31 service authority voting at a general election or at a special
32 election called by the authority for that purpose.

33 (b) Ballot measures calling for the continued imposition of a

10 YES NO
11

12 **Sec. 2.** RCW 52.26.230 and 2004 c 129 s 29 are each amended to
13 read as follows:

14 (1) Not fewer than ten days nor more than six months before the
15 election at which the proposition to impose the benefit charge is
16 submitted as provided in this chapter, the governing board of the
17 regional fire protection service authority, or the planning committee
18 if the benefit charge is proposed as part of the initial formation of
19 the authority, shall hold a public hearing specifically setting forth
20 its proposal to impose benefit charges for the support of its legally
21 authorized activities that will maintain or improve the services
22 afforded in the authority. A report of the public hearing shall be
23 filed with the county treasurer of each county in which the property
24 is located and be available for public inspection.

25 (2) Prior to November 15th of each year the governing board of
26 the authority shall hold a public hearing to review and establish the
27 regional fire protection service authority benefit charges for the
28 subsequent year.

29 (3) All resolutions imposing or changing the benefit charges must
30 be filed with the county treasurer or treasurers of each county in
31 which the property is located, together with the record of each
32 public hearing, before November 30th immediately preceding the year
33 in which the benefit charges are to be collected on behalf of the
34 authority.

35 (4) After the benefit charges have been established, the owners
36 of the property subject to the charge must be notified of the amount
37 of the charge.

1 **Sec. 3.** RCW 84.55.092 and 1998 c 16 s 3 are each amended to read
2 as follows:

3 (1) The regular property tax levy for each taxing district other
4 than the state may be set at the amount which would be allowed
5 otherwise under this chapter if the regular property tax levy for the
6 district for taxes due in prior years beginning with 1986 had been
7 set at the full amount allowed under this chapter including any levy
8 authorized under RCW 52.16.160 or 52.26.140(1)(c) that would have
9 been imposed but for the limitation in RCW 52.18.065 or 52.26.240,
10 applicable upon imposition of the benefit charge under chapter 52.18
11 or 52.26 RCW.

12 (2) The purpose of this section is to remove the incentive for a
13 taxing district to maintain its tax levy at the maximum level
14 permitted under this chapter, and to protect the future levy capacity
15 of a taxing district that reduces its tax levy below the level that
16 it otherwise could impose under this chapter, by removing the adverse
17 consequences to future levy capacities resulting from such levy
18 reductions.

19 **Sec. 4.** RCW 52.18.050 and 2013 c 49 s 1 are each amended to read
20 as follows:

21 (1)(a) The initial imposition of a benefit charge authorized by
22 this chapter must be approved by not less than sixty percent of the
23 voters of the district voting at a general election or at a special
24 election called by the district for that purpose.

25 (b) An election held for the initial imposition of a benefit
26 charge must be held not more than twelve months prior to the date on
27 which the first charge is to be assessed.

28 (c) A benefit charge approved at an election expires in six or
29 fewer years as authorized by the voters unless subsequently
30 reapproved by the voters.

31 (2) Ballot measures calling for the initial imposition of a
32 benefit charge must be submitted so as to enable voters favoring the
33 authorization of a benefit charge to vote "Yes" and those opposed to
34 vote "No," and the ballot question must be as follows:

35 "Shall county fire protection district
36 No. . . . be authorized to impose benefit charges each year
37 for (insert number of years not to exceed six) years,
38 not to exceed an amount equal to sixty percent of its

1 operating budget, and be prohibited from imposing an
2 additional property tax under RCW 52.16.160?

3 YES NO
4

5 (3)(a) The continued imposition of a benefit charge authorized by
6 this chapter (~~((must be approved by a majority of the voters of the~~
7 ~~district voting at a general election or at a special election called~~
8 ~~by the district for that purpose))~~ may be approved for six
9 consecutive years.

