(a) When considering persons for state employment in positions directly responsible for the supervision, care, or treatment of children, vulnerable adults, or individuals with mental illness or developmental disabilities provided that: For persons residing in a home that will be utilized to provide foster care for dependent youth, a criminal background check will be required for all persons aged sixteen and older and the department of social and health services may require a criminal background check for persons who are younger than sixteen in situations where it may be warranted to ensure the safety of youth in foster care;

The Washington personnel resources board shall adopt rules to accomplish the purposes of this subsection as it applies to state employees.

(b) Completed criminal background inquiry information may be shared by a willing health care facility only if the following conditions are satisfied: The licensed health care facility sharing the criminal background inquiry information is reasonably known to be the person's most recent employer, no more than twelve months has elapsed from the date the person was last employed at a licensed health care facility to the date of their current employment application, and the criminal background information is no more than two years old.

A new criminal background inquiry shall be requested pursuant to RCW 43.43.830 through 43.43.842.
(e) Health care facilities that share criminal background inquiry information shall be immune from any claim of defamation, invasion of privacy, negligence, or any other claim in connection with any dissemination of this information in accordance with this subsection. Sec. 9. RCW 74.39A.056 and 2018 c 278 s 8 are each amended to read as follows:

(1)(a) All long-term care workers shall be screened through state and federal background checks in a uniform and timely manner to verify that they do not have a history that would disqualify them from working with vulnerable persons. The department must process background checks for long-term care workers and make the information available to employers, prospective employers, and others as authorized by law. (b)(i) Except as provided in (b)(ii) of this subsection, for long-term care workers hired on or after January 7, 2012, the background checks required under this section shall include checking against the federal bureau of investigation fingerprint identification records system and against the national sex offenders registry or their successor programs. The department shall require these long-term care workers to submit fingerprints for the purpose of investigating conviction records through both the Washington state patrol and the federal bureau of investigation. The department shall not pass on the cost of these criminal background checks to the workers or their employers. (ii) This subsection does not apply to long-term care workers employed by community residential service businesses until January 1, 2016. (c) The department shall share state and federal background check results with the department of health in accordance with RCW 18.88B.080. (d) Background check screening required under this section and department rules is not required for an employee of a consumer directed employer if all of the following circumstances apply: (i) The individual has an individual provider contract with the department;
(ii) The last background check on the contracted individual provider is still valid under department rules and did not disqualify the individual from providing personal care services;

(iii) Employment by the consumer directed employer is the only reason a new background check would be required; and

(iv) The department's background check results have been shared with the consumer directed employer.

(2) (a) No provider, or its staff, or long-term care worker, or prospective provider or long-term care worker, with a stipulated finding of fact, conclusion of law, an agreed order, or finding of fact, conclusion of law, or final order issued by a disciplining authority or a court of law or entered into a state registry with a final substantiated finding of abuse, neglect, exploitation, or abandonment of a minor or a vulnerable adult as defined in chapter 74.34 RCW shall be employed in the care of and have unsupervised access to vulnerable adults.

(b) A provider may not automatically deny a request from a prospective volunteer for unsupervised access to vulnerable adults under this chapter solely because of a founded finding of child abuse or neglect involving the individual revealed in the background check process or solely because the individual's child was found by a court to be dependent pursuant to chapter 13.34 RCW when that founded finding or court finding is accompanied by a certificate of parental improvement as defined in chapter 74.13 RCW related to the same incident without conducting a review to determine the individual's character, suitability, and competency to volunteer with vulnerable adults.

(3) The department shall establish, by rule, a state registry which contains identifying information about long-term care workers identified under this chapter who have final substantiated findings of abuse, neglect, financial exploitation, or abandonment of a vulnerable adult as defined in RCW 74.34.020. The rule must include disclosure, disposition of findings, notification, findings of fact, appeal rights, and fair hearing requirements. The department shall disclose, upon request, final substantiated findings of abuse, neglect, financial exploitation, or abandonment to any person so requesting this information. This information must also be shared with the department of health to advance the purposes of chapter 18.88B RCW.

(4) The department shall adopt rules to implement this section.
Sec. 10. RCW 43.216.270 and 2018 c 59 s 1 and 2018 c 58 s 69 are each reenacted and amended to read as follows:

(1)(a) In determining whether an individual is of appropriate character, suitability, and competence to provide child care and early learning services to children, the department may consider the history of past involvement of child protective services or law enforcement agencies with the individual for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of a child. No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes. No unfounded or inconclusive allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a provider licensed under this chapter.

(b) The department may not deny or delay a license to provide child care and early learning services under this chapter to an individual solely because of a founded finding of abuse or neglect involving the individual revealed in the background check process or solely because the individual's child was found by a court to be dependent pursuant to chapter 13.34 RCW when that founded finding or court finding is accompanied by a certificate of parental improvement as defined in chapter 74.13 RCW related to the same incident.

