14 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

15 **PART I**
16 **CREATES THE WASHINGTON COLLEGE PROMISE SCHOLARSHIP**
17 **PROGRAM TO REPLACE THE STATE NEED GRANT PROGRAM**

18 NEW SECTION. **Sec. 1.** A new section is added to chapter 28B.92
19 RCW to read as follows:

1 (1) The legislature finds that individuals with a postsecondary
2 credential have a greater chance of earning a wage that can support
3 themselves and their families than if they do not obtain a
4 postsecondary credential. At the same time, Washington employers are
5 in need of many more individuals who possess postsecondary
6 qualifications. Access to postsecondary opportunities are vital to
7 ensure that more Washington high school graduates and working adults
8 can enter and complete a postsecondary program and compete for the
9 job opportunities available in the state.

10 (2) The legislature further finds that a statewide free college
11 program, for students who demonstrate financial need as defined in
12 section 3 of this act, is necessary to significantly reduce the
13 financial costs of obtaining a postsecondary credential. The
14 Washington college promise scholarship program is intended to
15 increase access to postsecondary opportunities for Washington
16 residents.

17 NEW SECTION. **Sec. 2.** A new section is added to chapter 28B.92
18 RCW to read as follows:

19 (1) The Washington college promise scholarship program is created
20 to provide a statewide free college program for eligible participants
21 and greater access to postsecondary education for Washington
22 residents. The Washington college promise scholarship program is
23 intended to increase the number of high school graduates and adults
24 that can attain a postsecondary credential and provide them with the
25 qualifications needed to compete for job opportunities in Washington.

26 (2) The office of student financial assistance shall implement
27 and administer the Washington college promise scholarship program and
28 is authorized to establish rules necessary for implementation of the
29 program.

30 (3) The legislature shall appropriate funding for the Washington
31 college promise scholarship program. Allocations must be made on the
32 basis of estimated eligible participants enrolled in eligible
33 institutions of higher education or apprenticeship programs. All
34 eligible students are entitled to a Washington college promise
35 scholarship.

36 (4) The office shall award Washington college promise
37 scholarships to all eligible students beginning in academic year
38 2021-22.

1 (5) Students who demonstrate financial need under section 3 of
2 this act and meet the following requirements are eligible for the
3 Washington college promise scholarship program:

4 (a) To be eligible for the Washington college promise
5 scholarship, students must be enrolled or accepted for enrollment for
6 at least three quarter credits or the equivalent semester credits at
7 an institution of higher education in Washington as defined in
8 RCW 28B.92.030 or enrolled in a registered apprenticeship program
9 approved under chapter 40.04 RCW.

10 (b) The Washington college promise scholarship is available to:

11 (i) Students who are resident students as defined in
12 RCW 28B.15.012(2) (a) through (e); or

13 (ii) Any person who has:

14 (A) Completed the full senior year of high school and obtained a
15 high school diploma, or the equivalent, either at a Washington public
16 high school or private high school approved under chapter 28A.195
17 RCW;

18 (B) Lived in Washington state for at least three years
19 immediately before receiving the diploma or its equivalent;

20 (C) Continuously lived in Washington state after receiving the
21 diploma or its equivalent and until such time as the individual is
22 admitted to an eligible institution of higher education; and

23 (D) Been granted deferred action for childhood arrival status
24 pursuant to the rules and regulations adopted by the United States
25 citizenship and immigration services.

26 (6) Washington college promise scholarship eligibility may not
27 extend beyond five years or one hundred twenty-five percent of the
28 published length of the program in which the student is enrolled or
29 the credit or clock-hour equivalent.

30 (7) Institutional aid administrators shall determine whether a
31 student eligible for the Washington college promise scholarship in a
32 given academic year may remain eligible for the ensuing year if the
33 student's family income increases by no more than a marginal amount.

34 (8) Qualifications for renewal include maintaining satisfactory
35 academic progress toward completion of an eligible program as
36 determined by the office and established in rule.