10 (~~((b) Ballot measures calling for the continued imposition of a~~
11 ~~benefit charge must be submitted so as to enable voters favoring the~~
12 ~~continued imposition of the benefit charge to vote "Yes" and those~~
13 ~~opposed to vote "No." The ballot question must be substantially in~~
14 ~~the following form:))~~ A ballot measure calling for the continued
15 imposition of a benefit charge for six consecutive years must be
16 approved by a majority of the voters of the district voting at a
17 general election or at a special election called by the district for
18 that purpose.

19 (b) Ballot measures calling for the continued imposition of a
20 benefit charge must be submitted so as to enable voters favoring the
21 continued imposition of the benefit charge to vote "Yes" and those
22 opposed to vote "No." The ballot question must be substantially in
23 the following form:

24 "Shall county fire protection district
25 No. be authorized to continue voter-authorized
26 benefit charges each year for (~~(. (insert number of~~
27 ~~years not to exceed six))~~) six consecutive years, not to
28 exceed an amount equal to sixty percent of its operating
29 budget, and be prohibited from imposing an additional
30 property tax under RCW 52.16.160?

31 YES NO
32

33 **Sec. 5.** RCW 52.18.010 and 1998 c 16 s 1 are each amended to read
34 as follows:

35 (1) Pursuant to an approved initial or continued benefit charge
36 authorized under RCW 52.18.050, the board of fire commissioners of a
37 fire protection district may by resolution, for fire protection

1 district purposes authorized by law, fix and impose a benefit charge
2 on personal property and improvements to real property which are
3 located within the fire protection district on the date specified and
4 which have or will receive the benefits provided by the fire
5 protection district, to be paid by the owners of the properties(~~(-~~
6 ~~PROVIDED, That)~~)).

7 (2) A benefit charge ((shall)) does not apply to:

8 (a) Personal property and improvements to real property owned or
9 used by any recognized religious denomination or religious
10 organization as, or including, a sanctuary or for purposes related to
11 the bona fide religious ministries of the denomination or religious
12 organization, including schools and educational facilities used for
13 kindergarten, primary, or secondary educational purposes or for
14 institutions of higher education and all grounds and buildings
15 related thereto, but not including personal property and improvements
16 to real property owned or used by any recognized religious
17 denomination or religious organization for business operations,
18 profit-making enterprises, or activities not including use of a
19 sanctuary or related to kindergarten, primary, or secondary
20 educational purposes or for institutions of higher education; and

21 (b) Any of the following tax-exempt properties, provided such
22 entity is not required to pay a fire protection charge under
23 subsection (8) of this section:

24 (i) Property of housing authorities that is exempt from property
25 taxes under RCW 35.82.210;

26 (ii) Property of nonprofit entities providing rental housing for
27 very low-income households or providing space for the placement of a
28 mobile home for a very low-income household that is exempt from
29 property taxes under RCW 84.36.560;

30 (iii) Property of nonprofit homes for the aging that is exempt
31 from property taxes under RCW 84.36.041;

32 (iv) Property of nonprofit organizations, corporations, or
33 associations providing housing for eligible persons with
34 developmental disabilities that is exempt from property taxes under
35 RCW 84.36.042;

36 (v) Property of nonprofit organizations providing emergency or
37 transitional housing for low-income homeless persons or victims of
38 domestic violence who are homeless for personal safety reasons that
39 is exempt from property taxes under RCW 84.36.043;

1 (vi) Property of the state housing finance commission that is
2 exempt from property taxes under RCW 84.36.135; and

3 (vii) Property of nonprofit corporations operating sheltered
4 workshops for persons with disabilities that is exempt from property
5 taxes under RCW 84.36.350.

6 (3) A benefit charge may apply to a tax-exempt property included
7 in subsection (2)(b) of this section if the tax-exempt property is
8 located in a fire protection district that:

9 (a) Is less than four square miles in size;

10 (b) Has approved a benefit charge prior to the effective date of
11 this section; and

12 (c) Has a population exceeding nineteen thousand people as of the
13 effective date of this section, as determined by the office of
14 financial management.

