RCW 43.06.115 Militarily impacted area—Declaration by governor.

(1) The governor may, by executive order, after consultation with or notification of the executive-legislative committee on economic development created by *chapter . . . (Senate Bill No. 5300), Laws of 1993, declare a community to be a "military impacted area." A "military impacted area" means a community or communities, as identified in the executive order, that experience serious social and economic hardships because of a change in defense spending by the federal government in that community or communities.

(2) If the governor executes an order under subsection (1) of this section, the governor shall establish a response team to coordinate state efforts to assist the military impacted community. The response team may include, but not be limited to, one member from each of the following agencies: (a) The department of commerce; (b) the department of social and health services; (c) the employment security department; (d) the state board for community and technical colleges; (e) the student achievement council; and (f) the department of transportation. The governor may appoint a response team coordinator. The governor shall seek to actively involve the impacted community or communities in planning and implementing a response to the crisis. The governor may seek input or assistance from the community diversification advisory committee, and the governor may establish task forces in the community or communities to assist in the coordination and delivery of services to the local community. The state and community response shall consider economic development, human service, and training needs of the community or communities

impacted. [2012 c 229 § 583; 1998 c 245 § 47; 1996 c 186 § 505; 1995 c 399 § 61; 1993 c 421 § 2.]

Findings—Intent—Part headings not law—Effective date—1996 c 186: See notes following RCW 43.330.904.

Finding—Intent—1993 c 421: "The legislature finds that military base expansions, closures, and defense procurement contract cancellations may have extreme economic impacts on communities and firms. The legislature began to address this concern in 1990 by establishing the community diversification program in the department of community development. While this program has helped military dependent communities begin the long road to diversification, base expansions or closures or major procurement contract reductions in the near future will find these communities unable to respond adequately, endangering the health, safety, and welfare of the community. The legislature intends to target emergency state assistance to military dependent communities significantly impacted by defense spending. The emergency state assistance and the long-term strategy should be driven by the impacted community and consistent with the state plan for diversification required under RCW 43.63A.450(4)." RCW 43.06.120 Federal funds and programs—Acceptance of funds by governor authorized—Administration and disbursement. RCW 43.06.155 Health care reform deliberations—Principles—Policies. (1) The following principles shall provide guidance to the state of Washington in its health care reform deliberations:

(a) Guarantee choice. Provide the people of Washington state with a choice of health plans and physicians, including health plans offered through the private insurance market and public programs, for those who meet eligibility standards. People will be allowed to keep their own doctor and their employer-based health plan.

(b) Make health coverage affordable. Reduce waste and fraud, high administrative costs, unnecessary tests and services, and other inefficiencies that drive up costs with no added health benefits.

(c) Protect families' financial health. Reduce the growing premiums and other costs that the people of Washington state pay for health care. People must be protected from bankruptcy due to catastrophic illness.

(d) Invest in prevention and wellness. Invest in public health measures proven to reduce cost drivers in our system, such as obesity, sedentary lifestyles, and smoking, as well as guarantee access to proven preventive treatments.

(e) Provide portability of coverage. People should not be locked into their job just to secure health coverage, and no American should be denied coverage because of preexisting conditions.

(f) Aim for universality. Building on the work of the blue ribbon commission and other state health care reform initiatives and recognizing the current economic climate, the state will partner with national health care reform efforts toward a goal of enabling all Washingtonians to have access to affordable, effective health care by 2014 as economic conditions and national reforms indicate.

(g) Improve patient safety and quality care. Ensure the implementation of proven patient safety measures and provide incentives for changes in the delivery system to reduce unnecessary variability in patient care. Support the widespread use of health information technology with rigorous privacy protections and the development of data on the effectiveness of medical interventions to improve the quality of care delivered.

(h) Maintain long-term fiscal sustainability. Any reform plan must pay for itself by reducing the level of cost growth, improving productivity, dedicating additional sources of revenue, and defining the appropriate role of the private and public sectors in financing health care coverage in Washington state.

(2) Over the past twenty years, both the private and public health care sectors in the state of Washington have implemented policies that are consistent with the principles in subsection (1) of this section. Most recently, the governor's blue ribbon commission on health reform agreed to recommendations that are highly consistent with those principles. Current policies in Washington state in accord with those principles include:

(a) With respect to aiming for universality and access to a choice of affordable health care plans and health care providers:

(i) The Washington basic health plan offers affordable health coverage to low-income families and individuals in Washington state

through a choice of private managed health care plans and health care providers;

(ii) Apple health for kids will achieve its dual goals that every child in Washington state have health care coverage by 2010 and that the health status of children in Washington state be improved. Only four percent of children in Washington state lack health insurance, due largely to efforts to expand coverage that began in 1993;

(iii) Through the health insurance partnership program, Washington state has designed the infrastructure for a health insurance exchange for small employers that would give employers and employees a choice of private health benefit plans and health care providers, offer portability of coverage and provide a mechanism to offer premium subsidies to low-wage employees of these employers;

(iv) Purchasers, insurance carriers, and health care providers are working together to significantly reduce health care administrative costs. These efforts have already produced efficiencies, and will continue through the activities provided in *Second Substitute Senate Bill No. 5346, if enacted by the 2009 legislature; and

(v) Over one hundred thousand Washingtonians have enrolled in the state's discount prescription drug card program, saving consumers over six million dollars in prescription drug costs since February 2007, with an average discount of twenty-two dollars or forty-three percent of the price of each prescription filled.

(b) With respect to improving patient safety and quality of care and investing in prevention and wellness, the public and private health care sectors are engaged in numerous nationally recognized efforts:

(i) The Puget Sound health alliance is a national leader in identifying evidence-based health care practices, and reporting to the public on health care provider performance with respect to these practices. Many of these practices address disease prevention and management of chronic illness;

(ii) The Washington state health technology assessment program and prescription drug program use medical evidence and independent clinical advisors to guide the purchasing of clinically and cost-effective health care services by state purchased health care programs;

(iii) Washington state's health record bank pilot projects are testing a new model of patient controlled electronic health records in three geographic regions of the state. The state has also provided grants to a number of small provider practices to help them implement electronic health records;

(iv) Efforts are underway to ensure that the people of Washington state have a medical home, with primary care providers able to understand their needs, meet their care needs effectively, better manage their chronic illnesses, and coordinate their care across the health care system. These efforts include group health cooperative of Puget Sound's medical home projects, care collaboratives sponsored by the state department of health, state agency chronic care management pilot projects, development of apple health for kids health improvement measures as indicators of children having a medical home, and implementation of medical home reimbursement pilot projects under **Substitute Senate Bill No. 5891, if enacted by the 2009 legislature; and

(v) Health care providers, purchasers, the state, and private quality improvement organizations are partnering to undertake numerous

patient safety efforts, including hospital and ambulatory surgery center adverse events reporting, with root cause analysis to identify actions to be undertaken to prevent further adverse events; reporting of hospital acquired infections and undertaking efforts to reduce the rate of these infections; developing a surgical care outcomes assessment program that includes a presurgery checklist to reduce medical errors; and developing a patient decision aid pilot to more fully inform patients of the risks and benefits of treatment alternatives, decrease unnecessary procedures and variation in care, and provide increased legal protection to physicians whose patients use a patient decision aid to provide informed consent. [2009 c 545 § 2.]

