**HOUSE BILL 1296**

---

**State of Washington**

**66th Legislature**

**2019 Regular Session**

**By** Representatives Macri, Goodman, Appleton, Cody, Thai, Tharinger, and Springer

Read first time 01/18/19. Referred to Committee on Health Care & Wellness.

1 AN ACT Relating to continuing care retirement communities;  
2 amending RCW 18.390.010, 18.390.030, 18.390.040, 18.390.060,  
3 18.390.070, 18.390.080, and 18.390.900; adding a new section to  
4 chapter 18.390 RCW; adding a new chapter to Title 43 RCW; and  
5 providing an expiration date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** (1) The legislature finds that protecting  
8 seniors, people with disabilities, and other individuals who wish to  
9 age in place is a priority for the state, and that the older  
10 Americans act of 1965 required the creation of Washington's long-term  
11 care ombuds program to effectively assist individuals living in long-  
12 term care facilities in the assertion of their civil and human  
13 rights. The legislature further finds that it is necessary to explore  
14 how the services of the long-term care ombuds could benefit  
15 individuals who live in continuing care retirement communities, which  
16 are a hybrid of independent living arrangements and long-term care  
17 settings. The independent residents of continuing care retirement  
18 communities have needs that are similar to those of long-term care  
19 residents, and are often compounded by the unique financial and  
20 contractual agreements between residents and the continuing care  
21 retirement community, including the significant investment of an

1 individual's lifelong savings into such an arrangement. The  
2 legislature, therefore, finds that it is appropriate to provide the  
3 independent residents of continuing care retirement communities with  
4 access to the Washington state long-term care ombuds program and  
5 direct the long-term care ombuds to pilot a demonstration serving the  
6 unique financial needs of independent continuing care retirement  
7 community residents.

8 (2) The legislature finds that, pursuant to federal and state  
9 laws, the office of the state long-term care ombuds currently  
10 provides advocacy and other services to long-term care residents who  
11 live in the assisted living components and nursing facility  
12 components of continuing care retirement communities.

13 (3) The legislature intends to provide independent residents of  
14 continuing care retirement communities access to the office of the  
15 state long-term care ombuds through a pilot project.

16 **Sec. 2.** RCW 18.390.010 and 2016 c 183 s 1 are each amended to

30 **Sec. 3.** RCW 18.390.030 and 2016 c 183 s 3 are each amended to  
31 read as follows:

32 (1) An applicant for a registration as a continuing care  
33 retirement community must submit the following materials to the  
34 department:

35 (a) A written application to the department providing all  
36 necessary information on a form provided by the department;

37 (b) Information about the licensed assisted living facility  
38 component of the continuing care retirement community and, if the

1 continuing care retirement community operates a nursing home,  
2 information about that component;

3 (c) Copies of any (i) residency agreements and (ii) service or  
4 care agreements used for nonindependent residents that the continuing  
5 care retirement community intends to use for the certification  
6 period. The agreements must be clear and complete and must detail the  
7 mutual expectation and obligation of the residents and the continuing  
8 care retirement community. Modifications of the agreements must be  
9 submitted to the department within sixty days following  
10 implementation of the modifications;

11 (d) A copy of the disclosure statement that includes current  
12 information required by RCW 18.390.060;

13 (e) (i) Except as provided in (e) (ii) of this subsection, copies  
14 of audited financial statements for the two most recent fiscal years.  
15 The audited financial statement for the most current period may not  
16 have been prepared more than eighteen months prior to the date that  
17 the continuing care retirement community applied for its current  
18 registration;

19 (ii) If the continuing care retirement community:

20 (A) Has obtained financing, but has been in operation less than  
21 two years, a copy of the audited financial statement for the most  
22 current period, if available, and an independent accountant's report  
23 opinion letter that has evaluated the financial feasibility of the  
24 continuing care retirement community; or

25 (B) Has not obtained financing, a summary of the actuarial  
26 analysis for the new continuing care retirement community stating  
27 that the continuing care retirement community is in satisfactory  
28 actuarial balance;

29 (f) An attestation by a management representative of the  
30 continuing care retirement community that the continuing care  
31 retirement community is in compliance with the disclosure  
32 notification requirements of RCW 18.390.060; ~~((and))~~

33 (g) Payment of any registration fees associated with the  
34 department's cost of registering continuing care retirement  
35 communities; and

36 (h) (i) A copy of the most recent actuarial report.

