30 (~~three~~) four years from the date of election or appointment.

31 The board, by rule, shall establish a position number for each
32 elected position of the board and shall designate which county

26 forage plants that are pollen-rich or nectar-rich and beneficial for
27 all pollinators, including honey bees.

28 **Sec. 10.** RCW 17.10.205 and 1997 c 353 s 24 are each amended to

5 products, screenings, and articles in which the seeds must be
6 controlled and the maximum amount of the seed to be permitted in the
7 product, screenings, or article to avoid a hazard of spreading the
8 noxious weed by seed from the product, screenings, or article. The
9 director shall also adopt, with the advice of the state board, rules
10 designating toxic weeds which shall be controlled in feed stuffs and
11 screenings to prevent injury to the animal that consumes the feed.
12 The rules shall identify the feed stuffs and screenings in which the
13 toxic weeds must be controlled and the maximum amount of the toxic
14 weed to be permitted in the feed. Rules developed under this section
15 shall identify ways that products, screenings, articles, or feed
16 stuffs containing noxious weed seeds or toxic weeds can be made
17 available for beneficial uses.

18 (2) Any person who knowingly or negligently sells or otherwise
19 distributes a product, article, screenings, or feed stuff designated
20 by rule containing noxious weed seeds or toxic weeds designated for
21 control by rule and in an amount greater than the amount established
22 by the director for the seed or weed by rule is guilty of a
23 misdemeanor.

24 (3) The department of agriculture shall, upon request of the
25 buyer, county weed board, or weed district, inspect products,
26 screenings, articles, or feed stuffs designated by rule and charge
27 fees, in accordance with chapter 22.09 RCW, to determine the presence
28 of designated noxious weed seeds or toxic weeds.

29 **Sec. 12.** RCW 17.10.240 and 1997 c 353 s 27 are each amended to
30 read as follows:

31 (1) The activated county noxious weed control board of each
32 county shall annually submit a budget to the county legislative
33 authority for the operating cost of the county's weed program for the
34 ensuing fiscal year: PROVIDED, That if the board finds the budget
35 approved by the legislative authority is insufficient for an
36 effective county noxious weed control program (~~it shall petition the~~
37 ~~county legislative authority to hold a hearing as provided in RCW~~
38 ~~17.10.890. Control of weeds is a benefit to the lands within any such~~
39 ~~section)), the board may submit a budget amendment to the county~~

1 legislative authority after which the county legislative authority
2 must hold a hearing as provided in chapter 36.40 RCW.

3 Activities and programs to limit economic loss and adverse
4 effects due to the presence and spread of noxious weeds on all
5 terrestrial and aquatic areas in the state are declared to be of
6 special benefit, including to lands owned or held by the state, and
7 may be used as the basis upon which special assessments are imposed
8 by the county legislative authority.

9 Funding for the budget is derived from any or all of the
10 following: (a) The county legislative authority may, in lieu of a
11 tax, levy an assessment against the land for this purpose. Whenever
12 there is included within the jurisdiction of any weed control board
13 lands owned or held by the state, the county legislative authority
14 shall determine the amount of the assessment for which the land would
15 be liable if the land were in private ownership. Assessments on lands
16 owned or held by the state must be presented to the appropriate state
17 agency and must be paid by the appropriate state agency, according to
18 the process set forth in chapter 79.44 RCW.

19 Prior to the levying of an assessment the county noxious weed
20 control board shall hold a public hearing at which it will gather
21 information to serve as a basis for classification and then classify
22 the lands into suitable classifications, including but not limited to
23 dry lands, range lands, irrigated lands, nonuse lands, forestlands,
24 or federal lands. The board shall develop and forward to the county
25 legislative authority, as a proposed level of assessment for each
26 class, an amount as seems just. The assessment rate shall be either
27 uniform per acre in its respective class or a flat rate per parcel
28 rate plus a uniform rate per acre or, for rights-of-way, a rate based
29 on centerline miles: PROVIDED, That if no benefits are found to
30 accrue to a class of land, a zero assessment may be levied. The
31 county legislative authority, upon receipt of the proposed levels of
32 assessment from the board, after a hearing, shall accept or modify by
33 resolution, or refer back to the board for its reconsideration all or
34 any portion of the proposed levels of assessment. The amount of the
35 assessment constitutes a lien against the property. The county
36 legislative authority may by resolution or ordinance require that
37 notice of the lien be sent to each owner of property for which the
38 assessment has not been paid by the date it was due and that each
39 lien created be collected by the treasurer in the same manner as
40 delinquent real property tax, if within thirty days from the date the

1 owner is sent notice of the lien, including the amount thereof, the
2 lien remains unpaid and an appeal has not been made pursuant to RCW
3 17.10.180. Liens treated as delinquent taxes bear interest at the
4 rate of twelve percent per annum and the interest accrues as of the
5 date notice of the lien is sent to the owner: PROVIDED FURTHER, That
6 any collections for the lien shall not be considered as tax; or

7 (b) The county legislative authority may appropriate money from
8 the county general fund necessary for the administration of the
9 county noxious weed control program. In addition the county
10 legislative authority may make emergency appropriations as it deems
11 necessary for the implementation of this chapter.

