1 AN ACT Relating to enrollment stabilization funding to address
2 enrollment declines due to the COVID-19 pandemic; amending RCW
3 84.52.0531; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature recognizes that the
6 COVID-19 pandemic has significantly changed the delivery of education
7 across the state, as school districts transition to remote learning
8 environments to protect the health of students and staff. The
9 legislature also recognizes that state funding formulas are largely
10 driven by enrollment and the pandemic has resulted in unforeseen,
11 temporary enrollment declines in many districts. Funding declines due
12 to temporary, unforeseen changes in enrollment can affect a
13 district's ability to maintain the staffing and resources needed to
14 deliver education services. With this act and in the operating
15 budget, the legislature intends to provide stabilizing funding to
16 districts that have seen temporary enrollment declines due to the
17 COVID-19 pandemic.

18 **Sec. 2.** RCW 84.52.0531 and 2019 c 410 s 2 are each amended to
19 read as follows:

1 (1) Beginning with taxes levied for collection in 2020, the
2 maximum dollar amount which may be levied by or for any school
3 district for enrichment levies under RCW 84.52.053 is equal to the
4 lesser of two dollars and fifty cents per thousand dollars of the
5 assessed value of property in the school district or the maximum per-
6 pupil limit. This maximum dollar amount shall be reduced accordingly
7 as provided under RCW 43.09.2856(2).

8 (2) The definitions in this subsection apply to this section
9 unless the context clearly requires otherwise.

10 (a) For the purpose of this section, "inflation" means, for any
11 school year, the rate of the yearly increase of the previous calendar
12 year's annual average consumer price index for all urban consumers,
13 Seattle area, using the official current base compiled by the bureau
14 of labor statistics, United States department of labor.

15 (b) "Maximum per-pupil limit" means:

16 (i) Two thousand five hundred dollars, as increased by inflation
17 beginning with property taxes levied for collection in 2020,
18 multiplied by the number of average annual full-time equivalent
19 students enrolled in the school district in the prior school year,
20 for school districts with fewer than forty thousand annual full-time
21 equivalent students enrolled in the school district in the prior
22 school year; or

23 (ii) Three thousand dollars, as increased by inflation beginning
24 with property taxes levied for collection in 2020, multiplied by the
25 number of average annual full-time equivalent students enrolled in
26 the school district in the prior school year, for school districts
27 with forty thousand or more annual full-time equivalent students
28 enrolled in the school district in the prior school year.

29 (c) "Prior school year" means the most recent school year
30 completed prior to the year in which the levies are to be collected,
31 except as follows:

32 (i) In the 2022 calendar year, if 2019-20 school year average
33 annual full-time equivalent enrollment is greater than the school
34 district's 2020-21 school year average annual full-time equivalent
35 enrollment, "prior school year" means the 2019-20 school year.

36 (ii) In the 2023 calendar year, if 2019-20 school year average
37 annual full-time equivalent enrollment is greater than the school
38 district's 2021-22 school year average annual full-time equivalent
39 enrollment, "prior school year" means the 2019-20 school year.

1 (3) For districts in a high/nonhigh relationship, the enrollments
2 of the nonhigh students attending the high school shall only be
3 counted by the nonhigh school districts for purposes of funding under
4 this section.

5 (4) For school districts participating in an innovation academy
6 cooperative established under RCW 28A.340.080, enrollments of
7 students attending the academy shall be adjusted so that each
8 participant district receives its proportional share of student
9 enrollments for purposes of funding under this section.

10 (5) Beginning with propositions for enrichment levies for
11 collection in calendar year 2020 and thereafter, a district must
12 receive approval of an enrichment levy expenditure plan under RCW
13 28A.505.240 before submission of the proposition to the voters.

14 (6) The superintendent of public instruction shall develop rules
15 and regulations and inform school districts of the pertinent data
16 necessary to carry out the provisions of this section.

17 (7) Beginning with taxes levied for collection in 2018,

23 construction, modernization, or remodeling of school facilities as
24 established in RCW 84.52.053 are not subject to the levy limitations
25 in subsections (1) through (5) of this section.
