AN ACT Relating to the taxation of vapor products as tobacco products; amending RCW 66.08.145, 66.44.010, 70.345.090, 70.345.160, 82.24.510, 82.24.550, 82.26.060, 82.26.080, 82.26.150, 82.26.220, 82.32.300, and 43.06.450; amending 2019 c 15 s 11 (uncodified); adding new sections to chapter 43.06 RCW; adding a new section to chapter 82.08 RCW; adding a new section to chapter 82.12 RCW; adding a new chapter to Title 82 RCW; creating new sections; prescribing penalties; making appropriations; and providing effective dates.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Part I

Findings

NEW SECTION. Sec. 101. (1) The legislature finds that the use of vapor inhalation products, such as e-cigarettes, e-devices, electronic nicotine delivery systems, and vape pens, has risen at an alarming rate both among adults and youth. The vaping epidemic has reversed decades of progress in reducing youth use of nicotine. Vapor products pose a serious public health risk because of the addictiveness of nicotine, the impact of nicotine on fetal development and adolescent brain development, the risk of liquid nicotine poisoning, and exposure to carcinogens and other toxic
chemicals. Although these products have been documented as being interchangeably used by consumers with cigarettes or other tobacco products, and there is nicotine produced or derived from tobacco in the product intended for human consumption and absorption into the human body, the manufacturers, wholesalers, and retailers have not been paying the tax levied on tobacco products pursuant to chapter 82.26 RCW. The legislature intends to transition from no tobacco or cigarette tax having been paid on these products to adopting a specific tax rate for tobacco products classified as vapor products in this act. Adoption of this specific tax will resolve claims of nonpayment of tobacco product taxes pursuant to chapter 82.26 RCW. The legislature believes that vapor products containing nicotine have always been subject to taxation pursuant to chapter 82.26 RCW, and passage of this act may not be interpreted as an indication otherwise.

(2) Specifically, the legislature finds that:

(a) Vapor products are battery-operated devices with cartridges or refillable tanks that contain a mixture of various liquids, such as propylene glycol, glycerol, nicotine, and chemical flavorings. The devices atomize the liquid mixture, producing an aerosol that the user inhales and that bystanders can also breathe in when the user exhales into the air. The aerosol can contain harmful and potentially harmful substances, including volatile organic compounds, ultrafine particles, cancer-causing chemicals, heavy metals, and flavoring such as diacetyl, which has been linked to a serious lung disease. Vapor products may also be used to deliver marijuana or other drugs;

(b) In 2016, the federal food and drug administration finalized a rule to extend its regulatory authority to all tobacco products, including e-cigarettes, to improve public health. The food and drug administration's regulatory authority over noncombustible tobacco products includes e-cigarette components and parts, such as e-liquids, cartridges, tank systems, and flavorings;

(c) Vapor products are heavily promoted as being far less costly than consuming the equivalent nicotine through cigarettes, with one industry estimate that vapor products are over eighty percent less expensive. Legislative testimony has indicated that refillable nicotine liquid and disposable e-cigarettes are as low as ten and twenty percent of the cost of a pack of cigarettes in Washington. For Washington residents, industry promotions note thousands of dollars in individual savings annually, compared to smoking cigarettes, due
in part to consumers and retailers of vapor products not paying the taxes which the state places on cigarettes or other tobacco products;

(d) The sale and use of vapor products has rapidly increased over the past several years. The 2018 national youth tobacco survey found that use of e-cigarettes increased seventy-eight percent among high school students and forty-eight percent among middle school students from 2017 to 2018. Last year more than 3.6 million youth used e-cigarettes, making them the most commonly used tobacco products. The legislature finds that vapor products are heavily promoted to attract youth to purchase them, with concomitant addiction to nicotine. Research shows that most young e-cigarette and vapor product users also smoke cigarettes, and that the attraction and low cost availability of vapor products is mitigating the positive benefits from the decline in cigarette use among youth;

