
ENGROSSED HOUSE BILL 1058

State of Washington

66th Legislature

2019 Regular Session

By Representatives Irwin, Blake, Van Werven, Bergquist, Walsh, MacEwen, Shea, Jinkins, Wylie, Goodman, and Barkis

Prefiled 12/14/18. Read first time 01/14/19. Referred to Committee on Transportation.

1 AN ACT Relating to establishing permissible methods of parking a
2 motorcycle; and amending RCW 46.61.575.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 46.61.575 and 1977 ex.s. c 151 s 41 are each amended
5 to read as follows:

6 (1) Except as otherwise provided in this section, every vehicle
7 stopped or parked upon a two-way roadway shall be so stopped or
8 parked with the right-hand wheels parallel to and within twelve
9 inches of the right-hand curb or as close as practicable to the right
10 edge of the right-hand shoulder.

11 (2) Except when otherwise provided by local ordinance, every
12 vehicle other than a motorcycle stopped or parked upon a one-way
13 roadway shall be so stopped or parked parallel to the curb or edge of
14 the roadway, in the direction of authorized traffic movement, with
15 its right-hand wheels within twelve inches of the right-hand curb or
16 as close as practicable to the right edge of the right-hand shoulder,
17 or with its left-hand wheels within twelve inches of the left-hand
18 curb or as close as practicable to the left edge of the left-hand
19 shoulder.

20 (3) (a) Every motorcycle stopped or parked on a highway must be
21 stopped or parked parallel or at an angle to the curb or edge of the

1 highway with at least one wheel or fender within twelve inches of the
2 curb nearest to which the motorcycle is parked or as close as
3 practicable to the edge of the shoulder nearest to which the
4 motorcycle is parked. A motorcycle may not be parked in such a manner
5 that it extends into the roadway.

6 (b)(i) More than one motorcycle may occupy a parking space,
7 provided that the parked motorcycles occupying the parking space do
8 not exceed the boundaries of that parking space.

9 (ii) All motor vehicle parking laws and penalties for the
10 unlawful parking of a motor vehicle apply to each motorcycle parked
11 in a parking space when multiple motorcycles are parked in that space
12 to the same extent that motor vehicle parking laws apply to a single
13 motor vehicle when it is the sole motor vehicle parked in a parking
14 space. When proof of payment is required to be displayed by each
15 motor vehicle parking at a location, all motorcycles must display
16 such proof of payment, even if more than one motorcycle is parked in
17 the same parking space. However, parking spaces that are metered by
18 the space may not require payment multiple times for the use of a
19 single parking space by multiple motorcycles during the same period
20 of time.

21 (4) Local authorities may by ordinance or resolution permit angle
22 parking on any roadway, except that angle parking shall not be
23 permitted on any federal-aid or state highway unless the secretary of
24 transportation has determined by order that the roadway is of
25 sufficient width to permit angle parking without interfering with the
26 free movement of traffic. The angle parking of motorcycles, which is
27 governed under subsection (3) of this section, is not subject to this
28 determination by the secretary of transportation. A county, city, or
29 town may by ordinance prohibit the angle stopping or parking of a
30 motorcycle as specified in this subsection, but must post visible
31 signage in a location to provide notice of the prohibition on angle
32 motorcycle stopping or parking for the prohibition to apply to that
33 location.

34 ((+4)) (5) The secretary with respect to highways under his or
35 her jurisdiction may place official traffic control devices
36 prohibiting, limiting, or restricting the stopping, standing, or
37 parking of vehicles on any highway where the secretary has determined
38 by order, such stopping, standing, or parking is dangerous to those
39 using the highway or where the stopping, standing, or parking of
40 vehicles would unduly interfere with the free movement of traffic

1 thereon. No person shall stop, stand, or park any vehicle in
2 violation of the restrictions indicated by such devices.
