The designation of projects and sites, selection, contracting, purchase, commissioning, reviewing of design, execution and placement, acceptance, maintenance, and sale, exchange, or disposition of works of art shall be the responsibility of the Washington state arts commission in consultation with the superintendent of public instruction and representatives of school district boards of directors. (3) Reject the results of the selection process;

(4) Reject the placement of a completed work or works of art on school district premises if such works are portable.

Rejection at any point before or after the selection process shall not cause the loss of or otherwise endanger state construction funds available to the local school district. Any works of art rejected under this section shall be applied to the provision of works of art under this chapter, at the discretion of the Washington state arts commission, notwithstanding any contract or agreement between the affected school district and the artist involved. In addition to the cost of the works of art the one-half of one percent of the appropriation as provided in this section shall be used to provide for the administration, including conservation of the state art collection, by the Washington state arts commission and all costs for installation of the work of art. For the purpose of this section building shall not include sheds, warehouses, or other buildings of a temporary nature.

The executive director of the arts commission, the superintendent of public instruction, and the Washington state school directors' association shall appoint a study group to review the operations of the one-half of one percent for works of art under this section.