37 (9) Should a recipient terminate his or her enrollment for any
38 reason during the academic year, the unused portion of the
39 scholarship shall be returned to the state educational grant fund by
40 the institution of higher education according to the institution of

1 higher education's policy for issuing refunds, except as provided in
2 RCW 28B.92.070.

3 (10)(a) A part-time student enrolled in three to six credit-
4 bearing quarter credits, or the equivalent semester credits, is
5 eligible for a Washington college promise scholarship.

6 (b) A part-time precollege student who is enrolled in three to
7 six credit-bearing quarter credits, or the equivalent semester
8 credits, may receive a Washington college promise scholarship for up
9 to one academic year before beginning a program that leads to a
10 degree or certificate.

11 (c) An institution of higher education may award a Washington
12 college promise scholarship to an eligible student enrolled in three
13 to six credit-bearing quarter credits, or the semester equivalent, on
14 a provisional basis if:

15 (i) The student has not previously received a Washington college
16 promise scholarship from that institution;

17 (ii) The student completes the required financial aid application
18 approved by the office;

19 (iii) The institution has reviewed the student's financial
20 condition, and the financial condition of the student's family if the
21 student is a dependent student, and has determined that the student
22 is likely eligible for a Washington college promise scholarship; and

23 (iv) The student has signed a document attesting to the fact that
24 the financial information provided on the financial aid application
25 and any additional financial information provided directly to the
26 institution is accurate and complete, and that the student agrees to
27 repay the institution for the grant amount if the student submitted
28 false or incomplete information.

29 (d) An eligible student enrolled on a part-time basis shall
30 receive a prorated portion of the Washington college promise
31 scholarship for any academic period in which he or she is enrolled on
32 a part-time basis.

33 (11) Institutions of higher education shall award the student all
34 need-based and merit-based financial aid for which the student would
35 otherwise qualify. The Washington college promise scholarship is
36 intended to replace unmet financial need associated with the costs of
37 postsecondary education including loans, and, at the student's
38 option, work-study award, before any other grants or scholarships are
39 reduced.

1 (12) Students and participating institutions of higher education
2 shall comply with all the rules adopted by the council for the
3 administration of this chapter.

7 this chapter, students who demonstrate financial need are eligible to

10 with family incomes at or below seventy percent of the state median
11 family income, adjusted for family size.

12 (2) Students with family incomes between zero and fifty percent
13 of the state median family income shall receive the maximum
14 Washington college promise scholarship award as defined in RCW
15 28B.92.030. Awards for students with incomes between fifty-one and
16 seventy percent of the state median family income shall be prorated
17 at the following percentages of the maximum Washington college
18 promise scholarship award amount granted to those with incomes below
19 fifty-one percent of the state median family income:

20 (a) Seventy percent for students with family incomes between

36 and

37 (2) The institution attended is a member institution of an
38 accrediting association recognized by rule of the student achievement

1 council for the purposes of this section and is specifically
2 encompassed within or directly affected by such reciprocity agreement
3 and agrees to and complies with program rules and regulations
4 pertaining to such students and institutions adopted pursuant to RCW
5 28B.92.150.

6 **Sec. 8.** RCW 28B.12.030 and 2017 c 52 s 1 are each amended to
7 read as follows:

8 (~~As used~~) The definitions in this section apply throughout this
9 chapter(~~, the following words and terms shall have the following~~
10 ~~meanings,~~) unless the context (~~shall~~) clearly (~~indicate another~~
11 ~~or different meaning or intent:~~) requires otherwise.

12 (1) (~~The term "needy student" shall mean a student enrolled or~~
13 ~~accepted for enrollment at a postsecondary institution who, according~~
14 ~~to a system of need analysis approved by the office of student~~
15 ~~financial assistance, demonstrates a financial inability, either~~
16 ~~parental, familial, or personal, to bear the total cost of education~~
17 ~~for any semester or quarter.~~

18 (~~2) The term~~) "Eligible institution" (~~shall~~) means any
19 postsecondary institution in this state accredited by the Northwest
20 Association of Schools and Colleges, or a campus of a member
21 institution of an accrediting association recognized by rule of the
22 student achievement council for purposes of this section, that is
23 eligible for federal student financial aid assistance and has
24 operated as a nonprofit college or university delivering on-site
25 classroom instruction for a minimum of twenty consecutive years
26 within the state of Washington, or any public technical college in
27 the state.

