BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. (1) The legislature makes the following findings:

(a) Nicotine is a highly addictive substance, particularly for children and youth under 21 years of age, whose brains are still developing. Currently, there is no limit in the United States on nicotine levels of vapor products. While other nations limit the nicotine content of vapor products to not more than two percent nicotine, vapor products commonly sold in this state and accessed by youth contain five percent nicotine. Vapor products that deliver high
levels of nicotine are fueling youth addiction to nicotine and have created an epidemic. The 2019 national youth tobacco survey found that about 27 percent of high school students reported current use of electronic cigarettes and, among electronic cigarette users, about one-third reported using electronic cigarettes on 20 or more of the preceding 30 days.

(b) Research consistently shows that flavors and associated advertising contribute to the appeal, initiation, and use of tobacco products, including vapor products, particularly among adolescents and young adults. Evidence also suggests that the 2009 flavored cigarette ban did achieve its objective of reducing adolescent tobacco use, but effects were likely diminished by the continued availability of menthol cigarettes and other flavored tobacco products. Preliminary data from the national youth tobacco survey show that more than one-quarter of high school students were current electronic cigarette users in 2019 and the overwhelming majority of youth electronic cigarette users cited the use of popular fruit and menthol or mint flavors. A health impact review performed by the state board of health in 2019 concluded that eliminating flavored vapor products would likely decrease initiation and use of vapor products and other tobacco products among youth and young adults, thereby improving health outcomes.

(c) Early research from Stanford University school of medicine indicates that teenagers and young adults that vape are five to seven times more likely to be infected with COVID-19 compared to those who do not use vapor products.

(d) While the long-term health effects of vapor products are unknown, current data suggests they are harmful to human health. Vapor products have been shown to impair lung function in several ways, such as by inhibiting ciliary beating, impairing immune function, and causing toxicity to epithelial cells.

(2) Therefore, the legislature intends to ban the sale of flavored vapor products and enact additional regulatory protections to protect the health of youth and young adults in Washington state.

Sec. 2. RCW 70.155.120 and 2019 c 415 s 979 and 2019 c 15 s 10 are each reenacted and amended to read as follows:

(1) The youth tobacco and vapor products prevention account is created in the state treasury. All fees collected pursuant to RCW 82.24.520, 82.24.530, 82.26.160, and 82.26.170 and funds collected by
the liquor and cannabis board from the imposition of monetary penalties shall be deposited into this account, except that ten percent of all such fees and penalties shall be deposited in the state general fund.

(2) Moneys appropriated from the youth tobacco and vapor products prevention account to the department of health shall be used by the department of health for implementation of this chapter, including collection and reporting of data regarding enforcement and the extent to which access to tobacco products and vapor products by youth has been reduced.

(3) The department of health shall enter into interagency agreements with the liquor and cannabis board to pay the costs incurred, up to thirty percent of available funds, in carrying out its enforcement responsibilities under this chapter. Such agreements shall set forth standards of enforcement, consistent with the funding available, so as to reduce the extent to which tobacco products and vapor products are available to individuals under the age of twenty-one. The agreements shall also set forth requirements for data reporting by the liquor and cannabis board regarding its enforcement activities. During the 2019-2021 fiscal biennium, the department of health shall pay the costs incurred, up to twenty-three percent of available funds, in carrying out its enforcement responsibilities.

(4) The department of health, the liquor and cannabis board, and the department of revenue shall enter into an interagency agreement for payment of the cost of administering the tobacco retailer licensing system and for the provision of quarterly documentation of tobacco wholesaler, retailer, and vending machine names and locations.

(5) The department of health shall, within up to seventy percent of available funds, provide grants to local health departments or other local community agencies to develop and implement coordinated tobacco and vapor product intervention strategies to prevent and reduce tobacco and vapor product use by youth. During the 2019-2021 fiscal biennium, the department of health shall, within up to seventy-seven percent of available funds, provide grants to local health departments or other local community agencies to develop and implement coordinated tobacco and vapor product intervention strategies to prevent and reduce tobacco and vapor product use by youth.
Moneys deposited in the youth tobacco and vapor products prevention account from receipts of the additional delivery sales license fee authorized in RCW 70.345.060(2) must be made available to the board to hire staff for enforcement of laws and rules applicable to internet and other delivery sales of vapor products, including with respect to sales to persons under age 21 and collection of the vapor product tax.

(1) The licenses issuable by the board under this chapter are as follows:

(a) A vapor product retailer's license;

(b) A vapor product distributor's license; ((and))

(c) A vapor product manufacturer's license; and

(d) A vapor product delivery sale license.

