---

State of Washington

65th Legislature

2017 Regular Session

By House Appropriations (originally sponsored by Representatives Orwall, Harris, Jinkins, Goodman, Haler, Robinson, Fey, Kilduff, and McBride)

READ FIRST TIME 02/24/17.

1 AN ACT Relating to a public health educational platform for  
2 suicide prevention and strategies to reduce access to lethal means;  
3 amending RCW 43.70.445, 43.70.442, and 9.41.113; adding new sections  
4 to chapter 43.70 RCW; creating new sections; making an appropriation;  
5 and providing an effective date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** The legislature finds that over one  
8 thousand one hundred suicide deaths occur each year in Washington and  
9 these suicide deaths take an enormous toll on families and  
10 communities across the state. The legislature further finds that:  
11 Sixty-five percent of all suicides, and most suicide deaths and  
12 attempts for young people ages ten to eighteen, occur using firearms  
13 and prescription medications that are easily accessible in homes;  
14 firearms are the most lethal method used in suicide and almost  
15 entirely account for more men dying by suicide than women; sixty-  
16 seven percent of all veteran deaths by suicide are by firearm; and  
17 nearly eighty percent of all deaths by firearms in Washington are  
18 suicides. The legislature further finds that there is a need for a  
19 robust public education campaign designed to raise awareness of  
20 suicide and to teach everyone the role that he or she can play in  
21 suicide prevention. The legislature further finds that important

1 suicide prevention efforts include: Motivating households to improve  
2 safe storage practices to reduce deaths from firearms and  
3 prescription medications; decreasing barriers to prevent access to  
4 lethal means by allowing for temporary and voluntary transfers of  
5 firearms when individuals are at risk for suicide; increasing access  
6 to drug take-back sites; and making the public aware of suicide  
7 prevention steps, including recognizing warning signs, empathizing  
8 and listening, asking directly about suicide, removing dangers to  
9 ensure immediate safety, and getting help. The legislature intends by  
10 this act to create a public-private partnership fund to implement a  
11 suicide-safer home public education campaign in the coming years.

28 use by the suicide-safer homes task force created in RCW 43.70.445 in  
29 developing and providing suicide education and prevention materials,

34 (2) The suicide-safer homes project account is created in the

37 holding a retired active license for one of the professions in (a) of  
38 this subsection.

1 (c) The training required by this subsection must be at least six  
2 hours in length, unless a disciplining authority has determined,  
3 under subsection (10)(b) of this section, that training that includes  
4 only screening and referral elements is appropriate for the  
5 profession in question, in which case the training must be at least  
6 three hours in length.

7 (d) Beginning July 1, 2017, the training required by this  
8 subsection must be on the model list developed under subsection (6)  
9 of this section. Nothing in this subsection (1)(d) affects the

28 training and experience that is sufficient to exempt an individual  
29 professional from the training requirements in subsections (1) and  
30 (5) of this section. Nothing in this subsection (4)(a) allows a  
31 disciplining authority to provide blanket exemptions to broad  
32 categories or specialties within a profession.

33 (b) A disciplining authority may exempt a professional from the  
34 training requirements of subsections (1) and (5) of this section if

32 (ii) A licensed pharmacist or a person holding a retired active  
33 pharmacist license must complete the one-time training by the end of  
34 the first full continuing education reporting period after January 1,

36 after initial licensure, whichever is later.  
37 (iii) A licensed dentist, a licensed dental hygienist, or a  
38 person holding a retired active license as a dentist shall complete  
39 the one-time training by the end of the full continuing education

5 this subsection (5)(b)(iii), must be accepted by the disciplining  
6 authority as meeting the one-time training requirement of this  
7 subsection (5).

8 (c) The training required by this subsection must be at least six

10 under subsection (10)(b) of this section, that training that includes  
11 only screening and referral elements is appropriate for the  
12 profession in question, in which case the training must be at least  
13 three hours in length.

14 (d) Beginning July 1, 2017, the training required by this  
15 subsection must be on the model list developed under subsection (6)  
16 of this section. Nothing in this subsection (5)(d) affects the

20 suicide assessment, treatment, and management.

21 (b) The secretary and the disciplining authorities shall update  
22 the list at least once every two years.