28 (2) "Student who demonstrates financial need" means a student
29 enrolled or accepted for enrollment at a postsecondary institution
30 who, according to a system of need analysis approved by the office of
31 student financial assistance, demonstrates a financial inability to
32 bear the total cost of education for any semester or quarter.

33 **Sec. 9.** RCW 28B.92.040 and 2011 1st sp.s. c 11 s 160 are each
34 amended to read as follows:

35 The office shall be cognizant of the following guidelines in the
36 performance of its duties:

37 (1) The office shall be research oriented, not only at its
38 inception but continually through its existence.

1 (2) The office shall coordinate all existing programs of
2 financial aid except those specifically dedicated to a particular
3 institution by the donor.

4 (3) The office shall take the initiative and responsibility for
5 coordinating all federal student financial aid programs to ensure
6 that the state recognizes the maximum potential effect of these
7 programs, and shall design state programs that complement existing
8 federal, state, and institutional programs. (~~The office shall ensure
9 that state programs continue to follow the principle that state
10 financial aid funding follows the student to the student's choice of
11 institution of higher education.~~)

12 (4) Counseling is a paramount function of the (~~state need
13 grant~~) Washington college promise scholarship program and other
14 state student financial aid programs, and in most cases could only be
15 properly implemented at the institutional levels; therefore, state
16 student financial aid programs shall be concerned with the attainment
17 of those goals which, in the judgment of the office, are the reasons
18 for the existence of a student financial aid program, and not solely
19 with administration of the program on an individual basis.

20 (5) The "package" approach of combining loans, grants and
21 employment for student financial aid shall be the conceptual element
22 of the state's involvement.

23 (6) The office shall ensure that allocations of state
24 appropriations for financial aid are made to individuals and
25 institutions in a timely manner and shall closely monitor
26 expenditures to avoid under or overexpenditure of appropriated funds.

27 **Sec. 10.** RCW 28B.92.050 and 2011 1st sp.s. c 11 s 161 are each
28 amended to read as follows:

29 The office shall have the following powers and duties:

30 (1) Conduct a full analysis of student financial aid as a means
31 of:

32 (a) Fulfilling educational aspirations of students of the state
33 of Washington, and

34 (b) Improving the general, social, cultural, and economic
35 character of the state.

36 Such an analysis will be a continuous one and will yield current
37 information relevant to needed improvements in the state program of
38 student financial aid. The office will disseminate the information
39 yielded by their analyses to all appropriate individuals and agents.

1 (2) Design a state program of student financial aid based on the
2 data of the study referred to in this section. The state programs
3 will supplement available federal and local aid programs. The state
4 programs of student financial aid will not exceed the difference
5 between the budgetary costs of attending an institution of higher
6 education and the student's total resources, including family
7 support, personal savings, employment, and federal, state, and local
8 aid programs.

9 (3) Determine and establish criteria for financial need of the
10 individual applicant based upon the consideration of that particular
11 applicant. In making this determination the office shall consider the
12 following:

13 (a) Assets and income of the student.

14 (b) Assets and income of the parents, or the individuals legally
15 responsible for the care and maintenance of the student.

16 (c) The cost of attending the institution the student is
17 attending or planning to attend.

18 (d) Any other criteria deemed relevant to the office.

19 (4) Set the amount of financial aid to be awarded to any
20 individual (~~(needy or disadvantaged)~~) student who demonstrates
21 financial need in any school year.

22 (5) Award financial aid to (~~(needy or disadvantaged)~~) students
23 who demonstrate financial need for a school year based upon only that
24 amount necessary to fill the financial gap between the budgetary cost
25 of attending an institution of higher education and the family and
26 student contribution.

