21 NEW SECTION. **Sec. 2.** The medical student loan program is  
22 established to increase the physician workforce in rural underserved  
23 areas in Washington state. The program must be funded exclusively  
24 with private funding for the purpose of providing medical student  
25 loans. State funding may be used for the administration of the

27 following powers and duties:

28 (1) To design and implement a low interest medical student loan  
29 program with the following elements:

1 (a) A low interest rate, comparable to or more favorable than the

3 accrue once the participant finishes his or her medical residency

28 (6) To exercise discretion to revise repayment obligations in  
29 certain cases, such as economic hardship or disability;

30 (7) To publicize the program; and

31 (8) To adopt necessary rules.

32 NEW SECTION. **Sec. 3.** (1) The medical student loan account is  
33 created in the custody of the state treasurer. Only the executive  
34 director of the office or the executive director's designee may  
35 authorize expenditures from the account. No appropriation is required  
36 for expenditures from the account for medical student loans. An  
37 appropriation is required for expenditures from the account for costs  
38 associated with program administration by the office.

1 (2) The office shall deposit into the account all moneys received  
2 for the program. Revenues to the account consist of moneys received  
3 for the program by the office, including grants and donations, and

7 student loans to participants in the program established by this  
8 chapter and costs associated with program administration by the  
9 office.

10 NEW SECTION. **Sec. 4.** (1) The office shall submit an annual  
11 report regarding the program to the governor and the appropriate  
12 committees of the legislature in accordance with the reporting  
13 requirements in RCW 43.01.036.

14 (2) The annual report shall describe the design and  
15 implementation of the program, and must include the following:

- 16 (a) The number of applicants for medical student loans;
- 17 (b) The number of participants in the program;

35 **Sec. 5.** RCW 28B.145.005 and 2011 1st sp.s. c 13 s 1 are each  
36 amended to read as follows:

37 The legislature finds that, despite increases in degree  
38 production, there remain acute shortages in high employer demand

1 programs of study, particularly in the science, technology,  
2 engineering, and mathematics (STEM) and health care fields of study.  
3 According to the workforce training and education coordinating board,  
4 seventeen percent of Washington businesses had difficulty finding job  
5 applicants in 2010. Eleven thousand employers did not fill a vacancy  
6 because they lacked qualified job applicants. Fifty-nine percent of  
7 projected job openings in Washington state from now until 2017 will  
8 require some form of postsecondary education and training.

9 It is the intent of the legislature to provide jobs and  
10 opportunity by making Washington the place where the world's most  
11 productive companies find the world's most talented people. The  
12 legislature intends to accomplish this through the creation of the  
13 opportunity scholarship and the opportunity expansion programs to  
14 help mitigate the impact of tuition increases, increase the number of  
15 baccalaureate degrees in high employer demand and other programs, and  
16 advance degrees in health professions needed in service obligation  
17 areas, and invest in programs and students to meet market demands for  
18 a knowledge-based economy while filling middle-income jobs with a  
19 sufficient supply of skilled workers.

20 **Sec. 6.** RCW 28B.145.010 and 2014 c 208 s 1 are each amended to

5 consultation with the department of health.

6 **Sec. 7.** RCW 28B.145.020 and 2014 c 208 s 2 are each amended to  
7 read as follows:

8 (1) The opportunity scholarship board is created. The board  
9 consists of eleven members:

10 (a) Six members appointed by the governor. For three of the six  
11 appointments, the governor shall consider names from a list provided

13 representatives; and

14 (b) Five foundation or business and industry representatives  
15 appointed by the governor from among the state's most productive  
16 industries such as aerospace, manufacturing, health care, information

18 philanthropy. The foundation or business and industry representatives  
19 shall be selected from among nominations provided by the private  
20 sector donors to the opportunity scholarship and opportunity  
21 expansion programs. However, the governor may request, and the  
22 private sector donors shall provide, an additional list or lists from  
23 which the governor shall select these representatives.

24 (2) Board members shall hold their offices for a term of four

30 (4) Seven members of the board constitute a quorum for the

32 is made after the date of expiration of the term, the governor or the  
33 president of the senate or the speaker of the house of  
34 representatives, depending upon which made the initial appointment to  
35 that position, shall fill the vacancy for the remainder of the term  
36 of the board member whose office has become vacant or expired.

