24 (5) Nothing in this section affects the authority of any
25 political subdivision to make regulations concerning the conduct of
26 minors in public places by ordinance or other local law.

21 processes to arrange legally authorized appropriate placement. Any
22 street youth who may meet the definition of dependent child under RCW
23 13.34.030 must be referred to the department of social and health
24 services. The department of social and health services shall
25 determine whether a dependency petition should be filed under chapter
26 13.34 RCW. A shelter care hearing must be held within seventy-two
27 hours to authorize out-of-home placement for any youth the department
28 of social and health services determines is appropriate for out-of-
29 home placement under chapter 13.34 RCW. All of the provisions of
30 chapter 13.32A RCW must be followed for children in need of services
31 or at-risk youth;

32 (iii) Interface with other relevant resources and system
33 representatives to secure long-term residential placement and other
34 needed services for the street youth;

35 (iv) Be assigned immediately to each youth and meet with the
36 youth within eight hours of the youth receiving HOPE center services;

37 (v) Facilitate a physical examination of any street youth who has
38 not seen a physician within one year prior to residence at a HOPE
39 center and facilitate evaluation by a county-designated mental health

1 professional, a chemical dependency specialist, or both if
2 appropriate; and

3 (vi) Arrange an educational assessment to measure the street
4 youth's competency level in reading, writing, and basic mathematics,
5 and that will measure learning disabilities or special needs;

6 (c) Staff trained in development needs of street youth as
7 determined by the department, including an administrator who is a
8 professional with a master's degree in counseling, social work, or a
9 related field and at least one year of experience working with street
10 youth, or a bachelor of arts degree in social work or a related field
11 and five years of experience working with street youth, who must work
12 with the placement and liaison specialist to provide appropriate
13 services on site;

14 (d) A data collection system that measures outcomes for the
15 population served, and enables research and evaluation that can be
16 used for future program development and service delivery. Data
17 collection systems must have confidentiality rules and protocols
18 developed by the department;

19 (e) Notification requirements that meet the notification
20 requirements of chapter 13.32A RCW. The youth's arrival date and time
21 must be logged at intake by HOPE center staff. The staff must
22 immediately notify law enforcement and dependency caseworkers if a
23 street youth runs away from a HOPE center. A child may be transferred
24 to a secure facility as defined in RCW 13.32A.030 whenever the staff
25 reasonably believes that a street youth is likely to leave the HOPE
26 center and not return after full consideration of the factors set
27 forth in RCW 43.185C.290(2)(a) (i) and (ii). The street youth's
28 temporary placement in the HOPE center must be authorized by the
29 court or the secretary of the department of social and health
30 services if the youth is a dependent of the state under chapter 13.34
31 RCW or the department of social and health services is responsible
32 for the youth under chapter 13.32A RCW, or by the youth's parent or
33 legal custodian, until such time as the parent can retrieve the youth
34 who is returning to home;

35 (f) HOPE centers must identify to the department of social and
36 health services any street youth it serves who is not returning
37 promptly to home. The department of social and health services then
38 must contact the missing children's clearinghouse identified in
39 chapter 13.60 RCW and either report the youth's location or report
40 that the youth is the subject of a dependency action and the parent

1 should receive notice from the department of social and health
2 services; and

3 (g) Services that provide counseling and education to the street
4 youth.

5 (2) The department shall award contracts for the operation of
6 HOPE center beds with the goal of facilitating the coordination of
7 services provided for youth by such programs and those services
8 provided by secure and semi-secure crisis residential centers.

9 (3) Subject to funds appropriated for this purpose, the
10 department must incrementally increase the number of available HOPE
11 beds by at least seventeen beds in fiscal year 2017, at least
12 seventeen beds in fiscal year 2018, and at least seventeen beds in
13 fiscal year 2019, such that by July 1, 2019, seventy-five HOPE beds
14 are established and operated throughout the state as set forth in
15 subsection (1) of this section.

16 (4) Subject to funds appropriated for this purpose, the beds
17 available in HOPE centers shall be increased incrementally beyond the
18 limit of seventy-five set forth in subsection (1) of this section.
19 The additional capacity shall be distributed around the state based
20 upon need and, to the extent feasible, shall be geographically
21 situated so that HOPE beds are available across the state. In
22 determining the need for increased numbers of HOPE beds in a
23 particular county or counties, one of the considerations should be
24 the volume of truancy petitions filed there.

25 **Sec. 8.** RCW 43.185C.320 and 2016 c 205 s 11 are each amended to
26 read as follows:

27 To be eligible for placement in a HOPE center, a minor must be
28 either a street youth, as that term is defined in this chapter, or a
29 youth who, without placement in a HOPE center, will continue to
30 participate in increasingly risky behavior, including truancy. Youth
31 may also self-refer to a HOPE center. (~~Payment for a HOPE center bed
32 is not contingent upon prior approval by the department; however,
33 approval from the department of social and health services is needed
34 if the youth is dependent under chapter 13.34 RCW.~~)
