By Senator Ericksen

ADOPTED 02/14/2018

1        On page 37, line 18, after "(6)" insert "As the legislature  
2 phases in the funding for professional learning days under this  
3 section, the number of late start or early release of students  
4 resulting in partial days of instruction shall be phased down in the  
5 following manner:  
6        (a) In the school years when one professional learning day is  
7 funded, each school district shall limit the number of partial days  
8 of instruction to no more than thirteen during the school years.  
9        (b) In the school years when two professional learning days are  
10 funded, each school district shall limit the number of partial days  
11 of instruction to no more than ten during the school years.  
12        (c) In the school years when three professional learning days are  
13 funded, each school district shall limit the number of partial days  
14 of instruction to no more than seven during the school years.  
15        (7)"

EFFECT: As the professional learning days are phased in the number of late start or early release of students resulting in partial days of instruction are reduced until such days are no more than seven.