27 (6) Review the need and eligibility of all applications on an
28 annual basis and adjust financial aid to reflect changes in the
29 financial need of the recipients and the cost of attending the
30 institution of higher education.

31 **Sec. 11.** RCW 28B.92.065 and 2015 3rd sp.s. c 36 s 4 are each
32 amended to read as follows:

33 Beginning with the 2015-2017 omnibus appropriations act and each
34 biennium thereafter, reductions in tuition levels resulting from
35 section 3, chapter 36, Laws of 2015 3rd sp. sess. will allow the
36 legislature to reduce (~~(state need grant)~~) Washington college promise
37 scholarship program appropriations by an equal amount from the
38 2013-2015 fiscal biennium amounts. The legislature does not intend to

1 reduce award levels for private colleges and universities below the
2 2014-15 academic year levels.

3 ~~((By reducing the overall cost of tuition, the legislature in
4 future biennia is better able and intends to serve those students
5 currently eligible but unserved in the state need grant.))~~

6 **Sec. 12.** RCW 28B.15.065 and 1977 ex.s. c 322 s 6 are each
7 amended to read as follows:

8 It is the intent of the legislature that ~~((needy))~~ students who
9 demonstrate financial need not be deprived of access to higher
10 education due to increases in educational costs or consequent
11 increases in tuition and fees. It is the sense of the legislature
12 that state appropriations for student financial aid be adjusted in an
13 amount which together with funds estimated to be available in the
14 form of basic educational opportunity grants as authorized under
15 Section 411 of the federal Higher Education Act of 1965 as now or
16 hereafter amended will equal twenty-four percent of any change in
17 revenue estimated to occur as a result of revisions in tuition and
18 fee levels under the provisions of chapter 322, Laws of 1977 ex.
19 sess.

1 (2) The council is responsible for collection of loans made under

29 (1) Each institution of higher education, including technical
30 colleges, shall deposit a minimum of three and one-half percent of
31 revenues collected from tuition and services and activities fees in
32 an institutional financial aid fund that is hereby created and which
33 shall be held locally. Moneys in the fund shall be used only for the
34 following purposes: (a) To make guaranteed long-term loans to
35 eligible students as provided in subsections (3) through (8) of this
36 section; (b) to make short-term loans as provided in subsection (9)
37 of this section; (c) to provide financial aid to (~~needy~~) students
38 who demonstrate financial need as provided in subsection (10) of this

8 financial need as defined in RCW 28B.92.030.

9 (3) The amount of the guaranteed long-term loans made under this
10 section shall not exceed the demonstrated financial need of the
11 student. Each institution shall establish loan terms and conditions
12 which shall be consistent with the terms of the guaranteed loan
13 program established by 20 U.S. Code Section 1071 et seq., as now or
14 hereafter amended. All loans made shall be guaranteed by the
15 Washington student loan guaranty association or its successor agency.
16 Institutions are hereby granted full authority to operate as an
17 eligible lender under the guaranteed loan program.

18 (4) Before approving a guaranteed long-term loan, each
19 institution shall analyze the ability of the student to repay the
20 loan based on factors which include, but are not limited to, the
21 student's accumulated total education loan burdens and the employment
22 opportunities and average starting salary characteristics of the
23 student's chosen fields of study. The institution shall counsel the
24 student on the advisability of acquiring additional debt, and on the
25 availability of other forms of financial aid.

26 (5) Each institution is responsible for collection of guaranteed
27 long-term loans made under this section and shall exercise due
28 diligence in such collection, maintaining all necessary records to
29 insure that maximum repayments are made. Institutions shall cooperate
30 with other lenders and the Washington student loan guaranty
31 association, or its successor agency, in the coordinated collection
32 of guaranteed loans, and shall assure that the guarantability of the
33 loans is not violated. Collection and servicing of guaranteed long-
34 term loans under this section shall be performed by entities approved
35 for such servicing by the Washington student loan guaranty
36 association or its successor agency: PROVIDED, That institutions be
37 permitted to perform such servicing if specifically recognized to do
38 so by the Washington student loan guaranty association or its
39 successor agency. Collection and servicing of guaranteed long-term
40 loans made by community colleges under subsection (1) of this section

1 shall be coordinated by the state board for community and technical
2 colleges and shall be conducted under procedures adopted by the state
3 board.

