AN ACT Relating to creating the secure choice retirement savings program; amending RCW 43.330.732, 43.330.735, and 30B.04.040; reenacting and amending RCW 43.79A.040; adding new sections to chapter 43.330 RCW; creating a new section; decodifying RCW 43.330.730; and prescribing penalties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. This act may be known and cited as the secure choice retirement savings program act.

NEW SECTION. Sec. 2. The legislature finds: That large numbers of households in this state have no or inadequate retirement savings and many of those households do not have access to any savings plan at work; that this lack of retirement savings and coverage is more prevalent among low-income households; and that it is well-established that most workers will save for retirement if they are offered a workplace savings program using an opt-out approach. Washington state is deeply concerned about the retirement prospects of its citizens and the strain that large numbers of ill-prepared retirees may impose on taxpayer-financed elderly assistance programs for housing, food, medical care, and other necessities. Accordingly, this act will facilitate voluntary retirement savings by workers in...
this state by establishing an IRA savings program with automatic
enrollment ("auto-IRA") and requiring employers in this state that do
not offer a retirement plan to make the program available to their
employees.

clearly requires otherwise.

(b) To collect fees to defray the costs of administering the program.

(4) The director shall not impose any obligations on the state, nor may it pledge the credit of the state.

(5) The director, in consultation with the state investment board and the department of financial institutions, has discretion to establish and maintain the program by: Contracting with another state to use that state’s auto-IRA program, partnering with one or more states to create a joint auto-IRA program that includes the program,
or forming a consortium with one or more other states in which certain aspects of each state's program are combined for administrative convenience and efficiency, provided that in any such case, the auto-IRA program used, the joint program, or the consortium otherwise satisfies the requirements of this chapter.

NEW SECTION. Sec. 5. (1) The director, the trustee, and each investment adviser or other person which has control of the assets of the trust shall be a fiduciary with respect to the trust and IRAs established and maintained under the program. 

(2) Each covered employer is required to provide covered employees with such information as the director directs. No employer acting as such is a fiduciary with respect to the trust or an IRA or has fiduciary responsibilities under sections 2 through 10 of this act.

(3) Each fiduciary shall discharge its duties with respect to the program solely in the interests of covered employees and with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with those matters would use in the conduct of an enterprise of like character and aims.

NEW SECTION. Sec. 6. The secure choice retirement savings program must be designed, established, and operated in accordance with the following:

(1) Each covered employer is required to offer to each covered employee an opportunity to contribute to an IRA established under the program for the benefit of the covered employee through withholding from his or her compensation. No employer is permitted to contribute to the program or to endorse or otherwise promote the program.

(2) Unless the covered employee chooses otherwise, he or she shall be automatically enrolled in the program and contributions shall be withheld from such covered employee's compensation at a rate set by the director unless the covered employee elects not to contribute or to contribute at a different rate.

(3) The contribution rate of each covered employee shall be increased at such rate and at such intervals as from time to time established by the director, unless the covered employee elects not to have such automatic increases apply.
(4) The IRAs are intended to qualify for favorable federal income tax treatment under section 408 or 408A of the internal revenue code.

(5) The director may establish intervals after which a covered employee must reaffirm elections, including opt-out elections, with regard to participation or escalation.

(6) Each covered employer shall deposit covered employees' withheld contributions under the program with the trustee in such manner as is determined by the director, provided that the employer shall deliver the amounts withheld to the trustee in good order within ten business days after the date such amounts otherwise would have been paid to the covered employee.

(7) The director shall determine the rules and procedures for withdrawals, distributions, transfers, and rollovers of IRAs and for the designation of IRA beneficiaries.

(8) The director shall report annually to the governor and the legislature outlining the director's activities and the program's operations.

(9) The director shall cause to be furnished to each covered employer:

(iv) A statement that covered employees seeking financial advice should contact their own financial advisors and that covered employers are not in a position to provide financial advice and that covered employers are not liable for decisions covered employees make under sections 2 through 10 of this act;

(v) A statement that the program is not an employer-sponsored retirement plan;

(vi) A statement that neither the program nor the covered employee's IRA established under the program is guaranteed by the state;
(vii) A statement that neither a covered employer nor the state will monitor or has an obligation to monitor the covered employee's eligibility under the internal revenue code to make contributions to an IRA or to monitor whether the covered employee's contributions to the IRA established for the covered employee under the program exceed the maximum permissible IRA contribution; that it is the covered employee's responsibility to monitor such matters; and that the state, the program, and the covered employer have no liability with respect to any failure of the covered employee to be eligible to make IRA contributions or any contribution in excess of the maximum IRA contribution;

(c) Information, forms, and instructions to be furnished to covered employees at such times as the director determines that provide the covered employee with the procedures for:

(i) Making contributions to the covered employee's IRA established under the program, including a description of the automatic enrollment rate, the automatic escalation rate and frequency, and the right to elect to make no contribution or to change the contribution rate under the program;

(ii) Making an investment election with respect to the covered employee's IRA established under the program, including a description of the default investment fund;

(iii) Making transfers, rollovers, withdrawals, and other distributions from the covered employee's IRA.

(10) Each covered employer shall deliver or facilitate the delivery of the items set forth in subsection (9)(b) and (c) of this section to each covered employee at such time and in such manner as determined by the director.

(11) The program must be designed and operated in a manner that will cause it not to be an employee benefit plan within the meaning of section 3(3) of the employee retirement income security act of 1974.

