31 Sec. 7. RCW 9.96.060 and 2021 c 237 s 4 and 2021 c 215 s 105 are 32 each reenacted and amended to read as follows:

(1) When vacating a conviction under this section, the court effectuates the vacation by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or

Except as 7 provided in subsections (3), (4), and (5) of this section, 8 an applicant may not have the record of conviction for a misdemeanor or 9 gross misdemeanor offense vacated if any one of the following is 10 11 present:

12 (a) The applicant has not completed all of the terms of the13 sentence for the offense;

(b) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal or tribal court, at the time of application;

(e) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;

Washington*, 384 F. Supp. 312 (W.D. Wash. 1974), or *Sohappy v. Smith*, 302 F. Supp. 4899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

26 (5) Every person convicted of a misdemeanor ((marijuana)) cannabis offense, who was twenty-one years of age or older at the 27 time of the offense, may apply to the sentencing court for a vacation 28 29 of the applicant's record of conviction for the offense. A misdemeanor ((marijuana)) cannabis offense includes, but is not 30 31 limited to: Any offense under RCW 69.50.4014, from July 1, 2004, 32 onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 33 21, 1971, to March 21, 1979, and any offense under an equivalent 34 municipal ordinance. If an applicant qualifies under this subsection, 35 36 the court shall vacate the record of conviction.

37 (6) A person who is a family member of a homicide victim may 38 apply to the sentencing court on the behalf of the victim for 39 vacation of the victim's record of conviction for prostitution under

RCW 9A.88.030. If an applicant qualifies under this subsection, the
 court shall vacate the victim's record of conviction.

(7) (a) Except as provided in (c) of this subsection, once the 3 court vacates a record of conviction under this section, the person 4 shall be released from all penalties and disabilities resulting from 5 6 the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for 7 purposes of determining a sentence in any subsequent conviction. For 8 all purposes, including responding to questions on employment or 9 housing applications, a person whose conviction has been vacated 10 11 under this section may state that he or she has never been convicted 12 of that crime. However, nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 13 9.41.040. Except as provided in (b) of this subsection, nothing in 14 this section affects or prevents the use of an offender's prior 15 16 conviction in a later criminal prosecution.

17 (b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the 18 vacated conviction in a later criminal prosecution unless the 19 conviction was for: (i) Violating the provisions of a restraining 20 order, no-contact order, or protection order restraining or enjoining 21 the person or restraining the person from going on to the grounds of 22 entering a residence, workplace, school, or day care, or 23 or prohibiting the person from knowingly coming within, or knowingly 24 25 remaining within, a specified distance of a location, a protected 26 party's person, or a protected party's vehicle (RCW 10.99.040, 10.99.050, 26.09.300, 26.26B.050, 26.44.063, 26.44.150, or 26.52.070, 27 or any of the former RCW 26.50.060, 26.50.070, 26.50.130, and 28 74.34.145); (ii) stalking (RCW 9A.46.110); or (iii) a domestic 29 violence protection order or vulnerable adult protection order 30 31 entered under chapter 7.105 RCW. A vacated conviction under this 32 section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11. 33

34 (c) A conviction vacated on or after July 28, 2019, qualifies as 35 a prior conviction for the purpose of charging a present recidivist 36 offense as defined in RCW 9.94A.030 occurring on or after July 28, 37 2019.

38 (8) The clerk of the court in which the vacation order is entered 39 shall immediately transmit the order vacating the conviction to the 40 Washington state patrol identification section and to the local

police agency, if any, which holds criminal history information for 1 the person who is the subject of the conviction. The Washington state 2 patrol and any such local police agency shall immediately update 3 their records to reflect the vacation of the conviction, and shall 4 transmit the order vacating the conviction to the federal bureau of 5 6 investigation. A conviction that has been vacated under this section 7 may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice 8 enforcement agencies. 9

10 (9) For the purposes of this section, "cannabis" has the meaning 11 provided in RCW 69.50.101.

13 ADJUDICATIONS

14 NOTE: References in the grid to days or weeks mean periods of 15 confinement. "LS" means "local sanctions" as defined in RCW 16 13.40.020.

17 (1) The vertical axis of the grid is the current offense
 18 category. The current offense category is determined by the offense
 19 of adjudication.

(2) (2) The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.

(3) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.

(4) Nothing in subsection (1), (2), or (3) of this section 20 precludes a law enforcement officer from obtaining a person's blood 21 to test for alcohol, ((marijuana)) cannabis, or any drug, pursuant to 22 a search warrant, a valid waiver of the warrant requirement, when 23 exigent circumstances exist, or under any other authority of law. Any 24 25 blood drawn for the purpose of determining the person's alcohol, ((marijuana)) cannabis levels, or any drug, is drawn pursuant to this 26 section when the officer has reasonable grounds to believe that the 27 person is in physical control or driving a vehicle under the 28 influence or in violation of RCW 46.61.503. 29

(5) If, after arrest and after any other applicable conditions 30 31 and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results 32 33 indicate that the alcohol concentration of the person's breath or blood is 0.08 or more, or the THC concentration of the person's blood 34 is 5.00 or more, if the person is age twenty-one or over, or that the 35 36 alcohol concentration of the person's breath or blood is 0.02 or more, or the THC concentration of the person's blood is above 0.00, 37 if the person is under the age of twenty-one, or the person refuses 38 to submit to a test, the arresting officer or other law enforcement 39 40 officer at whose direction any test has been given, or the

1 department, where applicable, if the arrest results in a test of the 2 person's blood, shall:

3 (a) Serve notice in writing on the person on behalf of the 4 department of its intention to suspend, revoke, or deny the person's 5 license, permit, or privilege to drive as required by subsection (6) 6 of this section;

7 (b) Serve notice in writing on the person on behalf of the 8 department of his or her right to a hearing, specifying the steps he 9 or she must take to obtain a hearing as provided by subsection (7) of 10 this section;

11 (c) Serve notice in writing that the license or permit, if any, is a temporary license that is valid for thirty days from the date of 12 arrest or from the date notice has been given in the event notice is 13 14 given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or 15 privilege to drive is sustained at a hearing pursuant to subsection 16 17 (7) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it 18 19 replaces; and

20 (d) Immediately notify the department of the arrest and transmit 21 to the department within seventy-two hours, except as delayed as the 22 result of a blood test, a sworn report or report under a declaration 23 authorized by chapter 5.50 RCW that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol or THC concentration in violation of RCW 46.61.503;

31 (ii) That after receipt of any applicable warnings required by subsection (2) of this section the person refused to submit to a test 32 of his or her breath, or a test was administered and the results 33 indicated that the alcohol concentration of the person's breath or 34 blood was 0.08 or more, or the THC concentration of the person's 35 36 blood was 5.00 or more, if the person is age twenty-one or over, or that the alcohol concentration of the person's breath or blood was 37 0.02 or more, or the THC concentration of the person's blood was 38 above 0.00, if the person is under the age of twenty-one; and 39

1 (iii) Any other information that the director may require by 2 rule.