37 (ii) The most recent actuarial report may not have been prepared  
38 as of a date more than three years prior to the date when the  
39 continuing care retirement community applied for its current  
40 registration, except that the preparation date may be extended to no

1 more than five years if the continuing care retirement community's  
2 most recent audited financial statement shows a surplus and if its  
3 three most recent audited financial statements show positive  
4 operating earnings. The continuing care retirement community shall  
5 redact any information that contains personal financial or health  
6 care information related to any resident.

7 (2) The department shall base its decision to issue a  
8 registration on the completeness of the application. If an  
9 application is incomplete, the department shall inform the applicant  
10 and give the applicant an opportunity to supplement its submission.  
11 An applicant may appeal a decision of the department to deny an  
12 application for registration.

13 (3) The department shall issue the registration within sixty days  
14 of the receipt of a complete application, payment of fees, submission  
15 of disclosures, residency agreements, and the attestation. The  
16 department's failure to timely issue a registration may not cause a  
17 delay in the change of ownership and ongoing operation of the  
18 continuing care retirement community.

19 (4) Registration is valid for two years.

20 (5) Registration is not transferable.

21 (6) Materials submitted pursuant to this section are not subject  
22 to disclosure under the public records act, chapter 42.56 RCW.

24 read as follows:

25 (1) The department shall:

26 (a) Register an individual or entity that submits a complete  
27 application that includes all of the materials required in RCW  
28 18.390.030;

29 (b) Review the disclosure statements submitted by applicants for  
30 an initial or renewal registration to operate a continuing care  
31 retirement community for completeness;

32 (c) Establish and collect a fee that is sufficient to cover the  
33 department's costs associated with administering the requirements of  
34 this chapter; (~~and~~)

35 (d) Create and maintain an online listing that is readily  
36 available to the public of the names and addresses of continuing care  
37 retirement communities that are registered with the department; and

38 (e) Adopt rules, policies, and standards, pursuant to chapter  
39 34.05 RCW, as necessary to administer this chapter.

1 (2) The department's registration activities consist of reviewing  
2 an application for completeness and do not signify that the  
3 department has otherwise issued a certification or license to the  
4 continuing care retirement community or any of its component parts.

5 NEW SECTION. **Sec. 5.** A new section is added to chapter 18.390  
6 RCW to read as follows:

11 governing board members, or members of the continuing care retirement

14 management company; or

15 (b) The management company holds a majority of the stock or other  
16 equity of the continuing care retirement community.

17 (2) For the purposes of subsection (1)(a) of this section, a  
18 director, trustee, governing board member, or member of the  
19 continuing care retirement community is controlled by a management  
20 company if the management company has the power to remove the person  
21 and designate a new director, trustee, governing board member, or  
22 member of the continuing care retirement community.

38 by the continuing care retirement community under its residency  
39 agreements, including:

1 (i) The extent to which care, long-term care, or health-related

8 retirement community for an additional charge; (~~and~~)

9 (m) (i) The continuing care retirement community's two most recent  
10 annual audited financial statements prepared in accordance with  
11 generally accepted accounting principles by a certified public  
12 accountant. The most recently audited financial statement may not  
13 have been prepared more than eighteen months prior to the date that  
14 the continuing care retirement community applied for its current  
15 registration.

16 Beginning with fiscal years ending after January 1, 2019,

2 retirement community; or

4 analysis for the new continuing care retirement community stating  
5 that the continuing care retirement community is in satisfactory  
6 actuarial balance; and

7 (n) (i) An actuarial summary of the continuing care retirement  
8 community's most recent actuarial report, including material  
9 actuarial assumptions.