(e) In Washington, the 2018 healthy youth survey found that thirty percent of twelfth graders, twenty-one percent of tenth graders, and ten percent of eighth graders had used an e-cigarette in the past month. These rates are alarming because an overwhelming majority of smokers begin smoking and become addicted to nicotine as teenagers, and the equipment used may be sold and used interchangeably for marijuana and nicotine. State law now prohibits the sale of vapor products containing nicotine to persons under the age of twenty-one, but the availability of vapor products online and equipment sold separately at retail stores pose enforcement challenges;

(f) The low cost of e-cigarettes and nicotine liquids for vapor products, particularly compared to cigarettes, is a key factor in youth access and use. E-cigarettes are advertised as saving smokers thousands of dollars. One survey of adult users has shown that the low price of e-cigarettes compared to other tobacco products is a key reason for their use, and youth are even more sensitive to price than adults. Increasing the price of vapor products will provide parity with the price of other harmful substances. Moreover, a price increase of vapor products will decrease youth access and addiction, just as raising taxes on cigarettes to discourage youth and adult smoking decreased youth access and addiction; and

(g) Public health infrastructure and enforcement to prevent youth access to tobacco, including vapor products, in Washington will benefit from the investment of tax revenues and fees established or increased by this act.
The legislature finds, therefore, that this act is necessary to protect the public health, safety, and welfare by providing consumers with information about products that are potentially dangerous, providing support for programs that reduce youth access to addictive nicotine products, preventing nicotine poisonings of children, and providing support for many essential public health services and educational programs for which needs and cost are increased due to increased consumption of vapor products.

(5) A delivery sale licensee must accept payment only through a credit or debit card issued in the purchaser's own name. The licensee must verify that the card is issued to the same person identified through identity and age verification procedures in subsection (4) of this section.

The purchaser must return the signed certification form to the licensee before the initial shipment of product. Certification forms are not required for repeat customers. Standing to bring an action to enforce RCW 19.86.020 for
violation of this section lies solely with the attorney general. Remedies provided by chapter 19.86 RCW are cumulative and not exclusive.

(2) The board and the board's authorized agents or employees have full power and authority to enter any place of business where vapor products are sold for the purpose of enforcing the provisions of this chapter.

(3) For the purpose of enforcing the provisions of this chapter, a peace officer or enforcement officer of the board who has reasonable grounds to believe a person observed by the officer purchasing, attempting to purchase, or in possession of vapor products is under eighteen years of age, may detain such person for a reasonable period of time and in such a reasonable manner as is necessary to determine the person's true identity and date of birth. Further, vapor products possessed by persons under eighteen years of age...
age are considered contraband and may be seized by a peace officer or enforcement officer of the board.

(4) The board may work with local county health departments or districts and local law enforcement agencies to conduct random, unannounced, inspections to assure compliance.

(5) Upon a determination by the secretary of health or a local health jurisdiction that a vapor product may be injurious to human health or poses a significant risk to public health:
   (a) The board, in consultation with the department of health and local county health jurisdictions, may cause a vapor product substance or solution sample, purchased or obtained from any vapor product retailer, distributor, or delivery sale licensee, to be analyzed by an analyst appointed or designated by the board;
   (b) If the analyzed vapor product contains an ingredient, substance, or solution present in quantities injurious to human health or posing a significant risk to public health, as determined by the secretary of health or a local health jurisdiction, the board may suspend the license of the retailer or delivery sale licensee unless the retailer or delivery sale licensee agrees to remove the product from sales; and
   (c) If upon a finding from the secretary of health or local health jurisdiction that the vapor product poses an injurious risk to public health or significant public health risk, the retailer or delivery sale licensee does not remove the product from sale, the secretary of health or local health officer may file for an injunction in superior court prohibiting the sale or distribution of that specific vapor product substance or solution.

(6) Nothing in subsection (5) of this section permits a total ban on the sale or use of vapor products.

