For the purposes of this subsection, "physically separated" means an area that is enclosed on all sides by solid, impermeable walls or windows extending from the floor to ceiling with self-closing doors or an open air area clearly indicated and at least one hundred fifty feet separated from other businesses or residences;

(b) Prohibits cigarettes to be smoked in the area designated under (a) of this subsection;

(c) Is a marijuana retailer in good standing with the board;

(e) Has obtained a signed letter, on appropriate letterhead, from a professional engineer holding a valid license in the state under chapter 18.43 RCW, that certifies that the ventilation and exhaust system for the area designated in (a) of this subsection:

   (i) Is separate and distinct from the location's general heating, ventilation, and air-conditioning system;

   (ii) Has an air flow, as calculated in cubic feet per minute, that will provide for at least thirteen or more air changes within the space served by the ventilation and exhaust system;

   (iii) Uses the correct quantity of filters recommended by the manufacturer of the ventilation and exhaust system and that those filters have a minimum efficiency rating value of fourteen or higher. For the purposes of this subsection, "minimum efficiency rating value" means the air-cleaning performance rating value as expressed in American society of heating, refrigerating, and air conditioning engineers standard 52.2-2007; and

   (iv) Uses a loose-fill, rechargeable type sorbent material positioned across the airflow in such a configuration that gaseous contaminants will have a residence time of one-tenth of one second or more within the sorbent material. For the purposes of this section, "residence time" must be calculated consistent with the recommendations outlined by the American society of heating, refrigerating, and air conditioning engineers handbook entitled
"Control of Gaseous Indoor Air Contaminants" as it exists on the effective date of this section;

(f) Has on file, from each employee that may work in the area designated in (a) of this subsection, a signed acknowledgment that the employee has been advised of and accepts that environmental marijuana smoke may be present in their potential work area. (4) The affidavits required under this section must be submitted in a form and manner as prescribed by the board to effectively administer this chapter.

(5) The board may request additional documentation or information from an applicant in order to verify that the business meets the requirements of this section. The applicant must comply with requests from the department under this subsection or the board may withhold issuance of an endorsement.

(6) Endorsements granted under this section are effective for the same period as the marijuana retailer's license. However, the affidavit required under this section must be completed and verified each year by the board.

(7) Endorsement decisions by the board must be made within twenty-one business days following the submittal of a completed affidavit. Rejections of an application for an endorsement under this section may be appealed under the same process provided for other licenses issued by the board.

(8) Producers with a direct sales endorsement under section 2 of this act may contract to use a marijuana retailer's marijuana consumption lounge endorsement if the contract:
(a) Is for a limited period of time;
(b) Clearly posts the duration of the contract and the name of

(c) Notifies the board of every marijuana retailer or marijuana

(c) All applicable local sales, use, and excise taxes are applied
to the sale as required under RCW 69.50.535.
(2) Direct sales must comply with local land use requirements for
agricultural direct marketing activities. Marijuana may be sold from
a temporary stand erected within an outdoor controlled access area,
or a dedicated retail space. Marijuana may be sold from a tested lot
stored in a bulk container and weighed out, packaged, and labeled to
order for the customer meeting requirements established in rule and
using a standardized scale subject to chapter 19.94 RCW and rules
adopted under that chapter.
(3) Marijuana processors may be issued a direct sales endorsement
if they share a Washington state unified business identifier number
with a marijuana producer who holds a direct sales endorsement. A
marijuana producer may be issued a direct sales endorsement if the
marijuana producer:
(a) Meets the definition of small business under RCW 39.26.010;
(b) Is located ten miles or more from the nearest marijuana
retailer; and
(c) Has premises with a plant canopy of fifteen thousand feet or less on the property that is zoned to permit retail sales as defined in RCW 82.04.050.

(4) Direct sales endorsements do not count towards a jurisdiction's retail outlet under RCW 69.50.345(2).

(5)(a) Producers with a direct sales endorsement may apply for on-site sampling of marijuana products provided they submit an affidavit to the board certifying they meet the standards of section 1(2) of this act and pay any applicable fees.

