AN ACT Relating to domestic brewery and microbrewery retail licenses; amending RCW 66.24.244; and reenacting and amending RCW 66.24.240.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 66.24.240 and 2011 c 195 s 6 and 2011 c 119 s 212 are each reenacted and amended to read as follows:

(1) There shall be a license for domestic breweries; fee to be two thousand dollars for production of sixty thousand barrels or more of malt liquor per year.

(2) Any domestic brewery, except for a brand owner of malt beverages under RCW 66.04.010(7), licensed under this section may also act as a distributor and/or retailer for beer of its own production. Any domestic brewery operating as a distributor and/or retailer under this subsection shall comply with the applicable laws and rules relating to distributors and/or retailers. A domestic brewery holding a spirits, beer, and wine restaurant license may sell beer of its own production for off-premises consumption from its restaurant premises in kegs or in a sanitary container brought to the premises by the purchaser or furnished by the licensee and filled at the tap by the licensee at the time of sale.
(3) Any domestic brewery licensed under this section may also sell beer produced by another domestic brewery or a microbrewery for on and off-premises consumption from its premises as long as the other breweries' brands do not exceed twenty-five percent of the domestic brewery's on-tap offering of its own brands.

(4) A domestic brewery may hold up to (two) four retail licenses to operate an on or (off-premise [off-premises]) off-premises tavern, beer and/or wine restaurant, (spirits, beer, and wine restaurant) or any combination thereof. This retail license is separate from the brewery license. A brewery that holds a tavern license, a spirits, beer, and wine restaurant license, or a beer and/or wine restaurant license shall hold the same privileges and endorsements as permitted under RCW 66.24.320, 66.24.330, and 66.24.420.

(5) Any domestic brewery licensed under this section may contract-produce beer for a brand owner of malt beverages defined under RCW 66.04.010(7), and this contract-production is not a sale for the purposes of RCW 66.28.170 and 66.28.180.

(6)(a) A domestic brewery licensed under this section and qualified for a reduced rate of taxation pursuant to RCW 66.24.290(3)(b) may apply to the board for an endorsement to sell bottled beer of its own production at retail for off-premises consumption at a qualifying farmers market. The annual fee for this endorsement is seventy-five dollars.

(b) For each month during which a domestic brewery will sell beer at a qualifying farmers market, the domestic brewery must provide the board or its designee a list of the dates, times, and locations at which bottled beer may be offered for sale. This list must be received by the board before the domestic brewery may offer beer for sale at a qualifying farmers market.

(c) The beer sold at qualifying farmers markets must be produced in Washington.

(d) Each approved location in a qualifying farmers market is deemed to be part of the domestic brewery license for the purpose of this title. The approved locations under an endorsement granted under this subsection do not include the tasting or sampling privilege of a domestic brewery. The domestic brewery may not store beer at a farmers market beyond the hours that the domestic brewery offers bottled beer for sale. The domestic brewery may not act as a distributor from a farmers market location.
(e) Before a domestic brewery may sell bottled beer at a qualifying farmers market, the farmers market must apply to the board for authorization for any domestic brewery with an endorsement approved under this subsection to sell bottled beer at retail at the farmers market. This application shall include, at a minimum: (i) A map of the farmers market showing all booths, stalls, or other designated locations at which an approved domestic brewery may sell bottled beer; and (ii) the name and contact information for the on-site market managers who may be contacted by the board or its designee to verify the locations at which bottled beer may be sold.

Before authorizing a qualifying farmers market to allow an approved domestic brewery to sell bottled beer at retail at its farmers market location, the board shall notify the persons or entities of such application for authorization pursuant to RCW 66.24.010 (8) and (9). An authorization granted under this subsection (6)(e) may be withdrawn by the board for any violation of this title or any rules adopted under this title.

(f) The board may adopt rules establishing the application and approval process under this section and such additional rules as may be necessary to implement this section.

(g) For the purposes of this subsection:

as follows:

(1) There shall be a license for microbreweries; fee to be one
hundred dollars for production of less than sixty thousand barrels of
malt liquor, including strong beer, per year.

(2)(a) Any microbrewery licensed under this section may also act
as a distributor and/or retailer for beer and strong beer of its own
production.

(b) Any microbrewery operating as a distributor and/or retailer
under this subsection must comply with the applicable laws and rules
relating to distributors and/or retailers, except that a microbrewery
operating as a distributor may maintain a warehouse off the premises
of the microbrewery for the distribution of beer provided that:

(i) The warehouse has been approved by the board under RCW
66.24.010; and

(ii) The number of warehouses off the premises of the
microbrewery does not exceed one.

(c) A microbrewery holding a spirits, beer, and wine restaurant
license may sell beer of its own production for off-premises
consumption from its restaurant premises in kegs or in a sanitary
container brought to the premises by the purchaser or furnished by
the licensee and filled at the tap by the licensee at the time of
sale.

(3) Any microbrewery licensed under this section may also sell
from its premises for on-premises and off-premises consumption:

(b) Cider produced by a domestic winery.

(4) The board may issue up to (two) four retail licenses allowing a microbrewery to operate an on or off-premises tavern, beer and/or wine restaurant, (or) spirits, beer, and wine restaurant, or any combination thereof.

(6)(a) A microbrewery licensed under this section may apply to the board for an endorsement to sell bottled beer of its own production at retail for off-premises consumption at a qualifying farmers market. The annual fee for this endorsement is seventy-five dollars. However, strong beer may not be sold at a farmers market or under any endorsement which may authorize microbreweries to sell beer at farmers markets.

(b) For each month during which a microbrewery will sell beer at a qualifying farmers market, the microbrewery must provide the board or its designee a list of the dates, times, and locations at which bottled beer may be offered for sale. This list must be received by the board before the microbrewery may offer beer for sale at a qualifying farmers market.

(c) Any person selling or serving beer must obtain a class 12 or class 13 alcohol server permit.

(d) The beer sold at qualifying farmers markets must be produced in Washington.

(e) Each approved location in a qualifying farmers market is deemed to be part of the microbrewery license for the purpose of this title. The approved locations under an endorsement granted under this subsection (6) include tasting or sampling privileges subject to the conditions pursuant to RCW 66.24.175. The microbrewery may not store beer at a farmers market beyond the hours that the microbrewery offers bottled beer for sale. The microbrewery may not act as a distributor from a farmers market location.

(f) Before a microbrewery may sell bottled beer at a qualifying farmers market, the farmers market must apply to the board for authorization for any microbrewery with an endorsement approved under
this subsection (6) to sell bottled beer at retail at the farmers market. This application must include, at a minimum: (i) A map of the farmers market showing all booths, stalls, or other designated locations at which an approved microbrewery may sell bottled beer; and (ii) the name and contact information for the on-site market managers who may be contacted by the board or its designee to verify the locations at which bottled beer may be sold. Before authorizing a qualifying farmers market to allow an approved microbrewery to sell bottled beer at retail at its farmers market location, the board must notify the persons or entities of the application for authorization pursuant to RCW 66.24.010 (8) and (9). An authorization granted under this subsection (6)(f) may be withdrawn by the board for any violation of this title or any rules adopted under this title.

(g) The board may adopt rules establishing the application and approval process under this section and any additional rules necessary to implement this section.
