By Senator Baumgartner

WITHDRAWN 03/01/2018

- 1 On page 3, line 10, after "Are" strike "consistent with business
2 necessity" and insert "supported by a legitimate business reason"

EFFECT: Modifies the provision that discrimination does not include a differential in compensation based in good faith on bona fide job-related factors that are supported by a legitimate business reason, rather than that are consistent with business necessity.