(i) Is for a limited period of time;

(ii) Clearly posts the duration of the contract and the name of the contracting producer at the sampling area;

(iii) Requires notification to the board of every marijuana producer involved with the contract at least three days before the contract begins;

Every marijuana producer's license shall be issued in the name of the applicant, shall specify the location at which the marijuana producer intends to operate, which must be within the state of Washington, and the holder thereof
shall not allow any other person to use the license. The application fee for a marijuana producer's license shall be two hundred fifty dollars. Every marijuana processor's license shall be issued in the name of the applicant, shall specify the location at which the licensee intends to operate, which must be within the state of Washington, and the holder thereof shall not allow any other person to use the license. The application fee for a marijuana processor's license shall be two hundred fifty dollars. The annual fee for issuance and renewal of a marijuana processor's license shall be one thousand three hundred eighty-one dollars. A separate license shall be required for each location at which a marijuana processor intends to process marijuana.

(3)(a) There shall be a marijuana retailer's license to sell marijuana concentrates, useable marijuana, and marijuana-infused products at retail in retail outlets, regulated by the [(state liquor and cannabis)] board and subject to annual renewal. The possession, delivery, distribution, and sale of marijuana concentrates, useable marijuana, and marijuana-infused products in accordance with the provisions of this chapter and the rules adopted to implement and enforce it, by a validly licensed marijuana retailer, shall not be a criminal or civil offense under Washington state law. The annual fee for issuance and renewal of a marijuana retailer's license shall be one thousand three hundred eighty-one dollars. A separate license shall be required for each location at which a marijuana retailer intends to sell marijuana concentrates, useable marijuana, and marijuana-infused products.

(b) An individual retail licensee and all other persons or entities with a financial or other ownership interest in the business operating under the license are limited, in the aggregate, to holding a collective total of not more than five retail marijuana licenses.

(c)(i) A marijuana retailer's license is subject to forfeiture in accordance with rules adopted by the ((state liquor and cannabis)) board pursuant to this section.

(ii) The ((state liquor and cannabis)) board shall adopt rules to establish a license forfeiture process for a licensed marijuana retailer that is not fully operational and open to the public within a specified period from the date of license issuance, as established by the ((state liquor and cannabis)) board, subject to the following restrictions:

(A) No marijuana retailer's license may be subject to forfeiture within the first nine months of license issuance; and

(B) The ((state liquor and cannabis)) board must require license forfeiture on or before twenty-four calendar months of license issuance if a marijuana retailer is not fully operational and open to the public, unless the board determines that circumstances out of the licensee's control are preventing the licensee from becoming fully operational and that, in the board's discretion, the circumstances warrant extending the forfeiture period beyond twenty-four calendar months.

(iii) The ((state liquor and cannabis)) board has discretion in adopting rules under this subsection (3)(c).

(iv) This subsection (3)(c) applies to marijuana retailer's licenses issued before and after July 23, 2017. However, no license of a marijuana retailer that otherwise meets the conditions for license forfeiture established pursuant to this subsection (3)(c) may be subject to forfeiture within the first nine calendar months of July 23, 2017.

(v) The ((state liquor and cannabis)) board may not require license forfeiture if the licensee has been incapable of opening a fully operational retail marijuana business due to actions by the...
city, town, or county with jurisdiction over the licensee that include any of the following:

(A) The adoption of a ban or moratorium that prohibits the opening of a retail marijuana business; or

(B) The adoption of an ordinance or regulation related to zoning, business licensing, land use, or other regulatory measure that has the effect of preventing a licensee from receiving an occupancy permit from the jurisdiction or which otherwise prevents a licensed marijuana retailer from becoming operational.

Sec. 4. RCW 69.50.357 and 2017 c 317 s 13 and 2017 c 131 s 1 are each reenacted and amended to read as follows:

(1)(a) Retail outlets may not sell products or services other than marijuana concentrates, useable marijuana, marijuana-infused products, or paraphernalia intended for the storage or use of marijuana concentrates, useable marijuana, or marijuana-infused products.

(b)(i) Retail outlets may receive lockable boxes, intended for the secure storage of marijuana products and paraphernalia, and related literature as a donation from another person or entity, that is not a marijuana producer, processor, or retailer, for donation to their customers.

(ii) Retail outlets may donate the lockable boxes and provide the related literature to any person eligible to purchase marijuana products under subsection (2) of this section. Retail outlets may not use the donation of lockable boxes or literature as an incentive or as a condition of a recipient's purchase of a marijuana product or paraphernalia.