Reviser's note: *(1) Second Substitute Senate Bill No. 5346 became chapter 298, Laws of 2009.

** (2) Substitute Senate Bill No. 5891 became chapter 305, Laws of 2009.

Findings—2009 c 545: "The legislature finds that the principles for health care reform articulated by the president of the United States in his proposed federal fiscal year 2010 budget to the congress of the United States provide an opportunity for the state of Washington to be both a partner with, and a model for, the federal government in its health care reform efforts. The legislature further finds that the recommendations of the 2007 blue ribbon commission on health care costs and access are consistent with these principles." [2009 c 545 § 1.]

RCW 43.06.210 Proclamations—Generally—State of emergency. A proclamation of a state of emergency is effective upon the governor's signature. Energy supply emergencies: Chapter 43.21G RCW.

RCW 43.06.220 State of emergency—Powers of governor pursuant to proclamation. (1) The governor after proclaiming a state of emergency and prior to terminating such, may, in the area described by the proclamation issue an order prohibiting:

(a) Any person being on the public streets, or in the public parks, or at any other public place during the hours declared by the governor to be a period of curfew;

(b) Any number of persons, as designated by the governor, from assembling or gathering on the public streets, parks, or other open areas of this state, either public or private;

(c) The manufacture, transfer, use, possession or transportation of a molotov cocktail or any other device, instrument or object designed to explode or produce uncontained combustion;

(d) The transporting, possessing or using of gasoline, kerosene, or combustible, flammable, or explosive liquids or materials in a glass or uncapped container of any kind except in connection with the normal operation of motor vehicles, normal home use or legitimate commercial use;

(e) The sale, purchase or dispensing of alcoholic beverages;

(f) The sale, purchase or dispensing of other commodities or goods, as he or she reasonably believes should be prohibited to help preserve and maintain life, health, property or the public peace;

(g) The use of certain streets, highways or public ways by the public; and

(h) Such other activities as he or she reasonably believes should be prohibited to help preserve and maintain life, health, property or the public peace.

(2) The governor after proclaiming a state of emergency and prior to terminating such may, in the area described by the proclamation, issue an order or orders concerning waiver or suspension of statutory obligations or limitations in the following areas:

(a) Liability for participation in interlocal agreements;

(b) Inspection fees owed to the department of labor and industries;

(c) Application of the family emergency assistance program;

(d) Regulations, tariffs, and notice requirements under the jurisdiction of the utilities and transportation commission;

(e) Application of tax due dates and penalties relating to collection of taxes;

(f) Permits for industrial, business, or medical uses of alcohol; and

(g) Such other statutory and regulatory obligations or limitations prescribing the procedures for conduct of state business, or the orders, rules, or regulations of any state agency if strict compliance with the provision of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency, unless (i) authority to waive or suspend a specific statutory or regulatory obligation or limitation has been expressly granted to another statewide elected official, (ii) the waiver or suspension would conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, or (iii) the waiver or suspension would conflict with the rights, under the First Amendment, of freedom of speech or of the people to peaceably assemble. The governor shall give as much notice as practical to legislative leadership and impacted local governments when issuing orders under this subsection (2)(g).

(3) In imposing the restrictions provided for by RCW 43.06.010, and 43.06.200 through 43.06.270, the governor may impose them for such times, upon such conditions, with such exceptions and in such areas of this state he or she from time to time deems necessary.

(4) No order or orders concerning waiver or suspension of statutory obligations or limitations under subsection (2) of this section may continue for longer than thirty days unless extended by the legislature through concurrent resolution. If the legislature is not in session, the waiver or suspension of statutory obligations or limitations may be extended in writing by the leadership of the senate and the house of representatives until the legislature can extend the waiver or suspension by concurrent resolution. For purposes of this section, "leadership of the senate and the house of representatives" means the majority and minority leaders of the senate and the speaker and the minority leader of the house of representatives.

(5) Any person willfully violating any provision of an order issued by the governor under this section is guilty of a gross misdemeanor. [2019 c 472 § 2; 2008 c 181 § 1; 2003 c 53 § 222; 1969 ex.s. c 186 § 3.]

Findings—Intent—2019 c 472: "(1)(a) The legislature finds that the governor has broad authority to proclaim a state of emergency in

any area of the state under RCW 43.06.010(12), and to exercise emergency powers during the emergency. These emergency powers have historically included the ability under RCW 43.06.220(1)(h) to temporarily waive or suspend statutory obligations by prohibiting compliance with statutory provisions during a proclaimed state of emergency when the governor reasonably believed it would help preserve and maintain life, health, property, or the public peace.

(b) The legislature further finds that, in response to issues arising from flooding events in 2007, RCW 43.06.220(2) was amended by chapter 181, Laws of 2008, to explicitly authorize the governor to temporarily waive or suspend a set of specifically identified statutes. This amendment has become problematic for subsequent emergency response activities because it has inadvertently narrowed the governor's ability to waive or suspend statutes under RCW 43.06.220(1)(h) by issuing orders temporarily prohibiting compliance with statutes not expressly identified in RCW 43.06.220(2).

(2) The legislature intends to allow the governor to immediately respond during a proclaimed state of emergency by temporarily waiving or suspending other statutory obligations or limitations prescribing the procedures for conduct of state business, or the orders, rules, or regulations of any state agency, if strict compliance would in any way prevent, hinder, or delay necessary action in coping with the emergency." Intent—Effective date—2003 c 53: See notes following RCW 2.48.180.

RCW 43.06.225 State of emergency—Health care law waivers and suspensions. (1)(a) If when declaring or amending a statewide state of emergency pursuant to RCW 43.06.010, the governor determines that the emergency demands immediate action by hospitals to prevent critical health system failures and ensure hospitals' ability to work with emergency management in responding to the emergency, the governor shall, either simultaneously or within five days of that determination, specify within the emergency order or amended emergency order which of the following health care-related statutes and substantially equivalent regulations shall be waived or suspended based on the nature of the declared emergency:

(i) RCW 70.38.105(4) (a), (e), and (h);

(ii) RCW 70.41.110, the following language only: "premises and";

(iii) RCW 70.41.230;

(iv) RCW 70.41.090 (3), (4), and (5);

(v) RCW 18.64.043(1), the following language only: "of location, which shall entitle the owner to operate such pharmacy at the location specified, or such other temporary location as the secretary may approve,";

(vi) RCW 18.64.043(2) (a), the following language only: "of location";

(vii) RCW 18.64.043(3), the following language only: "and to keep the license of location or the renewal thereof properly exhibited in said pharmacy.";

(viii) RCW 43.70.280(2), the following language only: "Such extension, reduction, or other modification of a licensing, certification, or registration period shall be by rule or regulation of the department of health adopted in accordance with the provisions of chapter 34.05 RCW. Such rules and regulations may provide a method for imposing and collecting such additional proportional fee as may be required for the extended or modified period."; and

(ix) RCW 18.360.010(11), the following language only: "physically present and is" and "in the facility. The health care practitioner does not need to be present during procedures to withdraw blood, but must be immediately available."

