

**RCW 19.410.020 Adverse licensing action.** Medical professionals licensed by the state of Washington shall not be subject to adverse licensing action for recommending psilocybin therapy services. [2023 c 364 § 9.]

**Reviser's note:** 2023 c 364 §§ 1-5, 7, 10, 11, and 13 were vetoed. 2023 c 364 § 13 directed §§ 1-5 and 7-11 to be codified in a new chapter in Title 18 RCW, but codification in Title 19 RCW appears to be more appropriate.