(2) Application for the licenses must be made through the business licensing system under chapter 19.02 RCW. The board may adopt rules regarding the regulation of the licenses and licensees.
The board may refuse to issue any license under this chapter if the board has reasonable cause to believe that the applicant has willfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the board has reasonable cause to believe that information submitted in the application is false or misleading or is not made in good faith. In addition, for the purpose of reviewing an application for a manufacturer's license, distributor's license, retailer's license, or delivery seller's license, and for considering the denial, suspension, or revocation of any such license, the board may consider criminal conduct of the applicant, including an administrative violation history record with the board and a criminal history record information check within the previous five years, in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions, and the provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to such cases. (3) The application processes for the retailer license and the distributor license, and any forms used for such processes, must allow the applicant to simultaneously apply for a delivery sale license without requiring the applicant to undergo a separate licensing application process in order to be licensed to conduct delivery sales. However, a delivery sale license obtained in conjunction with a retailer or distributor license under this subsection remains a separate license subject to the delivery sale licensing fee established under this chapter.

(4) No person may qualify for a manufacturer's license, retailer's license, distributor's license, or delivery sale license under this section without first undergoing a criminal background check. The background check must be performed by the board and must disclose any criminal conduct within the previous five years in any state, tribal, or federal jurisdiction in the United States, its territories, or possessions. transported, or handled, or otherwise hinder or prevent such 
inspection. A person who violates this subsection is guilty of a 
gross misdemeanor.

(3) Any person licensed under this chapter as a distributor, any 
person licensed under this chapter as a retailer, and any person 
licensed under this chapter as a delivery seller may not operate in 
young other capacity unless the additional appropriate license is first

distributor, or delivery seller may only sell vapor products obtained

Sec. 7. RCW 70.345.090 and 2019 c 445 s 212 are each amended to read as follows:

(1) No person may conduct a delivery sale or otherwise ship or transport, or cause to be shipped or transported, any vapor product ordered or purchased by mail or through the internet to any person unless such seller has a valid delivery sale license as required under this chapter and unless the vapor product was manufactured by a person holding a valid manufacturer's license issued by the board under this chapter.
(2) No person may conduct a delivery sale or otherwise ship or transport, or cause to be shipped or transported, any vapor product ordered or purchased by mail or through the internet to any person under the minimum age required for the legal sale of vapor products as provided under RCW 70.345.140.

The licensee shall attempt to match the full name, birthdate, and residential address of that person and (verifying) verify this information through an independently operated third-party database or aggregate of databases, which includes data from government sources, that are regularly used by government and businesses for the purpose of age and identity verification and authentication.

(b) If the licensee is unable to verify the person is 21 years of age or older under (a) of this subsection, the licensee must require the person to submit an age verification kit consisting of an attestation signed by the person that they are 21 years of age or older and a copy of a valid form of government identification. For purposes of this subsection, a valid form of government identification includes the officially issued forms of identification listed in RCW 70.345.120 (1)(a) through (f). billing address on the credit or debit card offered for payment by the person matches the address listed in the database.

(b) The licensee shall submit to each credit card acquiring company with which it has credit card sales identification information in an appropriate form and format so that the words "vapor product" may be printed in the purchaser's credit card statement when a purchase of a vapor product is made by credit card payment.

(6)(a) Before a delivery sale licensee delivers an initial purchase to any person, the licensee must verify the identity and delivery address of the purchaser by mailing or shipping to the purchaser a notice of sale and certification form confirming that the addressee is in fact the person placing the order. The purchaser must return the signed certification form to the licensee before the initial shipment of product. Certification forms are not required for repeat customers. In the alternative, before a seller delivers an initial purchase to any person, the seller must first obtain from the prospective customer an electronic certification, such as by email, that includes a declaration that, at a minimum, the prospective customer is over the minimum age required for the legal sale of a vapor product, and the credit or debit card used for payment has been issued in the purchaser's name.

(b) Upon accepting an order for vapor products, but before shipping the vapor products, a delivery sale licensee must make a telephone call after 5:00 p.m. to the purchaser confirming the order. The licensee is not required to speak directly with a person and may leave a message on an answering machine or by voice mail.

(7)(a) A delivery sale licensee must include on shipping documents a clear and conspicuous statement which includes, at a minimum, that the package contains vapor products manufactured under a license issued by the board, Washington law prohibits sales to those under the minimum age established by this chapter, and violations may result in sanctions to both the licensee and the purchaser. Vapor products must be delivered only in a container that is conspicuously labeled with the words: "CONTAINS VAPOR PRODUCTS: SIGNATURE OF PERSON 21 YEARS OF AGE OR OLDER REQUIRED FOR DELIVERY."