(b) Hospitals that rely on waiver or suspension under (a) of this subsection shall notify the department within 14 days of initiating such reliance.

(c) Nothing in this section prevents the governor from waiving or suspending any statutes and substantially equivalent regulations outside the time frames established in this section. Additionally, the governor may waive or suspend any additional statutes, without limitation, as the governor deems necessary to address the emergency.

(2) Waivers and suspensions in subsection (1) of this section do not apply except to projects undertaken to provide or respond to surge capacity, including temporary increases in bed capacity, during the governor's declaration of a statewide state of emergency. Such projects and increases in bed capacity must comply with these statutory and regulatory provisions after the termination of the state of emergency. [2021 c 268 § 1.]

(b) making an unreasonable noise or an offensively coarse utterance, gesture, or display, or addressing abusive language to any person present; or

(c) dispersing any lawful procession or meeting of persons, not being a peace officer of this state and without lawful authority; or

(d) creating a hazardous or physically offensive condition which serves no legitimate purpose; or

(2) Engages with at least one other person in a course of conduct as defined in subsection (1) of this section which is likely to cause substantial harm or serious inconvenience, annoyance, or alarm, and refuses or knowingly fails to obey an order to disperse made by a peace officer shall be guilty of disorderly conduct and be punished by imprisonment in the county jail for up to three hundred sixty-four days or fined not more than one thousand dollars or by both fine and imprisonment. [2011 c 96 § 27; 1969 ex.s. c 186 § 5.]

Findings—Intent—2011 c 96: See note following RCW 9A.20.021.

RCW 43.06.250 State of emergency—Refusing to leave public way or property when ordered—Penalty. The listing must include an estimate of the revenue lost from the tax exemption, the purpose of the tax exemption, the persons, organizations, or parts of the population which benefit from the tax exemption, and whether or not the tax exemption conflicts with another state program. The listing must include but not be limited to the following revenue sources:

and

(j) Insurance premiums tax exemptions under chapter 48.14 RCW.

(2) The department of revenue must prepare the listing required by this section with the assistance of any other agencies or departments as may be required.

(3) The department of revenue must present the listing to the ways and means committees of each house in public hearings.

(4) Beginning in January 1984, and every four years thereafter the governor is requested to review the report from the department of revenue and may submit recommendations to the legislature with respect to the repeal or modification of any tax exemption. The ways and means committees of each house and the appropriate standing committee of each house must hold public hearings and take appropriate action on the recommendations submitted by the governor.

(6) For purposes of the listing due in January 2012, the department of revenue does not have to prepare or update the listing with respect to any tax exemption that would not be likely to increase state revenue if the exemption was repealed or otherwise eliminated. RCW 43.06.450 Cigarette tax contracts—Intent—Finding—Limitations. The legislature intends to further the government-to-government relationship between the state of Washington and Indians in the state of Washington by authorizing the governor to enter into contracts concerning the sale of cigarettes and vapor products. The legislature finds that these cigarette tax and vapor product tax contracts will provide a means to promote economic development, provide needed revenues for tribal governments and Indian persons, and enhance enforcement of the state's cigarette tax and vapor product tax, ultimately saving the state money and reducing conflict. In addition, it is the intent of the legislature that the negotiations and the ensuing contracts have no impact on the state's share of the proceeds under the master settlement agreement entered into on November 23, 1998, by the state. Chapter 235, Laws of 2001 and chapter 445, Laws of 2019 do not constitute a grant of taxing authority to any Indian tribe nor do they provide precedent for the taxation of non-Indians on fee land. [2019 c 445 § 301; 2001 c 235 § 1.]

RCW 43.06.455 Cigarette tax contracts—Requirements—Use of revenue—Enforcement—Definitions. (1) The governor may enter into cigarette tax contracts concerning the sale of cigarettes. All cigarette tax contracts shall meet the requirements for cigarette tax contracts under this section. Except for cigarette tax contracts under RCW 43.06.460, the rates, revenue sharing, and exemption terms of a cigarette tax contract are not effective unless authorized in a bill enacted by the legislature.

(2) Cigarette tax contracts shall be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the cigarettes from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, contracts shall provide that retailers shall not sell or give, or permit to be sold or given, cigarettes to any person under the age of eighteen years.

(3) A cigarette tax contract with a tribe shall provide for a tribal cigarette tax in lieu of all state cigarette taxes and state and local sales and use taxes on sales of cigarettes in Indian country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(4) Cigarette tax contracts shall provide that all cigarettes possessed or sold by a retailer shall bear a cigarette stamp obtained by wholesalers from a bank or other suitable stamp vendor and applied to the cigarettes. The procedures to be used by the tribe in obtaining tax stamps must include a means to assure that the tribal tax will be paid by the wholesaler obtaining such cigarettes. Tribal stamps must have serial numbers or some other discrete identification so that each stamp can be traced to its source.

(5) Cigarette tax contracts shall provide that retailers shall purchase cigarettes only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to comply with the terms of the cigarette tax contract, are certified to the state as having so agreed, and who do in fact so comply. However, the state may in its sole discretion exercise its administrative and enforcement powers over such wholesalers or manufacturers to the extent permitted by law;

(c) A tribal wholesaler that purchases only from a wholesaler or manufacturer described in (a), (b), or (d) of this subsection; and

(d) A tribal manufacturer.

(6) Cigarette tax contracts shall be for renewable periods of no more than eight years. A renewal may not include a renewal of the phase-in period.

(7) Cigarette tax contracts shall include provisions for compliance, such as transport and notice requirements, inspection procedures, stamping requirements, recordkeeping, and audit requirements.

(8) Tax revenue retained by a tribe must be used for essential government services. Use of tax revenue for subsidization of cigarette and food retailers is prohibited.

(9) The cigarette tax contract may include provisions to resolve disputes using a nonjudicial process, such as mediation.

(10) The governor may delegate the power to negotiate cigarette tax contracts to the department of revenue. The department of revenue shall consult with the *liquor control board during the negotiations.

(11) Information received by the state or open to state review under the terms of a contract is subject to the provisions of RCW 82.32.330.

(12) It is the intent of the legislature that the *liquor control board and the department of revenue continue the division of duties and shared authority under chapter 82.24 RCW and therefore the *liquor control board is responsible for enforcement activities that come under the terms of chapter 82.24 RCW.

