

ESSB 5051 - H COMM AMD

By Committee on Local Government

1 Strike everything after the enacting clause and insert the
2 following:

3 "NEW SECTION. **Sec. 1.** (1) The legislature finds that the cost
4 of developing high-quality, commercial office space is prohibitive in
5 cities located outside of a major metropolitan area. The legislature
6 finds these cities have designated urban centers and plan to locate
7 high-quality, commercial office space within those urban centers. The
8 legislature also finds that solely planning for commercial office
9 space within urban centers is inadequate and an incentive should be
10 created to stimulate the development of new commercial office space
11 in urban centers. The legislature intends to provide these cities
12 with local options to incentivize the development of commercial
13 office space in urban centers with access to transit, high capacity
14 transportation systems, and other amenities.

15 (2) The joint legislative audit and review committee is directed
16 to study the effectiveness of any local sale and use tax exemption or
17 local property tax exemption authorized and adopted pursuant to this
18 chapter, and submit a report as provided in subsection (4) of this
19 section.

20 (3) The report must include, but is not limited to, an assessment
21 of the local sales and use tax exemption and local property tax
22 exemption programs authorized under this chapter including an
23 evaluation of the degree to which the preferences led to:

- 24 (a) The development of class A commercial office space;
25 (b) Family wage job creation; and
26 (c) Lowered traffic congestion.

27 (4) By October 1, 2028, and in compliance with RCW 43.01.036, the
28 joint legislative audit and review committee must submit to the
29 appropriate legislative committees of the legislature a final report
30 with their findings and recommendations under this section.

31 (5) This section expires December 31, 2028.

1 NEW SECTION. **Sec. 2.** (1) A governing authority of a city may
2 adopt a local sales and use tax exemption program to incentivize the
3 development of class A commercial office space in urban centers with
4 access to transit, high capacity transportation systems, and other
5 amenities.

6 (2) A governing authority of a city may adopt a local property
7 tax exemption program to incentivize the development of class A
8 commercial office space in urban centers with access to transit, high
9 capacity transportation systems, and other amenities.

10 NEW SECTION. **Sec. 3.** In order to use the sales and use tax
11 exemption authorized in section 2 of this act, a city must:

12 (1) Obtain written agreement for the use of the local sales tax
13 exemption from any taxing authority that imposes a sales or use tax
14 under chapters 82.14 or 81.104 RCW. The agreement must be authorized
15 by the governing body of such participating taxing authorities;

16 (2) Hold a public hearing on the proposed use of the exemption.

17 (a) Notice of the hearing must be published in a legal newspaper
18 of general circulation at least ten days before the public hearing
19 and posted in at least six conspicuous public places located within
20 one mile of the proposed location of a qualifying project.

21 (b) Notices must describe the qualifying project and estimate the
22 amount of revenue exempted under this section.

23 (c) The public hearing may be held by either the governing body
24 of a city, or a committee of the governing body that includes at
25 least a majority of the whole governing body;

26 (3) (a) Establish criteria for a qualifying project exempted under
27 section 6 of this act. Criteria must include:

28 (i) A minimum number of new family living wage jobs for location
29 within the qualifying project; and

30 (ii) The physical characteristics, features, and amenities
31 necessary for a qualifying project to be defined as class A
32 commercial office space.

33 (b) Criteria may also include height, density, public benefit
34 features, quality of amenities, number and size of proposed
35 development, parking, employment targets, percent occupied, or other
36 adopted requirements indicated necessary by the city; and

37 (4) Adopt an ordinance announcing the use of the sales and use
38 tax exemptions under sections 6 and 7 of this act. The ordinance
39 must:

1 (a) Describe the qualifying project, including a physical
2 description of proposed building or buildings, a list of features and
3 amenities, cost of construction, length that the qualifying project
4 will be under construction, and final use such as residential,
5 commercial, or mixed use;

6 (b) Estimate the amount of local sales tax revenue that will be
7 exempted under sections 6 and 7 of this act;

8 (c) Provide the approximate date that the local sales tax revenue
9 will be remitted to a taxpayer; and

10 (d) Certify the criteria under this section by which a qualifying
11 project can later receive certification under sections 6(3) and 7(3)
12 of this act confirming that a taxpayer is eligible for the
13 remittance.

