BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. A new section is added to chapter 9.94A RCW to read as follows:

(1) For offenders not participating in the work release program under chapter 72.65 RCW, but otherwise eligible under this section, no more than the final six months of the offender's term of confinement may be served in partial confinement as home detention as part of the graduated reentry program developed by the department.

(2) The secretary of the department may transfer an offender from a department correctional facility to home detention in the community if it is determined that the graduated reentry program is an appropriate placement and must assist the offender's transition from confinement to the community.

(3) The department and its officers, agents, and employees are not liable for the acts of offenders participating in the graduated reentry program unless the department or its officers, agents, and employees acted with willful and wanton disregard.
All offenders placed on home detention as part of the
graduated reentry program must provide an approved residence and
living arrangement prior to transfer to home detention.

While in the community on home detention as part of the
graduated reentry program, the department must:

(a) Require the offender to be placed on electronic home
monitoring;

(b) Require the offender to participate in programming and
treatment that the department determines is needed; and

(c) Assign a community corrections officer who will monitor the
offender's compliance with conditions of partial confinement and
programming requirements.

The department retains the authority to return any offender
serving partial confinement in the graduated reentry program to total
confinement for any reason including, but not limited to, the
offender's noncompliance with any sentence requirement.

The department may issue rental vouchers for a period not to
exceed six months for those transferring to partial confinement under
this section if an approved address cannot be obtained without the
assistance of a voucher.

In the selection of offenders to participate in the graduated
reentry program, and in setting, modifying, and enforcing the
requirements of the graduated release program, the department is
deemed to be performing a quasi-judicial function.

(C) It is expected that granting the extraordinary medical placement will result in a cost savings to the state.

(ii) An offender sentenced to death or to life imprisonment without the possibility of release or parole is not eligible for an extraordinary medical placement.

(iii) The secretary shall require electronic monitoring for all offenders in extraordinary medical placement unless the electronic monitoring equipment interferes with the function of the offender's medical equipment or results in the loss of funding for the offender's medical care, in which case, an alternative type of monitoring shall be utilized. The secretary shall specify who shall provide the monitoring services and the terms under which the monitoring shall be performed.

(iv) The secretary may revoke an extraordinary medical placement under this subsection (1)(c) at any time.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.
(12) "Criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. law making the payments exempt from garnishment, attachment, or other