37 (5) The board shall be staffed by the program administrator.

38 (6) The purpose of the board is to provide oversight and guidance  
39 for the opportunity expansion and the opportunity scholarship

1 programs in light of established legislative priorities and to  
2 fulfill the duties and responsibilities under this chapter, including  
3 but not limited to determining eligible education programs and  
4 eligible advanced degree programs for purposes of the opportunity  
5 scholarship program. In determining eligible advanced degree  
6 programs, the board shall consider advanced degree programs that lead  
7 to credentials in health professions that include, but are not  
8 limited to, primary care, dental care, behavioral health, and public  
9 health. Duties, exercised jointly with the program administrator,  
10 include soliciting funds and setting annual fund-raising goals.

11 (7) The board may report to the governor and the appropriate  
12 committees of the legislature with recommendations as to:

14 conditional scholarships that must be repaid in the event the  
15 participant does not complete the eligible education program; (~~and~~)

21 interest or no-interest loan component for the advanced degree  
22 portion of the program.

24 committees of the legislature by December 1st of each biennium,

26 (a) A list of the eligible advanced degree programs and service  
27 obligation areas;

30 obligations in a service obligation area, and the number of  
31 participants who have completed their service obligation; and

32 (c) The number of participants who did not complete their service  
33 obligation who now owe a repayment obligation and the reasons why the  
34 participants did not complete their service obligations.

35 **Sec. 8.** RCW 28B.145.030 and 2014 c 208 s 3 are each amended to  
36 read as follows:

37 (1) The program administrator, under contract with the council,  
38 shall staff the board and shall have the duties and responsibilities  
39 provided in this chapter, including but not limited to publicizing

1 the program, selecting participants for the opportunity scholarship  
2 award, distributing opportunity scholarship awards, and achieving the  
3 maximum possible rate of return on investment of the accounts in  
4 subsection (2) of this section, while ensuring transparency in the  
5 investment decisions and processes. Duties, exercised jointly with  
6 the board, include soliciting funds and setting annual fund-raising  
7 goals. The program administrator shall be paid an administrative fee  
8 as determined by the board.

9 (2) With respect to the opportunity scholarship program, the  
10 program administrator shall:

11 (a) Establish and manage (~~two~~) three separate accounts into  
12 which to receive grants and contributions from private sources as  
13 well as state matching funds, and from which to disburse scholarship  
14 funds to participants;

15 (b) Solicit and accept grants and contributions from private  
16 sources, via direct payment, pledge agreement, or escrow account, of  
17 private sources for deposit into (~~one or both of the two~~) any of  
18 the three specified accounts created in this subsection (2)(b) upon  
19 the direction of the donor and in accordance with this subsection  
20 (2)(b):

21 (i) The "scholarship account," whose principal may be invaded,  
22 and from which scholarships must be disbursed for baccalaureate  
23 programs beginning no later than December 1, 2011, if, by that date,  
24 state matching funds in the amount of five million dollars or more  
25 have been received. Thereafter, scholarships shall be disbursed on an  
26 annual basis beginning no later than May 1, 2012, and every October  
27 1st thereafter;

28 (ii) The "student support pathways account," whose principal may  
29 be invaded, and from which scholarships may be disbursed for eligible  
30 advanced degree programs in the fiscal year following appropriations  
31 of state matching funds. Thereafter, scholarships shall be disbursed  
32 on an annual basis;

33 (iii) The "endowment account," from which scholarship moneys may  
34 be disbursed for baccalaureate programs from earnings only in years  
35 when:

36 (A) The state match has been made into both the scholarship and  
37 the endowment account; and

38 (B) The state appropriations for the state need grant under RCW  
39 28B.92.010 meet or exceed state appropriations for the state need  
40 grant made in the 2011-2013 biennium, adjusted for inflation, and

1 eligibility for state need grant recipients is at least seventy  
2 percent of state median family income; ((and