14 NEW SECTION. **Sec. 4.** (1) In order to use the property tax
15 exemption authorized under section 2 of this act, a city must:

16 (a) Establish the criteria under which property can qualify for
17 the exemption under section 9 of this act. Criteria:

18 (i) Must include: (A) A minimum number of new family living wage
19 jobs for location within the qualifying project;

20 (B) The physical characteristics, features, and amenities
21 necessary for a qualifying project to be defined as class A
22 commercial office space;

23 (C) A location in a designated commercial office development
24 targeted area; and

25 (ii) May also include height, density, public benefit features,
26 quality of amenities, number and size of proposed development,
27 parking, employment targets, percent occupied, or other adopted
28 requirements indicated necessary by the city;

29 (b) Designate an area as a commercial office development targeted
30 area. The following criteria must be met before an area may be
31 designated as a commercial office development targeted area:

32 (i) The area must be within an urban center, as determined by the
33 governing authority;

34 (ii) The area must lack, as determined by the governing
35 authority, sufficient available, desirable, high-quality, and
36 convenient commercial office space to provide jobs in the urban
37 center, if the desirable, attractive, and convenient commercial
38 office space was available;

1 (iii) The providing of additional commercial office space
2 development opportunities in the area, as determined by the governing
3 authority, will assist in achieving one or more of the stated
4 purposes of this chapter; and

5 (iv) The use of the incentive in this chapter is not expected to
6 be used for the purpose of relocating a business from outside of the
7 commercial office development targeted area, but within the state, to
8 within the commercial office development targeted area. The incentive
9 may be used for the expansion of a business, including the
10 development of additional offices or satellite facilities.

11 (2) For the purpose of designating a commercial office
12 development targeted area or areas, the governing authority must
13 adopt a resolution of intention to so designate an area as generally
14 described in the resolution. The resolution must state the time and
15 place of a hearing to be held by the governing authority to consider
16 the designation of the area and must include, at a minimum, findings
17 as to the number of commercial office buildings that will be newly
18 constructed or rehabilitated within the proposed commercial office
19 development targeted areas, estimated construction costs of the new
20 construction or rehabilitation, estimated local taxes generated, and
21 jobs produced within the targeted area in a period of ten years from
22 the date of the hearing, and may include such other information
23 pertaining to the designation of the area as the governing authority
24 determines to be appropriate to apprise the public of the action
25 intended.

26 (3) The governing authority must give notice of a hearing held
27 under this chapter by publication of the notice once each week for
28 two consecutive weeks, not less than seven days, nor more than thirty
29 days before the date of the hearing in a paper having a general
30 circulation in the city or county where the proposed commercial
31 office development targeted area is located. The notice must state
32 the time, date, place, and purpose of the hearing and generally
33 identify the area proposed to be designated as a commercial office
34 development targeted area.

35 (4) Following the hearing, the governing authority may designate
36 all or a portion of the area described in the resolution of intent as
37 a commercial office development targeted area if it finds, in its
38 sole discretion, that the criteria in subsections (1) and (2) of this
39 section have been met.

1 (5) After designation of a commercial office development targeted
2 area, the governing authority must adopt and implement standards and
3 guidelines to be utilized in considering applications and making the
4 determinations required under section 12 of this act. The standards
5 and guidelines must establish basic requirements for both new
6 construction and rehabilitation, which must include:

7 (a) Application process and procedures;

8 (b) Requirements that address demolition of existing structures
9 and site utilization;

10 (c) Building requirements that may include elements addressing
11 parking, height, density, environmental impact, and compatibility
12 with the existing surrounding property and such other amenities as
13 will attract and keep commercial tenants and that will properly
14 enhance the commercial office development targeted area in which they
15 are to be located; and

16 (d) Guidelines regarding individual units that are part of a
17 qualifying project that may meet the requirements of the exemption in
18 chapter 84.-- RCW (the new chapter created in section 21 of this
19 act).

