11 finding hearing to be held: (A) For a child who resides in a place
12 other than his or her parent's home and other than an out-of-home

20 counsel for the child; (d) inform the child and his or her parent of
21 the legal consequences of the court approving or disapproving a child

1 in need of services petition; (e) notify the parents of their rights
2 under this chapter and chapters 11.88, 13.34, (~~70.96A~~) and 71.34
3 RCW, including the right to file an at-risk youth petition, the right
4 to submit an application for admission of their child to a treatment

16 requirements of RCW 13.32A.125 are met.

17 (3) If the child has been placed in a foster family home or group
18 care facility under chapter 74.15 RCW, the child shall remain there,
19 or in any other suitable residence as determined by the department,

30 specialist shall:

31 (i) Conduct an assessment of the street youth that includes a
32 determination of the street youth's legal status regarding
33 residential placement;

34 (ii) Facilitate the street youth's return to his or her legally
35 authorized residence at the earliest possible date or initiate
36 processes to arrange legally authorized appropriate placement. Any
37 street youth who may meet the definition of dependent child under RCW

2 RCW. A shelter care hearing must be held within seventy-two hours to
3 authorize out-of-home placement for any youth the department of
4 (~~social and health services~~) children, youth, and families

38 immediately notify law enforcement and dependency caseworkers if a
39 street youth runs away from a HOPE center. A child may be transferred
40 to a secure facility as defined in RCW 13.32A.030 whenever the staff

3 forth in RCW 43.185C.290(2)(a) (i) and (ii). The street youth's
4 temporary placement in the HOPE center must be authorized by the
5 court or the secretary of the department of (~~social and health~~
6 ~~services~~) children, youth, and families if the youth is a dependent
7 of the state under chapter 13.34 RCW or the department of (~~social~~
8 ~~and health services~~) children, youth, and families is responsible

12 (f) HOPE centers must identify to the department of (~~social and~~
13 ~~health services~~) children, youth, and families any street youth it
14 serves who is not returning promptly to home. The department of
15 (~~social and health services~~) children, youth, and families then
16 must contact the missing children's clearinghouse identified in
17 chapter 13.60 RCW and either report the youth's location or report
18 that the youth is the subject of a dependency action and the parent
19 should receive notice from the department of (~~social and health~~

21 (g) Services that provide counseling and education to the street
22 youth.

23 (2) The department shall award contracts for the operation of
24 HOPE center beds with the goal of facilitating the coordination of
25 services provided for youth by such programs and those services
26 provided by secure and semi-secure crisis residential centers.

27 (3) Subject to funds appropriated for this purpose, the
28 department must incrementally increase the number of available HOPE
29 beds by at least seventeen beds in fiscal year 2017, at least
30 seventeen beds in fiscal year 2018, and at least seventeen beds in
31 fiscal year 2019, such that by July 1, 2019, seventy-five HOPE beds
32 are established and operated throughout the state as set forth in
33 subsection (1) of this section.

34 (4) Subject to funds appropriated for this purpose, the beds
35 available in HOPE centers shall be increased incrementally (~~beyond~~
36 ~~the limit of seventy-five set forth in subsection (1) of this~~
37 ~~section~~). The additional capacity shall be distributed around the
38 state based upon need and, to the extent feasible, shall be
39 geographically situated so that HOPE beds are available across the
40 state. In determining the need for increased numbers of HOPE beds in

1 a particular county or counties, one of the considerations should be
2 the volume of truancy petitions filed there.

3 **Sec. 4.** RCW 43.330.700 and 2015 c 69 s 4 are each amended to
4 read as follows:

5 (1) The legislature finds that every night thousands of homeless
6 youth in Washington go to sleep without the safety, stability, and
7 support of a family or a home. This population is exposed to an
8 increased level of violence, human trafficking, and exploitation
9 resulting in a higher incidence of substance abuse, illness, and
10 death. The prevention and reduction of youth and young adult
11 homelessness and protection of homeless youth is of key concern to
12 the state. Nothing in chapter 69, Laws of 2015 is meant to diminish
13 the work accomplished by the implementation of Becca legislation but
14 rather, the intent of the legislature is to further enhance the
15 state's efforts in working with unaccompanied homeless youth and
16 runaways to encourage family reconciliation or permanent housing and
17 support through dependency when family reconciliation is not a viable
18 alternative.

19 (2) Successfully addressing youth and young adult homelessness
20 ensures that homeless youth and young adults in our state have the
21 support they need to thrive and avoid involvement in the justice
22 system, human trafficking, long-term, avoidable use of public
23 benefits, and extended adult homelessness.

24 (3) Providing appropriate, relevant, and readily accessible
25 services is critical for addressing one-time, episodic, or longer-
26 term homelessness among youth and young adults, and keeping homeless
27 youth and young adults safe, housed, and connected to family.

28 (4) The coordination of statewide programs to combat youth and
29 young adult homelessness should include programs addressing both
30 youth and young adults. (~~However, the legislature acknowledges that~~
31 ~~current law and~~) In some instances, best practices mandate that
32 youth programs and young adult programs be segregated in their
33 implementation; however, in other instances, innovative approaches
34 can ensure the health and safety of both populations while serving
35 them together, allowing for alignment with federal programs and
36 funding opportunities, application of adolescent neurodevelopment
37 research, and maximization of capacity to serve more dispersed
38 populations in rural areas. The legislature further finds that the

1 differing needs of these populations should be considered when
2 assessing which programs are relevant and appropriate.