(13) Each cigarette tax contract shall include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the contract should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the contract so allow. A contract shall provide for termination of the contract if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period. In addition, the contract shall include provisions delineating the respective roles and responsibilities of the tribe, the department of revenue, and the *liquor control board.

(14) For purposes of this section and RCW 43.06.460, 82.08.0316, 82.12.0316, and 82.24.295:

(a) "Essential government services" means services such as tribal administration, public facilities, fire, police, public health, education, job services, sewer, water, environmental and land use, transportation, utility services, and economic development;

(b) "Indian retailer" or "retailer" means (i) a retailer wholly owned and operated by an Indian tribe, (ii) a business wholly owned and operated by a tribal member and licensed by the tribe, or (iii) a business owned and operated by the Indian person or persons in whose name the land is held in trust; and

(c) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington. [2001 c 235 § 2.]

***Reviser's note:** The "state liquor control board" was renamed the "state liquor and cannabis board" by 2015 c 70 § 3.

RCW 43.06.460 Cigarette tax contracts—Eligible tribes—Tax rate.

(1) The governor is authorized to enter into cigarette tax contracts with the Squaxin Island Tribe, the Nisqually Tribe, Tulalip Tribes, the Muckleshoot Indian Tribe, the Quinault Nation, the Jamestown S'Klallam Indian Tribe, the Port Gamble S'Klallam Tribe, the Stillaguamish Tribe, the Sauk-Suiattle Tribe, the Skokomish Indian Tribe, the Yakama Nation, the Suquamish Tribe, the Nooksack Indian Tribe, the Lummi Nation, the Chehalis Confederated Tribes, the Upper Skagit Tribe, the Snoqualmie Tribe, the Swinomish Tribe, the Samish Indian Nation, the Quileute Tribe, the Kalispel Tribe, the Confederated Tribes of the Colville Reservation, the Cowlitz Indian Tribe, the Lower Elwha Klallam Tribe, the Makah Tribe, the Hoh Tribe,

the Spokane Tribe, and the Shoalwater Bay Tribe. Each contract adopted under this section shall provide that the tribal cigarette tax rate be one hundred percent of the state cigarette and state and local sales and use taxes within three years of enacting the tribal tax and shall be set no lower than eighty percent of the state cigarette and state and local sales and use taxes during the three-year phase-in period. The three-year phase-in period shall be shortened by three months each quarter the number of cartons of nontribal manufactured cigarettes is at least ten percent or more than the quarterly average number of cartons of nontribal manufactured cigarettes from the six-month period preceding the imposition of the tribal tax under the contract. Sales at a retailer operation not in existence as of the date a tribal tax under this section is imposed are subject to the full rate of the tribal tax under the contract. The tribal cigarette tax is in lieu of the state cigarette and state and local sales and use taxes, as provided in RCW 43.06.455(3).

(2) A cigarette tax contract under this section is subject to RCW 43.06.455. [2008 c 241 § 1; 2007 c 320 § 1; 2005 c 208 § 1; 2003 c 236 § 1; 2002 c 87 § 1; 2001 2nd sp.s. c 21 § 1; 2001 c 235 § 3.]

Effective date—2007 c 320: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2007." [2007 c 320 § 2.]

RCW 43.06.465 Cigarette tax agreement with Puyallup Tribe of Indians. (1) The governor may enter into a cigarette tax agreement with the Puyallup Tribe of Indians concerning the sale of cigarettes, subject to the limitations in this section. The legislature intends to address the uniqueness of the Puyallup Indian reservation and its selling environment through pricing and compliance strategies, rather than through the imposition of equivalent taxes. It is the legislature's intent (a) that an increase in prices through a flat tax will reduce much of the competitive advantage that has historically existed due to the discrepancy in the difference between state and tribal taxes, and (b) that the tribal retailers can remain in business under the changed circumstances. The governor may delegate the authority to negotiate a cigarette tax agreement with the Puyallup Tribe to the department of revenue. The department of revenue shall consult with the *liquor control board during the negotiations.

(2) Any agreement must require the tribe to impose a tax of eleven dollars and seventy-five cents on each carton of cigarettes, with ten packs a carton and twenty cigarettes per pack being the industry standard. This tax shall be prorated for cartons and packs that are nonstandard. This tribal tax is in lieu of the combined state and local sales and use taxes, and state cigarette taxes, and as such these state taxes are not imposed during the term of the agreement on any transaction governed by the agreement. The tribal tax shall increase or decrease by the same dollar amount as any increase or decrease in the state cigarette tax.

(3) The agreement must include a provision requiring the tribe to transmit thirty percent of the tribal tax revenue on all cigarette sales to the state. The funds shall be transmitted to the state treasurer on a quarterly basis for deposit by the state treasurer into the general fund. The remaining tribal tax revenue must be used for

essential government services, as that term is defined in RCW 43.06.455.

(4) The agreement is limited to retail sales in which Indian retailers make delivery and physical transfer of possession of the cigarettes from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, agreements shall provide that retailers shall not sell or give, or permit to be sold or given, cigarettes to any person under the age of eighteen years.

(5) (a) The agreement must include a provision to price and sell the cigarettes so that the retail selling price is not less than the price paid by the retailer for the cigarettes.

(b) The tribal tax is in addition to the retail selling price.

(c) The agreement must include a provision to assure the price paid to the retailer includes the tribal tax, as evidenced by the tribe's cigarette stamp.

(d) If the tribe is acting as a wholesaler to tribal retailers, the retail selling price must not be less than the price the tribe paid for such cigarettes plus the tribal tax, as evidenced by the tribe's cigarette stamp.

(6) (a) The agreement must include provisions regarding enforcement and compliance by the tribe in regard to enrolled tribal members who sell cigarettes and shall describe the individual and joint responsibilities of the tribe, the department of revenue, and the *liquor control board.

(b) The agreement must include provisions for tax administration and compliance, such as transport and notice requirements, inspection procedures, stamping requirements, recordkeeping, and audit requirements.

(c) The agreement must include provisions for sharing of information among the tribe, the department of revenue, and the *liquor control board.

(7) The agreement must provide that all cigarettes possessed or sold by a tribal retailer shall bear a tribal cigarette stamp obtained by wholesalers from a bank or other suitable stamp vendor and applied to the cigarettes. Tribal stamps must have serial numbers or some other discrete identification so that each stamp can be traced to its source.

(8) The agreement must provide that retailers shall purchase cigarettes only from wholesalers or manufacturers licensed to do business in the state of Washington.

(9) The agreement must be for a renewable period of no more than eight years.

(10) The agreement must include provisions to resolve disputes using a nonjudicial process, such as mediation, and shall include a dispute resolution protocol. The protocol shall include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the agreement should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the agreement so allow. An agreement must provide for termination of the agreement if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period.