(iii) Retail outlets may also purchase and sell lockable boxes, provided that the sales price is not less than the cost of acquisition.

(2) Licensed marijuana retailers may not employ persons under twenty-one years of age or allow persons under twenty-one years of age to enter or remain on the premises of a retail outlet. However, qualifying patients between eighteen and twenty-one years of age with a recognition card may enter and remain on the premises of a retail outlet holding a medical marijuana endorsement and may purchase products for their personal medical use. Qualifying patients who are under the age of eighteen with a recognition card and who accompany their designated providers may enter and remain on the premises of a
retail outlet holding a medical marijuana endorsement, but may not purchase products for their personal medical use.

(3)(a) Licensed marijuana retailers must ensure that all employees are trained on the rules adopted to implement this chapter, identification of persons under the age of twenty-one, and other requirements adopted by the ((state liquor and cannabis)) board to ensure that persons under the age of twenty-one are not permitted to enter or remain on the premises of a retail outlet.

(b) Licensed marijuana retailers with a medical marijuana endorsement must ensure that all employees are trained on the subjects required by (a) of this subsection as well as identification of authorizations and recognition cards. Employees must also be trained to permit qualifying patients who hold recognition cards and are between the ages of eighteen and twenty-one to enter the premises and purchase marijuana for their personal medical use and to permit qualifying patients who are under the age of eighteen with a recognition card to enter the premises if accompanied by their designated providers.

(4) Except as provided in section 1 of this act or for the purposes of disposal as authorized by the ((state liquor and cannabis)) board, no licensed marijuana retailer or employee of a retail outlet may open or consume, or allow to be opened or consumed, any marijuana concentrates, useable marijuana, or marijuana-infused product on the outlet premises.

(5) The ((state liquor and cannabis)) board must fine a licensee one thousand dollars for each violation of any subsection of this section. Fines collected under this section must be deposited into the dedicated marijuana account created under RCW 69.50.530.

Sec. 5. RCW 69.50.369 and 2017 c 317 s 14 are each amended to read as follows:

(1) No licensed marijuana producer, processor, researcher, or retailer may place or maintain, or cause to be placed or maintained, any sign or other advertisement for a marijuana business or marijuana product, including useable marijuana, marijuana concentrates, or marijuana-infused product, in any form or through any medium whatsoever within one thousand feet of the perimeter of a school grounds, playground, recreation center or facility, child care center, public park, or library, or any game arcade admission to which is not restricted to persons aged twenty-one years or older.
(2) Except for the use of billboards as authorized under this section, licensed marijuana retailers may not display any signage outside of the licensed premises, other than two signs identifying the retail outlet by the licensee's business or trade name, stating the location of the business, and identifying the nature of the business. Each sign must be no larger than one thousand six hundred square inches and be permanently affixed to a building or other structure. The location and content of the retail marijuana signs authorized under this subsection are subject to all other requirements and restrictions established in this section for indoor signs, outdoor signs, and other marijuana-related advertising methods.

(3) A marijuana licensee may not utilize transit advertisements for the purpose of advertising its business or product line. "Transit advertisements" means advertising on or within private or public vehicles and all advertisements placed at, on, or within any bus stop, taxi stand, transportation waiting area, train station, airport, or any similar transit-related location.

(4) A marijuana licensee may not engage in advertising or other marketing practice that specifically targets persons residing outside of the state of Washington.

(5) All signs, billboards, or other print advertising for marijuana businesses or marijuana products must contain text stating that marijuana products may be purchased or possessed only by persons twenty-one years of age or older.

(6) A marijuana licensee may not:
   (a) Take any action, directly or indirectly, to target youth in the advertising, promotion, or marketing of marijuana and marijuana products, or take any action the primary purpose of which is to initiate, maintain, or increase the incidence of youth use of marijuana or marijuana products;
   (b) Use objects such as toys or inflatables, movie or cartoon characters, or any other depiction or image likely to be appealing to youth, where such objects, images, or depictions indicate an intent to cause youth to become interested in the purchase or consumption of marijuana products; or
   (c) Use or employ a commercial mascot outside of, and in proximity to, a licensed marijuana business. A "commercial mascot" means live human being, animal, or mechanical device used for attracting the attention of motorists and passersby so as to make
them aware of marijuana products or the presence of a marijuana business. Commercial mascots include, but are not limited to, inflatable tube displays, persons in costume, or wearing, holding, or spinning a sign with a marijuana-related commercial message or image, where the intent is to draw attention to a marijuana business or its products.