3 (6) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by chapter 5.50 RCW 4 under subsection (5)(d) of this section, shall suspend, revoke, or 5 6 deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such 7 suspension, revocation, or denial to be effective beginning thirty 8 days from the date of arrest or from the date notice has been given 9 in the event notice is given by the department following a blood 10 test, or when sustained at a hearing pursuant to subsection (7) of 11 this section, whichever occurs first. 12

(7) A person receiving notification under subsection (5) (b) of 13 this section may, within seven days after the notice has been given, 14 request in writing a formal hearing before the department. The person 15 16 shall pay a fee of three hundred seventy-five dollars as part of the 17 request. If the request is mailed, it must be postmarked within seven days after receipt of the notification. Upon timely receipt of such a 18 request for a formal hearing, including receipt of the required three 19 hundred seventy-five dollar fee, the department shall afford the 20 person an opportunity for a hearing. The department may waive the 21 required three hundred seventy-five dollar fee if the person is an 22 23 indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and 24 25 conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or 26 part of the hearing may, at the discretion of the department, be 27 28 conducted by telephone or other electronic means. The hearing shall be held within thirty days, excluding Saturdays, Sundays, and legal 29 holidays, following the date of timely receipt of such request for a 30 31 formal hearing before the department or thirty days, excluding 32 Saturdays, Sundays, and legal holidays following the date notice has been given in the event notice is given by the department following a 33 blood test, unless otherwise agreed to by the department and the 34 person, in which case the action by the department shall be stayed, 35 and any valid temporary license under subsection (5) of this section 36 extended, if the person is otherwise eligible for licensing. Unless 37 otherwise agreed to by the department and the person, the department 38 39 must give five days notice of the hearing to the person. For the 40 purposes of this section, the scope of the hearing shall cover the

1 issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control 2 of a motor vehicle within this state while under the influence of 3 intoxicating liquor or any drug or had been driving or was in actual 4 physical control of a motor vehicle within this state while having 5 6 alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, if the person 7 was under the age of twenty-one, whether the person was placed under 8 arrest, and (a) whether the person refused to submit to the test or 9 tests upon request of the officer after having been informed that 10 11 such refusal would result in the revocation of the person's license, 12 permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section 13 were satisfied before the administration of the test or tests, 14 whether the person submitted to the test or tests, or whether a test 15 16 was administered pursuant to a search warrant, a valid waiver of the 17 warrant requirement, when exigent circumstances exist, or under any other authority of law as permitted under this section, and whether 18 19 the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration 20 of the person's blood was 5.00 or more, if the person was age twenty-21 22 one or over at the time of the arrest, or that the alcohol 23 concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the 24 25 person was under the age of twenty-one at the time of the arrest. 26 Where a person is found to be in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug 27 or was under the age of twenty-one at the time of the arrest and was 28 29 in physical control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or THC concentration above 30 31 0.00, the person may petition the hearing officer to apply the 32 affirmative defense found in RCW 46.61.504(3) and 46.61.503(2). The 33 driver has the burden to prove the affirmative defense by a preponderance of the evidence. The sworn report or report under a 34 declaration authorized by chapter 5.50 RCW submitted by a law 35 enforcement officer is prima facie evidence that the officer had 36 reasonable grounds to believe the person had been driving or was in 37 actual physical control of a motor vehicle within this state while 38 39 under the influence of intoxicating liquor or drugs, or both, or the 40 person had been driving or was in actual physical control of a motor

vehicle within this state while having alcohol in his or her system a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas 5 6 for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not 7 issue a subpoena for the attendance of a witness at the request of 8 the person unless the request is accompanied by the fee required by 9 RCW 5.56.010 for a witness in district court. The sworn report or 10 report under a declaration authorized by chapter 5.50 RCW of the law 11 12 enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the 13 certifications authorized by the criminal rules for courts of limited 14 jurisdiction shall be admissible without further evidentiary 15 16 foundation. The person may be represented by counsel, may question 17 witnesses, may present evidence, and may testify. The department 18 shall order that the suspension, revocation, or denial either be rescinded or sustained. 19

(8) If the suspension, revocation, or denial is sustained after 20 such a hearing, the person whose license, privilege, or permit is 21 22 suspended, revoked, or denied has the right to file a petition in the 23 superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a 24 25 decision of a court of limited jurisdiction. Notice of appeal must be 26 filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 27 1.1, or other statutes or rules referencing de novo review, the 28 appeal shall be limited to a review of the record of the 29 administrative hearing. The appellant must pay the costs associated 30 31 with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the 32 suspension, revocation, or denial. A petition filed under this 33 subsection must include the petitioner's grounds for requesting 34 review. Upon granting petitioner's request for review, the court 35 shall review the department's final order of suspension, revocation, 36 or denial as expeditiously as possible. The review must be limited to 37 a determination of whether the department has committed any errors of 38 39 law. The superior court shall accept those factual determinations 40 supported by substantial evidence in the record: (a) That were

expressly made by the department; or (b) that may reasonably be 1 inferred from the final order of the department. The superior court 2 may reverse, affirm, or modify the decision of the department or 3 remand the case back to the department for further proceedings. The 4 decision of the superior court must be in writing and filed in the 5 6 clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for 7 a stay or other temporary remedy from the department's action, the 8 court shall not grant such relief unless the court finds that the 9 appellant is likely to prevail in the appeal and that without a stay 10 11 the appellant will suffer irreparable injury. If the court stays the 12 suspension, revocation, or denial it may impose conditions on such 13 stay.

14 (9) (a) If a person whose driver's license, permit, or privilege 15 to drive has been or will be suspended, revoked, or denied under subsection (6) of this section, other than as a result of a breath 16 17 test refusal, and who has not committed an offense for which he or 18 she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges 19 arising out of the arrest for which action has been or will be taken 20 21 under subsection (6) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the 22 23 license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred 24 25 fifty days after the date charges are filed, or two years after the 26 date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions 27 28 on such stay. If the person is otherwise eligible for licensing, the 29 department shall issue a temporary license, or extend any valid temporary license under subsection (5) of this section, for the 30 31 period of the stay. If a deferred prosecution treatment plan is not 32 recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an 33 offered treatment plan, or if the person violates any condition 34 imposed by the court, then the court shall immediately direct the 35 36 department to cancel the stay and any temporary license or extension of a temporary license issued under this subsection. 37

38 (b) A suspension, revocation, or denial imposed under this 39 section, other than as a result of a breath test refusal, shall be 40 stayed if the person is accepted for deferred prosecution as provided

1 in chapter 10.05 RCW for the incident upon which the suspension, 2 revocation, or denial is based. If the deferred prosecution is 3 terminated, the stay shall be lifted and the suspension, revocation, 4 or denial reinstated. If the deferred prosecution is completed, the 5 stay shall be lifted and the suspension, revocation, or denial 6 canceled.

7 (c) The provisions of (b) of this subsection relating to a stay 8 of a suspension, revocation, or denial and the cancellation of any 9 suspension, revocation, or denial do not apply to the suspension, 10 revocation, denial, or disqualification of a person's commercial 11 driver's license or privilege to operate a commercial motor vehicle.

(10) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

18 Sec. 39. RCW 46.25.120 and 2015 2nd sp.s. c 3 s 7 are each 19 amended to read as follows:

(1) A person who drives a commercial motor vehicle within this state is deemed to have given consent, subject to RCW 46.61.506, to take a test or tests of that person's breath for the purpose of determining that person's alcohol concentration.

(2) A test or tests may be administered at the direction of a law enforcement officer, who after stopping or detaining the commercial motor vehicle driver, has reasonable grounds to believe that driver was driving a commercial motor vehicle while having alcohol in his or her system or while under the influence of any drug.

(3) The law enforcement officer requesting the test under subsection (1) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person being disqualified from operating a commercial motor vehicle under RCW 46.25.090.