12 (2) Forestlands used solely for the planting, growing, or
13 harvesting of trees and which are typified, except during a single
14 period of five years following clear-cut logging, by canopies so
15 dense as to prohibit growth of an understory may be subject to an
16 annual noxious weed assessment levied by a county legislative
17 authority that does not exceed one-tenth of the weighted average per
18 acre noxious weed assessment levied on all other lands in
19 unincorporated areas within the county that are subject to the weed
20 assessment. This assessment shall be computed in accordance with the
21 formula in subsection (3) of this section.

22 (3) The calculation of the "weighted average per acre noxious
23 weed assessment" is a ratio expressed as follows:

24 (a) The numerator is the total amount of funds estimated to be
25 collected from the per acre assessment on all lands except (i)
26 forestlands as identified in subsection (2) of this section, (ii)
27 lands exempt from the noxious weed assessment, and (iii) lands
28 located in an incorporated area.

29 (b) The denominator is the total acreage from which funds in (a)
30 of this subsection are collected. For lands of less than one acre in
31 size, the denominator calculation may be based on the following
32 assumptions: (i) Unimproved lands are calculated as being one-half
33 acre in size on the average, and (ii) improved lands are calculated
34 as being one-third acre in size on the average. The county
35 legislative authority may choose to calculate the denominator for
36 lands of less than one acre in size using other assumptions about
37 average parcel size based on local information.

38 (4) For those counties that levy a per parcel assessment to help
39 fund noxious weed control programs, the per parcel assessment on

1 forestlands as defined in subsection (2) of this section shall not
2 exceed one-tenth of the per parcel assessment on nonforestlands.

3 **Sec. 13.** RCW 17.10.890 and 1997 c 353 s 32 are each amended to
4 read as follows:

5 ~~((The following procedures shall be followed to deactivate a~~
6 ~~county noxious weed control board)) A county noxious weed control
7 board may be deactivated only if there are neither any class A
8 noxious weeds nor any class B noxious weeds in the county. Upon
9 receiving documentation of the absence in the county of both class A
10 noxious weeds and class B noxious weeds, the county legislative
11 authority may initiate the following procedures:~~

12 (1) The county legislative authority holds a hearing to determine
13 whether there continues to be a need for an activated county noxious
14 weed control board if:

15 (a) A petition is filed by one hundred registered voters within
16 the county;

17 (b) A petition is filed by a county noxious weed control board as
18 provided in RCW 17.10.240; or

19 (c) The county legislative authority passes a motion to hold such
20 a hearing.

21 (2) Except as provided in subsection (4) of this section, the
22 hearing shall be held within sixty days of final action taken under
23 subsection (1) of this section.

24 (3) If, after a hearing, the county legislative authority
25 determines that no need exists for a county noxious weed control
26 board, due to the absence of class A or class B noxious weeds
27 designated for control in the region, the county legislative
28 authority shall deactivate the board.

29 (4) The county legislative authority shall not convene a hearing
30 as provided for in subsection (1) of this section more frequently
31 than once a year.

32 **Sec. 14.** RCW 17.04.240 and 1957 c 13 s 2 are each amended to
33 read as follows:

34 (1) The directors shall annually determine the amount of money
35 necessary to carry on the operations of the district and shall
36 classify the property therein in proportion to the benefits to be
37 derived from the operations of the district and in accordance with
38 such classification shall prorate the cost so determined and shall

1 levy assessments to be collected with the general taxes of the
2 county. In the event that any bonded or warrant indebtedness pledging
3 tax revenue of the district shall be outstanding on April 1, 1951,
4 the directors may, for the sole purpose of retiring such
5 indebtedness, continue to levy a tax upon all taxable property in the
6 district until such bonded or warrant indebtedness shall have been
7 retired.

8 (2) Activities and programs to limit economic loss and adverse
9 effects due to the presence and spread of noxious weeds on all
10 terrestrial and aquatic areas in the state are declared to be of
11 special benefit, including to lands owned or held by the state, and
12 may be used as the basis upon which special assessments are imposed
13 by the county legislative authority, including upon lands owned or
14 held by the state.

15 **Sec. 15.** RCW 79.44.003 and 1999 c 153 s 68 are each amended to
16 read as follows:

17 As used in this chapter "assessing district" means:

- 18 (1) Incorporated cities and towns;
- 19 (2) Diking districts;
- 20 (3) Drainage districts;
- 21 (4) Port districts;
- 22 (5) Irrigation districts;
- 23 (6) Water-sewer districts;
- 24 (7) Counties; (~~and~~)
- 25 (8) Weed boards and weed districts; and

26 (9) Any municipal corporation or public agency having power to
27 levy local improvement or other assessments, rates, or charges which
28 by statute are expressly made applicable to lands of the state.

29 **Sec. 16.** RCW 17.04.180 and 1991 c 245 s 1 are each amended to
30 read as follows:

31 Whenever any lands belonging to the county are included within a
32 weed district, the county legislative authority shall determine the
33 amount of the (~~taxes~~) assessment for which the lands would be
34 liable if they were in private ownership, and the county legislative
35 authority shall appropriate from the current expense fund of the
36 county sufficient money to pay such amounts. Whenever any state lands
37 are within any weed district, the county treasurer shall certify
38 annually and forward to the appropriate state agency for payment a

1 statement showing the amount of the (~~tax~~) assessment to which the
2 lands would be liable if they were in private ownership, separately
3 describing each lot or parcel and, if delinquent, with interest and
4 penalties consistent with RCW 84.56.020.