20 NEW SECTION. **Sec. 5.** The definitions in this section apply
21 throughout this chapter unless the context clearly requires
22 otherwise.

24 less than one million five hundred thousand.

29 The building or buildings must be at least fifty thousand square
30 feet, and at least three stories. The building must be centrally
31 located in a city, provide close access to public transportation and
32 freeways, be managed professionally, and offer amenities and advanced
33 technology options to tenants.

34 (3) "Commercial office development targeted area" means an area

38 (4) "County" means a county with a population of less than one
39 million five hundred thousand.

1 (5) "Family living wage job" means a job with a wage that is
2 sufficient for raising a family. A family living wage job must have

12 entire property is held in single or undivided ownership or title to
13 individual units is held by owners who also, directly or indirectly
14 through an association, own real property in common with the other
15 unit owners.

16 (8) "Qualifying project" means new construction or rehabilitation
17 of a building or group of buildings intended for use as class A
18 office space. Projects may include mixed use buildings, not solely
19 intended to be used as office space, but does not include any portion
20 of a project intended for residential use. A "qualifying project" may
21 include new construction, or the rehabilitation of an existing
22 building, which includes an area intended to be used for child care
23 facilities at or near the commercial office space.

24 (9) "Rehabilitation" means modifications to an existing building

33 the reopening of that business, or the opening of a new business that
34 engages in the same activities as the previous business, in a
35 different location within a one-year period, when an individual or
36 entity has an ownership interest in the business at the time of
37 closure and at the time of opening or reopening. "Relocating a
38 business" does not include the closing and reopening of a business in
39 a new location where the business has been acquired and is under
40 entirely new ownership at the new location, or the closing and

1 reopening of a business in a new location as a result of the exercise
2 of the power of eminent domain.

3 (12) "Urban center" means a compact identifiable district where
4 urban residents may obtain a variety of products and services. An
5 urban center must contain:

7 establishments that may include but are not limited to shops,
8 offices, banks, restaurants, and governmental agencies;

9 (b) Adequate public facilities including streets, sidewalks,

15 RCW to read as follows:

35 of a city as provided under section 3(1) of this act.

36 (3)(a) After the qualifying project has been operationally
37 complete for four years, but not later than five years after all

2 the department for a remittance of local sales and use taxes.

28 in section 6(1) of this act.

29 (b) The amount of the exemption is one hundred percent of the
30 local sales and use taxes paid under this chapter for activities
31 qualifying under (a) of this subsection, if the taxing authorities
32 imposing sales and use taxes authorized under this chapter have

19 authorities, metropolitan municipal corporations, public
20 transportation benefit areas, high capacity transportation corridor
21 areas, and regional transit authorities may submit an authorizing
22 proposition to the voters and if approved by a majority of persons
23 voting, fix and impose a sales and use tax in accordance with the
24 terms of this chapter, solely for the purpose of providing high
25 capacity transportation service.

26 (2) The tax authorized pursuant to this section is in addition to
27 the tax authorized by RCW 82.14.030 and must be collected from those
28 persons who are taxable by the state pursuant to chapters 82.08 and
29 82.12 RCW upon the occurrence of any taxable event within the taxing
30 district.

31 (a) Except for the tax imposed under (b) of this subsection by
32 regional transit authorities that include a county with a population
33 of more than one million five hundred thousand, the maximum rate of
34 such tax must be approved by the voters and may not exceed one
35 percent of the selling price (in the case of a sales tax) or value of
36 the article used (in the case of a use tax). The maximum rate of such
37 tax that may be imposed may not exceed nine-tenths of one percent in
38 any county that imposes a tax under RCW 82.14.340, or within a

1 regional transit authority if any county within the authority imposes

16 state and local sales and use taxes and include the tax authorized by
17 this section.