10 (ii) (A) A resident or prospective resident of the independent  
11 living portion of a continuing care retirement community may obtain a  
12 copy of a continuing care retirement community's most recent full  
13 actuarial report by submitting a written request to the continuing  
14 care retirement community. Before disclosing a full actuarial report,  
15 a continuing care retirement community shall redact any information  
16 that contains personal financial or health care information related  
17 to any resident.

18 (B) A resident or prospective resident who has obtained a copy of  
19 a continuing care retirement community's full actuarial report may  
20 only disclose that full actuarial report to other residents of the  
21 independent living portion of a continuing care retirement community  
22 and their legal, financial, and actuarial advisers. A continuing care  
23 retirement community may adopt a reasonable confidentiality agreement  
24 and require that any disclosures of the full actuarial report to  
25 other residents or prospective residents of the independent living  
26 portion of the continuing care retirement community and their legal,  
27 financial, and actuarial advisers must comply with the terms of the  
28 confidentiality agreement.

29 (2) ~~((The))~~ All disclosure statements must be written in  
30 understandable language and a clear format.

31 (3) Prior to entering into a residency agreement with, or  
32 accepting an entrance fee from, any prospective resident, a  
33 continuing care retirement community must deliver to the prospective  
34 resident a copy of the disclosure statements of the continuing care  
35 retirement community, as most recently submitted to the department,  
36 updated to the date of delivery with information that is material to  
37 the prospective resident's decision to become a resident.

38 (4) For the purposes of this section, in addition to the meaning  
39 in RCW 18.390.010, the term "continuing care retirement community"  
40 also includes any entity that manages or operates, or has a

1 significant role in the management or operation of, an entity that  
2 agrees to provide continuing care to a resident under a residency  
3 agreement.

4 **Sec. 7.** RCW 18.390.070 and 2016 c 183 s 7 are each amended to  
5 read as follows:

6 (1) A prospective resident may visit each of the different care  
7 levels of the continuing care retirement community, assisted living  
8 facility, and nursing home, and may inspect the most recent  
9 inspection reports and findings of complaint investigations related  
10 to the assisted living and nursing home components covering a period  
11 of not less than two years, as available, prior to signing a  
12 residency agreement.

13 (2) All residents of a continuing care retirement community in a  
14 living unit that is not used exclusively for assisted living or  
15 nursing services have the following expectations:

16 (a) Transparency regarding the financial stability of the  
17 provider operating the facility;

18 (b) Timely notifications of developments affecting the facility,  
19 including ownership changes of the provider operating the facility, a  
20 change in the financial condition of the provider operating the  
21 facility, and construction and renovation at the facility. The  
22 management of the continuing care retirement community may deem  
23 certain information to be confidential if it is of a sensitive nature  
24 such that disclosure of the information would materially harm the  
25 position of the continuing care retirement community;

26 (c) Reasonable accommodations for persons with disabilities;

27 (d) The opportunity to participate freely in the operation of  
28 independent residents' organizations and associations and the  
29 opportunity of each resident to participate meaningfully in decisions  
30 affecting the resident's health, welfare, and financial security;

31 (e) The opportunity to seek independent counsel review of all  
32 contracts, including residency agreements, prior to executing the  
33 residency agreement; (~~and~~)

34 (f) The assurance that all requests for donations, contributions,  
35 and gifts, when made by residents to the continuing care retirement  
36 community, are voluntary and may not be used as a condition of  
37 residency;

38 (g) For any residency agreements entered into after December 31,  
39 2019, that provide for refundable entrance fees, the assurance that:

1 (i) Any refund due to a resident that leaves a unit within a  
2 facility must be based upon the entrance fee that the resident  
3 provided and not a lesser amount that the facility may receive from a  
4 new occupant of that unit;

5 (ii) Refunds of the entrance fees, or a portion of the entrance  
6 fees, shall be available if the resident physically leaves the  
7 continuing care retirement community or dies; and