15 (4) A limited benefit charge may apply to property or
16 improvements owned by a Christmas tree grower as defined in RCW
17 15.13.250(4) so long as the property or improvement is located on
18 land that has been approved as farm and agricultural land with
19 standing crops under chapter 84.34 RCW. For such property or
20 improvement, a benefit charge may not exceed the reduction in
21 property tax that results from the imposition of a benefit charge, as
22 required under RCW 52.18.065.

23 (5) The aggregate amount of such benefit charges in any one year
24 shall not exceed an amount equal to sixty percent of the operating
25 budget for the year in which the benefit charge is to be collected:
26 PROVIDED, That it shall be the duty of the county legislative
27 authority or authorities of the county or counties in which the fire
28 protection district is located to make any necessary adjustments to
29 assure compliance with such limitation and to immediately notify the
30 board of fire commissioners of any changes thereof.

31 (6) A benefit charge imposed shall be reasonably proportioned to
32 the measurable benefits to property resulting from the services
33 afforded by the district. It is acceptable to apportion the benefit
34 charge to the values of the properties as found by the county
35 assessor or assessors modified generally in the proportion that fire
36 insurance rates are reduced or entitled to be reduced as the result
37 of providing the services. Any other method that reasonably
38 apportions the benefit charges to the actual benefits resulting from
39 the degree of protection, which may include but is not limited to the
40 distance from regularly maintained fire protection equipment, the

1 level of fire prevention services provided to the properties, or the
2 need of the properties for specialized services, may be specified in
3 the resolution and shall be subject to contest on the ground of
4 unreasonable or capricious action or action in excess of the
5 measurable benefits to the property resulting from services afforded
6 by the district. The board of fire commissioners may determine that
7 certain properties or types or classes of properties are not
8 receiving measurable benefits based on criteria they establish by
9 resolution. A benefit charge authorized by this chapter shall not be
10 applicable to the personal property or improvements to real property
11 of any individual, corporation, partnership, firm, organization, or
12 association maintaining a fire department and whose fire protection
13 and training system has been accepted by a fire insurance underwriter
14 maintaining a fire protection engineering and inspection service
15 authorized by the state insurance commissioner to do business in this
16 state, but such property may be protected by the fire protection
17 district under a contractual agreement.

18 (7) For administrative purposes, the benefit charge imposed on
19 any individual property may be compiled into a single charge,
20 provided that the district, upon request of the property owner,
21 provide an itemized list of charges for each measurable benefit
22 included in the charge.

23 (8)(a) At the annual review of the fire benefit charge mandated
24 by RCW 52.18.060(2), if a fire service agency has identified:

25 (i) A tax-exempt property under subsection (2)(b) of this section
26 as having a substantial increase in requested emergency services over
27 the previous year; or

28 (ii) A new tax-exempt property that is similar in size,
29 population, and geographic location as another such tax-exempt
30 property as having an increase in requested emergency services;
31 then the tax exempt property and the fire service agency must work
32 together, in good faith, to address the problem by implementing
33 community risk reduction efforts. The community risk reduction plan
34 may include but is not limited to wellness programs and community
35 action plans.

36 (b) At the subsequent annual review, if the heightened service
37 requirements have not been reasonably addressed by the joint
38 mitigation efforts, and the tax-exempt property owner has not acted
39 in good faith:

1 (i) The property is subject to assessment of the fire benefit
2 charge in the subsequent year, subject to approval by the board of
3 fire commissioners as outlined in RCW 52.18.060(2); or

4 (ii) The respective tax exempt property shall pay the fire
5 service agency a fire protection charge payment in lieu of a benefit
6 charge. The fire protection charge shall be an amount equivalent to
7 the benefit rates for similarly situated properties for that year.

8 (c) All tax exempt properties identified under subsection (2)(b)
9 of this section and all local fire service agencies are encouraged to
10 work collaboratively to develop and implement programs to address
11 proper usage of fire service resources for residents of the housing
12 properties.

13 **Sec. 6.** RCW 52.26.180 and 2004 c 129 s 24 are each amended to
14 read as follows:

15 (1) The governing board of a regional fire protection service
16 authority may by resolution, as authorized in the plan and approved
17 by the voters, for authority purposes authorized by law, fix and
18 impose a benefit charge on personal property and improvements to real
19 property which are located within the authority on the date specified
20 and which have received or will receive the benefits provided by the
21 authority, to be paid by the owners of the properties.