Sec. 305. RCW 82.24.510 and 2013 c 144 s 50 are each amended to read as follows:
(1) The licenses issuable under this chapter are as follows:
   (a) A wholesaler's license.
   (b) A retailer's license.
(2) Application for the licenses must be made through the business licensing system under chapter 19.02 RCW. The board must
adopt rules regarding the regulation of the licenses. The board may
refrain from the issuance of any license under this chapter if the
board has reasonable cause to believe that the applicant has
willfully withheld information requested for the purpose of
determining the eligibility of the applicant to receive a license, or
if the board has reasonable cause to believe that information
submitted in the application is false or misleading or is not made in
good faith. In addition, for the purpose of reviewing an application
for a wholesaler's license or retailer's license and for considering
the denial, suspension, or revocation of any such license, the board
may consider any prior criminal conduct of the applicant, including
an administrative violation history record with the board and a
criminal history record information check within the previous five
years, in any state, tribal, or federal jurisdiction in the United
States, its territories, or possessions, and the provisions of RCW
9.95.240 and chapter 9.96A RCW do not apply to such cases. The board
may, in its discretion, grant or refuse the wholesaler's license or
retailer's license, subject to the provisions of RCW 82.24.550.

(3) No person may qualify for a wholesaler's license or a
retailer's license under this section without first undergoing a
criminal background check. The background check must be performed by
the board and must disclose any criminal conduct within the previous
five years in any state, tribal, or federal jurisdiction in the
United States, its territories, or possessions. A person who
possesses a valid license on July 22, 2001, is subject to this
subsection and subsection (2) of this section beginning on the date
of the person's business license expiration under chapter 19.02 RCW,
and thereafter. If the applicant or licensee also has a license
issued under chapter 66.24 (((or))) 82.26, or 70.345 RCW, the
background check done under the authority of chapter 66.24 (((or)))
82.26, or 70.345 RCW satisfies the requirements of this section.

(4) Each such license expires on the business license expiration
date, and each such license must be continued annually if the
licensee has paid the required fee and complied with all the
provisions of this chapter and the rules of the board made pursuant
thereto.

(5) Each license and any other evidence of the license that the
board requires must be exhibited in each place of business for which
it is issued and in the manner required for the display of a business
license.
Sec. 306. RCW 82.24.550 and 2015 c 86 s 307 are each amended to read as follows:

(1) The board must enforce the provisions of this chapter. The board may adopt, amend, and repeal rules necessary to enforce the provisions of this chapter.

(2) The department may adopt, amend, and repeal rules necessary to administer the provisions of this chapter. The board may revoke or suspend the license or permit of any wholesale or retail cigarette dealer in the state upon sufficient cause appearing of the violation of this chapter or upon the failure of such licensee to comply with any of the provisions of this chapter.

(3) A license may not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the board. The board, upon finding that the licensee has failed to comply with any provision of this chapter or any rule adopted under this chapter, must, in the case of the first offense, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and, in the case of a second or further offense, must suspend the license or licenses for a period of not less than ninety consecutive business days nor more than twelve months, and, in the event the board finds the licensee has been guilty of willful and persistent violations, it may revoke the license or licenses.

(4) Any licenses issued under chapter 82.26 or 70.345 RCW to a person whose license or licenses have been suspended or revoked under this section must also be suspended or revoked during the period of suspension or revocation under this section.

(5) Any person whose license or licenses have been revoked under this section may reapply to the board at the expiration of one year from the date of revocation of the license or licenses. The license or licenses may be approved by the board if it appears to the satisfaction of the board that the licensee will comply with the provisions of this chapter and the rules adopted under this chapter.

(6) A person whose license has been suspended or revoked may not sell cigarettes, vapor products, or tobacco products or permit cigarettes, vapor products, or tobacco products to be sold during the period of such suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others or in any other manner or form whatever.
(7) Any determination and order by the board, and any order of suspension or revocation by the board of the license or licenses issued under this chapter, or refusal to reinstate a license or licenses after revocation is reviewable by an appeal to the superior court of Thurston county. The superior court must review the order or ruling of the board and may hear the matter de novo, having due regard to the provisions of this chapter and the duties imposed upon the board.

(8) If the board makes an initial decision to deny a license or renewal, or suspend or revoke a license, the applicant may request a hearing subject to the applicable provisions under Title 34 RCW.

(9) For purposes of this section:

(a) "Tobacco products" has the same meaning as provided in RCW 82.26.010; and

(b) "Vapor products" has the same meaning as provided in section 201 of this act.

