

**SB 5715-S - DIGEST**

(AS OF SENATE 2ND READING 3/09/15)

Requires a ballot title to be displayed and revised in the voters' pamphlet for initiatives to the people or the legislature for which the legislature has not proposed an alternative, that has been certified for the ballot, and for which the fiscal impact statement indicates that the initiative will result in an estimated net biennial increase in state expenditures of twenty-five million dollars or greater, or an estimated net biennial decrease in state revenues of twenty-five million dollars or greater.
