
SUBSTITUTE SENATE BILL 5417

State of Washington

66th Legislature

2019 Regular Session

By Senate Transportation (originally sponsored by Senators Padden, Hobbs, Van De Wege, and Wagoner)

READ FIRST TIME 02/07/19.

1 AN ACT Relating to authorizing military surplus vehicles to
2 operate on public highways; amending RCW 46.04.123, 46.04.126,
3 46.18.220, and 46.37.010; adding a new section to chapter 46.04 RCW;
4 adding a new section to chapter 46.12 RCW; creating a new section;
5 prescribing penalties; and providing an effective date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** Washington is home to hundreds of
8 thousands of men and women who protect us through their service in
9 the United States armed forces. There is a strong commitment,
10 respect, and interest for the armed forces that is prevalent in
11 celebrations, parades, community events, fundraisers, and exhibitions
12 throughout Washington communities. Military vehicles are iconic,
13 patriotic, and stir a sense of nostalgic and civic pride. Therefore,
14 the legislature recognizes there is a public interest in allowing
15 vehicles that have been an active part of military operations to be
16 able to operate on the public highways to be involved in parades,
17 veterans' events, car club activities, community events, exhibitions,
18 and other similarly limited circumstances. Military-issued vehicles,
19 such as the high mobility multipurpose wheeled vehicle, include
20 operational safety equipment to protect drivers and passengers of the
21 vehicle, yet do not meet all of the federal vehicle requirements.

1 They are built to drive on United States highways and beyond in much
2 less pristine conditions. Therefore, this act authorizes travel for
3 military surplus vehicles in good operating order to traverse
4 Washington's public highways in limited circumstances.

5 NEW SECTION. **Sec. 2.** A new section is added to chapter 46.04
6 RCW to read as follows:

7 "Military surplus vehicle" means a vehicle that is not operated
8 using continuous tracks, was originally manufactured and sold
9 directly to the armed forces of the United States, was originally
10 manufactured under the federally mandated requirements set forth in
11 49 C.F.R. Sec. 571.7, and is no longer owned by the United States
12 armed forces.

13 **Sec. 3.** RCW 46.04.123 and 2014 c 72 s 2 are each amended to read
14 as follows:

15 "Collectible vehicle" means a vehicle that complies with the
16 following:

17 (1) (a) Is of unique or rare design, of limited production, and an
18 object of curiosity;

19 ~~((2))~~ (b) Is maintained primarily for use in car club
20 activities, exhibitions, parades, or other functions of public
21 interest or for a private collection, and is used only infrequently
22 for other purposes; and

23 ~~((3))~~ (c) Has collectible vehicle or classic automobile
24 insurance coverage that restricts the collectible vehicle mileage or
25 use, or both, and requires the owner to have another vehicle for
26 personal use; or

28 **Sec. 4.** RCW 46.04.126 and 2015 c 200 s 4 are each amended to

31 that is at least thirty years old or a military surplus vehicle.

5 liability insurance policy with liability limits of at least the
6 amounts required in RCW 46.29.090; and

7 (iii) Will not be used for general daily transportation; and

8 (b)(i) Provide a certificate of safety inspection on a form
9 created by the department to be completed by a licensed motor vehicle

13 has been replaced by equal or more effective safety equipment in good
14 working order, specifically headlamps, tail lamps, turn signals,
15 mirrors, a horn, seat belts, and brakes.

16 (ii) A vehicle classification that meets the definition of
17 military surplus vehicle provided in section 2 of this act prior to