NEW SECTION. Sec. 7. (1) The secure choice retirement savings administrative fund is hereby established in the custody of the state treasurer as a nonappropriated account separate and apart from the trust. The director shall use moneys in the administrative fund to pay for administrative expenses it incurs in the performance of its duties under sections 2 through 10 of this act. The administrative fund may receive any grants or other moneys designated for the
administrative fund from the state, or any unit of federal or local
government, or any other person. Any interest earnings that are
attributable to moneys in the administrative fund must be deposited
into the administrative fund. Only the director may authorize
expenditures from the account. The account is subject to allotment
procedures under chapter 43.88 RCW, but an appropriation is not
required for expenditures.

(2) The account is authorized to maintain a cash deficit in the
account for a period no more than five fiscal years to defray its
initial program administration costs. By January 1, 2020, the
governing body shall establish a program administration spending plan
and a fee schedule to discharge any projected cash deficit to the
account. The legislature may make appropriations into the account for
the purpose of reducing program administration costs.

NEW SECTION.  Sec. 8. There is hereby created as an
instrumentality of the state a trust to be known as the secure choice
retirement savings trust.

(1) The director shall appoint an institution qualified to act as
trustee of IRA trusts or insurance company issuing annuity contracts
under section 408 of the internal revenue code and licensed to do
business in the state to act as trustee.

(2) The assets of IRAs established for covered employees must be
allocated to the trust and combined for investment purposes. Trust
assets must be managed and administered for the exclusive purposes of
providing benefits to covered employees and defraying reasonable
expenses of administering and maintaining, and managing investments,
of the IRAs and the trust, including the expenses of the director
under section 4 of this act.

(3) The director shall establish within the trust one or more
investment funds, each pursuing an investment strategy and policy
established by the director. The underlying investments of each
investment fund shall be diversified, to the extent the director
determines to be appropriate, so as to minimize the risk of large
losses under the circumstances. The director may, at any time and
from time to time, add, replace, or remove any investment fund.

(4) The director may allow covered employees to allocate assets
of their IRAs among such investment funds and in such case, the
director also may designate an investment fund as a default
investment for the IRAs of covered employees who do not make an
investment choice.

(5) Subject to subsection (6) of this section, the director, in
consultation with such third-party professional investment advisers,
managers, or consultants as it may retain, shall select the
underlying investments of each investment fund. Such underlying
investments may include, without limitation, shares of mutual funds
and exchange-traded funds, publicly traded equity, and fixed-income
securities, and other investments available for investment by the
trust. No investment fund may invest in any bond, debt instrument, or
other security issued by this state.

(6) The director may, in its discretion, retain an investment
adviser to select and manage the investments of an investment fund on
a discretionary basis, subject to the director's ongoing review and
oversight.

(7) The trustee is subject to directions of the director under
subsection (5) of this section or an investment adviser under
subsection (6) of this section and otherwise has no responsibility
for the selection, retention, or disposition of trust investments or
assets.

(8) The assets of the trust must at all times be preserved,
invested, and expended solely for the purposes of the trust and no
property rights therein shall exist in favor of the state or any
covered employer. Trust assets may not be transferred or used by the
state for any purposes other than the purposes of the trust or
funding the expenses of operating the program, including the expenses
of the director. Amounts deposited with the trustee are not property
of the state and may not be commingled with state funds and the state
has no claim to or against, or interest in, the trust assets.

(9) The assets of the trust shall at all times be held separate
and apart from the assets of the state. None of the state, the
program, the director, nor any employer may guaranty any investment,
rate of return, or interest on amounts held in the trust, an
investment fund, or any IRA. None of the state, the program, the
director, or any employer is liable for any losses incurred by trust
investments or otherwise by any covered employee or other person as a
result of participating in the program.

(10) The provisions of chapter 21.20 RCW do not apply to the
trust, any investment fund, or any interest held by an IRA in the
trust or such investment fund.
(11) The trust is authorized to engage in trust business under Title 30B RCW and is exempt from the requirement to obtain a certificate of authority from the department of financial institutions under Title 30B RCW.

(12) If the director determines to exercise his or her discretion under section 4(5) of this act to establish the program by using another state's auto-IRA program, establishing a joint program, or a consortium with one or more other states, then the trust may be established by adopting the trust established under such other state's program or as a master trust or similar arrangement with such other states, provided that such trust, master trust, or similar arrangement otherwise satisfies the requirements of this section.

NEW SECTION. Sec. 9. (1) The department of revenue has the power and duty to ensure employer compliance with section 6 of this act, as part of its existing investigation and audit functions.

(2) Beginning June 30, 2021, each covered employer that, without good cause, fails to allow its covered employees to participate in the secure choice retirement savings program pursuant to section 6 of this act, on or before one-hundred eighty days after service of notice by the department of revenue, shall pay a penalty of two hundred fifty dollars if noncompliance extends one-hundred eighty days or more after the notice, and if found to be in noncompliance one hundred eighty days or more after the notice, an additional penalty of five hundred dollars.

NEW SECTION. Sec. 10. The director may establish a pilot program for covered employers to auto enroll employees into an IRA by January 1, 2020. The director may also provide for a staggered rollout of the program so that covered employers are initially required to offer the program to covered employees in stages based on employee headcount or such other criteria as may be established by the director.

NEW SECTION. Sec. 11. RCW 43.330.730 (Finding—2015 c 296) is decodified.