(4) A law enforcement officer who at the time of stopping or detaining a commercial motor vehicle driver has reasonable grounds to believe that driver was driving a commercial motor vehicle while having alcohol, ((marijuana)) cannabis, or any drug in his or her system or while under the influence of alcohol, ((marijuana)) cannabis, or any drug may obtain a blood test pursuant to a search

2SHB 1210

1 warrant, a valid waiver of the warrant requirement, when exigent 2 circumstances exist, or under any other authority of law.

3 (5) If the person refuses testing, or a test is administered that discloses an alcohol concentration of 0.04 or more or any measurable 4 amount of THC concentration, the law enforcement officer shall submit 5 6 a sworn report to the department certifying that the test was requested pursuant to subsection (1) of this section or a blood test 7 was administered pursuant to subsection (4) of this section and that 8 the person refused to submit to testing, or a test was administered 9 that disclosed an alcohol concentration of 0.04 or more or any 10 measurable amount of THC concentration. 11

12 (6) Upon receipt of the sworn report of a law enforcement officer under subsection (5) of this section, the department shall disqualify 13 the driver from driving a commercial motor vehicle under RCW 14 46.25.090, subject to the hearing provisions of RCW 46.20.329 and 15 16 46.20.332. The hearing shall be conducted in the county of the 17 arrest. For the purposes of this section, the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to 18 believe the person had been driving or was in actual physical control 19 of a commercial motor vehicle within this state while having alcohol 20 in the person's system or while under the influence of any drug, 21 22 whether the person refused to submit to the test or tests upon 23 request of the officer after having been informed that the refusal would result in the disqualification of the person from driving a 24 25 commercial motor vehicle, if applicable, and, if the test was administered, whether the results indicated an alcohol concentration 26 of 0.04 percent or more or any measurable amount of THC 27 28 concentration. The department shall order that the disqualification of the person either be rescinded or sustained. Any decision by the 29 department disqualifying a person from driving a commercial motor 30 31 vehicle is stayed and does not take effect while a formal hearing is 32 pending under this section or during the pendency of a subsequent 33 appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a 34 traffic infraction that is a moving violation during the pendency of 35 the hearing and appeal. If the disqualification of the person is 36 sustained after the hearing, the person who is disqualified may file 37 a petition in the superior court of the county of arrest to review 38 39 the final order of disqualification by the department in the manner 40 provided in RCW 46.20.334.

1 (7) If a motor carrier or employer who is required to have a 2 testing program under 49 C.F.R. 382 knows that a commercial driver in 3 his or her employ has refused to submit to testing under this section 4 and has not been disqualified from driving a commercial motor 5 vehicle, the employer may notify law enforcement or his or her 6 medical review officer or breath alcohol technician that the driver 7 has refused to submit to the required testing.

8 (8) The hearing provisions of this section do not apply to those 9 persons disqualified from driving a commercial motor vehicle under 10 RCW 46.25.090(7).

11 Sec. 40. RCW 46.61.502 and 2017 c 335 s 1 are each amended to 12 read as follows:

(1) A person is guilty of driving while under the influence of intoxicating liquor, ((marijuana)) cannabis, or any drug if the person drives a vehicle within this state:

16 (a) And the person has, within two hours after driving, an 17 alcohol concentration of 0.08 or higher as shown by analysis of the 18 person's breath or blood made under RCW 46.61.506; or

(b) The person has, within two hours after driving, a THC concentration of 5.00 or higher as shown by analysis of the person's blood made under RCW 46.61.506; or

(c) While the person is under the influence of or affected by
 intoxicating liquor, ((marijuana)) cannabis, or any drug; or

(d) While the person is under the combined influence of or affected by intoxicating liquor, ((marijuana)) <u>cannabis</u>, and any drug.

(2) The fact that a person charged with a violation of this section is or has been entitled to use a drug under the laws of this state shall not constitute a defense against a charge of violating this section.

(3) (a) It is an affirmative defense to a violation of subsection 31 (1) (a) of this section, which the defendant must prove by a 32 preponderance of the evidence, that the defendant consumed a 33 sufficient quantity of alcohol after the time of driving and before 34 35 the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be 0.08 or more within 36 two hours after driving. The court shall not admit evidence of this 37 defense unless the defendant notifies the prosecution prior to the 38

1 omnibus or pretrial hearing in the case of the defendant's intent to 2 assert the affirmative defense.

3 (b) It is an affirmative defense to a violation of subsection (1) (b) of this section, which the defendant must prove by a 4 preponderance of the evidence, that the defendant consumed a 5 6 sufficient quantity of ((marijuana)) cannabis after the time of driving and before the administration of an analysis of the person's 7 blood to cause the defendant's THC concentration to be 5.00 or more 8 within two hours after driving. The court shall not admit evidence of 9 this defense unless the defendant notifies the prosecution prior to 10 11 the omnibus or pretrial hearing in the case of the defendant's intent 12 to assert the affirmative defense.

(4) (a) Analyses of blood or breath samples obtained more than two 13 14 hours after the alleged driving may be used as evidence that within two hours of the alleged driving, a person had an alcohol 15 16 concentration of 0.08 or more in violation of subsection (1)(a) of 17 this section, and in any case in which the analysis shows an alcohol 18 concentration above 0.00 may be used as evidence that a person was 19 under the influence of or affected by intoxicating liquor or any drug in violation of subsection (1)(c) or (d) of this section. 20

21 (b) Analyses of blood samples obtained more than two hours after 22 the alleged driving may be used as evidence that within two hours of the alleged driving, a person had a THC concentration of 5.00 or more 23 in violation of subsection (1)(b) of this section, and in any case in 24 25 which the analysis shows a THC concentration above 0.00 may be used 26 as evidence that a person was under the influence of or affected by ((marijuana)) cannabis in violation of subsection (1)(c) or (d) of 27 28 this section.

(5) Except as provided in subsection (6) of this section, a
 violation of this section is a gross misdemeanor.

31 (6) It is a class B felony punishable under chapter 9.94A RCW, or 32 chapter 13.40 RCW if the person is a juvenile, if:

(a) The person has three or more prior offenses within ten years
as defined in RCW 46.61.5055; or

35 (b) The person has ever previously been convicted of:

36 (i) Vehicular homicide while under the influence of intoxicating 37 liquor or any drug, RCW 46.61.520(1)(a);

38 (ii) Vehicular assault while under the influence of intoxicating 39 liquor or any drug, RCW 46.61.522(1)(b);

1 (iii) An out-of-state offense comparable to the offense specified

2 in (b)(i) or (ii) of this subsection; or

3 (iv) A violation of this subsection (6) or RCW 46.61.504(6).

4 Sec. 41. RCW 46.61.503 and 2015 2nd sp.s. c 3 s 14 are each 5 amended to read as follows:

6 (1) Notwithstanding any other provision of this title, a person 7 is guilty of driving or being in physical control of a motor vehicle 8 after consuming alcohol or ((marijuana)) <u>cannabis</u> if the person 9 operates or is in physical control of a motor vehicle within this 10 state and the person:

11 (a) Is under the age of twenty-one; and

12 (b) Has, within two hours after operating or being in physical 13 control of the motor vehicle, either:

(i) An alcohol concentration of at least 0.02 but less than the concentration specified in RCW 46.61.502, as shown by analysis of the person's breath or blood made under RCW 46.61.506; or

17 (ii) A THC concentration above 0.00 but less than the 18 concentration specified in RCW 46.61.502, as shown by analysis of the 19 person's blood made under RCW 46.61.506.

