SENATE COMMITTEE ON LAW & JUSTICE

Majority Report: Do pass and be referred to Committee on Ways & Means.

Signed by Senators Padden, Chair; O'Ban, Vice Chair; Pedersen, Ranking Minority Member; Angel, Darneille, Frockt and Wilson.

Staff: Aldo Melchiori (786-7439)

Background: The chief of police of a municipality or the sheriff of a county must, within 30 days after an application, issue a license to such person to carry a pistol concealed on their person within this state for 5 years from date of issue. If the applicant does not have a valid permanent Washington driver's license or Washington State identification card or has not been a resident of the state for the previous consecutive 90 days, the issuing authority has up to 60 days after the application to issue a license.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

The chief or sheriff must check through the National Instant Criminal Background Check System, the Washington State Patrol electronic database, the Department of Social and Health Services electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible to possess a firearm or a concealed pistol license (CPL). This applies whether the applicant is applying for a new or renewing a CPL.

The CPL application must bear the full name, residential address, telephone number at the option of the applicant, date and place of birth, race, gender, description, a complete set of fingerprints, signature of the applicant, and the applicant's driver's license number or state identification card number if used for identification in applying for the CPL. The application must also contain questions about the applicant's eligibility to possess a pistol, place of birth, and whether the applicant is a United States citizen. If the applicant is not a United States citizen, the applicant must provide the applicant's country of citizenship, United States issued alien number or admission number, and the basis on which the applicant claims to be exempt from federal prohibitions on firearm possession by aliens. The applicant is not required to produce a birth certificate or other evidence of citizenship.

CPL holders may renew a CPL if they apply for renewal within 90 days before or after the expiration date of the CPL. A CPL holder renewing after the expiration date of the license must pay a late renewal penalty of \$10 in addition to the renewal fee.

Summary of Bill: An applicant for a CPL may, at their discretion, provide their email address at the time they apply for a CPL. If the applicant does so, the DOL must send notice of the CPL expiration to the licensee's provided email address within 60 days prior to the expiration of the CPL.
