
HOUSE BILL 2816

State of Washington

66th Legislature

2020 Regular Session

By Representatives Corry, Steele, Caldier, Van Werven, Eslick, Chambers, and Boehnke

Read first time 01/23/20. Referred to Committee on Education.

1 AN ACT Relating to nurturing positive social and emotional school
2 and classroom climates; adding a new section to chapter 28A.345 RCW;
3 and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that each school
6 community member should be treated with dignity, should have the
7 opportunity to learn, work, interact, and socialize in physically,
8 emotionally, and intellectually safe, respectful, and positive school
9 environments, and should have the opportunity to experience high
10 quality relationships. The legislature recognizes that schools have
11 the responsibility to promote conditions designed to create,
12 maintain, and nurture a positive social and emotional school and
13 classroom climate. Therefore, the legislature intends to require the
14 Washington state school directors' association to develop a model
15 policy and procedure for nurturing a positive social and emotional
16 school and classroom climate and to require school districts to adopt
17 a policy and procedures consistent with the model policy and
18 procedures.

19 NEW SECTION. **Sec. 2.** A new section is added to chapter 28A.345
20 RCW to read as follows:

1 (1) The Washington state school directors' association shall
2 develop a model policy and procedure for nurturing a positive social
3 and emotional school and classroom climate. The goal of the policy
4 and procedure is to support and promote school and school district
5 action plans that create, maintain, and nurture physically,
6 emotionally, and intellectually safe, respectful, and positive school
7 and classroom environments that foster equitable, ethical, social,
8 emotional, and academic education for all students.

9 (2) The model policy and procedure must:

10 (a) Recognize that there is not one best way to create, maintain,
11 and nurture a positive social and emotional school and classroom
12 climate and consider each school's history, strengths, needs, and
13 goals;

14 (b) Define and describe the essential elements of a positive
15 social and emotional school and classroom climate;

16 (c) Recognize the important role that students' families play in
17 collaborating with the school and school district in creating,
18 maintaining, and nurturing a positive social and emotional school and
19 classroom climate; and

20 (d) Describe a framework for an effective and informed positive
21 social and emotional school and classroom climate improvement process
22 that includes a continuous cycle of planning and preparation,
23 evaluation, action planning, and implementation.

24 (3) In developing the model policy and procedure described in
25 subsection (1) of this section, the Washington state school
26 directors' association must:

27 (a) Consult with staff at the office of the superintendent of
28 public instruction and school districts who have expertise in
29 developing and implementing policies that create, maintain, and
30 nurture positive social and emotional school and classroom climates;

31 (b) Consider the relationship between the model policy and
32 procedure and policies related to student behaviors and student
33 discipline; and

34 (c) Review research on, and examples of effective implementation
35 of, restorative practices, collaborative and proactive practices,
36 trauma-sensitive and trauma-informed practices, classroom management,
37 and other topics related to the goal of the policy as identified in
38 subsection (1) of this section.

1 (4) The model policy and procedure developed under subsection (1)
2 of this section must be posted publicly on the Washington state
3 school directors' association's web site by December 1, 2020.

4 (5) School districts shall adopt and implement a policy and
5 procedure for promoting a positive school and classroom climate
6 consistent with the model policy developed under subsection (1) of
7 this section by September 1, 2021.