22 (2) A benefit charge does not apply to:

23 (a) Personal property and improvements to real property owned or
24 used by any recognized religious denomination or religious
25 organization as, or including, a sanctuary or for purposes related to
26 the bona fide religious ministries of the denomination or religious
27 organization, including schools and educational facilities used for
28 kindergarten, primary, or secondary educational purposes or for
29 institutions of higher education and all grounds and buildings
30 related thereto. However, a benefit charge does apply to personal
31 property and improvements to real property owned or used by any
32 recognized religious denomination or religious organization for
33 business operations, profit-making enterprises, or activities not
34 including use of a sanctuary or related to kindergarten, primary, or
35 secondary educational purposes or for institutions of higher
36 education.

37 (b) Property of housing authorities that is exempt from property
38 taxes under RCW 35.82.210;

1 (c) Property of nonprofit entities providing rental housing for
2 very low-income households or providing space for the placement of a
3 mobile home for a very low-income household that is exempt from
4 property taxes under RCW 84.36.560;

5 (d) Property of nonprofit homes for the aging that is exempt from
6 property taxes under RCW 84.36.041;

7 (e) Property of nonprofit organizations, corporations, or
8 associations providing housing for eligible persons with
9 developmental disabilities that is exempt from property taxes under
10 RCW 84.36.042;

11 (f) Property of nonprofit organizations providing emergency or
12 transitional housing for low-income homeless persons or victims of
13 domestic violence who are homeless for personal safety reasons that
14 is exempt from property taxes under RCW 84.36.043;

15 (g) Property of the state housing finance commission that is
16 exempt from property taxes under RCW 84.36.135; and

17 (h) Property of nonprofit corporations operating sheltered
18 workshops for persons with disabilities that is exempt from property
19 taxes under RCW 84.36.350.

20 (3) A limited benefit charge may apply to property or
21 improvements owned by a Christmas tree grower as defined in RCW
22 15.13.250(4) so long as the property or improvement is located on
23 land that has been approved as farm and agricultural land with
24 standing crops under chapter 84.34 RCW. For such property or
25 improvement, a benefit charge may not exceed the reduction in
26 property tax that results from the imposition of a benefit charge, as
27 required under RCW 52.26.240.

28 (4) The aggregate amount of these benefit charges in any one year
29 may not exceed an amount equal to sixty percent of the operating
30 budget for the year in which the benefit charge is to be collected.
31 It is the duty of the county legislative authority or authorities of
32 the county or counties in which the regional fire protection service
33 authority is located to make any necessary adjustments to assure
34 compliance with this limitation and to immediately notify the
35 governing board of an authority of any changes thereof.

36 ~~((+2))~~ (5) A benefit charge imposed must be reasonably
37 proportioned to the measurable benefits to property resulting from
38 the services afforded by the authority. It is acceptable to apportion
39 the benefit charge to the values of the properties as found by the
40 county assessor or assessors modified generally in the proportion

1 that fire insurance rates are reduced or entitled to be reduced as
2 the result of providing the services. Any other method that
3 reasonably apportions the benefit charges to the actual benefits
4 resulting from the degree of protection, which may include but is not
5 limited to the distance from regularly maintained fire protection
6 equipment, the level of fire prevention services provided to the
7 properties, or the need of the properties for specialized services,
8 may be specified in the resolution and is subject to contest on the
9 grounds of unreasonable or capricious action or action in excess of
10 the measurable benefits to the property resulting from services
11 afforded by the authority. The governing board of an authority may
12 determine that certain properties or types or classes of properties
13 are not receiving measurable benefits based on criteria they
14 establish by resolution. A benefit charge authorized by this chapter
15 is not applicable to the personal property or improvements to real
16 property of any individual, corporation, partnership, firm,
17 organization, or association maintaining a fire department and whose
18 fire protection and training system has been accepted by a fire
19 insurance underwriter maintaining a fire protection engineering and
20 inspection service authorized by the state insurance commissioner to
21 do business in this state, but the property may be protected by the
22 authority under a contractual agreement.

