(18)(a) "Microenterprise home kitchen operation" means a food facility that is operated by a person in the person's primary domestic residence where food is stored, handled, prepared for, and may be served to, consumers.

(b) "Microenterprise home kitchen operation" does not include a cottage food operation as defined in chapter 69.22 RCW.

(19) "Third-party delivery service" means an outsourced entity that provides delivery logistics of purchased meals from vendor to consumer.

NEW SECTION.  Sec. 2. A new section is added to chapter 43.20 RCW to read as follows:

(1) The state board shall adopt rules for the authorization, operation, and regulation of microenterprise home kitchen operations. The state board may delegate its rule-making authority under this section to the secretary and may rescind such delegated authority.

(2) Microenterprise home kitchen operations may engage in one or more of the following activities, subject to rules adopted pursuant to this section:

(a) The direct sale to consumers of food products to be consumed on the premises of the microenterprise home kitchen;

(b) The direct sale to consumers of food products to be consumed at a location other than the premises of the microenterprise home kitchen operation, whether delivered directly to the consumer by the microenterprise home kitchen or by an intermediary;

(c) Cooking classes, and similar educational experiences, that take place on the premises of the microenterprise home kitchen operation; and

(d) Catering activities in which a specific menu and amount of food is prepared on the premises of the microenterprise home kitchen operation for service to a customer at a different location.
(3) Rules adopted pursuant to this section must provide that microenterprise home kitchen operations are subject to the following restrictions:

(a) Food preparation may not involve processes that require a hazard analysis critical control point plan, as specified in WAC 246-215-08210 as it existed on May 21, 2019, the production, service, or sale of raw milk or raw milk products, as identified in RCW 15.36.012, or the service or sale of raw oysters;

(b) The operation may sell no more than thirty individual meals per day and no more than one hundred fifty individual meals per week;

(c) The operation may not engage in indirect sales to consumers;

(d) Food products prepared in a microenterprise home kitchen may not be delivered outside of the state by the operator of the microenterprise home kitchen unless allowed in the state of delivery;

(e) Food produced in a microenterprise home kitchen operation may not be delivered by a third-party delivery service; and

(f) An internet food service intermediary must conspicuously post any fees associated with their digital network in high school equivalent English and Spanish, as well as whether they offer or provide liability insurance, and notify microenterprise home kitchen operators in writing thirty days in advance of any fee change exceeding a two percent increase.

(4) Rules adopted pursuant to this section may include, but are not limited to, the following requirements:

(a) The restrictions provided in subsection (3) of this section;

(b) The application for and renewal of permits as provided in section 3 of this act;

(c) Inspections as provided in section 5 of this act;

(d) Sanitary procedures;

(e) Facility, equipment, and utensil requirements;

(f) Labeling specificity beyond the requirements of this section;

(g) Requirements for clean water sources and waste and wastewater disposal; and

(h) Requirements for washing and other hygienic practices.

(5) Rules adopted pursuant to this section must specify that microenterprise home kitchen operations are exempt from the following provisions of the food service code, chapter 246-215 WAC, as it existed on May 21, 2019:

(a) Handwashing facilities requirements, provided that a sink with one or two large tubs placed next to it is used for washing,
rinsing, and sanitizing; and warm water, soap, and disposable paper
towels are available and used in the identified primary toilet room
and microenterprise home kitchen area by all persons working in the
microenterprise home kitchen;

(b) Prohibitions on the presence of persons unnecessary to the
food facility operation in the food preparation, food storage, or
warewashing areas;

(c) Requirements relating to posting of "no smoking" signs;

(d) Limitations on employee consumption of food, drink, or
tobacco outside of designated areas when not preparing food for sale;

(e) Limitations on consumer access to the food facility through
food preparation areas when not preparing food for sale;

(f) Display guard, cover, and container requirements. However,
when food is left out uncovered on a kitchen counter or table due to
processing steps, such as cooling, active controls are in place to
prevent inadvertent contamination by children or pets. Active
controls may include presence of the permittee or an employee or use
of child or pet barriers;

(g) Limitations on outdoor display and sale of foods;

(h) Requirements to provide clean drinking cups and tableware for
second portions and beverage refills;

