Sec. 3. RCW 38.52.105 and 2019 c 415 s 956 are each amended to read as follows:

The disaster response account is created in the state treasury. Moneys may be placed in the account from legislative appropriations and transfers, federal appropriations, or any other lawful source. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for support of state agency and local government disaster response and recovery efforts, including response to the novel coronavirus pursuant to the gubernatorial declaration of emergency of February 29, 2020, and to reimburse the workers' compensation funds and self-insured employers under RCW 51.16.220. During the 2017-2019 and 2019-2021 fiscal biennia, expenditures from the disaster response account may be used for military department operations and to support wildland fire suppression preparedness, prevention, and restoration activities by state agencies and local governments. During the 2017-2019 and 2019-2021 fiscal biennia, the legislature may direct the treasurer to make transfers of moneys in the disaster response account to the state general fund. It is the intent of the legislature that these policies will be continued in subsequent fiscal biennia.

Any nursing facility payment made under this section shall not be included in the calculation of the annual statewide weighted average nursing facility payment rate.