23 ~~((+3))~~ (6) For administrative purposes, the benefit charge
24 imposed on any individual property may be compiled into a single
25 charge, provided that the authority, upon request of the property
26 owner, provide an itemized list of charges for each measurable
27 benefit included in the charge.

28 ~~((+4))~~ (7)(a) At the annual review of the fire benefit charge
29 mandated by RCW 52.26.230(2), if a fire service agency has
30 identified:

31 (i) A tax-exempt property under subsection (2)(b) of this section
32 as having a substantial increase in requested emergency services over
33 the previous year; or

34 (ii) A new tax-exempt property that is similar in size,
35 population, and geographic location as another such tax-exempt
36 property as having an increase in requested emergency services;
37 then the tax exempt property and the fire service agency must work
38 together, in good faith, to address the problem by implementing
39 community risk reduction efforts. The community risk reduction plan

1 may include but is not limited to wellness programs and community
2 action plans.

3 (b) At the subsequent annual review, if the heightened service
4 requirements have not been reasonably addressed by the joint
5 mitigation efforts, and the tax-exempt property owner has not acted
6 in good faith:

7 (i) The property is subject to assessment of the fire benefit
8 charge in the subsequent year, subject to approval by the governing
9 board of the authority as outlined in RCW 52.26.230(2); or

10 (ii) The respective tax exempt property shall pay the fire
11 service agency a fire protection charge payment in lieu of a benefit
12 charge. The fire protection charge shall be an amount equivalent to
13 the benefit rates for similarly situated properties for that year.

14 (c) All tax exempt properties identified under subsection (2)(b)
15 of this section and all local fire service agencies are encouraged to
16 work collaboratively to develop and implement programs to address
17 proper usage of fire service resources for residents of the housing
18 properties.

19 (8) For the purposes of this section and RCW 52.26.190 through
20 52.26.270, the following definitions apply:

21 (a)(i) "Personal property" includes every form of tangible
22 personal property including, but not limited to, all goods, chattels,
23 stock in trade, estates, or crops.

24 (ii) "Personal property" does not include any personal property
25 used for farming, field crops, farm equipment, or livestock.

26 (b) "Improvements to real property" does not include permanent
27 growing crops, field improvements installed for the purpose of aiding
28 the growth of permanent crops, or other field improvements normally
29 not subject to damage by fire.

30 **Sec. 7.** RCW 52.26.020 and 2011 c 141 s 1 are each reenacted and
31 amended to read as follows:

20 maintenance of existing or future facilities.

21 (7) "Regional fire protection service authority planning
22 committee" or "planning committee" means the advisory committee
23 created under RCW 52.26.030 to create and propose to fire protection
24 jurisdictions a regional fire protection service authority plan to
25 design, finance, and develop fire protection and emergency service
26 projects.

27 (8) "Regular property taxes" has the same meaning as in RCW
28 84.04.140.

29 **Sec. 8.** RCW 52.26.030 and 2004 c 129 s 3 are each amended to
30 read as follows:

31 Regional fire protection service authority planning committees
32 are advisory entities that are created, convened, and empowered as
33 follows:

34 (1) Any two or more adjacent fire protection jurisdictions may
35 create a regional fire protection service authority and convene a
36 regional fire protection service authority planning committee. No
37 fire protection jurisdiction may participate in more than one created
38 authority.

1 (2) Each governing body of the fire protection jurisdictions
2 participating in planning under this chapter shall appoint three
3 elected officials to the authority planning committee. Members of the
4 planning committee may receive compensation of seventy dollars per
5 day, or portion thereof, not to exceed seven hundred dollars per
6 year, for attendance at planning committee meetings and for
7 performance of other services in behalf of the authority, and may be

9 their respective governing body.