4 (6) Receipts from payment of interest or principal or any other
5 subsidies to which institutions as lenders are entitled, that are
6 paid by or on behalf of borrowers of funds under subsections (3)
7 through (8) of this section, shall be deposited in each institution's
8 financial aid fund and shall be used to cover the costs of making the
9 guaranteed long-term loans under this section and maintaining
10 necessary records and making collections under subsection (5) of this
11 section: PROVIDED, That such costs shall not exceed five percent of
12 aggregate outstanding loan principal. Institutions shall maintain
13 accurate records of such costs, and all receipts beyond those

15 financial aid fund.

16 (7) The governing boards of the state universities, the regional
17 universities, and The Evergreen State College, and the state board
18 for community and technical colleges, on behalf of the community
19 colleges and technical colleges, shall each adopt necessary rules and
20 regulations to implement this section.

21 (8) First priority for any guaranteed long-term loans made under
22 this section shall be directed toward students who would not normally
23 have access to educational loans from private financial institutions
24 in Washington state, and maximum use shall be made of secondary
25 markets in the support of loan consolidation.

26 (9) Short-term loans, not to exceed one year, may be made from
27 the institutional financial aid fund to students enrolled in the
28 institution. No such loan shall be made to any student who is known
29 by the institution to be in default or delinquent in the payment of
30 any outstanding student loan. A short-term loan may be made only if
31 the institution has ample evidence that the student has the
32 capability of repaying the loan within the time frame specified by
33 the institution for repayment.

34 (10) Any moneys deposited in the institutional financial aid fund
35 that are not used in making long-term or short-term loans may be used
36 by the institution for locally administered financial aid programs
37 for (~~needy~~) students who demonstrate financial need, such as need-
38 based institutional employment programs or need-based tuition and fee
39 scholarship or grant programs. These funds shall be used in addition
40 to and not to replace institutional funds that would otherwise

1 support these locally administered financial aid programs. First
2 priority in the use of these funds shall be given to (~~needy~~)
3 students who demonstrate financial need and have accumulated
4 excessive educational loan burdens. An excessive educational loan
5 burden is a burden that will be difficult to repay given employment
6 opportunities and average starting salaries in the student's chosen
7 fields of study. Second priority in the use of these funds shall be
8 given to (~~needy~~) single parents who are students who demonstrate
9 financial need, to assist these students with their educational
10 expenses, including expenses associated with child care and
11 transportation.

12 (11) Any moneys deposited in the institutional financial aid fund
13 may be used by the institution for a locally administered financial
14 aid program for high school students enrolled in dual credit
15 programs. If institutions use funds in this manner, the governing
16 boards of the state universities, the regional universities, The
17 Evergreen State College, and the state board for community and
18 technical colleges shall each adopt necessary rules to implement this
19 subsection. Moneys from this fund may be used for all educational
20 expenses related to a student's participation in a dual credit
21 program including but not limited to tuition, fees, course materials,
22 and transportation.

36 administration of student financial aid programs under RCW
37 28B.76.090, including the (~~state need grant~~) Washington college

23 (iii) The council shall report by December 1, 2014, to the joint
24 higher education committee in RCW 44.04.360 on the outcomes of

26 scholarships, impacts on meeting the state's higher education goals
27 for educational attainment, and options for prioritization of the
28 (~~state need grant~~) Washington college promise scholarship and
29 possible consequences of implementing each option. When examining
30 options for prioritizing the (~~state need grant~~) Washington college
31 promise scholarship the council shall consider awarding (~~grants~~)

33 awards based on other criteria selected by the council.

34 (11) The council shall adopt residency requirements by rule.