Sec. 307. RCW 82.26.060 and 2009 c 154 s 3 are each amended to read as follows:

(1) Every distributor (shall) must keep at each place of business complete and accurate records for that place of business, including itemized invoices, of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of tobacco products made.

(2) These records (shall) must show the names and addresses of purchasers, the inventory of all tobacco products, and other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products. All invoices and other records required by this section to be kept (shall) must be preserved for a period of five years from the date of the invoices or other documents or the date of the entries appearing in the records.

(3) At any time during usual business hours the department, board, or its duly authorized agents or employees, may enter any place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the tobacco products contained therein, to determine whether or not all the provisions of this chapter are being fully complied with. If the department, board, or any of its agents or employees, are denied free access or are hindered or interfered with
in making such examination, the registration certificate issued under
RCW 82.32.030 of the distributor at such premises ((shall be)) is
subject to revocation, and any licenses issued under this chapter or
chapter 82.24 or 70.345 RCW are subject to suspension or revocation,
by the department or board.

Sec. 308. RCW 82.26.080 and 2005 c 180 s 5 are each amended to
read as follows:

(1) Every retailer ((shall)) must procure itemized invoices of
all tobacco products purchased. The invoices ((shall)) must show the
seller's name and address, the date of purchase, and all prices and
discounts.

(2) The retailer ((shall)) must keep at each retail outlet copies
of complete, accurate, and legible invoices for that retail outlet or
place of business. All invoices required to be kept under this
section ((shall)) must be preserved for five years from the date of
purchase.

(3) At any time during usual business hours the department,
board, or its duly authorized agents or employees may enter any
retail outlet without a search warrant, and inspect the premises for
invoices required to be kept under this section and the tobacco
products contained in the retail outlet, to determine whether or not
all the provisions of this chapter are being fully complied with. If
the department, board, or any of its agents or employees, are denied
free access or are hindered or interfered with in making the
inspection, the registration certificate issued under RCW 82.32.030
of the retailer at the premises is subject to revocation, and any
licenses issued under this chapter or chapter 82.24 or 70.345 RCW are
subject to suspension or revocation by the department.

Sec. 309. RCW 82.26.150 and 2013 c 144 s 52 are each amended to
read as follows:

(1) The licenses issuable by the board under this chapter are as
follows:

(a) A distributor's license; and

(b) A retailer's license.

(2) Application for the licenses must be made through the
business licensing system under chapter 19.02 RCW. The board may
adopt rules regarding the regulation of the licenses. The board may
refuse to issue any license under this chapter if the board has
reasonable cause to believe that the applicant has willfully withheld
information requested for the purpose of determining the eligibility
of the applicant to receive a license, or if the board has reasonable
cause to believe that information submitted in the application is
false or misleading or is not made in good faith. In addition, for
the purpose of reviewing an application for a distributor's license
or retailer's license and for considering the denial, suspension, or
revocation of any such license, the board may consider criminal
conduct of the applicant, including an administrative violation
history record with the board and a criminal history record
information check within the previous five years, in any state, tribal, or federal jurisdiction in the United States, its
territories, or possessions, and the provisions of RCW 9.95.240 and
chapter 9.96A RCW do not apply to such cases. The board may, in its
discretion, issue or refuse to issue the distributor's license or
retailer's license, subject to the provisions of RCW 82.26.220.
(3) No person may qualify for a distributor's license or a
retailer's license under this section without first undergoing a
criminal background check. The background check must be performed by
the board and must disclose any criminal conduct within the previous
five years in any state, tribal, or federal jurisdiction in the
United States, its territories, or possessions. If the applicant or
licensee also has a license issued under chapter 66.24, 82.24,
or 70.345 RCW, the background check done under the authority of
chapter 66.24, 70.345, or 82.24 RCW satisfies the requirements of
this section.
(4) Each license issued under this chapter expires on the
business license expiration date. The license must be continued
annually if the licensee has paid the required fee and complied with
all the provisions of this chapter and the rules of the board adopted
pursuant to this chapter.
(5) Each license and any other evidence of the license required
under this chapter must be exhibited in each place of business for
which it is issued and in the manner required for the display of a
business license.