(i) Requirements pertaining to the characteristics and
certification of utensils and equipment, provided that the utensils
and equipment are designed to retain their characteristic qualities
under normal use conditions;

(j) Requirements pertaining to the characteristics, construction,
and multiuse of food-contact and nonfood-contact surfaces, provided
that food contact surfaces are smooth, easily cleanable, and in good
repair;

(k) Requirements pertaining to the characteristics, construction,
and disassembly of clean in place equipment;

(l) Limitations on the use of wood as a food contact surface and
in connection with other equipment;

(m) Any requirement relating to ventilation, provided that gases,
odors, steam, heat, grease, vapors, and smoke are able to escape from
the kitchen, unless a serious risk of fire exists;

(n) Requirements that cold or hot holding equipment used for
potentially hazardous food be equipped with integral or permanently
affixed temperature measuring devices or product mimicking sensors;
(o) Requirements pertaining to the installation of fixed, floor-mounted, and table-mounted equipment;

(p) Dedicated laundry facility requirements, provided that linens used in connection with the microenterprise home kitchen operation must be laundered separately from the household and other laundry;

(q) Requirements pertaining to water, plumbing, drainage, and waste, provided that microenterprise home kitchen operations that have a private water supply have the supply tested at least sixty days prior to permitting and at least annually thereafter and demonstrate through a written record of testing that the water supply is potable;

(r) Any requirement that a microenterprise home kitchen operation have more than one toilet facility or that access to the toilet facility not require passage through the food preparation, food storage, or utensil washing areas;

(s) Light intensity, light source, and lightbulb requirements, provided that food preparation areas are well lighted by natural or artificial light whenever food is being prepared;

(t) Requirements to provide and use lockers, storage facilities, and designated dressing areas, and that food facility premises be free of litter and items that are unnecessary to the operation, provided that personal effects and clothing not ordinarily found in a home kitchen are placed or stored away from food preparation areas and dressing takes place outside of the kitchen;

(u) Limitations on the presence and handling of animals, such as domestic, service, or patrol animals, provided that a pet control plan that precludes pet entry or access to all areas of the microenterprise home kitchen operation during food cooking or preparation is in place;

(v) Requirements pertaining to floor, wall, and ceiling surfaces, provided that the floor, wall, and ceiling surfaces of the kitchen, storage, and toilet areas are smooth, of durable construction, and easily cleanable with no limitations on the use of wood, tile, and other nonfiber floor surfaces ordinarily used in residential settings;

(w) Any local evaluation or grading system for food facilities; and

(x) All prohibitions and limitations on the use of a kitchen in a private home as a food facility, provided that food is not prepared in designated sleeping quarters. Open kitchens adjacent to living and
sleeping areas, kitchens in efficiency, studio, and loft-style residences, and kitchens without doors at all points of ingress and egress may be used in microenterprise home kitchen operations.

NEW SECTION. Sec. 3. A new section is added to chapter 43.20 RCW to read as follows:

(1) A microenterprise home kitchen operation must obtain a permit from the local health board on forms developed by the local health board. The local health board may require a microenterprise home kitchen operation to renew its permit annually. All applications for permits and permit renewals must be made on forms developed by the local health board and be accompanied by an inspection fee as provided in section 4 of this act.

(2) As part of the application for a permit to operate as a microenterprise home kitchen operation, an applicant shall submit to the local health board written standard operating procedures that include all of the following information:
   (a) All food types or products that will be handled;
   (b) The proposed procedures and methods of food preparation and handling;
   (c) Procedures, methods, and schedules for cleaning utensils, equipment, and for the disposal of refuse;
   (d) How food will be maintained at the required holding temperatures pending pickup by consumer or during delivery if delivered by the operator; and
   (e) Days and times that the home kitchen may potentially be utilized as a microenterprise home kitchen operation. The listed days and times are provided only for informational purposes and are not binding on the permit-holder's actual operations.

(3) Operating plans must be made on forms developed by the local health board and be accompanied by a review fee as provided in section 4 of this act.

