State of Washington

65th Legislature

2018 Regular Session

By Representatives Senn, Dent, Kagi, Muri, and Appleton

Read first time 01/17/18. Referred to Committee on Early Learning & Human Services.

1 AN ACT Relating to transferring all aspects of working  
2 connections child care and seasonal child care service delivery to  
3 the department of children, youth, and families, based on the  
4 recommendations required to be reported to the legislature pursuant  
5 to section 103, chapter 6, Laws of 2017 3rd sp. sess.; amending RCW  
6 43.216.139, 43.216.141, 74.08A.341, and 43.216.135; creating new  
7 sections; and providing an effective date.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9 NEW SECTION. **Sec. 1.** (1) The legislature recognizes that child  
10 care subsidy programs include the working connections child care  
11 program and the seasonal child care program. Child care subsidy  
12 programs provide children with stable, nurturing, and enriching  
13 activities while parents are supported in stable employment that  
14 contributes to financial independence. The legislature acknowledges  
15 that the department of early learning develops subsidized child care  
16 policy and conducts quality assurance for provider payments and the  
17 department of social and health services is responsible for other  
18 aspects of service delivery. The legislature intends for these child  
19 care subsidy programs to be thoughtfully integrated into the  
20 department of children, youth, and families while maintaining a

1 delivery system that continues to support families and providers with  
2 consistent, accurate, and effective services.

3 (2) The legislature finds that the department of children, youth,  
4 and families submitted a report according to section 103, chapter 6,  
5 Laws of 2017 3rd sp. sess. with recommendations for effectively  
6 transferring working connections child care eligibility into the  
7 department of children, youth, and families by July 1, 2019. The  
8 legislature intends for the transfer of all aspects of service  
9 delivery of child care subsidy programs from the department of social  
10 and health services to the department of children, youth, and  
11 families to follow the recommendations of that report.

12 NEW SECTION. **Sec. 2.** (1) All powers, duties, and functions of  
13 the department of social and health services pertaining to the  
14 working connections child care and seasonal child care programs are  
15 transferred to the department of children, youth, and families. All  
16 references to the secretary or the department of social and health  
17 services in the Revised Code of Washington mean the secretary or the  
18 department of children, youth, and families when referring to the  
19 working connections child care program and seasonal child care  
20 program functions transferred in this section.

21 (2)(a) All reports, documents, surveys, books, records, files,  
22 papers, or written material in the possession of the department of  
23 social and health services pertaining to the powers, duties, and  
24 functions transferred must be delivered to the custody of the  
25 department of children, youth, and families. All cabinets, furniture,  
26 office equipment, motor vehicles, and other tangible property  
27 employed by the department of social and health services in carrying  
28 out the powers, duties, and functions transferred must be made  
29 available to the department of children, youth, and families. All  
30 funds, credits, or other assets held in connection with the powers,  
31 duties, and functions transferred are assigned to the department of  
32 children, youth, and families.

33 (b) Any appropriations made to the department of social and  
34 health services for carrying out the powers, duties, and functions  
35 transferred are, on the effective date of this section, transferred  
36 and credited to the department of children, youth, and families.

37 (c) Whenever any question arises as to the transfer of any  
38 personnel, funds, books, documents, records, papers, files,  
39 equipment, or other tangible property used or held in the exercise of

1 the powers and the performance of the duties and functions  
2 transferred, the director of financial management shall make a  
3 determination as to the proper allocation and certify the same to the  
4 state agencies concerned.

5 (3) All employees of the department of social and health services  
6 engaged in performing the powers, duties, and working connections  
7 child care program and seasonal child care program functions  
8 transferred are transferred to the jurisdiction of the department of  
9 children, youth, and families. All employees classified under chapter  
10 41.06 RCW, the state civil service law, are assigned to the  
11 department of children, youth, and families to perform their usual  
12 duties upon the same terms as formerly, without any loss of rights,  
13 subject to any action that may be appropriate thereafter in  
14 accordance with the laws and rules governing state civil service.

15 (4) All rules and all pending business before the department of  
16 social and health services pertaining to the powers, duties, and  
17 functions transferred shall be continued and acted upon by the  
18 department of children, youth, and families. All existing contracts  
19 and obligations remain in full force and shall be performed by the  
20 department of children, youth, and families.

21 (5) The transfer of the powers, duties, functions, and personnel  
22 of the department of social and health services does not affect the  
23 validity of any act performed before the effective date of this  
24 section.

25 (6) If apportionments of budgeted funds are required because of  
26 the transfers directed by this section, the director of financial  
27 management shall certify the apportionments to the agencies affected,  
28 the state auditor, and the state treasurer. Each of these shall make  
29 the appropriate transfer and adjustments in funds and appropriation  
30 accounts and equipment records in accordance with the certification.

31 (7) All classified employees of the department of social and  
32 health services assigned to the department of children, youth, and  
33 families under this section whose positions are within an existing  
34 bargaining unit description at the department of children, youth, and  
35 families must become a part of the existing bargaining unit at the  
36 department of children, youth, and families and are considered an  
37 appropriate inclusion or modification of the existing bargaining unit  
38 under the provisions of chapter 41.80 RCW.

1       **Sec. 3.** RCW 43.216.139 and 2015 3rd sp.s. c 7 s 7 are each  
2 amended to read as follows:

3       Beginning July 1, 2016, or earlier if a different date is  
4 provided in the omnibus appropriations act, when an applicant or

12 intended for the guidance of the department (~~(and the department of~~

14 may not be relied upon to create a right or benefit, substantive or  
15 procedural, enforceable at law by a party in litigation with the  
16 state.

17       (2) When providing services to parents applying for or receiving  
18 working connections child care benefits, the department must provide  
19 training to departmental employees on professionalism.