10 (3) A regional fire protection service authority planning
11 committee may receive state funding, as appropriated by the
12 legislature, or county funding provided by the affected counties for
13 start-up funding to pay for salaries, expenses, overhead, supplies,
14 and similar expenses ordinarily and necessarily incurred. Upon
15 creation of a regional fire protection service authority, the
16 authority shall within one year reimburse the state or county for any
17 sums advanced for these start-up costs from the state or county.

18 (4) The planning committee shall conduct its affairs and
19 formulate a regional fire protection service authority plan as

24 (6) The planning committee may dissolve itself at any time by a
25 majority vote of the total membership of the planning committee. Any
26 participating fire protection jurisdiction may withdraw upon thirty
27 calendar days' written notice to the other jurisdictions.

28 **Sec. 9.** RCW 84.52.010 and 2015 3rd sp.s. c 44 s 324 and 2015 3rd
29 sp.s. c 24 s 404 are each reenacted and amended to read as follows:

30 (1) Except as is permitted under RCW 84.55.050, all taxes must be
31 levied or voted in specific amounts.

32 (2) The rate percent of all taxes for state and county purposes,
33 and purposes of taxing districts coextensive with the county, must be
34 determined, calculated and fixed by the county assessors of the
35 respective counties, within the limitations provided by law, upon the
36 assessed valuation of the property of the county, as shown by the
37 completed tax rolls of the county, and the rate percent of all taxes
38 levied for purposes of taxing districts within any county must be
39 determined, calculated and fixed by the county assessors of the

1 respective counties, within the limitations provided by law, upon the
2 assessed valuation of the property of the taxing districts
3 respectively.

4 (3) When a county assessor finds that the aggregate rate of tax
5 levy on any property, that is subject to the limitations set forth in
6 RCW 84.52.043 or 84.52.050, exceeds the limitations provided in
7 either of these sections, the assessor must recompute and establish a
8 consolidated levy in the following manner:

9 (a) The full certified rates of tax levy for state, county,
10 county road district, regional transit authority, and city or town
11 purposes must be extended on the tax rolls in amounts not exceeding
12 the limitations established by law; however any state levy takes
13 precedence over all other levies and may not be reduced for any
14 purpose other than that required by RCW 84.55.010. If, as a result of
15 the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069,
16 84.52.105, the portion of the levy by a metropolitan park district
17 that was protected under RCW 84.52.120, 84.52.125, 84.52.135,
18 84.52.140, and the protected portion of the levy under RCW 86.15.160
19 by flood control zone districts in a county with a population of
20 seven hundred seventy-five thousand or more that are coextensive with
21 a county, the combined rate of regular property tax levies that are
22 subject to the one percent limitation exceeds one percent of the true
23 and fair value of any property, then these levies must be reduced as
24 follows:

25 (i) The portion of the levy by a metropolitan park district that
26 has a population of less than one hundred fifty thousand and is
27 located in a county with a population of one million five hundred
28 thousand or more that is protected under RCW 84.52.120 must be
29 reduced until the combined rate no longer exceeds one percent of the
30 true and fair value of any property or must be eliminated;

31 (ii) If the combined rate of regular property tax levies that are
32 subject to the one percent limitation still exceeds one percent of
33 the true and fair value of any property, the protected portion of the
34 levy imposed under RCW 86.15.160 by a flood control zone district in
35 a county with a population of seven hundred seventy-five thousand or
36 more that is coextensive with a county must be reduced until the
37 combined rate no longer exceeds one percent of the true and fair
38 value of any property or must be eliminated;

39 (iii) If the combined rate of regular property tax levies that
40 are subject to the one percent limitation still exceeds one percent

1 of the true and fair value of any property, the levy imposed by a
2 county under RCW 84.52.140 must be reduced until the combined rate no
3 longer exceeds one percent of the true and fair value of any property
4 or must be eliminated;

5 (iv) If the combined rate of regular property tax levies that are
6 subject to the one percent limitation still exceeds one percent of
7 the true and fair value of any property, the portion of the levy by a
8 fire protection district or regional fire protection service
9 authority that is protected under RCW 84.52.125 must be reduced until
10 the combined rate no longer exceeds one percent of the true and fair
11 value of any property or must be eliminated;

