

RCW 47.10.802 Administration and amount of bond sales. Upon request being made by the transportation commission, the state finance committee shall supervise and provide for the issuance, sale, and retirement of the bonds authorized by RCW 47.10.801 in accordance with chapter 39.42 RCW. The amount of such bonds issued and sold under RCW 47.10.801 through 47.10.809 in any biennium may not exceed the amount of a specific appropriation therefor. Such bonds may be sold from time to time in such amounts as may be necessary for the orderly progress of the state highway improvements specified in RCW 47.10.801. The amount of bonds issued and sold under RCW 47.10.801(1)(a) in any biennium shall not, except as provided in that section, exceed the amount required to match federal-aid interstate funds available to the state of Washington. The bonds shall be sold in such manner, at such time or times, in such amounts, and at such price or prices as the state finance committee shall determine. The state finance committee may obtain insurance, letters of credit, or other credit facility devices with respect to the bonds and may authorize the execution and delivery of agreements, promissory notes, and other obligations for the purpose of insuring the payment or enhancing the marketability of the bonds. Promissory notes or other obligations issued under this section shall not constitute a debt or the contracting of indebtedness under any constitutional or statutory indebtedness limitation if their payment is conditioned upon the failure of the state to pay the principal of or interest on the bonds with respect to which the promissory notes or other obligations relate. The state finance committee may authorize the issuance of short-term obligations in lieu of long-term obligations for the purposes of more favorable interest rates, lower total interest costs, and increased marketability and for the purposes of retiring the bonds during the life of the project for which they were issued.