3 (5) To successfully reduce and prevent youth and young adult
4 homelessness, it is the goal of the legislature to have the following
5 key components available and accessible:

6 (a) Stable housing: It is the goal of the legislature to provide
7 a safe and healthy place for homeless youth to sleep each night until
8 permanency can be reached. Every homeless young adult in our state
9 deserves access to housing that gives them a safe, healthy, and
10 supported launching pad to adulthood. Every family in crisis should
11 have appropriate support as they work to keep their children housed
12 and safe. It is the goal of the legislature that every homeless youth
13 discharged from a public system of care in our state will not be
14 discharged into homelessness.

15 (b) Family reconciliation: All homeless youth should have access
16 to services that support reunification with immediate family. When
17 reunification is not possible for homeless youth, youth should be
18 placed in the custody of the department of (~~social and health~~
19 ~~services~~) children, youth, and families.

20 (c) Permanent connections: Every homeless young adult should have
21 opportunities to establish positive, healthy relationships with
22 adults, including family members, employers, landlords, teachers, and
23 community members, with whom they can maintain connections and from
24 whom they can receive ongoing, long-term support to help them develop
25 the skills and experiences necessary to achieve a successful
26 transition to adulthood.

27 (d) Education and employment: Every homeless young adult in our
28 state deserves the opportunity and support they need to complete
29 their high school education and pursue additional education and
30 training. It is the goal of the legislature that every homeless young
31 adult in our state will have the opportunity to engage in employment
32 training and be able to access employment. With both education and
33 employment support and opportunities, young adults will have the
34 skills they need to become self-sufficient, self-reliant, and
35 independent.

36 (e) Social and emotional well-being: Every homeless youth and
37 young adult in our state should have access to both behavioral health
38 care and physical health care. Every state-funded program for
39 homeless youth and young adults must endeavor to identify, encourage,

1 and nurture each youth's strengths and abilities and demonstrate a
2 commitment to youth-centered programming.

3 **Sec. 5.** RCW 43.330.705 and 2015 c 69 s 5 are each amended to
4 read as follows:

5 (1) There is created the office of homeless youth prevention and
6 protection programs within the department.

7 (2) Activities of the office of homeless youth prevention and
8 protection programs must be carried out by a director of the office
9 of homeless youth prevention and protection programs, supervised by
10 the director of the department or his or her designee.

11 (3) The office of homeless youth prevention and protection
12 programs is responsible for leading efforts under this subchapter to
13 coordinate a spectrum of ongoing and future funding, policy, and
14 practice efforts related to homeless youth and improving the safety,
15 health, and welfare of homeless youth in this state.

16 (4) The measurable goals of the office of homeless youth
17 prevention and protection programs are to: (a) Measurably decrease
18 the number of homeless youth and young adults by identifying programs
19 that address the initial causes of homelessness, and (b) measurably
20 increase permanency rates among homeless youth by decreasing the
21 length and occurrences of youth homelessness caused by a youth's
22 separation from family or a legal guardian.

23 (5) The office of homeless youth prevention and protection
24 programs shall (a) gather data and outcome measures, (b) initiate
25 data-sharing agreements, (c) develop specific recommendations and
26 timelines to address funding, policy, and practice gaps within the
27 state system for addressing the five (~~priority service areas~~
28 ~~identified~~) key components in RCW 43.330.700, (d) make reports, (e)
29 increase system integration and coordinate efforts to prevent state
30 systems from discharging youth and young adults into homelessness,
31 (f) develop measures to include by county and statewide the number of
32 homeless youth, dependency status, family reunification status,
33 housing status, program participation, and runaway status, and (g)
34 develop a comprehensive plan to encourage identification of youth
35 experiencing homelessness, promote family stability, and eliminate
36 youth and young adult homelessness.

37 (6) (a) The office of homeless youth prevention and protection
38 programs shall regularly consult with an advisory committee,
39 comprised of advocates, at least two legislators, at least two parent

1 advocates, at least two youth representatives, at least one
2 representative from law enforcement, service providers, and other
3 stakeholders knowledgeable in the provision of services to homeless
4 youth and young adults, including the prevention of youth and young
5 adult homelessness, the dependency system, and family reunification,
6 for a total of twelve members. The advisory committee shall provide
7 guidance and recommendations to the office of homeless youth
8 prevention and protection programs regarding funding, policy, and
9 practice gaps within and among state programs.

10 (b) The advisory committee must be staffed by the department.

11 (c) The members of the advisory committee must be appointed by
12 the governor, except for the legislators who must be appointed by the
13 speaker of the house of representatives and the president of the
14 senate.

15 (d) The advisory committee must have its initial meeting no later
16 than March 1, 2016.

17 (7) The office of homeless youth prevention and protection
18 programs must be operational no later than January 1, 2016. Transfer
19 of powers, duties, and functions of the department of (~~social and~~
20 ~~health services~~) children, youth, and families to the department of
21 commerce pertaining to youth homeless services and programs
22 identified in RCW 43.330.710(2) may occur before this date.

23 **Sec. 6.** RCW 43.330.710 and 2015 c 69 s 7 are each amended to
24 read as follows:

25 (1)(a) The office of homeless youth prevention and protection
26 programs shall report to the director or the director's designee.

27 (b)(i) The office of homeless youth prevention and protection
28 programs may distribute grants to providers who serve homeless youth
29 and young adults throughout the state.

30 (ii) The grants must fund services in the five (~~priority service~~
31 ~~areas identified~~) key components in RCW 43.330.700.

32 (iii) The grants must be expended on a statewide basis and may be
33 used to support direct services, as well as technical assistance,
34 evaluation, and capacity building.

35 (2) The office of homeless youth prevention and protection
36 programs shall provide management and oversight guidance and