35 (12) The council shall arbitrate disputes between and among four-

25 donor and in accordance with this subsection (2)(b):

26 (i) The "scholarship account," whose principal may be invaded,
27 and from which scholarships must be disbursed for baccalaureate
28 programs beginning no later than December 1, 2011, if, by that date,

1 appropriations of state matching funds. Thereafter, scholarships
2 shall be disbursed on an annual basis;

3 (iv) The "endowment account," from which scholarship moneys may
4 be disbursed for baccalaureate programs from earnings only in years
5 when:

6 (A) The state match has been made into both the scholarship and

8 (B) The state appropriations for the ~~((state need grant))~~
9 Washington college promise scholarship under ~~((RCW 28B.92.010))~~
10 chapter 28B.92 RCW meet or exceed state appropriations for the

22 board and the program administrator must work to maximize private
23 sector contributions to ~~((the scholarship account, the student~~
24 ~~support pathways account, the advanced degrees pathways account, and~~
25 ~~the endowment account,))~~ these accounts to maintain a robust

27 to determine the division between the ~~((scholarship, the student~~
28 ~~support pathways, the advanced degrees pathways, and the endowment))~~
29 accounts in the case of undesignated grants and contributions, taking
30 into account the need for a long-term funding mechanism and the

32 five million dollars in state match, as provided in RCW 28B.145.040,
33 shall be deposited into the scholarship account and thereafter the

2 account, the advanced degrees pathways account, or the endowment
3 account under this section, the state acts in a fiduciary rather than
4 ownership capacity with regard to those assets. Assets in the

11 were deposited into the scholarship account, the student support
12 pathways account, the advanced degrees pathways account, or the
13 endowment account((s));

14 (d) In consultation with the council and the state board for
15 community and technical colleges, make an assessment of the
16 reasonable annual eligible expenses associated with eligible
17 education programs and eligible advanced degree programs identified
18 by the board;

22 distributed;

23 (f) Develop and implement an application, selection, and
24 notification process for awarding opportunity scholarships;

25 (g) Determine the annual amount of the opportunity scholarship
26 for each selected participant. The annual amount shall be at least
27 one thousand dollars or the amount determined under (e) of this
28 subsection, but may be increased on an income-based, sliding scale

30 eligible expenses as assessed pursuant to (d) of this subsection, or
31 to encourage participation in professional-technical certificate
32 programs, professional-technical degree programs, ((~~or~~))
33 baccalaureate degree programs, or eligible advanced degree programs
34 identified by the board;

35 (h) Distribute scholarship funds to selected participants. Once
36 awarded, and to the extent funds are available for distribution, an
37 opportunity scholarship shall be automatically renewed as long as the
38 participant annually submits documentation of filing both a free
39 application for federal student aid (FAFSA) and for available federal
40 education tax credits including, but not limited to, the American

1 opportunity tax credit, or if ineligible to apply for federal student
2 aid, the participant annually submits documentation of filing a state
3 financial aid application as approved by the office of student
4 financial assistance; and until the participant withdraws from or is
5 no longer attending the program, completes the program, or has taken
6 the credit or clock hour equivalent of one hundred twenty-five
7 percent of the published length of time of the participant's program,
8 whichever occurs first;

9 (i) Notify institutions of scholarship recipients who will attend
10 their institutions and inform them of the terms of the students'
11 eligibility;

12 (j) Establish a required service obligation for participants
13 enrolled in an eligible advanced degree program, and establish a
14 process for verifying a participant's employment in a service
15 obligation area; and

16 (k) Establish a repayment obligation and appeals process for
17 participants who serve less than the required service obligation,
18 unless the program administrator determines the circumstances are
19 beyond the participant's control. If the participant is unable to pay
20 the repayment obligation in full, the participant may enter into
21 payment arrangements with the program administrator. The program
22 administrator is responsible for the collection of repayment
23 obligations on behalf of participants who fail to complete their
24 service obligation.

25 (3) With respect to the opportunity expansion program, the
26 program administrator shall:

27 (a) Assist the board in developing and implementing an

38 of the eligibility of each graduate on the lists to receive a ((state
