3 "(c) Beginning in calendar year 2022, for state-tribal education
4 compact schools established under chapter 28A.715 RCW, the annual
5 local effort assistance funding is equal to the actual enrichment
6 levy per student as calculated by the superintendent of public
7 instruction for the prior school year for the school district in
8 which the state-tribal education compact school is located
9 multiplied by the student enrollment of the state-tribal education
10 compact school in the prior school year.

11 (d)(i) Beginning in calendar year 2022, for charter schools
12 established under chapter 28A.710 RCW, the annual local effort
13 assistance funding is equal to the actual enrichment levy per
14 student as calculated by the superintendent of public instruction
15 for the prior school year for the school district in which the
16 charter school is located multiplied by the student enrollment of
17 the charter school in the prior school year.

18 (ii) The legislature must appropriate annual local effort
19 assistance funds for charter schools from the Washington opportunity
20 pathways account in accordance with RCW 28A.710.270."

EFFECT: Provides local effort assistance (LEA) to charter schools and state-tribal compact schools. LEA is equal to the actual enrichment levy per student in the prior school year for the school district in which the school is located, multiplied by the school's prior year enrollment. The maximum per-student amount of \$1,500 is eliminated.
