8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9 NEW SECTION. **Sec. 1.** The legislature finds that acupuncture and
10 Eastern medicine is a holistic system of medicine that has developed
11 through traditional medical practices in China, Japan, Korea, and the
12 other East Asian countries. The legislature intends to recognize that
13 acupuncturists and acupuncture and Eastern medicine practitioners
14 licensed by the state of Washington engage in a system of medicine to
15 maintain and promote wellness, manage and reduce pain and/or
16 substance abuse, and prevent, diagnose, and treat disease. This
17 system of medicine includes more than the treatment of acupuncture
18 needling therapy alone. For purposes of this chapter, acupuncture is
19 considered the full scope of treatments based on traditional, as well
20 as evidence-based and modern, medical theories identified in this
21 chapter.

1 The legislature finds that the practice of acupuncture has become
2 mainstream in the health care system nationally and internationally.
3 The legislature intends to align the professional title of
4 acupuncture with state and federal designations for the profession,
5 defining it as a comprehensive system of medicine.

6 The legislature does not intend to require persons currently
7 licensed under this chapter to change the business name of their
8 practice if otherwise in compliance with this chapter.

9 **Sec. 2.** RCW 18.06.010 and 2016 c 97 s 1 are each amended to read
