27 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

28 NEW SECTION. **Sec. 1.** It is important that schools are provided
29 flexibility to determine how best to meet the needs of their students
30 and work with their local communities. It is the intent of the
31 legislature to provide schools increased flexibility by authorizing
32 school districts to grant waivers or partial waivers of state laws
33 and rules for schools located within the school district.
34 Additionally, the legislature intends to specifically authorize
35 school districts to use any savings resulting from not having to
36 implement a law or rule that was waived or partially waived.
37 However, for each waiver granted by the school district that results
38 in a savings, a portion of the savings must be awarded to each school

1 that requested the waiver and to any teacher at a school that brought
2 the idea to the principal to request the waiver.

3 NEW SECTION. **Sec. 2.** A new section is added to chapter 28A.320
4 RCW to read as follows:

5 (1) As specifically provided in chapters in this title, the board
6 of directors of each school district may grant waivers, or partial
7 waivers, of state laws and rules to schools within the district. The
8 school board shall grant waivers in accordance with this section.

9 (2) To apply for waivers, a school principal must submit an
10 application to the school district board of directors that identifies
11 the laws and rules requested to be waived and the rationale for the
12 request. The rationale must identify how granting the waivers will
13 improve student learning or the delivery of education services in the
14 school.

15 (3) The school district board of directors must provide time for
16 public review and comment regarding any waiver request at a regular
17 meeting of the school district board of directors.

18 (4) The duration, renewal, and rescission of the waivers must be
19 determined by the school district board of directors.

20 (5) The following may not be waived:

21 (a) Compliance with local, state, and federal health, safety,
22 parents' rights, civil rights, and nondiscrimination laws;

23 (b) Provision of a program of basic education, that meets the
24 goals in RCW 28A.150.210;

25 (c) Employment of certificated instructional staff as required in
26 RCW 28A.410.025. However, school districts may hire noncertificated
27 instructional staff of unusual competence and in exceptional cases as
28 specified in RCW 28A.150.203(7);

29 (d) Compliance with the employee record check requirements in RCW
30 28A.400.303;

31 (e) Adherence to generally accepted accounting principles and be
32 subject to financial examinations and audits as determined by the
33 state auditor, including annual audits for legal and fiscal
34 compliance;

36 28A.655.110;

37 (g) Compliance with the open public meetings act in chapter 42.30
38 RCW and public records requirements in chapter 42.56 RCW; and

1 (h) Compliance with state constitutional provisions, including
2 that a school may not engage in any sectarian practices in its
3 educational program, admissions, employment policies, or operations.

4 (6) A school district may not include provisions in a collective
5 bargaining agreement that limit the district's authority to grant
6 waivers under this section.

7 (7) Each school district board of directors granting waivers of
8 state laws and rules shall submit to the superintendent of public
9 instruction and the state board of education a list of laws and rules
10 waived by the school district board of directors in accordance with
11 this section.

12 (8) School districts are specifically authorized to use any
13 savings resulting from not having to implement a state law or rule
14 waived by the school district board of directors. However, each
15 school district must award a portion of the savings to the first
16 school that requested the waiver that resulted in a savings and to
17 the first teacher at a school who brought the idea to the principal
18 to request the waiver. No award may be granted in excess of ten
19 thousand dollars or ten percent of the actual net savings, whichever
20 amount is less. No award may be granted to a school in excess of ten
21 percent of the actual net savings, and no amount may be granted to a