Sec. 310. RCW 82.26.220 and 2015 c 86 s 308 are each amended to
read as follows:
(1) The board must enforce this chapter. The board may adopt,
amend, and repeal rules necessary to enforce this chapter.
(2) The department may adopt, amend, and repeal rules necessary to administer this chapter. The board may revoke or suspend the distributor's or retailer's license of any distributor or retailer of tobacco products in the state upon sufficient cause showing a violation of this chapter or upon the failure of the licensee to comply with any of the rules adopted under it.

(3) A license may not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the board. The board, upon finding that the licensee has failed to comply with any provision of this chapter or of any rule adopted under it, must, in the case of the first offense, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and in the case of a second or further offense, suspend the license or licenses for a period of not less than ninety consecutive business days but not more than twelve months, and in the event the board finds the licensee has been guilty of willful and persistent violations, it may revoke the license or licenses.

(4) Any licenses issued under chapter 82.24 or 70.345 RCW to a person whose license or licenses have been suspended or revoked under this section must also be suspended or revoked during the period of suspension or revocation under this section.

(5) Any person whose license or licenses have been revoked under this section may reapply to the board at the expiration of one year of the license or licenses. The license or licenses may be approved by the board if it appears to the satisfaction of the board that the licensee will comply with the provisions of this chapter and the rules adopted under it.

(6) A person whose license has been suspended or revoked may not sell tobacco products, vapor products, or cigarettes or permit tobacco products, vapor products, or cigarettes to be sold during the period of suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others or in any other manner or form.

(7) Any determination and order by the board, and any order of suspension or revocation by the board of the license or licenses issued under this chapter, or refusal to reinstate a license or licenses after revocation is reviewable by an appeal to the superior court of Thurston county. The superior court must review the order or ruling of the board and may hear the matter de novo, having due
regard to the provisions of this chapter and the duties imposed upon
the board.

(8) If the board makes an initial decision to deny a license or
renewal, or suspend or revoke a license, the applicant may request a
hearing subject to the applicable provisions under Title 34 RCW.

Sec. 311. RCW 82.32.300 and 1997 c 420 s 9 are each amended to
read as follows:

(1) The administration of this and chapters 82.04 through 82.27
RCW of this title is vested in the department (of revenue which
shall), which must prescribe forms and rules of procedure for the
determination of the taxable status of any person, for the making of
returns and for the ascertainment, assessment and collection of taxes
and penalties imposed thereunder.

(2) The department (of revenue shall) must make and publish
rules and regulations, not inconsistent therewith, necessary to
enforce provisions of this chapter and chapters 82.02 through 82.23B
and 82.27 RCW, and the liquor (control) and cannabis board
(shall) must make and publish rules necessary to enforce chapters
82.24 (and), 82.26 (RCW), and 82.-- RCW (the new chapter created
in section 603 of this act), which (shall have) has the same force
and effect as if specifically included therein, unless declared
invalid by the judgment of a court of record not appealed from.

(3) The department may employ such clerks, specialists, and other
assistants as are necessary. Salaries and compensation of such
employees (shall) must be fixed by the department and (shall be)
charged to the proper appropriation for the department.

(4) The department (shall) must exercise general supervision of
the collection of taxes and, in the discharge of such duty, may
institute and prosecute such suits or proceedings in the courts as
may be necessary and proper.

Part IV

Tribal Compacting

Sec. 401. RCW 43.06.450 and 2001 c 235 s 1 are each amended to
read as follows:

The legislature intends to further the government-to-government
relationship between the state of Washington and Indians in the state
of Washington by authorizing the governor to enter into contracts
concerning the sale of cigarettes and vapor products. The legislature finds that these cigarette tax and vapor product tax contracts will provide a means to promote economic development, provide needed revenues for tribal governments and Indian persons, and enhance enforcement of the state's cigarette tax ((law)) and vapor product tax, ultimately saving the state money and reducing conflict. In addition, it is the intent of the legislature that the negotiations and the ensuing contracts ((shall)) have no impact on the state's share of the proceeds under the master settlement agreement entered into on November 23, 1998, by the state. Chapter 235, Laws of 2001 (does) and this act do not constitute a grant of taxing authority to any Indian tribe nor ((does it)) do they provide precedent for the taxation of non-Indians on fee land.