18 (c) The exemptions in section 7 of this act are for the local
19 sales and use taxes and include the tax authorized by this section.

20 NEW SECTION. **Sec. 9.** (1) In a city that has met the
21 requirements of section 4 of this act, the value of new construction
22 and rehabilitation improvements of real property qualifying under
23 this chapter is exempt from the city share of ad valorem property
24 taxation for a period of ten successive years beginning January 1st
25 of the calendar year immediately following the calendar year in which
26 a certificate of tax exemption is filed with the county assessor in
27 accordance with section 13 of this act.

28 (2) Upon approval by a county legislative authority, the value of
29 new construction and rehabilitation improvements of real property
30 qualifying under this chapter is exempt from all property taxes
31 levied by a county legislative authority for a period of ten
32 successive years beginning January 1st of the calendar year
33 immediately following the calendar year in which a certificate of tax
34 exemption is filed with the county assessor in accordance with
35 section 13 of this act.

36 (3) The exemptions provided in subsections (1) and (2) of this
37 section do not include the value of land or improvements not
38 qualifying under this chapter.

1 (4) When a local government adopts guidelines pursuant to section
2 4 of this act and includes conditions that must be satisfied with
3 respect to individual commercial units, rather than with respect to
4 the qualifying project as a whole or some minimum portion thereof,
5 the exemption may, at the local government's discretion, be limited
6 to the value of the improvements allocable to those individual
7 commercial units that meet the local guidelines.

8 (5) In the case of rehabilitation of existing buildings, the
9 exemption does not include the value of improvements constructed
10 prior to the submission of the application required under this
11 chapter.

12 (6) This chapter does not apply to increases in assessed
13 valuation made by the assessor on nonqualifying portions of building
14 and value of land nor to increases made by lawful order of a county
15 board of equalization, the department of revenue, or a county to a
16 class of property throughout the county or specific area of the
17 county to achieve the uniformity of assessment or appraisal required
18 by law.

19 (7) At the conclusion of the exemption period, the new or
20 rehabilitated property must be considered as new construction for the
21 purposes of chapter 84.55 RCW.

22 (8) The incentive provided by this chapter is in addition to any
23 other incentives, tax credits, grants, or other incentives provided
24 by law.

26 under this chapter must meet the following requirements:

27 (1) The qualifying project must be located in an urban center as
28 designated by the city or county;

33 requirements indicated necessary by the city or county. The required
34 amenities should be relative to the size of the project and tax
35 benefit to be obtained;

36 (3) A qualifying project must be completed within three years
37 from the date of approval of the application;

38 (4) The applicant must enter into a contract with the city
39 approved by the governing authority, or an administrative official or

1 commission authorized by the governing authority, under which the
2 applicant has agreed to the implementation of the development on
3 terms and conditions satisfactory to the governing authority.

4 NEW SECTION. **Sec. 11.** An owner of property seeking tax
5 incentives under this chapter must complete the following procedures:

6 (1) In the case of rehabilitation or where demolition or new
7 construction is required, the owner must secure from the governing
8 authority or duly authorized representative, before commencement of
9 rehabilitation improvements or new construction, verification of
10 property noncompliance with applicable building codes;

11 (2) The owner must apply to the city on forms adopted by the
12 governing authority. The application must contain the following:

13 (a) Information setting forth the grounds supporting the
14 requested exemption including information indicated on the
15 application form or in the guidelines;

16 (b) A statement of the expected number of new family living wage
17 jobs to be created;

18 (c) A description of the project and site plan; and

20 liability involved when the property ceases to be eligible for the
21 incentive provided under this chapter;

22 (3) The applicant must verify the application by oath or
23 affirmation; and

24 (4) The application may be accompanied by the application fee, if
25 any, required under section 14 of this act. The governing authority
26 may permit the applicant to revise an application before final action
27 by the governing authority.