20       (3) When providing services to parents applying for or receiving  
21 working connections child care benefits, the department (~~(of social~~  
22 ~~and health services)~~) has the following responsibilities:

23       (a) To return all calls from parents receiving working  
24 connections child care benefits within two business days of receiving  
25 the call;

26       (b) To develop a process by which parents receiving working  
27 connections child care benefits can submit required forms and  
28 information electronically by June 30, 2015;

29       (c) To notify providers and parents ten days before the loss of  
30 working connections child care benefits; and

31       (d) To provide parents with a document that explains in detail  
32 and in easily understood language what services they are eligible  
33 for, how they can appeal an adverse decision, and the parents'  
34 responsibilities in obtaining and maintaining eligibility for working  
35 connections child care.

36       **Sec. 5.** RCW 74.08A.341 and 2012 c 217 s 1 are each amended to

4 chapter 74.12 RCW within the following constraints:

5 (1) The program shall be operated within amounts appropriated by  
6 the legislature and consistent with policy established by the  
7 legislature to achieve self-sufficiency through work and the  
8 following additional outcomes:

9 (a) Recipients' economic status is improving through wage  
10 progression, job retention, and educational advancement;

11 (b) Recipients' status regarding housing stability, medical and  
12 behavioral health, and job readiness is improving;

13 (c) The well-being of children whose caretaker is receiving  
14 benefits on their behalf is improving with respect to child welfare  
15 and educational achievement.

16 (2)(a) The department shall create a budget structure that allows  
17 for more transparent tracking of program spending. The budget  
18 structure shall outline spending for the following: Temporary  
19 assistance for needy family grants, (~~working connections child~~  
20 ~~care~~), WorkFirst activities, and administration of the program.

21 (b) Each biennium, the department shall establish a biennial  
22 spending plan, using the budget structure created in (a) of this  
23 subsection, for this program and submit the plan to the legislative  
24 fiscal committees and the legislative-executive WorkFirst oversight  
25 task force no later than July 1st of every odd-numbered year,  
26 beginning on July 1, 2013. The department shall update the  
27 legislative fiscal committees and the task force on the spending plan  
28 if modifications are made to the plan previously submitted to the  
29 legislature and the task force for that biennium.

30 (c) The department also shall provide expenditure reports to the  
31 fiscal committees of the legislature and the legislative-executive  
32 WorkFirst oversight task force beginning September 1, 2012, and on a  
33 quarterly basis thereafter. If the department determines, based upon  
34 quarterly expenditure reports, that expenditures will exceed funding  
35 at the end of the fiscal year, the department shall take those  
36 actions necessary to ensure that services provided under this chapter  
37 are available only to the extent of and consistent with  
38 appropriations in the operating budget and policy established by the  
39 legislature following notification provided in (b) of this  
40 subsection.

1 (3) No more than fifteen percent of the temporary assistance for  
2 needy families block grant, the federal child care funds, and

4 purposes. For purposes of this subsection, "administrative purposes"  
5 does not include expenditures for information technology and  
6 computerization needed for tracking and monitoring required by P.L.  
7 104-193.

8 (4) The department shall expend funds appropriated for work  
9 activities, as defined in RCW 74.08A.250, or for other services  
10 provided to WorkFirst recipients, as authorized under RCW 74.08A.290.

11 **Sec. 6.** RCW 43.216.135 and 2017 3rd sp.s. c 9 s 2 are each  
12 amended to read as follows:

13 (1) The department shall establish and implement policies in the  
14 working connections child care program to promote stability and  
15 quality of care for children from low-income households. These  
16 policies shall focus on supporting school readiness for young  
17 learners. Policies for the expenditure of funds constituting the  
18 working connections child care program must be consistent with the  
19 outcome measures (~~defined in RCW 74.08A.410~~) established by the  
20 department and the standards established in this section intended to

22 education programming.

23 (2) As recommended by Public Law 113-186, authorizations for the  
24 working connections child care subsidy shall be effective for twelve  
25 months beginning July 1, 2016, unless an earlier date is provided in  
26 the omnibus appropriations act.

27 (3) Existing child care providers serving nonschool-age children  
28 and receiving state subsidy payments must complete the following  
29 requirements to be eligible for a state subsidy under this section:

30 (a) Enroll in the early achievers program by August 1, 2016;

32 August 1, 2017; and

33 (c) Rate at a level 3 or higher in the early achievers program by  
34 December 31, 2019. If a child care provider rates below a level 3 by  
35 December 31, 2019, the provider must complete remedial activities  
36 with the department, and rate at a level 3 or higher no later than  
37 June 30, 2020.

38 (4) Effective July 1, 2016, a new child care provider serving  
39 nonschool-age children and receiving state subsidy payments must

10 achievers program, the provider must complete remedial activities  
11 with the department, and rate at a level 3 or higher within six  
12 months of beginning remedial activities.

13 (5) If a child care provider does not rate at a level 3 or higher  
14 following the remedial period, the provider is no longer eligible to  
15 receive state subsidy under this section.

16 (6) If a child care provider serving nonschool-age children and  
17 receiving state subsidy payments has successfully completed all level  
18 2 activities and is waiting to be rated by the deadline provided in  
19 this section, the provider may continue to receive a state subsidy

23 program rating at level 3, 4, or 5.

24 (8) The department shall account for a child care copayment  
25 collected by the provider from the family for each contracted slot  
26 and establish the copayment fee by rule.

27 (9)(a) The department shall establish and implement policies in  
28 the working connections child care program to allow eligibility for  
29 families with children who:

4 ~~and health services~~) identified in this subsection to maintain  
5 twelve-month authorization. The department of social and health  
6 services' involvement with the family referred for working  
7 connections child care ends when the family's child protective