(b) A delivery sale licensee must deliver the vapor products to the purchaser's verified billing address on the credit or debit card.

in the business of transporting and delivering packages for others
are not unlawful and are not subject to civil or criminal penalties.

imposed is five thousand dollars.

((11) In addition to or in lieu of any other civil or
criminal remedy provided by law, a person who has violated this
section is subject to a civil penalty of up to five thousand dollars
for each violation. The attorney general, acting in the name of the
state, may seek recovery of the penalty in a civil action in superior
court.

((12) The attorney general may seek an injunction in
superior court to restrain a threatened or actual violation of this
section and to compel compliance with this section.

((13) Any violation of this section is not reasonable in
relation to the development and preservation of business and is an
unfair and deceptive act or practice and an unfair method of
competition in the conduct of trade or commerce in violation of RCW
19.86.020. Standing to bring an action to enforce RCW 19.86.020 for
violation of this section lies solely with the attorney general.
Remedies provided by chapter 19.86 RCW are cumulative and not
exclusive.

state is entitled to recover, in addition to other relief, the costs
of investigation, enforcement actions by the board, expert witness
fees, costs of the action, and reasonable attorneys' fees.

(b) If a court determines that a person has violated this
section, the court shall order any profits, gain, gross receipts, or
other benefit from the violation to be disgorged and paid to the
state treasurer for deposit in the foundational public health services account created in RCW 82.25.015.

(c) Monetary penalties imposed under this section must be deposited in the foundational public health services account created in RCW 82.25.015.

((44)) (15) Unless otherwise expressly provided, the penalties or remedies, or both, under this section are in addition to any other penalties and remedies available under any other law of this state.

((45)) (16) A licensee who violates this section is subject to license suspension or revocation by the board.

((46)) (17) The board may adopt by rule additional requirements for mail or internet sales.

((47)) (18) The board must not adopt rules prohibiting internet sales.

the officer purchasing, attempting to purchase, or in possession of

analyzed by an analyst appointed or designated by the board;

(b) If the analyzed vapor product contains an ingredient,
substance, or solution present in quantities injurious to human
health or posing a significant risk to public health, as determined
by the secretary of health or a local health jurisdiction, the board
may suspend the license of the retailer or delivery sale licensee
unless the retailer or delivery sale licensee agrees to remove the
product from sales; and

(c) If upon a finding from the secretary of health or local
health jurisdiction that the vapor product poses an injurious risk to
public health or significant public health risk, the retailer or
delivery sale licensee does not remove the product from sale, the
secretary of health or local health officer may file for an
injunction in superior court prohibiting the sale or distribution of
that specific vapor product substance or solution.

(1) No person engaged in or conducting business as a distributor or retailer in this state may:
   (a) Make, use, or present or exhibit to the department or the board any invoice for any of the vapor products taxed under this chapter that bears an untrue date or falsely states the nature or quantity of the goods invoiced; or
   (b) Fail to produce on demand of the department or the board all invoices of all the vapor products taxed under this chapter within five years prior to such demand unless the person can show by satisfactory proof that the nonproduction of the invoices was due to causes beyond the person's control.

(2)(a) No person, other than a licensed distributor, retailer or delivery sales licensee, or (manufacturer's representative) licensed manufacturer, may transport vapor products for sale in this state for which the taxes imposed under this chapter have not been paid unless:
   (i) Notice of the transportation has been given as required under RCW 82.25.065;
   (ii) The person transporting the vapor products actually possesses invoices or delivery tickets showing the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of vapor products being transported; and
   (iii) The vapor products are consigned to or purchased by a person in this state who is licensed under chapter 70.345 RCW.

(b) A violation of this subsection (2) is a gross misdemeanor.

(3) Any person licensed under chapter 70.345 RCW as a distributor, and any person licensed under chapter 70.345 RCW as a retailer, may not operate in any other capacity unless the additional appropriate license is first secured, except as otherwise provided by law. A violation of this subsection (3) is a misdemeanor.

(4) The penalties provided in this section are in addition to any other penalties provided by law for violating the provisions of this chapter or the rules adopted under this chapter.

(5) This section does not apply to a motor carrier or freight forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier as defined in Title 49 U.S.C. Sec. 40102.
Sec. 30. RCW 82.25.090 and 2019 c 445 s 118 are each amended to read as follows:

(1) Any vapor products in the possession of a person selling vapor products in this state acting as a distributor or retailer and who is not licensed as required under chapter 70.345 RCW, or a person who is selling vapor products in violation of RCW 82.24.550(6), may be seized without a warrant by any agent of the department, agent of the board, or law enforcement officer of this state. Any vapor products seized under this subsection are deemed forfeited.