(2) In order to determine the suitability of individuals newly applying for an agency license, new licensees, their new employees, and other persons who newly have unsupervised access to children in child care, shall be fingerprinted.

(a) The fingerprints shall be forwarded to the Washington state patrol and federal bureau of investigation for a criminal history record check.

(b)(i) All individuals applying for first-time agency licenses, all new employees, and other persons who have not been previously qualified by the department to have unsupervised access to children in child care must be fingerprinted and obtain a criminal history record check pursuant to this section.

(ii) Persons required to be fingerprinted and obtain a criminal history record check pursuant to this section must pay for the cost of this check as follows: The fee established by the Washington state patrol for the criminal background history check, including the cost of obtaining the fingerprints; and a fee paid to the department for the cost of administering the individual-based/portable background check clearance registry. The fee paid to the department must be
deposited into the individual-based/portable background check clearance account established in RCW 43.216.273. The licensee may, but need not, pay these costs on behalf of a prospective employee or reimburse the prospective employee for these costs. The licensee and the prospective employee may share these costs.

(c) The secretary shall use the fingerprint criminal history record check information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children.

(d) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

(e) No later than July 1, 2013, all agency licensees holding licenses prior to July 1, 2012, persons who were employees before July 1, 2012, and persons who have been qualified by the department before July 1, 2012, to have unsupervised access to children in child care, must submit a new background application to the department. The department must require persons submitting a new background application pursuant to this subsection (2)(e) to pay a fee to the department for the cost of administering the individual-based/portable background check clearance registry. This fee must be paid into the individual-based/portable background check clearance account established in RCW 43.216.273. The licensee may, but need not, pay these costs on behalf of a prospective employee or reimburse the prospective employee for these costs. The licensee and the prospective employee may share these costs.

(f) The department shall issue a background check clearance card or certificate to the applicant if after the completion of a background check the department concludes the applicant is qualified for unsupervised access to children in child care. The background check clearance card or certificate is valid for three years from the date of issuance. A valid card or certificate must be accepted by a potential employer as proof that the applicant has successfully completed a background check as required under this chapter. For purposes of renewal of the background clearance card or certificate, all agency licensees holding a license, persons who are employees, and persons who have been previously qualified by the department, must submit a new background application to the department on a date
to be determined by the department. The fee requirements applicable
to this section also apply to background clearance renewal
applications.

(g) The original applicant for an agency license, licensees,
their employees, and other persons who have unsupervised access to
children in child care shall submit a new background check
application to the department, on a form and by a date as determined
by the department.

(h) The payment requirements applicable to (a) through (g) of
this subsection do not apply to persons who:

(i) Provide regularly scheduled care for a child or children in
the home of the provider or in the home of the child or children for
periods of less than twenty-four hours or, if necessary due to the
nature of the parent's work, for periods equal to or greater than
twenty-four hours;

(ii) Receive child care subsidies; and

(iii) Are exempt from licensing under this chapter.

(i) The applicant and agency shall maintain on-site for
inspection a copy of the background check clearance card or
certificate.

(j) Individuals who have been issued a background check clearance

card or certificate shall report nonconviction and conviction
information to the department within twenty-four hours of the event
constituting the nonconviction or conviction information.

(k) The department shall investigate and conduct a
redetermination of an applicant's or licensee's background clearance
if the department receives a complaint or information from
individuals, a law enforcement agency, or other federal, state, or
local government agency. Subject to the requirements contained in RCW
43.216.325 and 43.216.327 and based on a determination that an
individual lacks the appropriate character, suitability, or
competence to provide child care or early learning services to
children, the department may: (i) Invalidate the background card or
certificate; or (ii) suspend, modify, or revoke any license
authorized by this chapter.

(3) To satisfy the shared background check requirements of the
department of children, youth, and families, the office of the
superintendent of public instruction, and the department of social
and health services, each department shall share federal fingerprint-
based background check results as permitted under the law. The
purpose of this provision is to allow these departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. These departments may not share the federal background check results with any other state agency or person.

(4) Individuals who have completed a fingerprint background check as required by the office of the superintendent of public instruction, consistent with RCW 28A.400.303, and have been continuously employed by the same school district or educational service district, can meet the requirements in subsection (2) of this section by providing a true and accurate copy of their Washington state patrol and federal bureau of investigation background check report results to the department or if the school district or the educational service district provides an affidavit to the department that the individual has been authorized to work by the school district or educational service district after completing a record check consistent with RCW 28A.400.303. The department may require that additional background checks be completed that do not require additional fingerprinting and may charge a fee for these additional background checks.