12 (v) If the combined rate of regular property tax levies that are
13 subject to the one percent limitation still exceeds one percent of
14 the true and fair value of any property, the levy imposed by a county
15 under RCW 84.52.135 must be reduced until the combined rate no longer
16 exceeds one percent of the true and fair value of any property or
17 must be eliminated;

18 (vi) If the combined rate of regular property tax levies that are
19 subject to the one percent limitation still exceeds one percent of
20 the true and fair value of any property, the levy imposed by a ferry
21 district under RCW 36.54.130 must be reduced until the combined rate
22 no longer exceeds one percent of the true and fair value of any
23 property or must be eliminated;

24 (vii) If the combined rate of regular property tax levies that
25 are subject to the one percent limitation still exceeds one percent
26 of the true and fair value of any property, the portion of the levy
27 by a metropolitan park district with a population of one hundred
28 fifty thousand or more that is protected under RCW 84.52.120 must be
29 reduced until the combined rate no longer exceeds one percent of the
30 true and fair value of any property or must be eliminated;

31 (viii) If the combined rate of regular property tax levies that
32 are subject to the one percent limitation still exceeds one percent
33 of the true and fair value of any property, then the levies imposed
34 under RCW 84.34.230, 84.52.105, and any portion of the levy imposed
35 under RCW 84.52.069 that is in excess of thirty cents per thousand
36 dollars of assessed value, must be reduced on a pro rata basis until
37 the combined rate no longer exceeds one percent of the true and fair
38 value of any property or must be eliminated; and

39 (ix) If the combined rate of regular property tax levies that are
40 subject to the one percent limitation still exceeds one percent of

1 the true and fair value of any property, then the thirty cents per
2 thousand dollars of assessed value of tax levy imposed under RCW
3 84.52.069 must be reduced until the combined rate no longer exceeds
4 one percent of the true and fair value of any property or must be
5 eliminated.

6 (b) The certified rates of tax levy subject to these limitations
7 by all junior taxing districts imposing taxes on such property must
8 be reduced or eliminated as follows to bring the consolidated levy of
9 taxes on such property within the provisions of these limitations:

10 (i) First, the certified property tax levy authorized under RCW
11 84.52.821 must be reduced on a pro rata basis or eliminated;

12 (ii) Second, if the consolidated tax levy rate still exceeds
13 these limitations, the certified property tax levy rates of those
14 junior taxing districts authorized under RCW 36.68.525, 36.69.145,
15 35.95A.100, and 67.38.130 must be reduced on a pro rata basis or
16 eliminated;

17 (iii) Third, if the consolidated tax levy rate still exceeds
18 these limitations, the certified property tax levy rates of flood
19 control zone districts other than the portion of a levy protected
20 under RCW 84.52.815 must be reduced on a pro rata basis or
21 eliminated;

22 (iv) Fourth, if the consolidated tax levy rate still exceeds
23 these limitations, the certified property tax levy rates of all other
24 junior taxing districts, other than fire protection districts,
25 regional fire protection service authorities, library districts, the
26 first fifty cent per thousand dollars of assessed valuation levies
27 for metropolitan park districts, and the first fifty cent per
28 thousand dollars of assessed valuation levies for public hospital
29 districts, must be reduced on a pro rata basis or eliminated;

30 (v) Fifth, if the consolidated tax levy rate still exceeds these
31 limitations, the first fifty cent per thousand dollars of assessed
32 valuation levies for metropolitan park districts created on or after
33 January 1, 2002, must be reduced on a pro rata basis or eliminated;

34 (vi) Sixth, if the consolidated tax levy rate still exceeds these
35 limitations, the certified property tax levy rates authorized to fire
36 protection districts under RCW 52.16.140 and 52.16.160 and regional
37 fire protection service authorities under RCW 52.26.140(1) (b) and
38 (c) must be reduced on a pro rata basis or eliminated; and

39 (vii) Seventh, if the consolidated tax levy rate still exceeds
40 these limitations, the certified property tax levy rates authorized

1 for fire protection districts under RCW 52.16.130, regional fire
2 protection service authorities under RCW 52.26.140(1)(a), library
3 districts, metropolitan park districts created before January 1,
4 2002, under their first fifty cent per thousand dollars of assessed
5 valuation levy, and public hospital districts under their first fifty
6 cent per thousand dollars of assessed valuation levy, must be reduced
7 on a pro rata basis or eliminated.