3 ~~(C) The state has demonstrated progress toward the goal of total~~  
4 ~~per-student funding levels, from state appropriations plus tuition~~  
5 ~~and fees, of at least the sixtieth percentile of total per-student~~  
6 ~~funding at similar public institutions of higher education in the~~  
7 ~~global challenge states, as defined, measured, and reported in RCW~~  
8 ~~28B.15.068. In any year in which the office of financial management~~  
9 ~~reports that the state has not made progress toward this goal, no new~~  
10 ~~scholarships may be awarded. In any year in which the office of~~  
11 ~~financial management reports that the percentile of total per-student~~  
12 ~~funding is less than the sixtieth percentile and at least five~~  
13 ~~percent less than the prior year, pledges of future grants and~~  
14 ~~contributions may, at the request of the donor, be released and~~  
15 ~~grants and contributions already received refunded to the extent that~~  
16 ~~opportunity scholarship awards already made can be fulfilled from the~~  
17 ~~funds remaining in the endowment account. In fulfilling the~~  
18 ~~requirements of this subsection, the office of financial management~~  
19 ~~shall use resources that facilitate measurement and comparisons of~~  
20 ~~the most recently completed academic year. These resources may~~  
21 ~~include, but are not limited to, the data provided in a uniform~~  
22 ~~dashboard format under RCW 28B.77.090 as the statewide public four-~~  
23 ~~year dashboard and academic year reports prepared by the state board~~  
24 ~~for community and technical colleges;~~

25 ~~(iii))~~ (iv) An amount equal to at least fifty percent of all  
26 grants and contributions must be deposited into the scholarship  
27 account until such time as twenty million dollars have been deposited  
28 into the account, after which time the private donors may designate  
29 whether their contributions must be deposited to the scholarship, the  
30 student support pathways, or the endowment accounts. The board and  
31 the program administrator must work to maximize private sector  
32 contributions to ~~((both))~~ the scholarship account, the student  
33 support pathways account, and the endowment account, to maintain a  
34 robust scholarship program while simultaneously building the  
35 endowment, and to determine the division between the ~~((two))~~  
36 scholarship, the student support pathways, and the endowment accounts  
37 in the case of undesignated grants and contributions, taking into  
38 account the need for a long-term funding mechanism and the short-term  
39 needs of families and students in Washington. The first five million  
40 dollars in state match, as provided in RCW 28B.145.040, shall be

1 deposited into the scholarship account and thereafter the state match  
2 shall be deposited into the (~~two~~) three accounts in equal  
3 proportion to the private funds deposited in each account; and

4 (~~(iv)~~) (v) Once moneys in the opportunity scholarship match  
5 transfer account are subject to an agreement under RCW 28B.145.050(5)  
6 and are deposited in the scholarship account, student support  
7 pathways account, or endowment account under this section, the state  
8 acts in a fiduciary rather than ownership capacity with regard to  
9 those assets. Assets in the scholarship account, student support  
10 pathways account, and endowment account are not considered state  
11 money, common cash, or revenue to the state;

12 (c) Provide proof of receipt of grants and contributions from  
13 private sources to the council, identifying the amounts received by  
14 name of private source and date, and whether the amounts received  
15 were deposited into the scholarship, the student support pathways, or  
16 the endowment accounts;

17 (d) In consultation with the council and the state board for  
18 community and technical colleges, make an assessment of the  
19 reasonable annual eligible expenses associated with eligible  
20 education programs and eligible advanced degree programs identified  
21 by the board;

22 (e) Determine the dollar difference between tuition fees charged  
23 by institutions of higher education in the 2008-09 academic year and  
24 the academic year for which an opportunity scholarship is being  
25 distributed;

26 (f) Develop and implement an application, selection, and  
27 notification process for awarding opportunity scholarships;

28 (g) Determine the annual amount of the opportunity scholarship  
29 for each selected participant. The annual amount shall be at least  
30 one thousand dollars or the amount determined under (e) of this  
31 subsection, but may be increased on an income-based, sliding scale  
32 basis up to the amount necessary to cover all reasonable annual  
33 eligible expenses as assessed pursuant to (d) of this subsection, or  
34 to encourage participation in baccalaureate degree programs or  
35 eligible advanced degree programs identified by the board;

