for service performed prior to July 27, 2003, as a full-time emergency medical technician serving the consortium to the public employees' retirement system. This option is only available to employees who:

(a) Performed services for a consortium of local governments fully contained within the boundaries of a county whose population on the effective date of this section exceeds seven hundred thousand residents but is less than eight hundred thousand residents; and

(b) File a written election to establish service credit under this section with the department of retirement systems no later than June 30, 2026.

(2)(a) The department of retirement systems shall treat the consortium member with the largest current population among consortium members who qualified as a public employees' retirement system employer at the time the service was rendered as the employer for purposes of this section. This employer classification:

(i) Is solely for the purpose of streamlining reporting service and compensation credit and paying contributions for periods of service covered by this section; and

(ii) Does not mean that the consortium member is the employee's employer for any other purpose.

(b) All contributions required for past periods of service established under this section shall be paid by the employees electing to establish service credit under this section.

(i) Employee contributions shall be calculated by the department equal to the contributions that would have been paid by the employee had the employee been a member of public employees' retirement system.
(ii) Employer contributions shall be calculated by the department equal to the contributions that would have been paid by the employer had the employee been reported in public employees' retirement system.

(iii) All contributions must be submitted by the employee within five years of electing to establish service credit under this section.

(3) If a member who elected to establish service credit under this section dies or retires for disability prior to payment of contributions under subsection (2)(b) of this section, the member, or in the case of death the surviving spouse or eligible minor children, may:

(a) Pay the bill in full;
(b) If a continuing monthly benefit is chosen, have the benefit actuarially reduced to reflect the amount of the unpaid obligation under subsection (2)(b) of this section; or
(c) Continue to make payment against the obligation under subsection (2)(b) of this section, provided that payment in full is made no later than five years from the member's original election date.

Passed by the Senate March 10, 2016.
Passed by the House March 3, 2016.
Approved by the Governor April 1, 2016, with the exception of certain items that were vetoed.
Filed in Office of Secretary of State April 4, 2016.

Note: Governor's explanation of partial veto is as follows:
"I am returning herewith, without my approval as to Section 1, Substitute Senate Bill No. 6523 entitled:

"AN ACT Relating to service credit for pension purposes for certain emergency medical services employees."
The first section of this bill is not necessary for the implementation of the bill, and it raises facts that are inconsistent with the remainder of the bill. This may cause confusion and make the statute less clear.

For these reasons I have vetoed Section 1 of Substitute Senate Bill No. 6523.
With the exception of Section 1, Substitute Senate Bill No. 6523 is approved."