28 NEW SECTION. **Sec. 12.** The duly authorized administrative
29 official or committee of the city may approve the application if it
30 finds that:

31 (1) The proposed qualifying project meets the criteria as defined
32 by the city in section 4 of this act, including the minimum number of
33 new family living wage jobs to be created for permanent location in
34 the qualifying project within one year of building occupancy;

35 (2) The proposed project is or will be, at the time of
36 completion, in conformance with all local plans and regulations that
37 apply at the time the application is approved;

1 (3) The owner has complied with all standards and guidelines
2 adopted by the city under section 4 of this act; and

3 (4) The site is located in a commercial office development
4 targeted area of an urban center or urban growth area that has been
5 designated by the governing authority in accordance with procedures
6 and guidelines indicated under section 4 of this act.

7 NEW SECTION. **Sec. 13.** (1) The governing authority or an
8 administrative official or commission authorized by the governing
9 authority must approve or deny an application filed under this
10 chapter within ninety days after receipt of the application.

11 (2) If the application is approved, the city must issue the owner
12 of the property a conditional certificate of acceptance of tax
13 exemption. The certificate must contain a statement by a duly
14 authorized administrative official of the governing authority that
15 the property has complied with the required findings indicated in
16 section 12 of this act.

17 (3) If the application is denied by the authorized administrative
18 official or commission authorized by the governing authority, the
19 deciding administrative official or commission must state in writing
20 the reasons for denial and send the notice to the applicant at the
21 applicant's last known address within ten days of the denial.

22 (4) Upon denial by a duly authorized administrative official or
23 commission, an applicant may appeal the denial to the governing
24 authority within thirty days after issuance of the denial. The appeal
25 before the governing authority must be based upon the record made
26 before the administrative official with the burden of proof on the
27 applicant to show that there was no substantial evidence to support
28 the administrative official's decision. The decision of the governing
29 body in denying or approving the application is final.

30 NEW SECTION. **Sec. 14.** The governing authority may establish an
31 application fee. This fee may not exceed an amount determined to be
32 required to cover the cost to be incurred by the governing authority
33 and the assessor in administering this chapter. The application fee
34 must be paid at the time the application for limited exemption is
35 filed. If the application is approved, the governing authority shall
36 pay the application fee to the county assessor for deposit in the
37 county current expense fund, after first deducting that portion of
38 the fee attributable to its own administrative costs in processing

1 the application. If the application is denied, the governing
2 authority may retain that portion of the application fee attributable
3 to its own administrative costs and refund the balance to the
4 applicant.

5 NEW SECTION. **Sec. 15.** (1) Upon completion of rehabilitation or
6 new construction for which an application for a limited tax exemption
7 under this chapter has been approved and after issuance of the
8 certificate of occupancy, the owner must file with the city the
9 following:

10 (a) A statement of the amount of rehabilitation or construction
11 expenditures made;

12 (b) A statement of the new family living wage jobs to be created
13 for location at the qualifying project;

14 (c) A description of the work that has been completed and a
15 statement that the rehabilitation improvements or new construction on
16 the owner's property qualify the property for limited exemption under
17 this chapter;

18 (d) If applicable, a statement that the project meets the local
19 requirements as described in section 10 of this act; and

20 (e) A statement that the work has been completed within three
21 years of the issuance of the conditional certificate of tax
22 exemption.

23 (2) Within thirty days after receipt of the statements required
24 under subsection (1) of this section, the authorized representative
25 of the city must determine whether the work completed, and the
26 affordability of the units, is consistent with the application and
27 the contract approved by the city and is qualified for a limited tax
28 exemption under this chapter. The city must also determine which
29 specific improvements completed meet the requirements and required
30 findings.

