1 On page 2, line 3 after "homelessness is down" strike "more than  
2 seventeen percent" and insert "by four percent statewide"

3 Renumber the remaining sections consecutively and correct any  
4 internal references accordingly.

␣

EFFECT: Corrects the intent statement to note that the statewide point-in-time homelessness count is down 4%, not 17%, since the count's inception in 2006.