(2) Any vapor products in the possession of a person who is not a licensed distributor, delivery seller, manufacturer, or retailer and who transports vapor products for sale without having provided notice to the board required under RCW 82.25.065, or without invoices or delivery tickets showing the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity and brands of vapor products being transported may be seized and are subject to forfeiture.

(3) All conveyances, including aircraft, vehicles, or vessels that are used, or intended for use to transport, or in any manner to facilitate the transportation, for the purpose of sale or receipt of vapor products under subsection (2) of this section, may be seized and are subject to forfeiture except:

   (a) A conveyance used by any person as a common or contract carrier having in actual possession invoices or delivery tickets showing the true name and address of the consignor or seller, the true name of the consignee or purchaser, and the quantity and brands of the vapor products transported, unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter;

   (b) A conveyance subject to forfeiture under this section by reason of any act or omission of which the owner establishes to have been committed or omitted without his or her knowledge or consent; or

   (c) A conveyance encumbered by a bona fide security interest if the secured party neither had knowledge of nor consented to the act or omission.

(4) Property subject to forfeiture under subsections (2) and (3) of this section may be seized by any agent of the department, the board, or law enforcement officer of this state upon process issued
by any superior court or district court having jurisdiction over the
property. Seizure without process may be made if:

(a) The seizure is incident to an arrest or a search warrant or
an inspection under an administrative inspection warrant; or

(b) The department, board, or law enforcement officer has
probable cause to believe that the property was used or is intended
to be used in violation of this chapter and exigent circumstances
exist making procurement of a search warrant impracticable.

(5) This section may not be construed to require the seizure of
vapor products if the department's agent, board's agent, or law
enforcement officer reasonably believes that the vapor products are
possessed for personal consumption by the person in possession of the
vapor products.

(6) Any vapor products seized by a law enforcement officer must
be turned over to the board as soon as practicable.

(7) This section does not apply to a motor carrier or freight
forwarder as defined in Title 49 U.S.C. Sec. 13102 or an air carrier
as defined in Title 49 U.S.C. Sec. 40102.

NEW SECTION. Sec. 31. A new section is added to chapter 82.25
RCW to read as follows:

(1) A bundled transaction that includes a vapor product is
subject to the tax imposed under this chapter on the entire selling
price of the bundled transaction.

(2) The definitions in this subsection apply throughout this
section unless the context clearly requires otherwise.

(a) "Bundled transaction" means:

(i) The sale of two or more products where the products are
otherwise distinct and identifiable, are sold for one nonitemized
price, and at least one product is a vapor product subject to the tax
under this chapter; and

(ii) A vapor product provided free of charge with the required
purchase of another product. A vapor product is provided free of
charge if the sales price of the product purchased does not vary
depending on the inclusion of the vapor product provided free of
charge.

(b) "Distinct and identifiable products" does not include
packaging such as containers, boxes, sacks, bags, and bottles, or
materials such as wrapping, labels, tags, and instruction guides,
that accompany the sale of the products and are incidental or
immaterial to the sale thereof.

NEW SECTION. Sec. 32. A new section is added to chapter 82.25
RCW to read as follows:
(1) The taxes imposed by this chapter do not apply to the sale of
vapor products by an Indian retailer during the effective date of a
vapor product tax contract subject to RCW 43.06.510 or a vapor
product tax agreement under RCW 43.06.515.
(2) The definitions in RCW 43.06.505 apply to this section.

NEW SECTION. Sec. 33. A new section is added to chapter 70.345
RCW to read as follows:
For the purpose of carrying into the effect the provisions of
this chapter according to their true intent or supplying any
deficiency therein, the board and the department of health may adopt
those rules as are deemed necessary or advisable.

NEW SECTION. Sec. 34. The following acts or parts of acts are
each repealed:
(1) RCW 70.345.210 (State preemption—Exceptions) and 2016 sp.s. c
38 s 3;
(2) RCW 82.25.045 (Shipped or transported outside state—Tax
credit) and 2019 c 445 s 109; and
(3) RCW 82.25.085 (Manufacturer's representatives) and 2019 c 445
s 117.

NEW SECTION. Sec. 35. If any provision of this act or its
application to any person or circumstance is held invalid, the
remainder of the act or the application of the provision to other
persons or circumstances is not affected.

NEW SECTION. Sec. 36. If any part of this act is found to be in
conflict with federal requirements that are a prescribed condition to
the allocation of federal funds to the state, the conflicting part of
this act is inoperative solely to the extent of the conflict and with
respect to the agencies directly affected, and this finding does not
affect the operation of the remainder of this act in its application
to the agencies concerned. Rules adopted under this act must meet
federal requirements that are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 37. Sections 17 and 18 of this act constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 38. Sections 20 through 26 of this act take effect January 1, 2022.