20 (2) It is an affirmative defense to a violation of subsection (1) of this section, which the defendant must prove by a preponderance of 21 the evidence, that the defendant consumed a sufficient quantity of 22 alcohol or ((marijuana)) cannabis after the time of driving or being 23 24 in physical control and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol or THC 25 concentration to be in violation of subsection (1) of this section 26 27 within two hours after driving or being in physical control. The court shall not admit evidence of this defense unless the defendant 28 notifies the prosecution prior to the earlier of: (a) Seven days 29 30 prior to trial; or (b) the omnibus or pretrial hearing in the case of 31 the defendant's intent to assert the affirmative defense.

32 (3) No person may be convicted under this section for being in 33 physical control of a motor vehicle and it is an affirmative defense 34 to any action pursuant to RCW 46.20.308 to suspend, revoke, or deny 35 the privilege to drive, if, prior to being pursued by a law 36 enforcement officer, the person has moved the vehicle safely off the 37 roadway.

(4) Analyses of blood or breath samples obtained more than twohours after the alleged driving or being in physical control may be

1 used as evidence that within two hours of the alleged driving or 2 being in physical control, a person had an alcohol or THC 3 concentration in violation of subsection (1) of this section.

4

(5) A violation of this section is a misdemeanor.

5 **Sec. 42.** RCW 46.61.504 and 2017 c 335 s 2 are each amended to 6 read as follows:

7 (1) A person is guilty of being in actual physical control of a 8 motor vehicle while under the influence of intoxicating liquor or any 9 drug if the person has actual physical control of a vehicle within 10 this state:

(a) And the person has, within two hours after being in actual physical control of the vehicle, an alcohol concentration of 0.08 or higher as shown by analysis of the person's breath or blood made under RCW 46.61.506; or

(b) The person has, within two hours after being in actual physical control of a vehicle, a THC concentration of 5.00 or higher as shown by analysis of the person's blood made under RCW 46.61.506; or

19 (c) While the person is under the influence of or affected by 20 intoxicating liquor or any drug; or

21 (d) While the person is under the combined influence of or 22 affected by intoxicating liquor and any drug.

23 (2) The fact that a person charged with a violation of this 24 section is or has been entitled to use a drug under the laws of this 25 state does not constitute a defense against any charge of violating this section. No person may be convicted under this section and it is 26 an affirmative defense to any action pursuant to RCW 46.20.308 to 27 28 suspend, revoke, or deny the privilege to drive if, prior to being pursued by a law enforcement officer, the person has moved the 29 30 vehicle safely off the roadway.

31 (3) (a) It is an affirmative defense to a violation of subsection 32 (1) (a) of this section which the defendant must prove by a preponderance of the evidence that the defendant consumed a 33 sufficient quantity of alcohol after the time of being in actual 34 physical control of the vehicle and before the administration of an 35 analysis of the person's breath or blood to cause the defendant's 36 alcohol concentration to be 0.08 or more within two hours after being 37 38 in such control. The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or 39

2SHB 1210

1 pretrial hearing in the case of the defendant's intent to assert the 2 affirmative defense.

(b) It is an affirmative defense to a violation of subsection 3 (1) (b) of this section, which the defendant must prove by a 4 preponderance of the evidence, that the defendant consumed a 5 6 sufficient quantity of ((marijuana)) cannabis after the time of being 7 actual physical control of the vehicle and before the in administration of an analysis of the person's blood to cause the 8 defendant's THC concentration to be 5.00 or more within two hours 9 after being in control of the vehicle. The court shall not admit 10 evidence of this defense unless the defendant notifies the 11 12 prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense. 13

(4) (a) Analyses of blood or breath samples obtained more than two 14 hours after the alleged being in actual physical control of a vehicle 15 16 may be used as evidence that within two hours of the alleged being in 17 such control, a person had an alcohol concentration of 0.08 or more in violation of subsection (1)(a) of this section, and in any case in 18 which the analysis shows an alcohol concentration above 0.00 may be 19 used as evidence that a person was under the influence of or affected 20 by intoxicating liquor or any drug in violation of subsection (1)(c) 21 22 or (d) of this section.

(b) Analyses of blood samples obtained more than two hours after 23 the alleged being in actual physical control of a vehicle may be used 24 25 as evidence that within two hours of the alleged being in control of 26 the vehicle, a person had a THC concentration of 5.00 or more in violation of subsection (1)(b) of this section, and in any case in 27 which the analysis shows a THC concentration above 0.00 may be used 28 29 as evidence that a person was under the influence of or affected by ((marijuana)) cannabis in violation of subsection (1)(c) or (d) of 30 31 this section.

32 (5) Except as provided in subsection (6) of this section, a33 violation of this section is a gross misdemeanor.

34 (6) It is a class C felony punishable under chapter 9.94A RCW, or35 chapter 13.40 RCW if the person is a juvenile, if:

36 (a) The person has three or more prior offenses within ten years37 as defined in RCW 46.61.5055; or

38

(b) The person has ever previously been convicted of:

39 (i) Vehicular homicide while under the influence of intoxicating

3 including provisions regulating the billboards and outdoor signs
4 authorized under this section; and

5 (ii) Fine a licensee one thousand dollars for each violation of 6 this section until the ((state liquor and cannabis)) board adopts 7 rules prescribing penalties for violations of this section. The rules 8 must establish escalating penalties including fines and up to 9 suspension or revocation of a ((marijuana)) cannabis license for 10 subsequent violations.

(b) Fines collected under this subsection must be deposited into the dedicated ((marijuana)) <u>cannabis</u> account created under RCW 69.50.530.

(11) A city, town, or county may adopt rules of outdoor advertising by licensed ((marijuana)) <u>cannabis</u> retailers that are more restrictive than the advertising restrictions imposed under this chapter. 6 If the scientific reviewer determines that the research project 7 does not meet the requirements of subsection (1) of this section, the 8 application must be denied.

9 (3) A ((marijuana)) <u>cannabis</u> research licensee may only sell 10 ((marijuana)) <u>cannabis</u> grown or within its operation to other 11 ((marijuana)) <u>cannabis</u> research licensees. The annual fee for issuance and renewal of a ((marijuana)) <u>cannabis</u> research license is one thousand three hundred dollars. The applicant must pay the cost of the review process directly to the scientific reviewer as designated by the ((liquor and cannabis)) board.

18 (8) The scientific reviewer shall review any reports made by 19 ((marijuana)) <u>cannabis</u> research licensees under ((liquor and 20 cannabis)) board rule and provide the ((liquor and cannabis)) board 21 with its determination on whether the research project continues to 22 meet research qualifications under this section.

The court to which the matter is to be removed shall be 10 11 the district court when the aggregate value of personal property is 12 within the jurisdictional limit set forth in RCW 3.66.020. A hearing before the seizing agency and any appeal therefrom shall be under 13 Title 34 RCW. In all cases, the burden of proof is upon the law 14 enforcement agency to establish, by a preponderance of the evidence, 15 16 that the property is subject to forfeiture.

The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (1)(b), (c), (d), (e), (f), (g), or (h) of this section.

(6) In any proceeding to forfeit property under this title, where the claimant substantially prevails, the claimant is entitled to reasonable attorneys' fees reasonably incurred by the claimant. 29 (7) When property is forfeited under this chapter the ((board)) 30 <u>commission</u> or seizing law enforcement agency may:

6 (b) Each seizing agency shall retain records of forfeited 7 property for at least seven years.

8 (c) Each seizing agency shall file a report including a copy of 9 the records of forfeited property with the state treasurer each 10 calendar quarter.