36 (h) Distribute scholarship funds to selected participants. Once  
37 awarded, and to the extent funds are available for distribution, an  
38 opportunity scholarship shall be automatically renewed until the  
39 participant withdraws from or is no longer attending the program,  
40 completes the program, or has taken the credit or clock hour

1 equivalent of one hundred twenty-five percent of the published length  
2 of time of the participant's program, whichever occurs first, and as  
3 long as the participant annually submits documentation of filing both  
4 a free application for federal student aid and for available federal  
5 education tax credits, including but not limited to the American  
6 opportunity tax credit; (~~and~~)

7 (i) Notify institutions of scholarship recipients who will attend  
8 their institutions and inform them of the terms of the students'  
9 eligibility;

10 (j) Establish a required service obligation for participants  
11 enrolled in an eligible advanced degree program, and establish a  
12 process for verifying a participant's employment in a service  
13 obligation area; and

14 (k) Establish a repayment obligation and appeals process for  
15 participants who serve less than the required service obligation,  
16 unless the program administrator determines the circumstances are  
17 beyond the participant's control. If the participant is unable to pay  
18 the repayment obligation in full, the participant may enter into  
19 payment arrangements with the program administrator. The program  
20 administrator is responsible for the collection of repayment  
21 obligations on behalf of participants who fail to complete their  
22 service obligation.

23 (3) With respect to the opportunity expansion program, the  
24 program administrator shall:

25 (a) Assist the board in developing and implementing an  
26 application, selection, and notification process for making  
27 opportunity expansion awards; and

28 (b) Solicit and accept grants and contributions from private  
29 sources for opportunity expansion awards.

30 **Sec. 9.** RCW 28B.145.040 and 2011 1st sp.s. c 13 s 5 are each  
31 amended to read as follows:

32 (1) The opportunity scholarship program is established.

33 (2) The purpose of this scholarship program is to provide  
34 scholarships that will help low and middle-income Washington  
35 residents earn baccalaureate degrees in high employer demand and  
36 other programs of study or advanced degrees in health professions  
37 needed in service obligation areas, and encourage them to remain in  
38 the state to work. The program must be designed for (~~both~~) students  
39 starting at two-year institutions of higher education and intending

1 to transfer to four-year institutions of higher education (~~and~~),  
2 students starting at four-year institutions of higher education, and  
3 students enrolled in an eligible advanced degree program.

4 (3) The opportunity scholarship board shall determine which  
5 programs of study, including but not limited to high employer demand  
6 programs, are eligible for purposes of the opportunity scholarship.  
7 For eligible advanced degree programs, the board shall limit  
8 scholarships to eligible students enrolling in programs that lead to  
9 credentials in health professions needed in service obligation areas.

10 (4) The source of funds for the program shall be a combination of  
11 private grants and contributions and state matching funds. A state  
12 match may be earned under this section for private contributions made  
13 on or after June 6, 2011. A state match, up to a maximum of fifty  
14 million dollars annually, shall be provided beginning the later of  
15 January 1, 2014, or January 1st next following the end of the fiscal  
16 year in which collections of state retail sales and use tax, state  
17 business and occupation tax, and state public utility tax exceed, by  
18 ten percent the amounts collected from these tax resources in the  
19 fiscal year that ended June 30, 2008, as determined by the department  
20 of revenue.

21 **Sec. 10.** RCW 28B.145.090 and 2014 c 208 s 4 are each amended to  
22 read as follows:

23 (1) The board may elect to have the state investment board invest  
24 the funds in the scholarship account, the student support pathways  
25 account, and the endowment account described under RCW  
26 28B.145.030(2)(b). If the board so elects, the state investment board  
27 has the full power to invest, reinvest, manage, contract, sell, or  
28 exchange investment money in the (~~two~~) three accounts. All  
29 investment and operating costs associated with the investment of  
30 money shall be paid under RCW 43.33A.160 and 43.84.160. With the  
31 exception of these expenses, the earnings from the investment of the  
32 money shall be retained by the accounts.

33 (2) All investments made by the state investment board shall be
