AN ACT Relating to the Olympia and Tumwater school district regionalization factors; amending 2017 3rd sp.s. c 1 s 503 (uncodified); and creating a new section.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature finds that the Olympia, Tumwater, and North Thurston school districts serve students connected by a common local economy and community. These districts are treated differently in the regionalization factors applied to school salaries under the changes made to basic education funding in the 2017 session, with North Thurston receiving regional adjustments of six percent, and Olympia and Tumwater receiving no adjustment. In recognition of the similar economic characteristic of the communities served by these districts and the common economy they share, the legislature finds that regionalization factors should treat them equally.

Sec. 2. 2017 3rd sp.s. c 1 s 503 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—BASIC EDUCATION EMPLOYEE COMPENSATION
The following calculations determine the salaries used in the state allocations for certificated instructional, certificated administrative, and classified staff units as provided in House Bill No. 2242 (fully funding the program of basic education), RCW 28A.150.260, and under section 502 of this act:

(a) For the 2017-18 school year, salary allocations for certificated instructional staff units are determined for each district by multiplying the district's certificated instructional total base salary shown on LEAP Document 2 by the district's average staff mix factor for certificated instructional staff in that school year, computed using LEAP document 1.

(b) For the 2017-18 school year, salary allocations for certificated administrative staff units and classified staff units for each district are determined based on the district's certificated administrative and classified salary allocation amounts shown on LEAP Document 2.

(c) For the 2018-19 school year salary allocations for certificated instructional staff, certificated administrative staff, and classified staff units are determined for each school district by multiplying the statewide minimum salary allocation for each staff type by the school district's regionalization factor shown in LEAP Document 3.

Statewide Minimum Salary Allocation
For School Year 2018-19

Certificated Instructional Staff $59,333.55
Certificated Administrative Staff $79,127.50
Classified Staff $39,975.50

(2) For the purposes of this section:
(a) "LEAP Document 1" means the staff mix factors for certificated instructional staff according to education and years of experience, as developed by the legislative evaluation and accountability program committee on June 22, 2017, at 1:14 hours; and
(b) "LEAP Document 2" means the school year salary allocations for certificated administrative staff and classified staff and derived and total base salaries for certificated instructional staff as developed by the legislative evaluation and accountability program committee on June 22, 2017, at 1:14 hours.
(c) "LEAP Document 3" means the school district regionalization factors for certificated instructional, certificated administrative, and classified staff, as developed by the legislative evaluation and accountability program committee on (June 22, 2017, at 1:14) January 12, 2018, at 8:35 hours.

(3) Incremental fringe benefit factors are applied to salary adjustments at a rate of 22.85 percent for school year 2017-18 and 22.85 percent for school year 2018-19 for certificated instructional and certificated administrative staff and 21.10 percent for school year 2017-18 and 21.10 percent for the 2018-19 school year for classified staff.