NEW SECTION. Sec. 402. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into vapor product tax contracts concerning the sale of vapor products. All vapor product tax contracts must meet the requirements for vapor product tax contracts under this section.

(2) Vapor product tax contracts must be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, contracts may address the legal age of sale for vapor products pursuant to section 11, chapter 15, Laws of 2019.

(3) A vapor product tax contract with a tribe must provide for a tribal vapor product tax in lieu of all state vapor product taxes and state and local sales and use taxes on sales of vapor products in Indian country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(4) Vapor product tax contracts must provide that retailers must purchase vapor products only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to comply with the terms of the vapor product tax contract, are certified to the state as having so agreed, and do in fact so comply. However, the state may in its sole discretion exercise its administrative and
enforcement powers over such wholesalers or manufacturers to the extent permitted by law;

(c) A tribal wholesaler that purchases only from a wholesaler or manufacturer described in (a), (b), or (d) of this subsection; and

(d) A tribal manufacturer.

(5) Vapor product tax contracts must be for renewable periods of no more than eight years.

(6) Vapor product tax contracts must include provisions for compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(7) Tax revenue retained by a tribe must be used for essential government services. Use of tax revenue for subsidization of vapor products and food retailers is prohibited.

(8) The vapor product tax contract may include provisions to resolve disputes using a nonjudicial process, such as mediation.

(9) The governor may delegate the power to negotiate vapor product tax contracts to the department of revenue. The department of revenue must consult with the liquor and cannabis board during the negotiations.

(10) Information received by the state or open to state review under the terms of a contract is subject to the provisions of RCW 82.32.330.

(11) It is the intent of the legislature that the liquor and cannabis board and the department of revenue continue the division of duties and shared authority under chapter 82.--- RCW (the new chapter created in section 603 of this act) and therefore the liquor and cannabis board is responsible for enforcement activities that come under the terms of chapter 82.--- RCW (the new chapter created in section 603 of this act).

(12) Each vapor product tax contract must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the contract should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the contract so allow. A contract must provide for termination of the contract if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period. In addition, the contract must include provisions delineating the
respective roles and responsibilities of the tribe, the department of revenue, and the liquor and cannabis board.

(13) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Essential government services" means services such as tribal administration, public facilities, fire, police, public health, education, job services, sewer, water, environmental and land use, transportation, utility services, and economic development.

(b) "Indian country" has the same meaning as provided in RCW 82.24.010.

(c) "Indian retailer" or "retailer" means:
   (i) A retailer wholly owned and operated by an Indian tribe;
   (ii) A business wholly owned and operated by a tribal member and licensed by the tribe; or
   (iii) A business owned and operated by the Indian person or persons in whose name the land is held in trust.

(d) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

(e) "Vapor products" has the same meaning as provided in section 201 of this act.

NEW SECTION. Sec. 403. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor is authorized to enter into vapor product tax contracts with federally recognized Indian tribes located within the geographical boundaries of the state of Washington. Each contract adopted under this section must provide that the tribal vapor product tax rate be one hundred percent of the state vapor product tax and state and local sales and use taxes. The tribal vapor product tax is in lieu of the state vapor product tax and state and local sales and use taxes, as provided in section 402(3) of this act.

(2) A vapor product tax contract under this section is subject to section 402 of this act and is separate from a cigarette tax contract subject to RCW 43.06.455 or 43.06.466.

NEW SECTION. Sec. 404. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into a vapor product tax agreement with the Puyallup Tribe of Indians concerning the sale of vapor
products, subject to the limitations in this section. The legislature intends to address the uniqueness of the Puyallup Indian reservation and its selling environment through pricing and compliance strategies, rather than through the imposition of equivalent taxes. The governor may delegate the authority to negotiate a vapor product tax agreement with the Puyallup Tribe to the department of revenue. The department of revenue must consult with the liquor and cannabis board during the negotiations. An agreement under this section is separate from an agreement under RCW 43.06.465.