(7) A marijuana licensee that engages in outdoor advertising is subject to the advertising requirements and restrictions set forth in this subsection (7) and elsewhere in this chapter.

(a) All outdoor advertising signs, including billboards, are limited to text that identifies the retail outlet by the licensee's business or trade name, states the location of the business, and identifies the type or nature of the business. Such signs may not contain any depictions of marijuana plants, marijuana products, or images that might be appealing to children. The state liquor and cannabis board is granted rule-making authority to regulate the text and images that are permissible on outdoor advertising. Such rule making must be consistent with other administrative rules generally applicable to the advertising of marijuana businesses and products.

(b) Outdoor advertising is prohibited:

(i) On signs and placards in arenas, stadiums, shopping malls, fairs that receive state allocations, farmers markets, and video game arcades, whether any of the foregoing are open air or enclosed, but not including any such sign or placard located in an adult only facility; and

(ii) Billboards that are visible from any street, road, highway, right-of-way, or public parking area are prohibited, except as provided in (c) of this subsection.

(c) Licensed retail outlets may use a billboard or outdoor sign solely for the purpose of identifying the name of the business, the nature of the business, and providing the public with directional information to the licensed retail outlet. Billboard advertising is subject to the same requirements and restrictions as set forth in (a) of this subsection.

(d) Advertising signs within the premises of a retail marijuana business outlet that are visible to the public from outside the premises must meet the signage regulations and requirements applicable to outdoor signs as set forth in this section.
(e) The restrictions and regulations applicable to outdoor advertising under this section are not applicable to:

(i) An advertisement inside a licensed retail establishment that sells marijuana products that is not placed on the inside surface of a window facing outward; or

(ii) An outdoor advertisement at the site of an event to be held at an adult only facility that is placed at such site during the period the facility or enclosed area constitutes an adult only facility, but in no event more than fourteen days before the event, and that does not advertise any marijuana product other than by using a brand name to identify the event.

(8) Merchandising within a retail outlet or marijuana industry show or event is not advertising for the purposes of this section.

(9) This section does not apply to a noncommercial message.

(10)(a) The (state liquor and cannabis) board must:

(i) Adopt rules implementing this section and specifically including provisions regulating the billboards and outdoor signs authorized under this section; and

(ii) Fine a licensee one thousand dollars for each violation of this section until the (state liquor and cannabis) board adopts rules prescribing penalties for violations of this section. The rules must establish escalating penalties including fines and up to suspension or revocation of a marijuana license for subsequent violations.

(b) Fines collected under this subsection must be deposited into the dedicated marijuana account created under RCW 69.50.530.

(11) A city, town, or county may adopt rules of outdoor advertising by licensed marijuana retailers that are more restrictive than the advertising restrictions imposed under this chapter. Enforcement of restrictions to advertising by a city, town, or county is the responsibility of the city, town, or county.

Sec. 6. RCW 69.50.445 and 2015 2nd sp.s. c 4 s 401 are each amended to read as follows:

(1) It is unlawful to open a package containing marijuana, useable marijuana, marijuana-infused products, or marijuana concentrates, or consume marijuana, useable marijuana, marijuana-infused products, or marijuana concentrates, in view of the general public or in a public place, except as provided in sections 1 and 2 of this act.
(2) For the purposes of this section, "public place" has the same meaning as defined in RCW 66.04.010, but the exclusions in RCW 66.04.011 do not apply.

(3) A person who violates this section is guilty of a class 3 civil infraction under chapter 7.80 RCW.

**Sec. 7.** RCW 69.50.465 and 2015 2nd sp.s. c 4 s 1401 are each amended to read as follows:

(1) It is unlawful for any person to conduct or maintain a marijuana club by himself or herself or by associating with others, or in any manner aid, assist, or abet in conducting or maintaining a marijuana club, except as provided in sections 1 and 2 of this act.

(2) It is unlawful for any person to conduct or maintain a public place where marijuana is held or stored, except as provided for a licensee under this chapter, or consumption of marijuana is permitted, except as provided in sections 1 and 2 of this act.