(9) (a) By January 31st of each year, each seizing agency shall remit to the state treasurer an amount equal to ten percent of the net proceeds of any property forfeited during the preceding calendar year. Money remitted shall be deposited in the state general fund.

(b) The net proceeds of forfeited property is the value of the 19 20 forfeitable interest in the property after deducting the cost of 21 satisfying any bona fide security interest to which the property is subject at the time of seizure; and in the case of sold property, 22 after deducting the cost of sale, including reasonable fees or 23 commissions paid to independent selling agents, and the cost of any 24 25 valid landlord's claim for damages under subsection (15) of this 26 section.

The 27 value of retained forfeited property is the fair market value of the 28 property at the time of seizure, determined when possible by 29 reference to an applicable commonly used index, such as the index 30 31 used by the department of licensing for valuation of motor vehicles. A seizing agency may use, but need not use, an independent qualified 32 appraiser to determine the value of retained property. 33 Ιf an appraiser is used, the value of the property appraised is net of the 34 cost of the appraisal. The value of destroyed property and retained 35 36 firearms or illegal property is zero.

(10) Forfeited property and net proceeds not required to be paid to the state treasurer shall be retained by the seizing law enforcement agency exclusively for the expansion and improvement of controlled substances related law enforcement activity. Money

1 retained under this section may not be used to supplant preexisting 2 funding sources.

(11) Controlled substances listed in Schedule I, II, III, IV, and 3 V that are possessed, transferred, sold, or offered for sale in 4 violation of this chapter are contraband and shall be seized and 5 6 summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are seized or come into the 7 possession of the ((board)) commission, the owners of which are 8 unknown, are contraband and shall be summarily forfeited to the 9 ((board)) commission. 10

11 (12) Species of plants from which controlled substances in 12 Schedules I and II may be derived which have been planted or 13 cultivated in violation of this chapter, or of which the owners or 14 cultivators are unknown, or which are wild growths, may be seized and 15 summarily forfeited to the ((board)) commission.

(13) The failure, upon demand by a ((board)) <u>commission</u> inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored to produce an appropriate registration or proof that he or she is the holder thereof constitutes authority for the seizure and forfeiture of the plants.

(14) Upon the entry of an order of forfeiture of real property, the court shall forward a copy of the order to the assessor of the county in which the property is located. Orders for the forfeiture of real property shall be entered by the superior court, subject to court rules. Such an order shall be filed by the seizing agency in the county auditor's records in the county in which the real property is located.

(15) (a) A landlord may assert a claim against proceeds from the sale of assets seized and forfeited under subsection (7) (b) of this section, only if:

32 (i) A law enforcement officer, while acting in his or her 33 official capacity, directly caused damage to the complaining 34 landlord's property while executing a search of a tenant's residence; 35 and

36 (ii) The landlord has applied any funds remaining in the tenant's 37 deposit, to which the landlord has a right under chapter 59.18 RCW, 38 to cover the damage directly caused by a law enforcement officer 39 prior to asserting a claim under the provisions of this section;

1 (A) Only if the funds applied under (a)(ii) of this subsection 2 are insufficient to satisfy the damage directly caused by a law 3 enforcement officer, may the landlord seek compensation for the 4 damage by filing a claim against the governmental entity under whose 5 authority the law enforcement agency operates within thirty days 6 after the search;

(B) Only if the governmental entity denies or fails to respond to 7 the landlord's claim within sixty days of the date of filing, may the 8 landlord collect damages under this subsection by filing within 9 thirty days of denial or the expiration of the sixty-day period, 10 11 whichever occurs first, a claim with the seizing law enforcement 12 agency. The seizing law enforcement agency must notify the landlord of the status of the claim by the end of the thirty-day period. 13 Nothing in this section requires the claim to be paid by the end of 14 the sixty-day or thirty-day period. 15

(b) For any claim filed under (a) (ii) of this subsection, the law enforcement agency shall pay the claim unless the agency provides substantial proof that the landlord either:

(i) Knew or consented to actions of the tenant in violation of this chapter or chapter 69.41 or 69.52 RCW; or

(ii) Failed to respond to a notification of the illegal activity, provided by a law enforcement agency under RCW 59.18.075, within seven days of receipt of notification of the illegal activity.

(16) The landlord's claim for damages under subsection (15) of this section may not include a claim for loss of business and is limited to:

27

(a) Damage to tangible property and clean-up costs;

(b) The lesser of the cost of repair or fair market value of thedamage directly caused by a law enforcement officer;

30 (c) The proceeds from the sale of the specific tenant's property 31 seized and forfeited under subsection (7) (b) of this section; and

36 (17) Subsections (15) and (16) of this section do not limit any 37 other rights a landlord may have against a tenant to collect for 38 damages. However, if a law enforcement agency satisfies a landlord's 39 claim under subsection (15) of this section, the rights the landlord 40 has against the tenant for damages directly caused by a law

enforcement officer under the terms of the landlord and tenant's
 contract are subrogated to the law enforcement agency.

3 Sec. 99. RCW 69.50.515 and 2013 c 133 s 1 are each amended to 4 read as follows:

5 (1) Upon finding one ounce or less of ((marijuana)) <u>cannabis</u> 6 inadvertently left at a retail store holding a pharmacy license, the 7 store manager or employee must promptly notify the local law 8 enforcement agency. After notification to the local law enforcement 9 agency, the store manager or employee must properly dispose of the 10 ((marijuana)) <u>cannabis</u>.

11 (2) For the purposes of this section, "properly dispose" means 12 ensuring that the product is destroyed or rendered incapable of use 13 by another person.

14 Sec. 100. RCW 69.50.530 and 2018 c 299 s 909 are each amended to 15 read as follows:

The dedicated ((marijuana)) cannabis account is created in the 16 state treasury. All moneys received by the ((state liquor and 17 cannabis)) board, or any employee thereof, from ((marijuana-related)) 18 19 cannabis-related activities must be deposited in the account. Unless otherwise provided in chapter 4, Laws of 2015 2nd sp. sess., all 20 ((marijuana)) cannabis excise taxes collected from sales of 21 ((marijuana)) cannabis, useable ((marijuana, marijuana)) cannabis, 22 23 <u>cannabis</u> concentrates, and ((marijuana-infused)) <u>cannabis-infused</u> products under RCW 69.50.535, and the license fees, penalties, and 24 forfeitures derived under this chapter from ((marijuana)) cannabis 25 producer, ((marijuana)) cannabis processor, ((marijuana)) cannabis 26 researcher, and ((marijuana)) cannabis retailer licenses, must be 27 deposited in the account. Moneys in the account may only be spent 28 29 after appropriation. During the 2015-2017 and 2017-2019 fiscal 30 biennia, the legislature may transfer from the dedicated ((marijuana)) cannabis account to the basic health plan trust account 31 such amounts as reflect the excess fund balance of the account. 32

33 Sec. 101. RCW 69.50.535 and 2015 2nd sp.s. c 4 s 205 are each 34 amended to read as follows:

35 (1) (a) There is levied and collected a ((marijuana)) <u>cannabis</u> 36 excise tax equal to thirty-seven percent of the selling price on each 37 retail sale in this state of ((marijuana)) <u>cannabis</u> concentrates, useable ((marijuana, and marijuana-infused)) cannabis, and cannabisinfused products. This tax is separate and in addition to general state and local sales and use taxes that apply to retail sales of tangible personal property, and is not part of the total retail price to which general state and local sales and use taxes apply. The tax must be separately itemized from the state and local retail sales tax on the sales receipt provided to the buyer.

