5 the filing of a final plat, except that when the short plat contains
6 fewer than four parcels, nothing in this section shall prevent the
7 owner who filed the short plat from filing an alteration within the
8 five-year period to create up to a total of four lots within the
9 original short plat boundaries: PROVIDED FURTHER, That such
10 regulations are not required to contain a penalty clause as provided

20 the provisions under RCW 58.17.110.

21 (3) Cities, towns, and counties (~~shall~~) must include in their
22 short plat regulations and procedures pursuant to subsection (1) of
23 this section provisions for considering sidewalks and other planning
24 features that assure safe walking conditions for students who walk to

26 **Sec. 3.** RCW 58.17.110 and 2018 c 1 s 104 are each amended to
27 read as follows:

28 (1) The city, town, or county legislative body shall inquire into
29 the public use and interest proposed to be served by the
30 establishment of the subdivision and dedication. It shall determine:

31 (a) If appropriate provisions are made for, but not limited to, the
32 public health, safety, and general welfare, for open spaces, drainage
33 ways, streets or roads, alleys, other public ways, transit stops,
34 potable water supplies, sanitary wastes, parks and recreation,
35 playgrounds, schools and schoolgrounds, and shall consider all other
36 relevant facts, including sidewalks and other planning features that
37 assure safe walking conditions for students who only walk to and from
38 school; and (b) whether the public interest will be served by the
39 subdivision and dedication.

1 (2)(a) A proposed subdivision and dedication shall not be
2 approved unless the city, town, or county legislative body makes

10 safe walking conditions for students who only walk to and from
11 school; and ~~((b))~~ (ii) the public use and interest will be served
12 by the platting of such subdivision and dedication. If it finds that
13 the proposed subdivision and dedication make such appropriate
14 provisions and that the public use and interest will be served, then
15 the legislative body shall approve the proposed subdivision and
16 dedication. Dedication of land to any public body, provision of
17 public improvements to serve the subdivision, and/or impact fees
18 imposed under RCW 82.02.050 through 82.02.090 may be required as a
19 condition of subdivision approval. Dedications shall be clearly shown
20 on the final plat. No dedication, provision of public improvements,
21 or impact fees imposed under RCW 82.02.050 through 82.02.090 shall be
22 allowed that constitutes an unconstitutional taking of private
23 property. The legislative body shall not as a condition to the
24 approval of any subdivision require a release from damages to be
25 procured from other property owners.

26 (b) The written findings required under (a) of this subsection
27 must address any public comments received under subsection (3) of
28 this section.

30 lots pursuant to RCW 58.17.020 and 58.17.060 must provide for
31 effective notice to neighbors, the community, and school districts
32 servicing the lots, and provide an opportunity for public comment
33 prior to the approval of any short plats or short subdivisions
34 creating more than four lots.

35 (4) If the preliminary plat includes a dedication of a public
36 park with an area of less than two acres and the donor has designated
37 that the park be named in honor of a deceased individual of good
38 character, the city, town, or county legislative body must adopt the
39 designated name.

1 (~~(4)~~) (5) If water supply is to be provided by a groundwater
2 withdrawal exempt from permitting under RCW 90.44.050, the
3 applicant's compliance with RCW 90.44.050 and with applicable rules
4 adopted pursuant to chapters 90.22 and 90.54 RCW is sufficient in
5 determining appropriate provisions for water supply for a
6 subdivision, dedication, or short subdivision under this chapter."