(11) The agreement may not include any provisions that impact the state's share of the master settlement agreement, and as such this agreement does not authorize negotiation regarding a redistribution of the state's proceeds under the master settlement agreement.

(12) Information received by the state or open to state review under the terms of an agreement is subject to RCW 82.32.330.

(13) It is the intent of the legislature that the *liquor control board and the department of revenue continue the division of duties and shared authority under chapter 82.24 RCW.

(14) For purposes of this section:

(a) "Indian country" has the same meaning as in chapter 82.24 RCW.

(b) "Indian retailer" or "retailer" means (i) a retailer wholly owned and operated by an Indian tribe or (ii) a business wholly owned and operated by an enrolled tribal member and licensed by the tribe.

(c) "Indian tribe" or "tribe" means the Puyallup Tribe of Indians, which is a federally recognized Indian tribe located within the geographical boundaries of the state of Washington. [2005 c 11 § 2.]

***Reviser's note:** The "state liquor control board" was renamed the "state liquor and cannabis board" by 2015 c 70 § 3.

Findings—Intent—2005 c 11: "In 2001, the legislature enacted Engrossed Substitute Senate Bill No. 5372, which authorized the governor to enter into cigarette contracts with fourteen Indian tribes. In subsequent sessions, the legislature increased to twenty-one the number of tribes with whom the governor may negotiate under the terms of RCW 43.06.460. The legislature finds that this effort has been effective, as measured by the success of the existing agreements.

The legislature further finds the agreements resolved decades of conflict between the state and tribes over the sale of contraband cigarettes to non-Indians; benefited the tribes through tribal tax revenues; benefited the state because cigarettes are stamped and taxed; enhanced public health because access to low-priced cigarettes is reduced; improved law and order; and reduced the competitive advantage gained through the sale of tax-free cigarettes.

The 2001 legislation and its later amendments did not encompass the Puyallup Tribe of Indians within its scope due to the very different nature of the cigarette trade on the Puyallup Indian reservation. The legislature therefore intends to address the special circumstances on the Puyallup Indian reservation by recognizing the substantial distinctions and enacting legislation authorizing a cigarette tax agreement with the tribe that differs from the contracts entered into under RCW 43.06.460. Section 2 of this act provides the governor authority to enter into an agreement and sets forth the general framework for the agreement." [2005 c 11 § 1.]

Explanatory statement—Effective date—2005 c 11: "(1) On January 5, 2005, it was announced that a cigarette tax agreement had been reached between the state of Washington and the Puyallup Indian Tribe. Before being signed by the governor, the legislature must provide authorization to the governor to sign such an agreement. Because the state and the Puyallup Indian Tribe have reached an agreement in principle, time for implementation is of the essence.

(2) This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government

and its existing public institutions, and takes effect immediately [April 5, 2005]." [2005 c 11 § 6.]

RCW 43.06.466 Cigarette tax agreement—Yakama Nation. (1) The legislature finds that entering into a cigarette tax agreement with the Yakama Nation is a positive step and that such an agreement will support a stable and orderly environment on the Yakima Reservation for regulation of cigarette sales. The legislature further finds that the very special circumstances of the Yakama Nation pursuant to the Treaty with the Yakamas of 1855 (12 Stat. 951) support a cigarette tax agreement that reflects those circumstances. The legislature also finds that the provisions of the agreement with the Yakama Nation authorized by chapter 228, Laws of 2008 are reasonably necessary to prevent fraudulent transactions and place a minimal burden on the Yakama Nation, pursuant to the United States supreme court's decision in *Washington v. Confederated Tribes of the Colville Indian Reservation*, 447 U.S. 134 (1980).

It is the intent of the legislature that the cigarette tax agreement with the Yakama Nation reflects the uniqueness of the Yakama Nation's Treaty through specific terms that govern pricing of cigarettes, tribal cigarette tax revenue, information sharing, and administration of the agreement.

(2) For purposes of this section:

(a) "Cigarette" has the same meaning as in chapter 82.24 RCW; and
(b) "Tribal retailer" means a cigarette retailer as that term is defined in RCW 82.24.010 that is licensed by and located within the jurisdiction of the Yakama Nation and is wholly owned by the Yakama Nation or any of its enrolled members.

(3) The governor may enter into a cigarette tax agreement with the Yakama Nation, a federally recognized Indian tribe located within the geographical boundaries of the state of Washington, concerning the sale of cigarettes, subject to the provisions of this section. The governor may delegate the authority to negotiate the agreement to the department of revenue.

(4) The agreement must be for a renewable period of no more than eight years.

(5) All cigarettes possessed or sold by tribal retailers must be subject to the agreement, except cigarettes manufactured within the jurisdiction of the Yakama Nation by the Yakama Nation or its enrolled members.

(6) The agreement must allow the Yakama Nation to exempt its enrolled members from the tribal cigarette tax imposed under subsection (7) of this section.

(a) Sales of cigarettes exempt under this subsection must be subject to the requirements of subsection (9) of this section.

(b) The exemption must be provided only at the point of sale and reimbursement provided to the tribal retailer by the Yakama Nation.

(7) The agreement must require the Yakama Nation to impose and maintain in effect on the sale of cigarettes by tribal retailers a tax as provided in this subsection.

(a) The rate of tax will be expressed in dollars and cents and must be the percentage of tax imposed by the state under chapter 82.24 RCW for the period of the agreement as stated here:

(i) Eighty percent during the first six years;

(ii) Eighty-four percent during the seventh year; and

(iii) Eighty-seven and six-tenths percent during the eighth year.

(b) The tax must be imposed on each carton, or portion of a carton, of cigarettes, with ten packs per carton and twenty cigarettes per pack being the industry standard, and prorated for cartons and packs that are not standard.

(c) The tax must be in lieu of the combined state and local sales and use taxes, and state cigarette taxes, and, as provided in RCW 82.24.302, 82.08.0316, and 82.12.0316, the taxes imposed by chapters 82.08, 82.12, and 82.24 RCW do not apply during the term of the agreement on any transaction governed by the agreement.

(d) Throughout the term of the agreement and any renewal of the agreement, the tax must increase or decrease in correspondence with the state cigarette tax by applying the percentages in (a) of this subsection.

(8) The revenue generated by the tax imposed under subsection (7) of this section must be used by the Yakama Nation for essential government services, as that term is defined in RCW 43.06.455.

(9) All cigarettes possessed or sold by a tribal retailer must bear a tribal cigarette tax stamp as provided in this subsection.

(a) The Yakama Nation may act as its own stamp vendor, subject to meeting reasonable requirements for internal controls.

(b) The stamps must have serial numbers or other discrete identification that allow stamps to be traced to their source.

(10) The price paid by the tribal retailer to the wholesaler must not be less than the total of the price paid by the Yakama Nation or other wholesaler and the tax imposed under subsection (7) of this section.

(11) The retail selling price of cigarettes sold by tribal retailers must not be less than the price paid by them under subsection (10) of this section.