8 (b) The tax levied in this section must be reflected in the price 9 list or quoted shelf price in the licensed ((marijuana)) <u>cannabis</u> 10 retail store and in any advertising that includes prices for all 11 useable ((marijuana, marijuana)) <u>cannabis, cannabis</u> concentrates, or 12 ((marijuana-infused)) <u>cannabis-infused</u> products.

13 (2) All revenues collected from the ((marijuana)) <u>cannabis</u> excise 14 tax imposed under this section must be deposited each day in the 15 dedicated ((marijuana)) <u>cannabis</u> account.

16 (3) The tax imposed in this section must be paid by the buyer to 17 the seller. Each seller must collect from the buyer the full amount 18 of the tax payable on each taxable sale. The tax collected as required by this section is deemed to be held in trust by the seller 19 until paid to the board. If any seller fails to collect the tax 20 21 imposed in this section or, having collected the tax, fails to pay it as prescribed by the board, whether such failure is the result of the 22 23 seller's own acts or the result of acts or conditions beyond the seller's control, the seller is, nevertheless, personally liable to 24 25 the state for the amount of the tax.

26 (4) The definitions in this subsection apply throughout this27 section unless the context clearly requires otherwise.

28

(a) "Board" means the state liquor and cannabis board.

29

(b) "Retail sale" has the same meaning as in RCW 82.08.010.

30 (c) "Selling price" has the same meaning as in RCW 82.08.010, 31 except that when product is sold under circumstances where the total 32 amount of consideration paid for the product is not indicative of its 33 true value, "selling price" means the true value of the product sold.

(d) "Product" means ((marijuana, marijuana)) <u>cannabis</u>, <u>cannabis</u>
 concentrates, useable ((marijuana, and marijuana-infused)) <u>cannabis</u>,
 <u>and cannabis-infused</u> products.

37 (e) "True value" means market value based on sales at comparable 38 locations in this state of the same or similar product of like 39 quality and character sold under comparable conditions of sale to 40 comparable purchasers. However, in the absence of such sales of the 1 same or similar product, true value means the value of the product 2 sold as determined by all of the seller's direct and indirect costs 3 attributable to the product.

4 (5)(a) The board must regularly review the tax level established 5 under this section and make recommendations, in consultation with the 6 department of revenue, to the legislature as appropriate regarding 7 adjustments that would further the goal of discouraging use while 8 undercutting illegal market prices.

9 (b) The ((state liquor and cannabis)) board must report, in 10 compliance with RCW 43.01.036, to the appropriate committees of the 11 legislature every two years. The report at a minimum must include the 12 following:

13 (i) The specific recommendations required under (a) of this 14 subsection;

15 (ii) A comparison of gross sales and tax collections prior to and 16 after any ((marijuana)) <u>cannabis</u> tax change;

17 (iii) The increase or decrease in the volume of legal 18 ((marijuana)) <u>cannabis</u> sold prior to and after any ((marijuana)) 19 <u>cannabis</u> tax change;

20 (iv) Increases or decreases in the number of licensed 21 ((marijuana)) <u>cannabis</u> producers, processors, and retailers;

(v) The number of illegal and noncompliant ((marijuana)) <u>cannabis</u> outlets the board requires to be closed;

24 (vi) Gross ((marijuana)) cannabis sales and tax collections in 25 Oregon; and

(vii) The total amount of reported sales and use taxes exempted for qualifying patients. The department of revenue must provide the data of exempt amounts to the board.

(c) The board is not required to report to the legislature asrequired in (b) of this subsection after January 1, 2025.

31 (6) The legislature does not intend and does not authorize any 32 person or entity to engage in activities or to conspire to engage in 33 activities that would constitute per se violations of state and 34 federal antitrust laws including, but not limited to, agreements 35 among retailers as to the selling price of any goods sold.

36 Sec. 102. RCW 69.50.540 and 2021 c 334 s 986 are each amended to 37 read as follows:

37 (1) The legislature finds that:

1 (a) There is medical evidence that some patients with terminal or 2 debilitating medical conditions may, under their health care 3 professional's care, benefit from the medical use of ((marijuana)) 4 <u>cannabis</u>. (a) Qualifying patients with terminal or debilitating medical conditions who, in the judgment of their health care professionals, may benefit from the medical use of ((marijuana)) <u>cannabis</u>, shall not be arrested, prosecuted, or subject to other criminal sanctions or civil consequences under state law based solely on their medical use of ((marijuana)) <u>cannabis</u>, notwithstanding any other provision of law;

38 (3) Nothing in this chapter establishes the medical necessity or 39 medical appropriateness of ((marijuana)) <u>cannabis</u> for treating

1 terminal or debilitating medical conditions as defined in RCW 2 69.51A.010.

3 (4) Nothing in this chapter diminishes the authority of 4 correctional agencies and departments, including local governments or 5 jails, to establish a procedure for determining when the use of 6 ((marijuana)) <u>cannabis</u> would impact community safety or the effective 7 supervision of those on active supervision for a criminal conviction, 8 nor does it create the right to any accommodation of any medical use 9 of ((marijuana)) <u>cannabis</u> in any correctional facility or jail.

31 Sec. 152. RCW 82.08.0293 and 2021 c 176 s 5249 are each amended 32 to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of food and food ingredients. "Food and food ingredients" means substances, whether in liquid, concentrated, solid, frozen, dried, or dehydrated form, that are sold for ingestion or chewing by humans and are consumed for their taste or nutritional value. "Food and food ingredients" does not include:

1 (a) "Alcoholic beverages," which means beverages that are 2 suitable for human consumption and contain one-half of one percent or 3 more of alcohol by volume;

8 (2) The exemption of "food and food ingredients" provided for in 9 subsection (1) of this section does not apply to prepared food, soft 10 drinks, bottled water, or dietary supplements. The definitions in 11 this subsection apply throughout this section unless the context 12 clearly requires otherwise.

(a) "Bottled water" means water that is placed in a safety sealed 13 14 container or package for human consumption. Bottled water is calorie free and does not contain sweeteners or other additives except that 15 16 it may contain: (i) Antimicrobial agents; (ii) fluoride; (iii) 17 carbonation; (iv) vitamins, minerals, and electrolytes; (v) oxygen; (vi) preservatives; and (vii) only those flavors, extracts, or 18 essences derived from a spice or fruit. - 1 2
- (c) (i) "Prepared food" means:

(A) Food sold in a heated state or heated by the seller;

3 (B) Food sold with eating utensils provided by the seller, 4 including plates, knives, forks, spoons, glasses, cups, napkins, or 5 straws. A plate does not include a container or packaging used to 6 transport the food; or

7 (C) Two or more food ingredients mixed or combined by the seller 8 for sale as a single item, except:

9 (I) Food that is only cut, repackaged, or pasteurized by the 10 seller; or

(II) Raw eggs, fish, meat, poultry, and foods containing these raw animal foods requiring cooking by the consumer as recommended by the federal food and drug administration in chapter 3, part 401.11 of The Food Code, published by the food and drug administration, as amended or renumbered as of January 1, 2003, so as to prevent foodborne illness.