31 (3) If the rehabilitation or construction is completed within
32 three years of the date the application for a limited tax exemption
33 is filed under this chapter, or within an authorized extension of
34 this time limit, and the authorized representative of the city
35 determines that improvements were constructed consistent with the
36 application and other applicable requirements, and the owner's
37 property is qualified for a limited tax exemption under this chapter,
38 the city must file the certificate of tax exemption with the county

1 assessor within ten days of the expiration of the thirty-day period
2 provided under subsection (2) of this section.

3 (4) The authorized representative of the city must notify the
4 applicant that a certificate of tax exemption is not going to be
5 filed if the authorized representative determines that:

6 (a) The rehabilitation or new construction was not completed
7 within three years of the application date, or within any authorized
8 extension of the time limit;

9 (b) The improvements were not constructed consistent with the
10 application or other applicable requirements;

11 (c) If applicable, the additional criteria related to a
12 qualifying project under section 4 of this act were not met; or

13 (d) The owner's property is otherwise not qualified for limited
14 exemption under this chapter.

15 (5) If the authorized representative finds that construction or
16 rehabilitation of a qualifying project was not completed within the
17 required time period due to circumstances beyond the control of the
18 owner and that the owner has been acting and could reasonably be
19 expected to act in good faith and with due diligence, the governing
20 authority or the city official authorized by the governing authority
21 may extend the deadline for completion of construction or
22 rehabilitation for a period not to exceed twenty-four consecutive
23 months.

24 (6) The governing authority may provide by ordinance for an
25 appeal of a decision by the deciding officer or authority that an
26 owner is not entitled to a certificate of tax exemption to the
27 governing authority, a hearing examiner, or other city officer
28 authorized by the governing authority to hear the appeal in
29 accordance with such reasonable procedures and time periods as
30 provided by ordinance of the governing authority. The owner may
31 appeal a decision by the deciding officer or authority that is not
32 subject to local appeal or a decision by the local appeal authority
33 that the owner is not entitled to a certificate of tax exemption in
34 superior court under RCW 34.05.510 through 34.05.598, if the appeal
35 is filed within thirty days of notification by the governing
36 authority to the owner of the decision being challenged.

37 NEW SECTION. **Sec. 16.** (1) Thirty days after the anniversary of
38 the date of the certificate of tax exemption and each year for the
39 tax exemption period, the owner of the rehabilitated or newly

1 constructed property must file with a designated authorized
2 representative of the city or the governing authority an annual
3 report indicating the following:

4 (a) A statement of the family living wage jobs at the qualifying
5 project as of the anniversary date;

6 (b) A certification by the owner that the property has not
7 changed use and, if applicable, that the property has been in
8 compliance with all criteria under sections 4 and 11 of this act
9 since the date of the certificate approved by the governing
10 authority;

11 (c) A description of changes or improvements constructed after
12 issuance of the certificate of tax exemption; and

13 (d) Any additional information requested by the governing
14 authority in regards to the units receiving a tax exemption.

15 (2) All cities, which issue certificates of tax exemption for
16 class A commercial office space that conform to the requirements of
17 this chapter, must publish on the city's web site, or in another
18 format that is easily available to the public, annually by December
19 31st of each year, beginning in 2019, the following information:

20 (a) The number of tax exemption certificates granted;

21 (b) A description of the new construction and rehabilitation
22 improvements of any qualifying projects;

23 (c) The value of the tax exemption for each project receiving a
24 tax exemption and the total value of tax exemptions granted;

25 (d) The number of family living wage jobs located at the
26 qualifying project; and

27 (e) A comparison of the data required in this section with the
28 data included in the findings developed when the commercial office
29 development targeted area was established.