(12) Tribal retailers must not sell or give, or permit to be sold or given, cigarettes to any person under the age of eighteen years.

(13) The authority and the individual and joint responsibility of the Yakama Nation, the department of revenue, and the *liquor control board for administration and enforcement must be specified in the agreement including, but not limited to, requirements regarding transport of cigarettes, keeping of records, reporting, notice, inspection, audit, and mutual exchange of information.

(a) Requirements must provide for sharing of information regarding transport of cigarettes in the state of Washington by the Yakama Nation or its enrolled members, reporting of information on sales to customers located outside the jurisdiction of the Yakama Nation, and authority for unannounced inspection by the state of tribal retailers to verify compliance with stamping and pricing provisions.

(b) Information received by the state or open to state review under the terms of the agreement is subject to RCW 82.32.330.

(14) The agreement must provide for resolution of disputes using a nonjudicial process, such as mediation, and establish a dispute resolution protocol that includes the following elements:

(a) A procedure for notifying the other party that a violation has occurred;

(b) A procedure for establishing whether a violation has in fact occurred;

(c) An opportunity to correct the violation;

(d) A procedure for terminating the agreement in the event of a failure to correct the violation, such termination subject to mediation should the terms of the agreement so allow; and

(e) Termination of the agreement for cause.

(15) The agreement may not include any provisions that impact the state's share of the master settlement agreement or concern redistribution of the state's proceeds under the master settlement agreement.

(16) The department of revenue may share with the Yakama Nation tax information under RCW 82.32.330 that is necessary for the Yakama Nation's compliance with the agreement. [2008 c 228 § 1.]

***Reviser's note:** The "state liquor control board" was renamed the "state liquor and cannabis board" by 2015 c 70 § 3.

Authorization for agreement—2008 c 228: "In December 2007 it was announced that a cigarette tax agreement between the state of Washington and the Yakama Nation had been reached in principle. The legislature must provide authorization to the governor to sign such an agreement. Because the parties have reached an agreement in principle, time for implementation is of the essence." [2008 c 228 § 5.]

Effective date—2008 c 228: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [March 28, 2008]." [2008 c 228 § 6.]

RCW 43.06.475 Timber harvest excise tax agreements. (1) The governor may enter into timber harvest excise tax agreements concerning the harvest of timber. All timber harvest excise tax agreements must meet the requirements for timber harvest excise tax

agreements under this section. The terms of a timber harvest excise tax agreement are not effective unless the agreement is authorized in RCW 43.06.480.

(2) Timber harvest excise tax agreements shall be in regard to timber harvests on fee land within the exterior boundaries of the reservation of the Indian tribe and are not in regard to timber harvests on trust land or land owned by the tribe within the exterior boundaries of the reservation.

(3) The agreement must provide that the tribal tax shall be credited against the state and county taxes imposed under RCW 84.33.041 and 84.33.051.

(4) Tribal ordinances for timber harvest excise taxation, or other authorizing tribal laws, which implement the timber harvest excise tax agreement with the state, must incorporate or contain provisions identical to chapter 84.33 RCW that relate to the tax rates and measures, such as stumpage values.

(5) Timber harvest excise tax agreements must be for renewable periods of no more than eight years.

(6) Timber harvest excise tax agreements must include provisions for compliance, such as inspection procedures, recordkeeping, and audit requirements.

(7) Tax revenue retained by the tribe must be used for essential government services. Use of tax revenue for subsidization of timber harvesters is prohibited.

(8) The timber harvest excise tax agreement may include provisions to resolve disputes using a nonjudicial process, such as mediation.

(9) The governor may delegate the power to negotiate the timber harvest excise tax agreements to the department of revenue.

(10) Information received by the state or open to state review under the terms of a timber harvest excise tax agreement is subject to the provisions of RCW 82.32.330. The department of revenue may enter into an information sharing agreement with the tribe to facilitate sharing information to improve tax collection.

(11) The timber harvest excise tax agreement must include dispute resolution procedures, contract termination procedures, and provisions delineating the respective roles and responsibilities of the tribe and the department of revenue.

(12) The timber harvest excise tax agreement must include provisions to require taxpayers to submit information that may be required by the department of revenue or tribe.

(13) For the purposes of this section:

(a) "Essential government services" means services such as forestland management; protection, enhancement, regulation, and stewardship of forested land; land consolidation; tribal administration; public facilities; fire; police; public health; education; job services; sewer; water; environmental and land use; transportation; utility services; and public facilities serving economic development purposes as those terms are defined in RCW 82.14.370(3)(c);

(b) "Forestland" has the same meaning as in RCW 84.33.035;

(c) "Harvester" has the same meaning as in RCW 84.33.035;

(d) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington; and

(e) "Timber" has the same meaning as in RCW 84.33.035. [2007 c 69 § 2.]

Findings—Intent—2007 c 69: "The legislature finds that in certain areas of taxation, where both a tribe and the state have jurisdiction and where there are challenges to administering a tax, tax agreements between the state and a tribe are a sound approach to resolving issues and simplifying processes. The legislature specifically recognizes that in the area of the timber excise tax, within the boundaries of the Quinault Reservation, the state faces challenges due to access to land and access to taxpayers. The activity being taxed takes place entirely within the reservation and is regulated by the tribe and by the state. The legislature therefore finds that shifting from a state administered tax, to a tribal tax credited against the state tax, will bring benefits such as consistent taxation, improved forest practices and water quality, improved fisheries, and sustainability. The legislature intends to further the government-to-government relationship between the state of Washington and the Quinault Nation by authorizing the governor to enter into an agreement related to timber harvest excise taxes." [2007 c 69 § 1.]

RCW 43.06.480 Timber harvest excise tax agreements—Quinault Nation. (1) The governor is authorized to enter into a timber harvest excise tax agreement with the Quinault Nation. Agreements adopted under this section must provide that the tribal timber harvest excise tax rate be one hundred percent of the state timber harvest excise tax.

(2) A timber harvest excise tax agreement under this section is subject to RCW 43.06.475. [2007 c 69 § 3.]

Findings—Intent—2007 c 69: See note following RCW 43.06.475.

RCW 43.06.485 Senior policy advisor to the governor—State lead for economic development relating to the outdoor recreation sector of the state's economy. (1) Subject to the availability of amounts appropriated for this specific purpose, the governor must maintain a senior policy advisor to the governor to serve as a state lead on economic development issues relating to the outdoor recreation sector of the state's economy. The advisor must focus on promoting, increasing participation in, and increasing opportunities for outdoor recreation in Washington, with a particular focus on achieving economic development and job growth through outdoor recreation.