17 (ii) Food is "sold with eating utensils provided by the seller"
18 if:

The seller's customary practice for that item 19 (A) is to physically deliver or hand a utensil to the customer with the food or 20 21 food ingredient as part of the sales transaction. If the food or food ingredient is prepackaged with a utensil, the seller is considered to 22 have physically delivered a utensil to the customer unless the food 23 24 and utensil are prepackaged together by a food manufacturer 25 classified under sector 311 of the North American industry 26 classification system (NAICS);

(B) A plate, glass, cup, or bowl is necessary to receive the food
or food ingredient, and the seller makes those utensils available to
its customers; or

(C)(I) The seller makes utensils available to its customers, and 30 31 the seller has more than seventy-five percent prepared food sales. 32 For purposes of this subsection (2)(c)(ii)(C), a seller has more than seventy-five percent prepared food sales if the seller's gross retail 33 sales of prepared food under (c)(i)(A), (c)(i)(C), and (c)(ii)(B) of 34 this subsection equal more than seventy-five percent of the seller's 35 36 gross retail sales of all food and food ingredients, including prepared food, soft drinks, and dietary supplements. 37

(II) However, even if a seller has more than seventy-five percent prepared food sales, four servings or more of food or food ingredients packaged for sale as a single item and sold for a single price are not "sold with utensils provided by the seller" unless the seller's customary practice for the package is to physically hand or otherwise deliver a utensil to the customer as part of the sales transaction. Whenever available, the number of servings included in a package of food or food ingredients must be determined based on the manufacturer's product label. If no label is available, the seller must reasonably determine the number of servings.

(III) The seller must determine a single prepared food sales 8 percentage annually for all the seller's establishments in the state 9 based on the prior year of sales. The seller may elect to determine 10 11 its prepared food sales percentage based either on the prior calendar year or on the prior fiscal year. A seller may not change its elected 12 method for determining its prepared food percentage without the 13 14 written consent of the department. The seller must determine its annual prepared food sales percentage as soon as possible after 15 16 accounting records are available, but in no event later than ninety 17 days after the beginning of the seller's calendar or fiscal year. A seller may make a good faith estimate of its first annual prepared 18 food sales percentage if the seller's records for the prior year are 19 not sufficient to allow the seller to calculate the prepared food 20 21 sales percentage. The seller must adjust its good faith estimate prospectively if its relative sales of prepared foods in the first 22 ninety days of operation materially depart from the seller's 23 24 estimate.

25 (iii) "Prepared food" does not include the following items, if 26 sold without eating utensils provided by the seller:

(A) Food sold by a seller whose proper primary NAICS
classification is manufacturing in sector 311, except subsector 3118
(bakeries), as provided in the "North American industry
classification system—United States, 2002";

31 (B) Food sold in an unheated state by weight or volume as a 32 single item; or

(C) Bakery items. The term "bakery items" includes bread, rolls,
 buns, biscuits, bagels, croissants, pastries, donuts, Danish, cakes,
 tortes, pies, tarts, muffins, bars, cookies, or tortillas.

36 (d) "Soft drinks" means nonalcoholic beverages that contain 37 natural or artificial sweeteners. Soft drinks do not include 38 beverages that contain: Milk or milk products; soy, rice, or similar 39 milk substitutes; or greater than fifty percent of vegetable or fruit 40 juice by volume. 1 (3) Notwithstanding anything in this section to the contrary, the 2 exemption of "food and food ingredients" provided in this section 3 applies to food and food ingredients that are furnished, prepared, or 4 served as meals:

5 (a) Under a state administered nutrition program for the aged as 6 provided for in the older Americans act (P.L. 95-478 Title III) and 7 RCW 74.38.040(6);

8 (b) That are provided to senior citizens, individuals with 9 disabilities, or low-income persons by a nonprofit organization 10 organized under chapter 24.03A or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or 11 12 older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed 13 to both spouses of a marital community or both domestic partners of a 14 domestic partnership meets the age requirement in this subsection 15 16 (3)(c) if at least one of the spouses or domestic partners is at 17 least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility: 18

(i) That meets the definition of a qualified low-income housing project under 26 U.S.C. Sec. 42 of the federal internal revenue code, as existing on August 1, 2009;

(ii) That has been partially funded under 42 U.S.C. Sec. 1485; and

(iii) For which the lessor or operator has at any time been
entitled to claim a federal income tax credit under 26 U.S.C. Sec. 42
of the federal internal revenue code.

(4) (a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine. Except as provided in (b) of this subsection, the selling price of food and food ingredients sold through a vending machine for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.

34 (b) For soft drinks, bottled water, and hot prepared food and 35 food ingredients, other than food and food ingredients which are 36 heated after they have been dispensed from the vending machine, the 37 selling price is the total gross receipts of such sales divided by 38 the sum of one plus the sales tax rate expressed as a decimal.

1 (c) For tax collected under this subsection (4), the requirements 2 that the tax be collected from the buyer and that the amount of tax 3 be stated as a separate item are waived.

4 Sec. 153. RCW 82.08.820 and 2014 c 140 s 23 are each amended to 5 read as follows:

10 Sec. 164. RCW 82.29A.020 and 2015 3rd sp.s. c 6 s 2004 are each 11 amended to read as follows:

12 The definitions in this section apply throughout this chapter 13 unless the context requires otherwise.

(1) (a) "Leasehold interest" means an interest in publicly owned, 14 15 or specified privately owned, real or personal property which exists by virtue of any lease, permit, license, or any other agreement, 16 17 written or verbal, between the owner of the property and a person who would not be exempt from property taxes if that person owned the 18 property in fee, granting possession and use, to a degree less than 19 fee simple ownership. However, no interest in personal property 20 (excluding land or buildings) which is owned by the United States, 21 22 whether or not as trustee, or by any foreign government may constitute a leasehold interest hereunder when the right to use such 23 24 property is granted pursuant to a contract solely for the manufacture 25 or production of articles for sale to the United States or any foreign government. The term "leasehold interest" includes the rights 26 27 of use or occupancy by others of property which is owned in fee or 28 held in trust by a public corporation, commission, or authority created under RCW 35.21.730 or 35.21.660 if the property is listed on 29 30 or is within a district listed on any federal or state register of 31 historical sites.

32

(b) The term "leasehold interest" does not include:

(i) Road or utility easements, rights of access, occupancy, or use granted solely for the purpose of removing materials or products purchased from an owner or the lessee of an owner, or rights of access, occupancy, or use granted solely for the purpose of natural energy resource exploration; or

38 (ii) The preferential use of publicly owned cargo cranes and 39 docks and associated areas used in the loading and discharging of

1 cargo located at a port district marine facility. "Preferential use" 2 means that publicly owned real or personal property is used by a 3 private party under a written agreement with the public owner, but 4 the public owner or any third party maintains a right to use the 5 property when not being used by the private party.

6 (2) (a) "Taxable rent" means contract rent as defined in (c) of this subsection in all cases where the lease or agreement has been 7 established or renegotiated through competitive 8 bidding, or negotiated or renegotiated in accordance with statutory requirements 9 regarding the rent payable, or negotiated or renegotiated under 10 11 circumstances, established by public record, clearly showing that the 12 contract rent was the maximum attainable by the lessor. With respect to a leasehold interest in privately owned property, "taxable rent" 13 means contract rent. However, after January 1, 1986, with respect to 14 any lease which has been in effect for ten years or more without 15 16 renegotiation, taxable rent may be established by procedures set 17 forth in (g) of this subsection. All other leasehold interests are 18 subject to the determination of taxable rent under the terms of (g) 19 of this subsection.