(4) A microenterprise home kitchen operation permitted under this section must include a signed document attesting, by opting to become permitted, that the permitted microenterprise home kitchen operator expressly grants to the local health board the right to enter the permitted area of the domestic residence housing the microenterprise home kitchen operation for the purposes of inspections pursuant to section 4 of this act. Nonemergency inspections may occur only during the normal business hours of the operation and with reasonable
advance notice to the operator. Under ordinary circumstances, forty-eight hours advance notice is considered reasonable for purposes of this section.

(5) For purposes of permitting, the permitted area includes the home kitchen, on-site consumer eating area, food storage, utensils and equipment, toilet room, janitorial or cleaning facilities, outdoor cooking facilities, and refuse storage area. Food operations may not be conducted outside of the permitted areas.

(6)(a) The local enforcement agency shall issue a permit after an initial inspection and review of the microenterprise home kitchen operation's standard operating procedure have determined that the proposed microenterprise home kitchen operation and its method of operation comply with the requirements of this chapter.

(b) The local health board may not require a microenterprise home kitchen operation to comply with food safety requirements that are different from, or in addition to, the requirements of this chapter.

(7) In addition to the provision of any information required by the local health board on forms developed under subsection (1) of this section and the payment of all fees, an applicant for a permit or a permit renewal as a microenterprise home kitchen operation must also provide documentation that all individuals to be involved in the preparation of microenterprise home kitchen foods have secured a food and beverage service worker's permit under chapter 69.06 RCW.

(8) A permit, once issued, is nontransferable. A permit is valid only for the person and location specified by that permit and, unless suspended or revoked for cause, for the time period indicated.

(9) The permit, or an accurate copy thereof, must be retained by the operator on-site and displayed at all times the microenterprise home kitchen operation is in operation.

NEW SECTION. Sec. 4. A new section is added to chapter 43.20 RCW to read as follows:

(1) The permitted area of a microenterprise home kitchen operation must be inspected for basic hygiene by the local health board before initial permitting under section 3 of this act and may, at the discretion of the local health board, be inspected up to once per year after initial permitting. In addition, the local health board may inspect the permitted area of a microenterprise home kitchen operation, as defined in section 3 of this act, at any time in response to a foodborne outbreak or other public health emergency.
The authority of a local health board to inspect a microenterprise home kitchen operation includes the authority to inspect any records required to be kept under the provisions of this chapter. For any inspection, the local health board shall document the reason for the inspection, shall maintain such documentation on file with the microenterprise home kitchen operation's permit, and shall provide the reason for the inspection in writing to the operator of the microenterprise home kitchen operation.

(2) When a local health board conducts a basic hygiene inspection, the local health board shall, at a minimum, inspect for the following:

(a) That the permitted microenterprise home kitchen operator understands that no person other than the permittee, or a person under the direct supervision of the permittee, may be engaged in the processing, preparing, packaging, or handling of any microenterprise home kitchen food products or be in the home kitchen during the preparation, packaging, or handling of any microenterprise home kitchen food products;

(b) That no microenterprise home kitchen food preparation, packaging, or handling is occurring in the microenterprise home kitchen concurrent with any other domestic activities such as family meal preparation, dishwashing, clothes washing or ironing, kitchen cleaning, or guest entertainment, except that this subsection (2)(b) may not be construed so as to prohibit a microenterprise home kitchen operation from offering cooking classes within the home kitchen;

(c) That no infants, small children, or pets are in the microenterprise home kitchen during the preparation, packaging, or handling of any microenterprise home kitchen food products;

(d) That all food contact surfaces, equipment, and utensils used for the preparation, packaging, or handling of any microenterprise home kitchen food products are washed, rinsed, and sanitized before each use;

(e) That all food preparation and food and equipment storage areas are maintained free of rodents and insects; and

(f) That all persons involved in the preparation and packaging of microenterprise home kitchen food products:

(i) Have obtained a food and beverage service workers permit under chapter 69.06 RCW;

(ii) Are not preparing meals for sale in the home kitchen when ill with a transferable disease or condition;
(iii) Wash their hands before any food preparation and food packaging activities; and

(iv) Avoid bare hand contact with ready-to-eat foods through the use of single-service gloves, bakery papers, tongs, or other utensils.

(3) Nonemergency inspections may occur only during the normal business hours of the microenterprise home kitchen operation and with reasonable advance notice to the operator. Under ordinary circumstances, forty-eight hours advance notice is considered reasonable for purposes of this section.