(2) Any agreement must require the tribe to impose a tribal vapor product tax with a tax rate that is ninety percent of the state vapor product tax. This tribal tax is in lieu of the combined state and local sales and use taxes and the state vapor product tax, and as such these state taxes are not imposed during the term of the agreement on any transaction governed by the agreement. The tribal vapor product tax must increase or decrease at the time of any increase or decrease in the state vapor product tax so as to remain at a level that is ninety percent of the rate of the state vapor product tax.

(3) The agreement must include a provision requiring the tribe to transmit thirty percent of the tribal tax revenue on all vapor products sales to the state. The funds must be transmitted to the state treasurer on a quarterly basis for deposit by the state treasurer into the general fund. The remaining tribal tax revenue must be used for essential government services, as that term is defined in section 402 of this act.

(4) The agreement is limited to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, agreements may address the legal age of sale for vapor products pursuant to section 11, chapter 15, Laws of 2019.

(5)(a) The agreement must include a provision to price and sell the vapor products so that the retail selling price is not less than the price paid by the retailer for the vapor products.

(b) The tribal tax is in addition to the retail selling price.

(c) The agreement must include a provision to assure the price paid to the retailer includes the tribal tax.
(d) If the tribe is acting as a distributor to tribal retailers, the retail selling price must not be less than the price the tribe paid for such vapor products plus the tribal tax.

(6)(a) The agreement must include provisions regarding enforcement and compliance by the tribe in regard to enrolled tribal members who sell vapor products and must describe the individual and joint responsibilities of the tribe, the department of revenue, and the liquor and cannabis board.

(b) The agreement must include provisions for tax administration and compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(c) The agreement must include provisions for sharing of information among the tribe, the department of revenue, and the liquor and cannabis board.

(7) The agreement must provide that retailers must purchase vapor products only from distributors or manufacturers licensed to do business in the state of Washington.

(8) The agreement must be for a renewable period of no more than eight years.

(9) The agreement must include provisions to resolve disputes using a nonjudicial process, such as mediation, and must include a dispute resolution protocol. The protocol must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the agreement should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the agreement so allow. An agreement must provide for termination of the agreement if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period.

(10) Information received by the state or open to state review under the terms of an agreement is subject to RCW 82.32.330.

(11) It is the intent of the legislature that the liquor and cannabis board and the department of revenue continue the division of duties and shared authority under chapter 82.--- RCW (the new chapter created in section 603 of this act).

(12) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.
(a) "Indian country" has the same meaning as provided in RCW 82.24.010.

(b) "Indian retailer" or "retailer" means:
   (i) A retailer wholly owned and operated by an Indian tribe; or
   (ii) A business wholly owned and operated by an enrolled tribal member and licensed by the tribe.

(c) "Indian tribe" or "tribe" means the Puyallup Tribe of Indians, which is a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

(d) "Vapor products" has the same meaning as provided in section 201 of this act.

NEW SECTION. Sec. 405. A new section is added to chapter 82.08 RCW to read as follows:

   (1) The tax levied by RCW 82.08.020 does not apply to sales of vapor products by an Indian retailer during the effective period of a vapor product tax contract subject to section 403 of this act or a vapor product tax agreement under section 404 of this act.

   (2) The definitions in section 402 of this act apply to this section.

NEW SECTION. Sec. 406. A new section is added to chapter 82.12 RCW to read as follows:

   (1) The provisions of this chapter do not apply in respect to the use of vapor products sold by an Indian retailer during the effective period of a vapor product tax contract subject to section 403 of this act or a vapor product tax agreement under section 404 of this act.

   (2) The definitions in section 402 of this act apply to this section.

Sec. 407. 2019 c 15 s 11 (uncodified) is amended to read as follows:

   In recognition of the sovereign authority of tribal governments, the governor may seek government-to-government consultations with federally recognized Indian tribes regarding raising the minimum legal age of sale in compacts entered into pursuant to RCW 43.06.455, 43.06.465, (and) 43.06.466, and sections 402 through 404 of this act. The office of the governor shall report to the appropriate committees of the legislature regarding the status of such consultations no later than December 1, 2020.
