### SENATE COMMITTEE ON LAW & JUSTICE

**Staff:** Shani Bauer (786-7468)

**Background:** An offender who is incarcerated with the Department of Corrections (DOC) and has earned early release time may be released to community custody if the offender has an approved release plan with an approved living address. DOC may provide rental vouchers to an offender for a period of up to three months if the rental vouchers will assist the offender in getting an approved release plan.

DOC is required to maintain a list of housing providers who are authorized to receive rental vouchers. Anytime a new housing provider requests to be added to the list, DOC must give notice to local government where the housing is located. The local government may provide DOC with a community impact statement that includes the number and location of other special-needs housing in the neighborhood and a review of services and supports in the area to assist offenders in their transition. If the community impact statement is provided to DOC within ten days of notice of a new housing provider request, DOC must consider the community impact statement in determining whether to add the provider to the list.