(b) For purposes of determining leasehold excise tax on any lands 20 21 on the Hanford reservation subleased to a private or public entity by 22 the department of ecology, taxable rent includes only the annual cash rental payment made by such entity to the department of ecology as 23 specifically referred to as rent in the sublease agreement between 24 25 the parties and does not include any other fees, assessments, or 26 charges imposed on or collected by such entity irrespective of whether the private or public entity pays or collects such other 27 fees, assessments, or charges as specified in the sublease agreement. 28

(c) "Contract rent" means the amount of consideration due as 29 payment for a leasehold interest, including: The total of cash 30 31 payments made to the lessor or to another party for the benefit of 32 the lessor according to the requirements of the lease or agreement, including any rents paid by a sublessee; expenditures for the 33 protection of the lessor's interest when required by the terms of the 34 lease or agreement; and expenditures for improvements to the property 35 36 to the extent that such improvements become the property of the lessor. Where the consideration conveyed for the leasehold interest 37 is made in combination with payment for concession or other rights 38 39 granted by the lessor, only that portion of such payment which

1 represents consideration for the leasehold interest is part of 2 contract rent.

(d) "Contract rent" does not include: (i) Expenditures made by 3 the lessee, which under the terms of the lease or agreement, are to 4 be reimbursed by the lessor to the lessee or expenditures for 5 6 improvements and protection made pursuant to a lease or an agreement which requires that the use of the improved property be open to the 7 general public and that no profit will inure to the lessee from the 8 lease; (ii) expenditures made by the lessee for the replacement or 9 repair of facilities due to fire or other casualty including payments 10 for insurance to provide reimbursement for losses or payments to a 11 12 public or private entity for protection of such property from damage or loss or for alterations or additions made necessary by an action 13 of government taken after the date of the execution of the lease or 14 agreement; (iii) improvements added to publicly owned property by a 15 16 sublessee under an agreement executed prior to January 1, 1976, which 17 have been taxed as personal property of the sublessee prior to January 1, 1976, or improvements made by a sublessee of the same 18 lessee under a similar agreement executed prior to January 1, 1976, 19 and such improvements are taxable to the sublessee as personal 20 21 property; (iv) improvements added to publicly owned property if such 22 improvements are being taxed as personal property to any person.

23 (e) Any prepaid contract rent is considered to have been paid in the year due and not in the year actually paid with respect to 24 25 prepayment for a period of more than one year. Expenditures for improvements with a useful life of more than one year which are 26 included as part of contract rent must be treated as prepaid contract 27 rent and prorated over the useful life of the improvement or the 28 remaining term of the lease or agreement if the useful life is in 29 excess of the remaining term of the lease or agreement. Rent prepaid 30 31 prior to January 1, 1976, must be prorated from the date of 32 prepayment.

33 (f) With respect to a "product lease," the value is that value 34 determined at the time of sale under terms of the lease.

(g) If it is determined by the department of revenue, upon examination of a lessee's accounts or those of a lessor of publicly owned property, that a lessee is occupying or using publicly owned property in such a manner as to create a leasehold interest and that such leasehold interest has not been established through competitive bidding, or negotiated in accordance with statutory requirements

2SHB 1210

regarding the rent payable, or negotiated under circumstances, 1 established by public record, clearly showing that the contract rent 2 was the maximum attainable by the lessor, the department may 3 establish a taxable rent computation for use in determining the tax 4 payable under authority granted in this chapter based upon the 5 6 following criteria: (i) Consideration must be given to rental being 7 paid to other lessors by lessees of similar property for similar purposes over similar periods of time; (ii) consideration must be 8 given to what would be considered a fair rate of return on the market 9 value of the property leased less reasonable deductions for any 10 11 restrictions on use, special operating requirements or provisions for 12 concurrent use by the lessor, another person or the general public.

(3) "Product lease" as used in this chapter means a lease of 13 property for use in the production of agricultural or marine 14 products, not including the production of ((marijuana)) cannabis as 15 16 defined in RCW 69.50.101, to the extent that such lease provides for 17 the contract rent to be paid by the delivery of a stated percentage of the production of such agricultural or marine products to the 18 credit of the lessor or the payment to the lessor of a stated 19 percentage of the proceeds from the sale of such products. 20

21 (4) "Renegotiated" means a change in the lease agreement which 22 changes the agreed time of possession, restrictions on use, the rate of the cash rental or of any other consideration payable by the 23 lessee to or for the benefit of the lessor, other than any such 24 25 change required by the terms of the lease or agreement. In addition 26 "renegotiated" means a continuation of possession by the lessee beyond the date when, under the terms of the lease agreement, the 27 lessee had the right to vacate the premises without any further 28 29 liability to the lessor.

30

(5) "City" means any city or town.

(6) "Products" includes natural resource products such as cut or picked evergreen foliage, Cascara bark, wild edible mushrooms, native ornamental trees and shrubs, ore and minerals, natural gas, geothermal water and steam, and forage removed through the grazing of livestock.

36 (7) "Publicly owned, or specified privately owned, real or 37 personal property" includes real or personal property:

(a) Owned in fee or held in trust by a public entity and exempt
 from property tax under the laws or Constitution of this state or the
 Constitution of the United States;

(b) Owned by a federally recognized Indian tribe in the state and
 exempt from property tax under RCW 84.36.010;

3 (c) Owned by a nonprofit fair association exempt from property 4 tax under RCW 84.36.480(2), but only with respect to that portion of 5 the fair's property subject to the tax imposed in this chapter 6 pursuant to RCW 84.36.480(2)(b); or

7 (d) Owned by a community center exempt from property tax under 8 RCW 84.36.010.

33 Sec. 166. RCW 84.34.410 and 2014 c 140 s 27 are each amended to 34 read as follows:

The provisions of this chapter do not apply with respect to land used in the growing, raising, or producing of ((marijuana)) <u>cannabis</u>, useable ((marijuana, or marijuana-infused)) <u>cannabis</u>, or <u>cannabis</u>infused products as those terms are defined under RCW 69.50.101. 1 Sec. 167. RCW 84.40.030 and 2014 c 140 s 29 are each amended to 2 read as follows:

3 (1) All property must be valued at one hundred percent of its
4 true and fair value in money and assessed on the same basis unless
5 specifically provided otherwise by law.

6 (2) Taxable leasehold estates must be valued at such price as 7 they would bring at a fair, voluntary sale for cash without any 8 deductions for any indebtedness owed including rentals to be paid.

9 (3) The true and fair value of real property for taxation 10 purposes (including property upon which there is a coal or other 11 mine, or stone or other quarry) must be based upon the following 12 criteria:

(a) Any sales of the property being appraised or similar 13 properties with respect to sales made within the past five years. The 14 appraisal must be consistent with the comprehensive land use plan, 15 16 development regulations under chapter 36.70A RCW, zoning, and any 17 other governmental policies or practices in effect at the time of appraisal that affect the use of property, as well as physical and 18 19 environmental influences. An assessment may not be determined by a method that assumes a land usage or highest and best use not 20 21 permitted, for that property being appraised, under existing zoning or land use planning ordinances or statutes or other government 22 restrictions. The appraisal must also take into account: (i) In the 23 use of sales by real estate contract as similar sales, the extent, if 24 25 any, to which the stated selling price has been increased by reason 26 of the down payment, interest rate, or other financing terms; and (ii) the extent to which the sale of a similar property actually 27 represents the general effective market demand for property of such 28 29 type, in the geographical area in which such property is located. Sales involving deed releases or similar seller-developer financing 30 31 arrangements may not be used as sales of similar property.

32 (b) In addition to sales as defined in subsection (3)(a) of this 33 section, consideration may be given to cost, cost less depreciation, reconstruction cost less depreciation, or capitalization of income 34 that would be derived from prudent use of the property, as limited by 35 36 law or ordinance.