(2) The success of the advisor must be based on measurable results relating to economic development strategies that more deliberately grow employment and outdoor recreation businesses, including:

(a) Strategies for increasing the number of new jobs directly or indirectly related to outdoor recreation, with a short-term goal of increasing employment in the sector by ten percent above the one hundred ninety-nine thousand jobs estimated to be connected to outdoor recreation as of 2015; and

(b) Strategies for increasing the twenty-one billion dollars of consumer spending in Washington, and the four and one-half billion dollars of spending from out-of-state visitors, estimated to be connected to outdoor recreation as of 2015. [2015 c 245 § 2.]

(1) The governor may enter into agreements with federally recognized Indian tribes concerning cannabis. Cannabis agreements may address any cannabis-related issue that involves both state and tribal interests or otherwise has an impact on tribal-state relations. Such agreements may include, but are not limited to, the following provisions and subject matter:

- (a) Criminal and civil law enforcement;
- (b) Regulatory issues related to the commercial production, processing, sale, and possession of cannabis, and processed cannabis products, for both recreational and medical purposes;

- (d) Taxation in accordance with subsection (2) of this section;
- (e) Any tribal immunities or preemption of state law regarding the production, processing, or marketing of cannabis; and
- (f) Dispute resolution, including the use of mediation or other nonjudicial process.

(2) (a) Each cannabis agreement adopted under this section must provide for a tribal cannabis tax that is at least one hundred percent of the state cannabis excise tax imposed under RCW 69.50.535 and state and local sales and use taxes on sales of cannabis. Cannabis agreements apply to sales in which tribes, tribal enterprises, or tribal member-owned businesses (i) deliver or cause delivery to be made to or receive delivery from a cannabis producer, processor, or retailer licensed under chapter 69.50 RCW or (ii) physically transfer possession of the cannabis from the seller to the buyer within Indian country.

(b) The tribe may allow an exemption from tax for sales to the tribe, tribal enterprises, tribal member-owned businesses, or tribal members, on cannabis grown, produced, or processed within its Indian country, or for activities to the extent they are exempt under state or federal law from the state cannabis excise tax imposed under RCW 69.50.535 or state and local sales or use taxes on sales of cannabis. Medical cannabis products used in the course of medical treatments by a clinic, hospital, or similar facility owned and operated by a federally recognized Indian tribe within its Indian country may be exempted from tax under the terms of an agreement entered into under this section.

(3) Any cannabis agreement relating to the production, processing, and sale of cannabis in Indian country, whether for recreational or medical purposes, must address the following issues:

- (a) Preservation of public health and safety;
- (b) Ensuring the security of production, processing, retail, and research facilities; and
- (c) Cross-border commerce in cannabis.

(4) The governor may delegate the power to negotiate cannabis agreements to the state liquor and cannabis board. In conducting such negotiations, the state liquor and cannabis board must, when necessary, consult with the governor and/or the department of revenue.

(5) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

- (a) "Indian country" has the same meaning as in RCW 82.24.010.
- (b) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

(c) "Cannabis" means "cannabis," "cannabis concentrates," "cannabis-infused products," and "useable cannabis," as those terms are defined in RCW 69.50.101. [2022 c 16 § 33; 2015 c 207 § 2.]

Intent—Finding—2022 c 16: See note following RCW 69.50.101.

Intent—Finding—2015 c 207: "The legislature intends to further the government-to-government relationship between the state of Washington and federally recognized Indian tribes in the state of Washington by authorizing the governor to enter into agreements concerning the regulation of marijuana [cannabis]. Such agreements may include provisions pertaining to: The lawful commercial production, processing, sale, and possession of marijuana [cannabis] for both recreational and medical purposes; marijuana [cannabis]-related research activities; law enforcement, both criminal and civil; and taxation. The legislature finds that these agreements will facilitate and promote a cooperative and mutually beneficial relationship between the state and the tribes regarding matters relating to the legalization of marijuana [cannabis], particularly in light of the fact that federal Indian law precludes the state from enforcing its civil regulatory laws in Indian country. Such cooperative agreements will enhance public health and safety, ensure a lawful and well-regulated marijuana [cannabis] market, encourage economic development, and provide fiscal benefits to both the tribes and the state." [2015 c 207 § 1.]

RCW 43.06.495 Cannabis agreements—Interstate. (Contingent effective date.) (1) The governor may enter into an agreement with another state or states for the purposes of:

(a) Cross-jurisdictional coordination and enforcement of cannabis-related businesses authorized to conduct business in this state, the other state, or both; and

(b) Cross-jurisdictional delivery of cannabis between this state and the other state.

(2) An agreement entered into under this section must ensure:

(a) Enforceable public health and safety standards are met and include a system to regulate and track the interstate delivery of cannabis;

(b) Any cannabis delivered into this state, prior to sale to a consumer, is:

(i) Tested in accordance with rules adopted by the department of agriculture under RCW 15.125.020, by the department of health under RCW 69.50.375, and by the liquor and cannabis board under RCW 69.50.342, 69.50.345, and 69.50.348;

(ii) Packaged and labeled in accordance with RCW 69.50.346 and rules adopted by the liquor and cannabis board under RCW 69.50.342 and 69.50.345; and

(c) Applicable taxes on the sale, delivery, and receipt of cannabis are collected.

(3) In accordance with an agreement entered into under this section:

(a) A cannabis producer, cannabis processor, cannabis researcher, or cannabis retailer licensed under chapter 69.50 RCW may deliver cannabis to a person located in, and authorized to receive cannabis by, the other state.

(b) A cannabis producer, cannabis processor, cannabis researcher, or cannabis retailer licensed under chapter 69.50 RCW may receive cannabis from a person located in, and authorized to export cannabis by, the other state.

(4) For the purposes of this section, "cannabis," "cannabis processor," "cannabis producer," "cannabis researcher," "cannabis retailer," and "person" have the meanings provided in RCW 69.50.101. [2023 c 264 § 1.]

Contingent effective date—2023 c 264: "(1) This act takes effect on the earlier of the date on which:

(a) Federal law is amended to allow for the interstate transfer of cannabis between authorized cannabis-related businesses; or

(b) The United States department of justice issues an opinion or memorandum allowing or tolerating the interstate transfer of cannabis between authorized cannabis-related businesses.

(2) If either of the conditions in subsection (1) of this section occur, the liquor and cannabis board must:

(b) Provide written notice of statutory changes necessary to authorize the sale, delivery, and receipt of cannabis in accordance with an agreement entered into under section 1 of this act to the governor and the appropriate committees of the legislature; and

(c) Adopt rules necessary to authorize the sale, delivery, and receipt of cannabis in accordance with an agreement entered into under section 1 of this act." [2023 c 264 § 2.]

RCW 43.06.505 Vapor product tax contracts—Requirements. (1)

The governor may enter into vapor product tax contracts concerning the sale of vapor products. All vapor product tax contracts must meet the requirements for vapor product tax contracts under this section.

(2) Vapor product tax contracts must be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, contracts may address the legal age of sale for vapor products pursuant to section 11, chapter 15, Laws of 2019.