(4) Should the local health board be denied access to the permitted area of a domestic residence housing a microenterprise home kitchen operation where access was sought for the purposes of enforcing or administering this chapter, the local health board may:

(a) Issue a closure notice to be posted on the premises in a conspicuous location during normal business hours of the operation for potential patrons and require that either the production or sale, or both, of food products cease immediately; and

(b) Apply to any court of competent jurisdiction for a search warrant authorizing access to the permitted area of a domestic residence housing a permitted microenterprise home kitchen operation, upon which the court may issue a search warrant for the purposes requested.

(5) The local health board may charge a fee for issuing or renewing microenterprise home kitchens as authorized by RCW 70.05.060.

(6) Access provided under this section is limited to the permitted area of the microenterprise home kitchen operation, during the posted operating hours of the microenterprise home kitchen operation, and solely for the purpose of enforcing or administering this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 43.20 RCW to read as follows:

The rights, remedies, and procedures respecting the administration of this chapter, including rule making, emergency actions, and permit suspension, revocation, or denial are governed by chapter 34.05 RCW.
NEW SECTION. Sec. 6. A new section is added to chapter 43.20 RCW to read as follows:

(1) When a local health board determines that any person is engaging in a microenterprise home kitchen operation without a valid permit issued under section 3 of this act, or an operator of a microenterprise home kitchen operation is violating any provision of this chapter or any rule adopted under this chapter, the local health board may initiate one, or a combination of one or more, of the following compliance methods:

(a) Holding an administrative conference with the operator of the microenterprise home kitchen operation, which may include, as appropriate, the issuance of a warning and the offer of technical assistance;

(b) Placing the microenterprise home kitchen operation on probation, which may include setting conditions for continued operation of the microenterprise home kitchen operation during the probation period and, if the individual is operating without a valid permit, an administrative fine;

(c) Suspending the permit of the microenterprise home kitchen operation;

(d) Revoking the permit of the microenterprise home kitchen operation; and

(e) Issue fees to cover the cost of inspections prior to an operation preparing food after suspension or revocation.

(2) The operation of a microenterprise home kitchen operation cannot be used as legal grounds for eviction, unless specifically identified in a lease agreement.

NEW SECTION. Sec. 7. A new section is added to chapter 43.20 RCW to read as follows:

(1) After conducting a hearing, the local health board may deny, suspend, or revoke any permit provided for in this chapter if it is determined that a permittee has committed any of the following acts:

(a) Refused, neglected, or failed to comply with the provision of this chapter, any rule adopted to administer this chapter, or any lawful order of the local health board;

(b) Refused, neglected, or failed to keep and maintain records required by this chapter or to make the records available when requested pursuant to the provisions of this chapter;
(c) Consistent with section 4 of this act, refused the local health board access to the permitted area of a domestic residence housing a microenterprise home kitchen operation for the purpose of carrying out the provisions of this chapter;

(d) Consistent with section 4 of this act, refused the local health board access to any records required to be kept under the provisions of this chapter; or

(e) Exceeded the meal preparation limits provided in section 2 of this act.

(2) The local health board may summarily suspend a permit issued under this chapter if the health officer or designee finds that a microenterprise home kitchen operation is operating under conditions that constitute an immediate danger to public health or if the local health board is denied access to the permitted area of a domestic residence housing a microenterprise home kitchen operation and records where the access was sought for the purposes of enforcing or administering this chapter.

NEW SECTION. Sec. 8. A new section is added to chapter 43.20 RCW to read as follows:
Except as otherwise provided in this chapter, a microenterprise home kitchen operation with a valid permit under section 3 of this act is not subject to the provisions of chapter 69.07 RCW or to permitting and inspection by the department of agriculture.

NEW SECTION. Sec. 9. A new section is added to chapter 69.07 RCW to read as follows:
This chapter does not apply to a microenterprise home kitchen operation with a valid permit under section 3 of this act.

NEW SECTION. Sec. 10. A new section is added to chapter 70.54 RCW to read as follows:
The department of health shall compile and maintain, in a manner and format readily accessible by the public, statistics related to the number and distribution of microenterprise home kitchen operations permitted pursuant to section 3 of this act.
