GENERAL PROVISIONS

RCW 43.131.010 Short title. (Expires June 30, 2025.) This chapter may be known and cited as the Washington Sunset Act. [1990 c 297 § 1; 1977 ex.s. c 289 § 1.]

RCW 43.131.020 Findings. (Expires June 30, 2025.) The state legislature finds that state entities may fail to deliver services as effectively and efficiently as is expected by the general public and as originally contemplated by the legislature. It further finds that state government actions have produced a substantial increase in numbers of entities, growth of programs, and proliferation of rules, and that the entire process has evolved without sufficient legislative and executive oversight, regulatory accountability, or a system of checks and balances. The legislature further finds that by establishing a system for the termination, continuation, or modification of state entities, coupled with a system of scheduled review of such entities, it will be in a better position to: Evaluate the need for the continued existence of existing and future state entities; assess the effectiveness and performance of agencies, boards, commissions, and programs; and ensure public accountability. The legislature recognizes that the executive branch shares in this duty and responsibility to assure that state government operates in an efficient, orderly, and responsive manner. [2000 c 189 § 1; 1977 ex.s. c 289 § 2.]

RCW 43.131.030 Definitions. (Expires June 30, 2025.) As used in this chapter the following words and phrases shall have the following meanings unless the context clearly requires otherwise.

(1) "Entity" includes every state office, department, board, commission, unit or subunit, and agency of the state, and where provided by law, programs and activities involving less than the full responsibility of a state agency. "Entity" also includes any part of the Revised Code of Washington scheduled for repeal, expiration, or program termination.

(2) "Person" includes every natural person, firm, partnership, corporation, association, or organization. [2000 c 189 § 2; 1983 1st ex.s. c 27 § 1; 1977 ex.s. c 289 § 3.]

RCW 43.131.040 Reestablishment of entity scheduled for termination—Review. (Expires June 30, 2025.) Any state entity scheduled for termination by the processes provided in this chapter may be reestablished by the legislature for a specified period of time or indefinitely. The legislature may again review the state entity in a manner consistent with the provisions of this chapter and reestablish, modify, or consolidate such state entity or allow it to be terminated. [2000 c 189 § 3; 1983 1st ex.s. c 27 § 2; 1977 ex.s. c 289 § 4.]

RCW 43.131.051 Program and fiscal review—Reports. (Expires June 30, 2025.) The joint legislative audit and review committee shall conduct a program and fiscal review of any entity scheduled for termination under this chapter. This program and fiscal review shall be completed and a preliminary report prepared during the calendar year prior to the date established for termination. These reports shall be prepared in the manner set forth in RCW 44.28.071 and 44.28.075. Upon completion of its preliminary report, the joint legislative audit and review committee shall transmit copies of the report to the office of financial management and any affected entity. The final report shall include the response, if any, of the affected entity and the office of financial management in the same manner as set forth in RCW 44.28.088, except the affected entity and the office of financial management shall have sixty days to respond to the report. The joint legislative audit and review committee shall transmit the final report to the legislature, to the state entity affected, to the governor, and to the state library. [2000 c 189 § 4.]

The entity has the burden of demonstrating the extent to which performance results have been achieved. The sunset termination legislation shall name a lead entity, if more than one entity is impacted by scheduled termination. The affected entity or lead entity has the responsibility for developing and implementing a data collection plan and submitting the resulting performance information to the joint legislative audit and review committee.

(3) An entity shall develop performance measures and a data collection plan and submit them for review and comment to the joint legislative audit and review committee within one year of the effective date of the legislation establishing the sunset termination.

(4) Unless specified otherwise, sunset terminations under this chapter shall be a minimum of seven years. The joint legislative audit and review committee shall complete its review in the year prior to the date of termination. [2000 c 189 § 5.]

(b) The extent to which the entity is operating in an efficient and economical manner which results in optimum performance;

(c) The extent to which the entity is operating in the public interest by controlling costs;

- (d) The extent to which the entity duplicates the activities of other entities or of the private sector;
- (e) The extent to which the entity is meeting the performance measures developed under RCW 43.131.061; and
- (f) The possible impact of the termination or modification of the entity.
- (2) After completing the review under subsection (1) of this section, the committee shall make its recommendations to the legislature. [2000 c 189 § 6.]
