(2) An individual's eligibility period for regular benefits shall be coincident to his or her established benefit year. An individual's
eligibility period for additional or extended benefits shall be the
periods prescribed elsewhere in this title for such benefits.

NEW SECTION. Sec. 6. If any part of this act is found to be in
collision with federal requirements that are a prescribed condition to
the allocation of federal funds to the state or the eligibility of
employers in this state for federal unemployment tax credits, the
conflicting part of this act is inoperative solely to the extent of
the conflict, and the finding or determination does not affect the
operation of the remainder of this act. Rules adopted under this act
must meet federal requirements that are a necessary condition to the
receipt of federal funds by the state or the granting of federal
unemployment tax credits to employers in this state."
