**Finding—Intent—2021 c 122:** See note following RCW 2.32.050.

**Effective date—2005 c 246:** See note following RCW 10.64.140.

**Purpose—1969 ex.s. c 155:** "The identification of the injured or the seriously ill is often difficult. The need for an identification file to facilitate use by proper law enforcement officers has hampered law enforcement. Personal identification for criminal, personal and commercial reasons is becoming most important at a time when it is increasingly difficult to accomplish. The legislature finds that the public health and welfare requires a standard and readily recognizable means of identification of each person living within the state. The legislature further finds that the need for an identification file by law enforcement agencies must be met. The use of photographic drivers' licenses will greatly aid the problem, but some means of identification must be provided for persons who do not possess a driver's license. The purpose of this 1969 amendatory act is to provide for the positive identification of persons, both through an expanded use of drivers' licenses and also through issue of personal identification cards for nondrivers." [1969 ex.s. c 155 § 1.]

**Effective date—1969 ex.s. c 155:** "This 1969 amendatory act shall take effect September 1, 1969." [1969 ex.s. c 155 § 7.]