8 (iii) Refunds due to a resident must be paid no later than the  
9 earlier of (A) two years following the resident's departure or death,  
10 or (B) when the resident's unit is reoccupied and the resident is no  
11 longer living in the continuing care retirement community. The  
12 continuing care retirement community shall maintain a current list of  
13 vacant units, the dates on which the units became vacant, and the  
14 prices at which the units are being offered to prospective residents.  
15 A copy of the list must be provided upon request to any current  
16 resident of the independent living portion of a continuing care  
17 retirement community and any prior resident of the independent living  
18 portion of a continuing care retirement community who has not  
19 received the full refundable portion of the resident's entrance fees;  
20 and

21 (h) The assurance that all agreements and transactions between  
22 the continuing care retirement community and a management company,  
23 including agreements and transactions with any parties related to the  
24 management company, that controls the continuing care retirement  
25 community must be priced at or below fair market value, in the best  
26 interests of current and future residents and do not substantially  
27 limit the continuing care retirement community's ability to exercise  
28 its rights under any agreement.

29 (3) The continuing care retirement community shall:

30 (a) Provide a copy of the expectations specified in this section  
31 to each prospective resident prior to signing a residency agreement;  
32 ((and))

33 (b) Notify independent residents that audited financial  
34 statements and actuarial evaluations are available to such residents  
35 within thirty days after such statements and evaluations are  
36 delivered to its chief financial officer; and

37 (c) Make copies of the expectations specified in this section  
38 publicly available by posting, periodic publication, or distribution  
39 to residents and in areas within the facility accessible to the  
40 independent residents and visitors or in materials distributed to

1 residents. The copies of the expectations must also state that, in  
2 addition to all other rights provided by law, independent residents  
3 have the right, as an affected party, to file a complaint with the  
4 attorney general for violations of this chapter that may constitute a  
5 violation of the consumer protection act and contain information  
6 explaining how and where a complaint may be filed.

7 **Sec. 8.** RCW 18.390.080 and 2016 c 183 s 8 are each amended to  
8 read as follows:

9 (1) The legislature finds that the violation of the title  
10 protection requirements of RCW 18.390.050, the failure of a  
11 continuing care retirement community to register with the department  
12 under RCW 18.390.020, the failure of a continuing care retirement  
13 community to comply with the disclosure statement delivery and  
14 content requirements under RCW 18.390.060, and the failure of a  
15 continuing care retirement community to comply with the resident  
16 expectations established under RCW 18.390.070 are matters vitally  
17 affecting the public interest for the purpose of applying the  
18 consumer protection act, chapter 19.86 RCW. A violation of the title  
19 protection requirements under RCW 18.390.050, registration  
20 requirement under RCW 18.390.020, the disclosure statement delivery  
21 and content requirements under RCW 18.390.060, and the resident  
22 expectations requirements under RCW 18.390.070 are not reasonable in  
23 relation to the development and preservation of business and are an  
24 unfair or deceptive act in trade or commerce and an unfair method of  
25 competition for the purpose of applying the consumer protection act,  
26 chapter 19.86 RCW.

27 (2) The attorney general shall provide notice to the management  
28 of the continuing care retirement community of submitted complaints  
29 including the name of the complainant to allow the community to take  
30 corrective action. Except for violations of the title protection  
31 requirements of RCW 18.390.050 and the failure of a continuing care  
32 retirement community to register with the department under RCW  
33 18.390.020, the attorney general shall limit its application of the  
34 consumer protection act in subsection (1) of this section to those  
35 cases in which a pattern of complaints, submitted by affected  
36 parties, or other activity that, when considered together,  
37 demonstrate a pattern of similar conduct that, without enforcement,  
38 likely establishes an unfair or deceptive act in trade or commerce  
39 and an unfair method of competition.

1       (3) The right of residents to file complaints pursuant to this  
2 section does not preclude or limit other legal remedies or recourse  
3 available to a resident under applicable law.

4       **Sec. 9.** RCW 18.390.900 and 2016 c 183 s 10 are each amended to  
5 read as follows:

6       (1) The provisions of this chapter apply prospectively to acts  
7 and omissions that occur after July 1, 2017.