(3) Any person who violates this section is guilty of a class C felony punishable under chapter 9A.20 RCW.

(4) The following definitions apply throughout this section unless the context clearly requires otherwise.

(a) "Marijuana club" means a club, association, or other business, for profit or otherwise, that conducts or maintains a premises for the primary or incidental purpose of providing a location where members or other persons may keep or consume marijuana on the premises.

(b) "Public place" means, in addition to the definition provided in RCW 66.04.010, any place to which admission is charged or for which any pecuniary gain is realized by the owner or operator of such place.

**Sec. 8.** RCW 69.50.535 and 2015 2nd sp.s. c 4 s 205 are each amended to read as follows:

1. (a) There is levied and collected a marijuana excise tax equal to thirty-seven percent of the selling price on each retail or direct sale in this state of marijuana concentrates, useable marijuana, and marijuana-infused products. This tax is separate and in addition to general state and local sales and use taxes that apply to retail sales of tangible personal property, and is not part of the total retail price to which general state and local sales and use taxes
apply. The tax must be separately itemized from the state and local retail sales tax on the sales receipt provided to the buyer.

(b) The tax levied in this section must be reflected in the price list or quoted shelf price in the licensed marijuana retail store and in any advertising that includes prices for all useable marijuana, marijuana concentrates, or marijuana-infused products.

(2) All revenues collected from the marijuana excise tax imposed under this section must be deposited each day in the dedicated marijuana account.

(3) The tax imposed in this section must be paid by the buyer to the seller. Each seller must collect from the buyer the full amount of the tax payable on each taxable sale. The tax collected as required by this section is deemed to be held in trust by the seller until paid to the board. If any seller fails to collect the tax imposed in this section or, having collected the tax, fails to pay it as prescribed by the board, whether such failure is the result of the seller's own acts or the result of acts or conditions beyond the seller's control, the seller is, nevertheless, personally liable to the state for the amount of the tax.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Board" means the state liquor and cannabis board.

(b) "Retail sale" has the same meaning as in RCW 82.08.010.

(c) "Selling price" has the same meaning as in RCW 82.08.010, except that when product is sold under circumstances where the total amount of consideration paid for the product is not indicative of its true value, "selling price" means the true value of the product sold.

(d) "Product" means marijuana, marijuana concentrates, useable marijuana, and marijuana-infused products.

(e) "True value" means market value based on sales at comparable locations in this state of the same or similar product of like quality and character sold under comparable conditions of sale to comparable purchasers. However, in the absence of such sales of the same or similar product, true value means the value of the product sold as determined by all of the seller's direct and indirect costs attributable to the product.

(5)(a) The board must regularly review the tax level established under this section and make recommendations, in consultation with the department of revenue, to the legislature as appropriate regarding
adjustments that would further the goal of discouraging use while
undercutting illegal market prices.

(b) The [(state liquor and cannabis)] board must report, in
compliance with RCW 43.01.036, to the appropriate committees of the
legislature every two years. The report at a minimum must include the
following:

(i) The specific recommendations required under (a) of this
subsection;

(ii) A comparison of gross sales and tax collections prior to and
after any marijuana tax change;

(iii) The increase or decrease in the volume of legal marijuana
sold prior to and after any marijuana tax change;

(iv) Increases or decreases in the number of licensed marijuana
producers, processors, and retailers;

(v) The number of illegal and noncompliant marijuana outlets the
board requires to be closed;

(vi) Gross marijuana sales and tax collections in Oregon; and

(vii) The total amount of reported sales and use taxes exempted
for qualifying patients. The department of revenue must provide the
data of exempt amounts to the board.

(c) The board is not required to report to the legislature as
required in (b) of this subsection after January 1, 2025.

(6) The legislature does not intend and does not authorize any
person or entity to engage in activities or to conspire to engage in
activities that would constitute per se violations of state and
federal antitrust laws including, but not limited to, agreements
among retailers as to the selling price of any goods sold.

Sec. 9. RCW 66.20.010 and 2017 c 250 s 1 are each amended to
read as follows:

Upon application in the prescribed form being made to any
employee authorized by the board to issue permits, accompanied by
payment of the prescribed fee, and upon the employee being satisfied
that the applicant should be granted a permit under this title, the
employee must issue to the applicant under such regulations and at
such fee as may be prescribed by the board a permit of the class