23 (c) By June 30, 2016, the department shall adopt rules  
24 establishing minimum standards for the training programs included on  
25 the model list. The minimum standards must require that six-hour  
26 trainings include content specific to veterans and the assessment of  
27 issues related to imminent harm via lethal means or self-injurious  
28 behaviors and that three-hour trainings for pharmacists or dentists  
29 include content related to the assessment of issues related to  
30 imminent harm via lethal means. When adopting the rules required  
31 under this subsection (6)(c), the department shall:

34 suicide assessment, treatment, and management, the Washington  
35 department of veterans affairs, and affected professional  
36 associations; and

3 subsection and any three-hour trainings that met the requirements of  
4 this section on or before July 24, 2015;

5 (ii) The model list must include six-hour trainings in suicide  
6 assessment, treatment, and management, and three-hour trainings that  
7 include only screening and referral elements; and

8 (iii) A person or entity providing the training required in this  
9 section may petition the department for inclusion on the model list.  
10 The department shall add the training to the list only if the  
11 department determines that the training meets the minimum standards  
12 established in the rules adopted under (c) of this subsection.

13 (7) The department shall provide the health profession training  
14 standards created in this section to the professional educator  
15 standards board as a model in meeting the requirements of RCW  
16 28A.410.226 and provide technical assistance, as requested, in the  
17 review and evaluation of educator training programs. The educator  
18 training programs approved by the professional educator standards  
19 board may be included in the department's model list.

21 the scope of practice of any profession regulated under chapter  
22 18.130 RCW.

23 (9) The secretary and the disciplining authorities affected by  
24 this section shall adopt any rules necessary to implement this  
25 section.

26 (10) For purposes of this section:

27 (a) "Disciplining authority" has the same meaning as in RCW

31 disciplining authority that contains the following elements: Suicide  
32 assessment, including screening and referral, suicide treatment, and  
33 suicide management. However, the disciplining authority may approve  
34 training that includes only screening and referral elements if  
35 appropriate for the profession in question based on the profession's  
36 scope of practice. The board of occupational therapy may also approve  
37 training that includes only screening and referral elements if  
38 appropriate for occupational therapy practitioners based on practice  
39 setting.

1 (11) A state or local government employee is exempt from the  
2 requirements of this section if he or she receives a total of at  
3 least six hours of training in suicide assessment, treatment, and  
4 management from his or her employer every six years. For purposes of  
5 this subsection, the training may be provided in one six-hour block  
6 or may be spread among shorter training sessions at the employer's  
7 discretion.

8 (12) An employee of a community mental health agency licensed  
9 under chapter 71.24 RCW or a chemical dependency program certified  
10 under chapter 70.96A RCW is exempt from the requirements of this  
11 section if he or she receives a total of at least six hours of

14 training may be provided in one six-hour block or may be spread among  
15 shorter training sessions at the employer's discretion.

16 NEW SECTION. **Sec. 6.** A new section is added to chapter 43.70  
17 RCW to read as follows:

18 (1) By July 1, 2020, the school of dentistry at the University of  
19 Washington shall develop a curriculum on suicide assessment,  
20 treatment, and management for dental students and licensed dentists.  
21 The curriculum must meet the minimum standards established under RCW  
22 43.70.442 and must include material on identifying at-risk patients  
23 and limiting access to lethal means. When developing the curriculum,  
24 the school of dentistry must consult with experts on suicide  
25 assessment, treatment, and management and with the suicide-safer  
26 homes task force established in RCW 43.70.445. The school of

29 (2) The dental quality assurance commission shall, for purposes  
30 of RCW 43.70.442(4)(a), consider a dentist who has successfully

33 experience necessary to be exempt from the training requirements in  
34 RCW 43.70.442.

35 **Sec. 7.** RCW 9.41.113 and 2015 c 1 s 3 are each amended to read

6 unlicensed persons.

7 (2) No person shall sell or transfer a firearm unless:

8 (a) The person is a licensed dealer;

9 (b) The purchaser or transferee is a licensed dealer; or

10 (c) The requirements of subsection (3) of this section are met.

11 (3) Where neither party to a prospective firearms transaction is  
12 a licensed dealer, the parties to the transaction shall complete the  
13 sale or transfer through a licensed dealer as follows:

14 (a) The seller or transferor shall deliver the firearm to a  
15 licensed dealer to process the sale or transfer as if it is selling  
16 or transferring the firearm from its inventory to the purchaser or  
17 transferee, except that the unlicensed seller or transferor may  
18 remove the firearm from the business premises of the licensed dealer  
19 while the background check is being conducted. If the seller or  
20 transferor removes the firearm from the business premises of the  
21 licensed dealer while the background check is being conducted, the  
22 purchaser or transferee and the seller or transferor shall return to  
23 the business premises of the licensed dealer and the seller or  
24 transferor shall again deliver the firearm to the licensed dealer  
25 prior to completing the sale or transfer.