(3) A vapor product tax contract with a tribe must provide for a tribal vapor product tax in lieu of all state vapor product taxes and state and local sales and use taxes on sales of vapor products in Indian country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(4) Vapor product tax contracts must provide that retailers must purchase vapor products only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to comply with the terms of the vapor product tax contract, are certified to the state as having so agreed, and do in fact so comply. However, the state may in its sole discretion exercise its administrative and

enforcement powers over such wholesalers or manufacturers to the extent permitted by law;

(c) A tribal wholesaler that purchases only from a wholesaler or manufacturer described in (a), (b), or (d) of this subsection; and

(d) A tribal manufacturer.

(5) Vapor product tax contracts must be for renewable periods of no more than eight years.

(6) Vapor product tax contracts must include provisions for compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(8) The vapor product tax contract may include provisions to resolve disputes using a nonjudicial process, such as mediation.

(9) The governor may delegate the power to negotiate vapor product tax contracts to the department of revenue. The department of revenue must consult with the liquor and cannabis board during the negotiations.

(10) Information received by the state or open to state review under the terms of a contract is subject to the provisions of RCW 82.32.330.

(11) It is the intent of the legislature that the liquor and cannabis board and the department of revenue continue the division of duties and shared authority under chapter 82.25 RCW and therefore the liquor and cannabis board is responsible for enforcement activities that come under the terms of chapter 82.25 RCW.

(12) Each vapor product tax contract must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the contract should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the contract so allow. A contract must provide for termination of the contract if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period. In addition, the contract must include provisions delineating the respective roles and responsibilities of the tribe, the department of revenue, and the liquor and cannabis board.

(13) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Essential government services" means services such as tribal administration, public facilities, fire, police, public health, education, job services, sewer, water, environmental and land use, transportation, utility services, and economic development.

Automatic expiration date and tax preference performance statement exemption—2019 c 445: See note following RCW 82.08.0318.

RCW 43.06.510 Vapor product tax contracts—Indian tribes. (1) The governor is authorized to enter into vapor product tax contracts with federally recognized Indian tribes located within the geographical boundaries of the state of Washington. Each contract adopted under this section must provide that the tribal vapor product tax rate be one hundred percent of the state vapor product tax and state and local sales and use taxes. The tribal vapor product tax is in lieu of the state vapor product tax and state and local sales and use taxes, as provided in RCW 43.06.505(3).

(2) A vapor product tax contract under this section is subject to RCW 43.06.505 and is separate from a cigarette tax contract subject to RCW 43.06.455 or 43.06.466. [2019 c 445 § 303.]

Conflict with federal requirements—Effective date—2019 c 445: See RCW 82.25.900 and 82.25.901.

Automatic expiration date and tax preference performance statement exemption—2019 c 445: See note following RCW 82.08.0318.

(1) The governor may enter into a vapor product tax agreement with the Puyallup Tribe of Indians concerning the sale of vapor products, subject to the limitations in this section. The legislature intends to address the uniqueness of the Puyallup Indian reservation and its selling environment through pricing and compliance strategies, rather than through the imposition of equivalent taxes. The governor may delegate the authority to negotiate a vapor product tax agreement with the Puyallup Tribe to the department of revenue. The department of revenue must consult with the liquor and cannabis board during the negotiations. An agreement under this section is separate from an agreement under RCW 43.06.465.

(2) Any agreement must require the tribe to impose a tribal vapor product tax with a tax rate that is ninety percent of the state vapor product tax. This tribal tax is in lieu of the combined state and local sales and use taxes and the state vapor product tax, and as such these state taxes are not imposed during the term of the agreement on any transaction governed by the agreement. The tribal vapor product tax must increase or decrease at the time of any increase or decrease in the state vapor product tax so as to remain at a level that is ninety percent of the rate of the state vapor product tax.

(3) The agreement must include a provision requiring the tribe to transmit thirty percent of the tribal tax revenue on all vapor products sales to the state. The funds must be transmitted to the state treasurer on a quarterly basis for deposit by the state treasurer into the general fund. The remaining tribal tax revenue must

be used for essential government services, as that term is defined in RCW 43.06.505.

(4) The agreement is limited to retail sales in which Indian retailers make delivery and physical transfer of possession of the vapor products from the seller to the buyer within Indian country, and are not in regard to transactions by non-Indian retailers. In addition, agreements may address the legal age of sale for vapor products pursuant to section 11, chapter 15, Laws of 2019.

(5) (a) The agreement must include a provision to price and sell the vapor products so that the retail selling price is not less than the price paid by the retailer for the vapor products.

(b) The tribal tax is in addition to the retail selling price.

(c) The agreement must include a provision to assure the price paid to the retailer includes the tribal tax.

(d) If the tribe is acting as a distributor to tribal retailers, the retail selling price must not be less than the price the tribe paid for such vapor products plus the tribal tax.

(6) (a) The agreement must include provisions regarding enforcement and compliance by the tribe in regard to enrolled tribal members who sell vapor products and must describe the individual and joint responsibilities of the tribe, the department of revenue, and the liquor and cannabis board.

(b) The agreement must include provisions for tax administration and compliance, such as transport and notice requirements, inspection procedures, recordkeeping, and audit requirements.

(c) The agreement must include provisions for sharing of information among the tribe, the department of revenue, and the liquor and cannabis board.

(7) The agreement must provide that retailers must purchase vapor products only from distributors or manufacturers licensed to do business in the state of Washington.

(8) The agreement must be for a renewable period of no more than eight years.

(9) The agreement must include provisions to resolve disputes using a nonjudicial process, such as mediation, and must include a dispute resolution protocol. The protocol must include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the agreement should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the agreement so allow. An agreement must provide for termination of the agreement if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period.

(10) Information received by the state or open to state review under the terms of an agreement is subject to RCW 82.32.330.

(11) It is the intent of the legislature that the liquor and cannabis board and the department of revenue continue the division of duties and shared authority under chapter 82.25 RCW.

(12) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

RCW 43.06.520 State sales, use, and business and occupation taxes—Indian tribe compacts—Findings—Intent. (1) The legislature intends to further the government-to-government relationship between the state of Washington and federally recognized Indian tribes in the state of Washington by authorizing the governor to enter into compacts concerning the state's retail sales, use, and business and occupation taxes on certain activities.

(2) The legislature finds that these compacts will benefit all Washingtonians by providing a means to promote economic development and providing needed revenues for tribal governments and Indian persons.

(3) The state and the tribes have a long-standing history of working together to develop cooperative agreements on taxation for cigarettes, fuel, timber, and cannabis. It is the legislature's intent, given the positive experiences from the nearly two decades of cooperation, to build on these successes and provide the governor with the authority to address state sales, use, and business and occupation taxes on certain activities.

(4) In addition, it is the legislature's intent that these compacts will have no impact on the taxation of any transaction that is the subject of other compacts, contracts, or agreements authorized elsewhere in this chapter.