8 **Sec. 10.** RCW 84.52.010 and 2015 3rd sp.s. c 44 s 325 and 2015

10 follows:

11 (1) Except as is permitted under RCW 84.55.050, all taxes must be
12 levied or voted in specific amounts.

13 (2) The rate percent of all taxes for state and county purposes,
14 and purposes of taxing districts coextensive with the county, must be
15 determined, calculated and fixed by the county assessors of the
16 respective counties, within the limitations provided by law, upon the
17 assessed valuation of the property of the county, as shown by the
18 completed tax rolls of the county, and the rate percent of all taxes
19 levied for purposes of taxing districts within any county must be
20 determined, calculated and fixed by the county assessors of the

23 respectively.

24 (3) When a county assessor finds that the aggregate rate of tax
25 levy on any property, that is subject to the limitations set forth in
26 RCW 84.52.043 or 84.52.050, exceeds the limitations provided in
27 either of these sections, the assessor must recompute and establish a

31 purposes must be extended on the tax rolls in amounts not exceeding
32 the limitations established by law; however any state levy takes
33 precedence over all other levies and may not be reduced for any
34 purpose other than that required by RCW 84.55.010. If, as a result of
35 the levies imposed under RCW 36.54.130, 84.34.230, 84.52.069,
36 84.52.105, the portion of the levy by a metropolitan park district
37 that was protected under RCW 84.52.120, 84.52.125, 84.52.135, and
38 84.52.140, and the portion of the levy by a flood control zone
39 district that was protected under RCW 84.52.816, the combined rate of

1 regular property tax levies that are subject to the one percent
2 limitation exceeds one percent of the true and fair value of any
3 property, then these levies must be reduced as follows:

4 (i) The portion of the levy by a flood control zone district that
5 was protected under RCW 84.52.816 must be reduced until the combined
6 rate no longer exceeds one percent of the true and fair value of any
7 property or must be eliminated;

8 (ii) If the combined rate of regular property tax levies that are
9 subject to the one percent limitation still exceeds one percent of
10 the true and fair value of any property, the levy imposed by a county
11 under RCW 84.52.140 must be reduced until the combined rate no longer
12 exceeds one percent of the true and fair value of any property or
13 must be eliminated;

14 (iii) If the combined rate of regular property tax levies that
15 are subject to the one percent limitation still exceeds one percent
16 of the true and fair value of any property, the portion of the levy
17 by a fire protection district or regional fire protection service
18 authority that is protected under RCW 84.52.125 must be reduced until

23 the true and fair value of any property, the levy imposed by a county
24 under RCW 84.52.135 must be reduced until the combined rate no longer
25 exceeds one percent of the true and fair value of any property or
26 must be eliminated;

27 (v) If the combined rate of regular property tax levies that are

31 no longer exceeds one percent of the true and fair value of any
32 property or must be eliminated;

33 (vi) If the combined rate of regular property tax levies that are
34 subject to the one percent limitation still exceeds one percent of
35 the true and fair value of any property, the portion of the levy by a

12 one percent of the true and fair value of any property or eliminated.

13 (b) The certified rates of tax levy subject to these limitations

17 (i) First, the certified property tax levy authorized under RCW
18 84.52.821 must be reduced on a pro rata basis or eliminated;

19 (ii) Second, if the consolidated tax levy rate still exceeds
20 these limitations, the certified property tax levy rates of those
21 junior taxing districts authorized under RCW 36.68.525, 36.69.145,
22 35.95A.100, and 67.38.130 must be reduced on a pro rata basis or

30 these limitations, the certified property tax levy rates of all other
31 junior taxing districts, other than fire protection districts,
32 regional fire protection service authorities, library districts, the
33 first fifty cent per thousand dollars of assessed valuation levies