30 NEW SECTION. **Sec. 17.** (1) If improvements have been exempted
31 under this chapter, the improvements continue to be exempted for the
32 applicable period under this chapter, so long as they are not
33 converted to another use and continue to satisfy all applicable
34 conditions. If the owner intends to convert the qualifying project to
35 another use or, if applicable, if the owner intends to discontinue
36 compliance with criteria established under section 4(1) of this act
37 or any other condition to exemption, the owner must notify the
38 assessor within sixty days of the change in use or intended
39 discontinuance. If, after a certificate of tax exemption has been

1 filed with the county assessor, the authorized representative of the
2 governing authority discovers that the property or a portion of the
3 property no longer qualifies according to the requirements of this
4 chapter as previously approved or agreed upon by contract between the
5 city and the owner and that the qualifying project, or a portion of
6 the qualifying project, no longer qualifies for the exemption, the
7 tax exemption must be canceled and the following must occur:

8 (a) Additional real property tax must be imposed upon the value
9 of the nonqualifying improvements in the amount that would normally
10 be imposed, plus a penalty must be imposed amounting to twenty
11 percent. This additional tax is calculated based upon the difference
12 between the property tax paid and the property tax that would have
13 been paid if it had included the value of the nonqualifying
14 improvements dated back to the date that the improvements were
15 converted to a use that no longer qualifies them for the exemption;

16 (b) The tax must include interest upon the amounts of the
17 additional tax at the same statutory rate charged on delinquent
18 property taxes from the dates on which the additional tax could have
19 been paid without penalty if the improvements had been assessed at a
20 value without regard to this chapter; and

21 (c) The additional tax owed together with interest and penalty
22 must become a lien on the land and attach at the time that the
23 property or portion of the property no longer qualifies for the
24 exemption, and has priority to and must be fully paid and satisfied
25 before a recognizance, mortgage, judgment, debt, obligation, or
26 responsibility to or with which the land may become charged or
27 liable. The lien may be foreclosed upon expiration of the same period
28 after delinquency and in the same manner provided by law for
29 foreclosure of liens for delinquent real property taxes. An
30 additional tax unpaid on its due date is delinquent. From the date of
31 delinquency until paid, interest must be charged at the same rate
32 applied by law to delinquent ad valorem property taxes.

33 (2) Upon a determination that a tax exemption is to be canceled
34 for a reason stated in this section, the governing authority or
35 authorized representative must notify the record owner of the
36 property as shown by the tax rolls by mail, return receipt requested,
37 of the determination to cancel the exemption. The owner may appeal
38 the determination to the governing authority or authorized
39 representative, within thirty days by filing a notice of appeal with
40 the clerk of the governing authority, which notice must specify the

1 factual and legal basis on which the determination of cancellation is
2 alleged to be erroneous. The governing authority or a hearing
3 examiner or other official authorized by the governing authority may
4 hear the appeal. At the hearing, all affected parties may be heard
5 and all competent evidence received. After the hearing, the deciding
6 body or officer must either affirm, modify, or repeal the decision of
7 cancellation of exemption based on the evidence received. An
8 aggrieved party may appeal the decision of the deciding body or
9 officer to the superior court under RCW 34.05.510 through 34.05.598.

10 NEW SECTION. **Sec. 18.** (1) If a property exempted under section
11 9 of this act changes ownership, the property must continue to
12 qualify for the exemption provided that the new owner complies with
13 all application procedures, terms, conditions, and reporting
14 requirements under this chapter, and meets all criteria established
15 by a city under section 4 of this act.

16 (2) The exemption is limited to ten successive years, beginning
17 the January 1st immediately following the calendar year in which a
18 certificate of tax exemption is filed by the city with the county
19 assessor in accordance with section 13 of this act.

20 NEW SECTION. **Sec. 19.** The definitions in section 5 of this act
21 apply to this chapter.

22 NEW SECTION. **Sec. 20.** Sections 2 through 5 of this act
23 constitute a new chapter in Title 35 RCW.

24 NEW SECTION. **Sec. 21.** Sections 9 through 19 of this act
25 constitute a new chapter in Title 84 RCW.

26 NEW SECTION. **Sec. 22.** Sections 6 and 7 of this act apply to
27 sales and use taxes due on or after October 1, 2019.

28 NEW SECTION. **Sec. 23.** Sections 9 through 18 of this act apply
29 to taxes levied for collection in 2020 and thereafter."
