Background:

The state government operates on a fiscal biennium that begins on July 1 of each odd-numbered year. A two-year biennial operating budget is adopted every odd-numbered year. Appropriations are made in the biennial and supplemental budgets for the operation of state government and its various agencies and institutions, including higher education, as well as allocations for the funding of K-12 public schools.

Summary of Bill:

Near General Fund-Outlook appropriations for the 2021-23 biennium are \$55.1 billion. (Near General Fund-Outlook is General Fund-State, the Education Legacy Trust Account, the Opportunity Pathways Account, and the Workforce Education Investment Account). Total budgeted funds are \$106.9 billion (includes state, federal, and other funds).
